PROXY STATEMENT

The accompanying proxy is solicited by CEL-SCI's directors for voting at the annual meeting of shareholders to be held on April 21, 2005, and at any and all adjournments of such meeting. If the proxy is executed and returned, it will be voted at the meeting in accordance with any instructions, and if no specification is made, the proxy will be voted for the proposals set forth in the accompanying notice of the annual meeting of shareholders. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to CEL-SCI at the address set forth above or in person at the time of the meeting. Additionally, any later dated proxy will revoke a previous proxy from the same shareholder. This proxy statement was mailed to shareholders of record on or about March 22, 2005.

There is one class of capital stock outstanding. Provided a quorum consisting of one-third of the shares entitled to vote is present at the meeting, the affirmative vote of a majority of the shares of common stock voting in person or represented by proxy is required to elect directors. Cumulative voting in the election of directors is not permitted. The adoption of any other proposals to come before the meeting will require the approval of a majority of votes cast at the meeting.

Shares of CEL-SCI's common stock represented by properly executed proxies that reflect abstentions or "broker non-votes" will be counted as present for purposes of determining the presence of a quorum at the annual meeting. "Broker non-votes" represent shares held by brokerage firms in "street-name" with respect to which the broker has not received instructions from the customer or otherwise does not have discretionary voting authority. Abstentions and broker non-votes will not be counted as having voted against the proposals to be considered at the meeting.

Edgar Filing: CEL SCI CORP - Form PRE 14A

CEL-SCI's Audit Committee Charter was filed as an exhibit to the proxy statement pertaining to CEL-SCI's 2003 Annual Shareholders' Meeting. The members of the compensation committee are Maximilian de Clara, Alexander Esterhazy and C. Richard Kinsolving.

For purposes of electing directors at its annual meeting CEL-SCI does not have a nominating committee or a committee performing similar functions. CEL-SCI's board of directors does not believe a nominating committee is necessary since CEL-SCI's board of directors is small and the board of directors as a whole performs this function. The current nominees to the Board of Directors were selected by a majority vote of CEL-SCI's independent directors.

CEL-SCI does not have any policy regarding the consideration of director candidates recommended by shareholders since a shareholder has never recommended a nominee to the board of directors. However, CEL-SCI's board of directors will consider candidates recommended by shareholders. To submit a candidate for the board of directors the shareholder should send the name, address and telephone number of the candidate, together with any relevant background or biographical information, to CEL-SCI's Chief Executive Officer, at the address shown on the cover page of this proxy statement. The board has not established any specific qualifications or skills a nominee must meet to serve as a director. Although the board does not have any process for identifying and evaluating director nominees, the board does not believe there would be any differences in the manner in which the board evaluates nominees submitted by shareholders as opposed to nominees submitted by any other person.

CEL-SCI does not have a policy with regard to board member's attendance at annual meetings. All board members, with the exception of Mr. de Clara, attended the last annual shareholder's meeting held on May 6, 2004.

Holders of CEL-SCI's common stock can send written communications to CEL-SCI's entire board of directors, or to one or more board members, by addressing the communication to "the Board of Directors" or to one or more directors, specifying the director or directors by name, and sending the communication to CEL-SCI's offices in Vienna, Virginia. Communications addressed to the Board of Directors as whole will be delivered to each board member. Communications addressed to a specific director (or directors) will be delivered to the director (or directors) specified.

Security holder communications not sent to the board of directors as a whole or to specified board members are not relayed to board members.

CEL-SCI has adopted a Code of Ethics which is applicable to CEL-SCI's principal executive, financial, and accounting officers and persons performing similar functions. The Code of Ethics is available on CEL-SCI's website located at www.cel-sci.com.

