PROXY STATEMENT

2009 ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to holders of the common stock, par value \$2.00 per share ("Common Stock"), of New Peoples Bankshares, Inc., in connection with the solicitation of proxies by our Board of Directors to be used at the 2009 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, August 27, 2009 at 6:00 p.m. at the main office of New Peoples Bank, 53 Commerce Drive, Honaker, Virginia 24260, and any duly reconvened meeting after adjournment thereof.

Any shareholder who executes a proxy has the power to revoke it at any time by written notice to our Secretary, by executing a proxy dated as of a later date, or by voting in person at the Annual Meeting. It is expected that this Proxy Statement and the enclosed proxy card will be mailed on or about July 24, 2009 to all shareholders entitled to vote at the Annual Meeting.

The cost of soliciting proxies for the Annual Meeting will be borne by us. We do not intend to solicit proxies other than by use of the mails, but certain officers and our regular employees or our subsidiaries, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. We may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of shares of Common Stock.

To reduce the expenses of delivering duplicate proxy materials to shareholders, we are relying upon SEC rules that permit us to deliver only one proxy statement and annual report to multiple shareholders who share an address unless we received contrary instructions from any shareholder at that address. All shareholders sharing such an address will continue to receive separate proxy cards based on their registered ownership of Common Stock. Any shareholder sharing such an address who does not receive an individual proxy statement and annual report may write or call New Peoples Bank Shareholder Services as specified below and we will promptly send the materials to the shareholder at no cost. For future meetings, a shareholder may request separate copies of our proxy statement and annual report, or request that we only send one set of these materials if the shareholder is receiving multiple copies, by contacting New Peoples Bank Shareholder Services, P.O. Box 1810, Honaker, Virginia 24260, or by telephoning NPB Shareholder Services locally at 276.873.7038, or toll-free at 866.NPB.GROW (866.672.4769), extension 7038.

On June 30, 2009, the record date for determining those shareholders entitled to notice of and to vote at the Annual Meeting, there were 10,008,962 shares of Common Stock issued and outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters to be acted upon at the Annual Meeting. A majority of the shares of Common Stock entitled to vote, represented in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting.

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

A shareholder may abstain or (only with respect to the election of directors) withhold his or her vote (collectively, "Abstentions") with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor of the relevant item, and generally will have no effect on whether or not the item is approved.

A broker who holds shares in "street name" has the authority to vote on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters presented to shareholders without instructions from the beneficial owner. "Broker shares" that are voted on at least one matter will be counted for purposes of determining the existence of a quorum for the transaction of business at the Annual Meeting. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a "broker nonvote." Under the circumstances where the broker is not permitted to, or does not, exercise its discretion, assuming proper disclosure to us of such inability to vote, broker nonvotes will not be counted as voting in favor of or against the particular matter, and therefore will have no effect on whether or not an item is approved. "Broker shares" that are not voted on any matter at the Annual Meeting will not be counted for purposes of determining the existence of a quorum.

The Board of Directors is not aware of any matters other than those described in this Proxy Statement that may be presented for action at the Annual Meeting. However, if other matters do properly come before the Annual Meeting, the

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

persons named in the enclosed proxy possess discretionary authority to vote in accordance with their best judgment with respect to such other matters.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board of Directors consists of 13 current members, four of whom are nominated for election as directors at the Annual Meeting to serve for terms of three years each expiring on the date of the annual meeting of shareholders in 2012. Nine other directors are serving terms that end in either 2010 or 2011, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Common Stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the four nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the Annual Meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the Board of Directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of the Company.

The following biographical information discloses each nominee's age and business experience for the past five years, unless otherwise noted, and the year that each individual was first elected to our Board of Directors or earlier to the Board of Directors of New Peoples Bank, Inc. CORPORATE GOVERNANCE AND

THE BOARD OF DIRECTORS

General

Our business and affairs are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board are kept informed of our business through discussions with our executive officers and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

The Board of Directors has determined that all of its thirteen members are independent as defined by the listing standards of the NASDAQ Stock Market ("NASDAQ"). In reaching this conclusion, the Board of Directors considered that the Company and its subsidiary banks conduct business with companies of which certain members of the Board of Directors or members of their immediate families are or were directors or officers. In making that determination, the Board of Directors considered that Director Kilgore provides legal counsel to the Company and subsidiaries; Director Starnes' company provides maintenance for heating and air units of the bank; and Director Meade's company provided carpet for branch locations.

