The lease commenced on April 1, 2015 on which date each Wellington Sublessee received all licenses and other approvals from the State of Georgia to operate such facility. The facilities are currently leased by Wellington Sublessor, as tenant, pursuant to a lease agreement dated August 1, 2010 (the "Prime Lease") with William M. Foster, as landlord. Each sublease agreement is structured as triple net lease wherein the Wellington Sublessee is responsible for the day-to-day operation, ongoing maintenance, taxes and insurance for the duration of the sublease. The initial term of each sublease agreement will expire on July 31, 2020 coterminous with the Prime Lease. If Wellington Sublessor and landlord agree to extend the term of the Prime Lease, then Wellington Sublessee has the right to extend the term of the sublease agreements through the end of the renewal term of the Prime Lease. The annual rent under the two sublease agreements in the first year is \$0.3 million in the aggregate, and the annual rent under each sublease will escalate at 1% each year through the initial term and 2% per year through the renewal term, if any. The sublease agreements are cross-defaulted. The initial term of the sublease agreement will expire on April 30, 2020 and has a five year renewal option. The annual rent under the sublease agreement in the first year is approximately \$0.6 million, and the annual rent will escalate at \$12,000 annually through the lease term. sublease agreement in the first two years will approximate \$1.0 million annually, and the annual rent will escalate at 3.0% annually through the lease term.