Employee Pension, Profit Sharing or Other Retirement Plans

During 1993 CEL-SCI implemented a defined contribution retirement plan, qualifying under Section 401(k) of the Internal Revenue Code and covering substantially all the Company's employees. Prior to January 1, 1998 CEL-SCI's contribution was equal to the lesser of 3% of each employee's salary, or 50% of the employee's contribution. Effective January 1, 1998 the plan was amended such that the Company's contribution is now made in shares of CEL-SCI's common stock as opposed to cash. Each participant's contribution is matched by CEL-SCI with shares of common stock which have a value equal to 100% of the participant's contribution, not to exceed the lesser of \$1,000 or 6% of the participant's total compensation. CEL-SCI's contribution of common stock is valued each quarter based upon the closing price of the Company's common stock. The fiscal 2004 expenses for this plan were \$56,158. Other than the 401(k) Plan, CEL-SCI does not have a defined benefit, pension plan, profit sharing or other

Edgar Filing: CEL SCI CORP - Form PRE 14A

retirement plan.

Compensation of Directors

Standard Arrangements. CEL-SCI currently pays its directors \$2,000 each per quarter, plus expenses. CEL-SCI has no standard arrangement pursuant to which directors of CEL-SCI are compensated for any services provided as a director or for committee participation or special assignments.

Other Arrangements. CEL-SCI has from time to time granted options to its outside directors. See Stock Options below for additional information concerning options granted to CEL-SCI's directors.

Employment Contracts.

In March 2002 CEL-SCI entered into a three-year employment agreement with Mr. de Clara which expires March 31, 2005. The employment agreement provides that CEL-SCI will pay Mr. de Clara an annual salary of \$363,000 during the term of the agreement. In the event that there is a material reduction in Mr. de Clara's authority, duties or activities, or in the event there is a change in the control of the Company, then the agreement allows Mr. de Clara to resign from his position at the Company and receive a lump-sum payment from CEL-SCI equal to 18 months salary. For purposes of the employment agreement, a change in the control of CEL-SCI means the sale of more than 50% of the outstanding shares of CEL-SCI's Common Stock, or a change in a majority of CEL-SCI's directors.

The Employment Agreement will also terminate upon the death of Mr. de Clara, Mr. de Clara's physical or mental disability, the conviction of Mr. de Clara for any crime involving fraud, moral turpitude, or CEL-SCI's property, or a breach of the Employment Agreement by Mr. de Clara. If the Employment Agreement is terminated for any of these reasons, Mr. de Clara, or his legal representatives, as the case may be, will be paid the salary provided by the Employment Agreement through the date of termination.

Effective September 1, 2003, CEL-SCI entered into a three-year employment agreement with Mr. Kersten. The employment agreement provides that during the term of the employment agreement CEL-SCI will pay Mr. Kersten an annual salary of \$370,585. In the event there is a change in the control of CEL-SCI, the agreement allows Mr. Kersten to resign from his position at CEL-SCI and receive a lump-sum payment from CEL-SCI equal to 24 months salary. For purposes of the employment agreement a change in the control of CEL-SCI means: (1) the merger of CEL-SCI with another entity if after such merger the shareholders of CEL-SCI do not own at least 50% of voting capital stock of the surviving corporation; (2) the sale of substantially all of the assets of CEL-SCI; (3) the acquisition by any person of more than 50% of CEL-SCI's common stock; or (4) a change in a majority of CEL-SCI's directors which has not been approved by the incumbent directors.

The Employment Agreement will also terminate upon the death of Mr. Kersten, Mr. Kersten's physical or mental disability, willful misconduct, an act of fraud against CEL-SCI, or a breach of the Employment Agreement by Mr. Kersten. If the Employment Agreement is terminated for any of these reasons Mr. Kersten, or his legal representatives, as the case may be, will be paid the salary provided by the Employment Agreement through the date of termination.

Compensation Committee Interlocks and Insider Participation

CEL-SCI has a compensation committee comprised of all of CEL-SCI's directors, with the exception of Mr. Kersten. During the year ended September 30, 2004, Mr. de Clara was the only officer participating in deliberations of

Edgar Filing: CEL SCI CORP - Form PRE 14A

CEL-SCI's compensation committee concerning executive officer compensation.