Code of Ethics

The Board of Directors has adopted a Code of Ethics for our directors, executive officers, and senior officers who have financial responsibilities. The Code of Ethics is designed to promote, among other things, honest and ethical conduct, proper disclosure of financial information in our periodic reports, and compliance with applicable laws, rules and regulations by our senior officers who have financial responsibilities. A copy of the Code of Ethics was attached as Exhibit 14 to our Annual Report on Form 10-K for the year ended December 31, 2003.

Board and Committee Meeting Attendance

There were 13 meetings of the Board of Directors in 2008. Each of our directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of committees on which the director served, with the exception of Mr. Ball who attended 69% of such meetings.

Committees of the Board

The Board has a Personnel Committee, an Audit Committee, and a standing Nominating Committee.

Nominating Committee

The Nominating Committee was created in May 2006 to nominate prospective members to the Board of Directors. All decisions by the Nominating Committee relating to the nominations of prospective Board members are reported to the full Board of Directors. The members of the Nominating Committee include Messrs. Wampler, Keene and White. Mr. Wampler is Chairman of the Nominating Committee. All of the members of the Committee are independent. The Committee met one time in 2008.

Prior to May 2006, the Board as a whole acted as a nominating committee. The Board created the Nominating Committee due to the increased time and resources to perform the function of selecting board nominees and is comprised entirely of independent directors (as that term is defined in the NASDAQ listing standards). The Nominating Committee acts in accordance with our Articles of Incorporation and Bylaws but does not have a charter.

Shareholders entitled to vote for the election of directors may submit candidates for consideration by the Nominating Committee if the Committee receives timely written notice, in proper form, for each such recommended director candidate. If the notice is not timely and in proper form, the nominee will not be considered by the Nominating Committee. To be timely for the 2010 Annual Meeting, the notice must be received before the Nominating Committee completes its selection of director nominees for the annual meeting. The Nominating Committee anticipates completing its selection for the 2010 Annual

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

Meeting by March 19, 2010. Any candidates recommended by a shareholder will be reviewed and considered in the same manner as all other director candidates considered by the Board.

In accordance with our Bylaws, any shareholder entitled to vote in the election of directors generally may directly nominate one or more persons for election as director(s) at an annual meeting if the nomination is made in writing. Any such shareholder nominations must be received by our Secretary within the timeframe set forth in "Proposals for 2010 Annual Meeting of Shareholders" below. To be in proper form, the notice must include (a) the name and address of the shareholder who intends to make the nomination of the person(s) and of the person(s) to be nominated; (b) a representation that the shareholder is the owner of our stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person(s) specified in the notice; (c) a description of all arrangements or understandings between the shareholder and each nominee for director and any other person(s) (naming such person(s)) pursuant to which the nomination(s) are to be made by the shareholder; (d) such other information regarding such nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors, including, but not limited to, the amount and nature of his beneficial ownership of our securities and his principal occupation for the past five years; and (e) the written consent of each nominee to serve as a director if so elected.

The Nominating Committee considers, at a minimum, the following factors in recommending to the Board potential new directors, including candidates submitted by shareholders, or the continued service of existing directors:

- the ability of the prospective nominee to represent the interests of our shareholders;
- the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and
- the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board of Directors.

The Board's emphases and priorities in evaluating Board candidates and the relative weight it gives to any given characteristic will vary from time to time based on the particular needs of the Board and us at the time and based on the expertise of the incumbent members of the Board of Directors.

Personnel Committee

The Personnel Committee acts as the Compensation Committee of the Company and the Bank and reviews management's performance and compensation, and reviews and sets guidelines for compensation of all employees. All decisions by the Personnel Committee relating to the compensation of our executive officers are reported to the full Board of Directors. The Personnel Committee does not have a charter.

The members of the Personnel Committee are Messrs. Cox, Gent, Kilgore, Meade, and Wampler, all of whom the Board in its business judgment has determined are independent as defined by the NASDAQ listing standards. The Personnel Committee held four meetings in 2008. For additional information regarding the Personnel Committee, see "Executive Compensation and Related Party Transactions" below.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling the Board's oversight responsibility to the shareholders relating to the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications, independence and performance of our independent public accountants and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the our independent public accountants engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for us. The Board of Directors and the Audit Committee have adopted a written charter for the Audit Committee. The Audit Committee Charter is attached as Appendix A to this Proxy Statement.

The members of the Audit Committee are Messrs. Cox, Gent, Keene and White. The Board in its business judgment has determined that all of the members of the Audit Committee are independent as defined by NASDAQ listing standards and applicable SEC regulations. The Board of Directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Mr. Keene qualifies as an audit committee financial expert as defined by SEC regulations.

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

The Audit Committee held six meetings in 2008. For additional information regarding the Audit Committee, see “Audit Information – Audit Committee Report” below.

