**PART II RULES 12b-25(b) AND (c)**

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

**PART III - NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR or the transition report or portion thereof could not be filed within the prescribed time period.

Due to unanticipated delays in the collection and compilation of certain information required to be included in the Registrant's Annual Report on Form 10-K for the fiscal year ended September 30, 2013 (the Report), and the necessity for the auditors to accordingly complete their audit, the Registrant is unable to file its Report within the prescribed time period without unreasonable effort and expense. The Report will be filed on or before the 15<sup>th</sup> calendar day following the prescribed due date.

**PART IV - OTHER INFORMATION**

(1) Name and telephone number of person to contact in regard to this notification:

James O. McKenna	(561)	465-0030
(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed?  Yes  No

If answer is no, identify report(s).

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earning statements to be included in the subject report or portion thereof?  Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if applicable, state the reasons why a reasonable estimate of the result cannot be made.

The Registrant has not yet filed its Report due to unanticipated delays in the collection and compilation of certain information required to be included in the Report. Accordingly, the Registrant cannot make a reasonable estimate of the change in results of operations at this time as the results of operations for this period are still under review. However, the Registrant anticipates that there will be a significant improvement in its net loss, consistent with the Registrant's financial results during the previous three quarters, as a result of, among other things, the Registrant's restructuring of its Asia-based sourcing and quality assurance operations and its decision to exit its global retail business to focus solely on growing its OEM (original equipment manufacturer) business, each of which resulted in

significant cost and expense savings.