During the year ended September 30, 2004, no director of CEL-SCI was also an executive officer of another entity, which had an executive officer of CEL-SCI serving as a director of such entity or as a member of the compensation committee of such entity.

Stock Option and Bonus Plans

CEL-SCI has Incentive Stock Option Plans, Non-Qualified Stock Option Plans and Stock Bonus Plans. All Stock Option and Bonus Plans have been approved by the stockholders. A summary description of these Plans follows. In some cases these Plans are collectively referred to as the "Plans".

Incentive Stock Option Plan. The Incentive Stock Option Plans collectively authorize the issuance of up to 5,100,000 shares of CEL-SCI's Common Stock to persons who exercise options granted pursuant to the Plan. Only Company employees may be granted options pursuant to the Incentive Stock Option Plan.

To be classified as incentive stock options under the Internal Revenue Code, options granted pursuant to the Plans must be exercised prior to the following dates:

- (a) The expiration of three months after the date on which an option holder's employment by CEL-SCI is terminated (except if such termination is due to death or permanent and total disability);
- (b) The expiration of 12 months after the date on which an option holder's employment by CEL-SCI is terminated, if such termination is due to the Employee's permanent and total disability;
- (c) In the event of an option holder's death while in the employ of CEL-SCI, his executors or administrators may exercise, within three months following the date of his death, the option as to any of the shares not previously exercised;

The total fair market value of the shares of Common Stock (determined at the time of the grant of the option) for which any employee may be granted options which are first exercisable in any calendar year may not exceed

Edgar Filing: CEL SCI CORP - Form PRE 14A

\$100,000.

Options may not be exercised until one year following the date of grant. Options granted to an employee then owning more than 10% of the Common Stock of CEL-SCI may not be exercisable by its terms after five years from the date of grant. Any other option granted pursuant to the Plan may not be exercisable by its terms after ten years from the date of grant.

The purchase price per share of Common Stock purchasable under an option is determined by the Committee but cannot be less than the fair market value of the Common Stock on the date of the grant of the option (or 110% of the fair market value in the case of a person owning more than 10% of CEL-SCI's outstanding shares).

Non-Qualified Stock Option Plans. The Non-Qualified Stock Option Plans collectively authorize the issuance of up to 8,760,000 shares of CEL-SCI's Common Stock to persons that exercise options granted pursuant to the Plans. CEL-SCI's employees, directors, officers, consultants and advisors are eligible to be granted options pursuant to the Plans, provided however that bona fide services must be rendered by such consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction. The option exercise price is determined by the Committee but cannot be less than the market price of CEL-SCI's Common Stock on the date the option is granted.

Stock Bonus Plan. Up to 2,940,000 shares of Common Stock may be granted under the Stock Bonus Plan. Such shares may consist, in whole or in part, of authorized but unissued shares, or treasury shares. Under the Stock Bonus Plan, CEL-SCI's employees, directors, officers, consultants and advisors are eligible to receive a grant of CEL-SCI's shares, provided however that bona fide services must be rendered by consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction.

Other Information Regarding the Plans. The Plans are administered by CEL-SCI's Compensation Committee ("the Committee"), each member of which is a director of the Company. The members of the Committee were selected by CEL-SCI's Board of Directors and serve for a one-year tenure and until their successors are elected. A member of the Committee may be removed at any time by action of the Board of Directors. Any vacancies which may occur on the Committee will be filled by the Board of Directors. The Committee is vested with the authority to interpret the provisions of the Plans and supervise the administration of the Plans. In addition, the Committee is empowered to select those persons to whom shares or options are to be granted, to determine the number of shares subject to each grant of a stock bonus or an option and to determine when, and upon what conditions, shares or options granted under the Plans will vest or otherwise be subject to forfeiture and cancellation.