Annual Meeting Attendance

We encourage members of the Board of Directors to attend the annual meeting of shareholders. All of the directors attended the 2008 annual meeting of shareholders.

Communications with Directors

Any director may be contacted by writing to him c/o Post Office Box 1810, Honaker, Virginia 24260. Communications to the directors as a group may be sent to the same address, c/o the Secretary of the Company. We promptly forward, without screening, all such correspondence to the indicated directors.

EXECUTIVE COMPENSATION AND RELATED PARTY TRANSACTIONS

Compensation Discussion & Analysis

The Personnel Committee of the Board of Directors reviews and establishes the salary and other compensation of our Senior Management, including the named executive officers. The Committee consists entirely of independent directors who are not our officers or employees. Currently, the individuals serving as Chief Executive Officer and as executive officers also serve in the same capacities, respectively, for the Bank. These executive officers are presently compensated for services rendered by them to the Bank, but not for services rendered by them to the Company. The Committee also makes recommendations to the Board of Directors with respect to the executive officers' bonuses and long-term incentive awards under our stock option plan.

The objectives of the Bank's executive compensation programs are to fairly reward and retain effective and experienced management. The compensation programs are designed to reward effectiveness, experience and ability. The Committee establishes current compensation based primarily on review of competitive salary practices by similarly sized bank organizations in Virginia as listed in the Virginia Bankers' Association Salary Survey, giving appropriate consideration to regional cost of living differences and strategies. This survey is used as a guide to determine the base salary and bonus of executive officers. The elements of compensation are as follows: base salary, bonuses, stock options, deferred compensation, insurance benefits and 401(K) matching contributions. As of December 31, 2008, there were also salary continuation agreements with the Chief Executive Officer and the Chief Operating Officer designed as an incentive to keep them as employees with their unique and valuable abilities as our executive officers. We pay each element of compensation to maximize the continuity of management and investment return. The Committee determines the amount of each element of compensation based on the following factors: regional and statewide comparisons, individual efforts, success and our overall performance. The Committee's decisions regarding each element relate to our overall compensation objectives and affect decisions regarding other elements.

The Committee has developed and implemented compensation policies and plans that seek to enhance our profitability and maximize shareholder value by aligning the financial interests of our senior officers with those of our shareholders. The policies are designed to provide competitive levels of compensation to attract and retain high quality corporate officers and key employees with outstanding abilities and to motivate them to perform to the full extent of their

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

abilities. The compensation program is designed to provide levels of compensation that reflect both the individual's and the organization's performance in achieving the organization's goals and objectives and in helping to build value for our shareholders. The components of the compensation of our executive officers and the Bank include salaries and bonuses paid by the Bank and long-term incentives through stock options granted by us. Although no stock options were awarded to the named executive officers in 2008, each executive has outstanding unexercised options that the Committee believes help align the executives' interests directly to the shareholders' interests. In addition, annual bonus decisions take into account the achievement of corporate strategic goals, such as profitability, rates of return, asset growth and asset quality are achieved, further aligning the interests of executive officers and shareholders.

Base Salary and Bonus

Our performance, in general, is considered in determining the amount of annual salary increases. The Committee sets base salaries at levels competitive with amounts paid to senior executives with comparable qualifications, experience and responsibilities after comparing salary ranges of similarly sized banks. The Virginia Bankers Association Salary Survey was used for comparison of salaries paid for similar positions and responsibilities. The Committee also takes into consideration our growth and performance, including but not limited to, branch expansion, asset quality, asset growth, and earnings.

The Committee approves the named executive officers' annual salary based on the above criteria and its assessment of their past performance and expected future contributions. In addition to the internal measures above, the Board of Directors also reviews our financial performance in relation to peer group averages in the Virginia Bankers' Association Salary Survey. A subjective approach is used in its evaluation of these factors, and therefore the Committee does not rely on a formula or weights of specific factors.

For bonuses, at the beginning of the year the Committee recommends a target bonus pool for senior management to the Board of Directors for approval. To set the bonus pool the Committee considers peer group bonuses, relying on the Virginia Bankers Association Salary Survey, base salaries and overall Company performance. For 2008 the senior management target bonus pool was set at \$170,000. At the end of the year the Committee revisits the target bonus pool considering actual overall Company performance for the year, while also taking into account the current economic atmosphere and other factors that the Committee deems relevant. As a result the senior management bonus pool the Committee recommends to the Board of Directors at the end of the year may be larger or smaller than the target bonus pool set at the beginning of the year. For 2008, the bonus pool was not adjusted from the \$170,000 target amount. The Committee then prepares individual bonus recommendations for each member of senior management, including the named executive officers. Generally, the bonus recommendations are set as a proportional percentage of the final bonus pool based on relative base salary. However, individual bonus recommendations may be adjusted up or down based on the Committee's evaluation of the individual's performance over the year. For 2008 no such adjustments were made. The Board of Directors then considers the Committee's recommendations and sets the actual bonus pool and individual bonuses.