In the discretion of the Committee, any option granted pursuant to the Plans may include installment exercise terms such that the option becomes fully exercisable in a series of cumulating portions. The Committee may also accelerate the date upon which any option (or any part of any options) is first exercisable. Any shares issued pursuant to the Stock Bonus Plan and any options granted pursuant to the Incentive Stock Option Plan or the Non-Qualified Stock Option Plan will be forfeited if the "vesting" schedule established by the Committee administering the Plan at the time of the grant is not met. For this purpose, vesting means the period during which the employee must remain an employee of CEL-SCI or the period of time a non-employee must provide services

Edgar Filing: CEL SCI CORP - Form PRE 14A

to CEL-SCI. At the time an employee ceases working for CEL-SCI (or at the time a non-employee ceases to perform services for CEL-SCI), any shares or options not fully vested will be forfeited and cancelled. At the discretion of the Committee payment for the shares of common stock underlying options may be paid through the delivery of shares of CEL-SCI's common stock having an aggregate fair market value equal to the option price, provided such shares have been owned by the option holder for at least one year prior to such exercise. A combination of cash and shares of common stock may also be permitted at the discretion of the Committee.

Options are generally non-transferable except upon death of the option holder. Shares issued pursuant to the Stock Bonus Plan will generally not be transferable until the person receiving the shares satisfies the vesting requirements imposed by the Committee when the shares were issued.

The Board of Directors of CEL-SCI may at any time, and from time to time, amend, terminate, or suspend one or more of the Plans in any manner they deem appropriate, provided that such amendment, termination or suspension will not adversely affect rights or obligations with respect to shares or options previously granted. The Board of Directors may not, without shareholder approval: make any amendment which would materially modify the eligibility requirements for the Plans; increase or decrease the total number of shares of common stock which may be issued pursuant to the Plans except in the case of a reclassification of CEL-SCI's capital stock or a consolidation or merger of CEL-SCI; reduce the minimum option price per share; extend the period for granting options; or materially increase in any other way the benefits accruing to employees who are eligible to participate in the Plans.

Summary. The following sets forth certain information, as of March 1, 2005 concerning the stock options and stock bonuses granted by CEL-SCI. Each option represents the right to purchase one share of CEL-SCI's common stock. The total shares reserved under each Plan does not include the shares authorized by the 2005 Plans which are being submitted to CEL-SCI's shareholders for their approval at the 2005 annual meeting.

Compensation Committee			

During the year ending September 30, 2004 CEL-SCI had a Compensation Committee which, was comprised of Maximilian de Clara, Alexander Esterhazy and C. Richard Kinsolving. During the year ended September 30, 2004 the Compensation Committee did not formerly meet as a separate committee, but rather held its meetings in conjunction with CEL-SCI's Board of Director's meetings.

During the year ended September 30, 2004, Mr. de Clara was the only officer participating in deliberations of CEL-SCI's compensation committee concerning executive officer compensation. During the year ended September 30, 2004, no director of CEL-SCI was also an executive officer of another entity, which had an executive officer of CEL-SCI serving as a director of such entity or as a member of the compensation committee of such entity.

The following is the report of the Compensation Committee:

The key components of CEL-SCI's executive compensation program include annual base salaries and long-term incentive compensation consisting of stock options. It is CEL-SCI's policy to target compensation (i.e., base salary, stock option grants and other benefits) at approximately the median of comparable companies in the biotechnology field. Accordingly, data on compensation practices followed by other companies in the biotechnology industry is considered.

CEL-SCI's long-term incentive program consists exclusively of periodic grants of stock options with an exercise price equal to the fair market value of CEL-SCI's common stock on the date of grant. To encourage retention, the ability to exercise options granted under the program is subject to vesting restrictions. Decisions made regarding the timing and size of option grants take into account the performance of both CEL-SCI and the employee, "competitive

market" practices, and the size of the option grants made in prior years. The weighting of these factors varies and is subjective. Current option holdings are not considered when granting options.