The Chief Executive Officer does not set his own salary or bonus or the salaries or bonuses of the other named executive officers. The CEO is involved in the other named executive officers' compensation, and provides input to the Committee regarding his own. However, recommendations are made by the Committee and the final decision resides with the Board of Directors.

Stock Options

The stock option plan is intended to provide a means for selected key employees to increase their personal financial interest in us, thereby stimulating the efforts of these employees and strengthening their desire to remain with us. The stock option plan permits the award of incentive stock options and non-qualified stock options to directors and eligible officers and key employees. The Board of Directors makes grants under the stock option plan on a discretionary basis, taking into consideration the respective scope of accountability and contributions of each director

Edgar Filing: NEW PEOPLES BANKSHARES INC - Form DEF 14A

and employee, including the Chief Executive Officer, to us. In 2008, the Committee did not award any stock options to any of the executive officers or other employees. Since the change in accounting regulations in 2005 regarding expensing stock options, no stock options have been awarded to any individuals.

There is no set time for the awarding of stock options, however, for the years in which options were granted, the options have been granted in January or December. The stock option plan allows for the awarding of stock options, but no set levels of criteria or performance thresholds are necessary before options can be granted. We have no set policy regarding recapturing awards if based on financial results that have been misstated.

Other Elements of Compensation

Each named executive officer is provided with the use of a company vehicle.

On December 18, 2002, the Bank entered into salary continuation agreements with Kenneth D. Hart and Frank Sexton, Jr. The agreement with Mr. Hart provides that the Bank will pay Mr. Hart, upon the termination of his employment on or after his 65th birthday for reasons other than his death, \$59,063 per year for 15 years. The agreement with Mr. Sexton provides that the Bank will pay Mr. Sexton, upon the termination of his employment on or after his 65th birthday for reasons other than his death, \$40,500 per year for 15 years. The Bank's Board of Directors has the sole discretion to increase these benefits. The agreements provide for adjusted benefits in the event that employment terminates prior to the individual's 65th birthday (except for termination for cause) for reasons such as death, disability or a change of control of the Bank. If Mr. Hart were to terminate his employment prior to his 65th birthday, his benefit would be \$28,943 annually to be paid in 180 month installments over 15 years for a total value of \$434,145 (as of November 1, 2008). If Mr. Sexton were to terminate his employment prior to his 65th birthday, his benefit would be \$16,782 annually to be paid in 180 month installments for 15 years; total value is \$251,730 (as of November 1, 2008).

Certain Relationships and Related Transactions

Certain of our directors and officers and persons with whom they are associated have had, and expect to have in the future, banking transactions with us. Any extensions of credit to our directors and officers are made in the ordinary course of business, were required to be on substantially the same terms, including interest rates and collateral, as comparable transactions to non-related parties at the time of the extension of credit, and did not involve more than the normal risk of collectability or present other unfavorable features, pursuant to Regulation O – Loans to Executive Officers, Directors and Principal Shareholders of Member Banks.

We have not adopted a formal policy that covers the review and approval of related person transactions by our Board of Directors. The Board, however, does review all such transactions that are proposed to it for approval. During such a review, the Board will consider, among other things, the related person's relationship to us, the facts and the circumstances of the proposed transaction, the aggregate dollar amount of the transaction, the related person's relationship to the transaction and any other material information. Our Audit Committee has the responsibility to review significant conflicts of interest involving directors or executive officers.

Audit Committee Report

The Audit Committee has furnished the following report:

Management is responsible for our internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. Our independent public accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed with management and Brown, Edwards, our independent public accountants for 2008, the audited financial statements. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee has discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Professional Standards), as amended, including its judgments about the quality, not just the acceptability, of our accounting principles and underlying estimates in our consolidated financial statements; all critical accounting policies and practices to be used; all alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with our management; and other material written communication between the independent public accountants and our management, such as any management letter or schedule of unadjusted differences.

In addition, the Audit Committee has received from the independent public accountants the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and discussed with them their independence from us and our management. Moreover, the Audit Committee has considered whether the independent public accountants' provision of other non-audit services to us is compatible with maintaining their independence from us.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or presentation of the information contained in the audited financial statements.