In March 2002 CEL-SCI entered into a three-year employment agreement with Maximilian de Clara, CEL-SCI's President. The March 2002 employment agreement, which is essentially the same as Mr. de Clara's two prior employment agreements, provides that during the employment term CEL-SCI will pay Mr. de Clara a salary of \$363,000. Since the terms of the employment contract established the compensation paid to Mr. de Clara, there was no relationship between CEL-SCI's performance and Mr. de Clara's compensation for the last completed fiscal year.

Effective August 1, 2003, CEL-SCI entered into a three-year employment agreement with Geert R. Kersten. The employment agreement, which is essentially

Edgar Filing: CEL SCI CORP - Form PRE 14A

the same as Mr. Kersten's prior employment agreement, provides that during the term of the agreement CEL-SCI will pay Mr. Kersten an annual salary of \$370,585, subject to the minimum annual increases of 5% per year. In renewing Mr. Kersten's employment contract the Compensation Committee considered various factors, including Mr. Kersten's performance in his area of responsibility, Mr. Kersten's experience in his position, and Mr. Kersten's length of service with CEL-SCI. During the fiscal year ending September 30, 2003 the compensation paid to Mr. Kersten was based on his employment contract which became effective on August 1, 2003 and Mr. Kersten's previous employment agreement.

As explained in Note (1) to the Executive Compensation table, during the year ended September 30, 2004 Mr. de Clara and Mr. Kersten, agreed to accept restricted shares of CEL-SCI's common stock for part of the compensation payable pursuant to their employment contracts.

During the year ending September 30, 2004, the compensation paid to CEL-SCI's other executive officers was based on a variety of factors, including the performance in the executive's area of responsibility, the executive's individual performance, the executive's experience in his or her role, the executive's length of service with CEL-SCI, the achievement of specific goals established for CEL-SCI and its business, and, in certain instances, to the achievement of individual goals.

Financial or stockholder value performance comparisons were not used to determine the compensation of CEL-SCI's other executive officers since CEL-SCI's financial performance and stockholder value are influenced to a substantial degree by external factors and as a result comparing the compensation payable to the other executive officers to CEL-SCI's financial or stock price performance can be misleading.

During the year ended September 30, 2004 CEL-SCI granted options for the purchase of 370,000 shares of CEL-SCI's common stock to CEL-SCI's executive officers. In granting the options to CEL-SCI's executive officers, the Board of Directors considered the same factors which were used to determine the cash compensation paid to such officers.

During the year ended September 30, 2004 CEL-SCI issued restricted shares of its common stock to the following directors in lieu of director's fees: Maximilian de Clara (2,000 shares), Geert R. Kersten (2,000 shares), C. Richard Kinsolving (2,000 shares) and Peter Young (2,000 shares). Except as otherwise disclosed in this proxy statement, during the year ended September 30, 2004 CEL-SCI did not issue any shares of its common stock to CEL-SCI's officers or directors in return for services provided to CEL-SCI.

The foregoing report has been approved by the members of the Compensation Committee:

Maximilian de Clara
Alexander Esterhazy

Audit Committee

During the year ended September 30, 2004 CEL-SCI had an Audit Committee comprised of Alexander Esterhazy, C. Richard Kinsolving and Peter Young. The members of the Audit Committee are independent as independence is defined by Section 121(A) of the American Stock Exchange's Listing Standards. The purpose of the Audit Committee is to review and approve the selection of CEL-SCI's auditors, review CEL-SCI's financial statements with CEL-SCI's independent auditors, and review and discuss the independent auditors' management letter relating to CEL-SCI's internal accounting controls. During the fiscal year ended September 30, 2004, the Audit Committee met five times. All members of the Audit Committee attended these meetings.

The following is the report of the Audit Committee.

- (1) The Audit Committee reviewed and discussed CEL-SCI's audited financial statements for the year ended September 30, 2004 with CEL-SCI's management.
- (2) The Audit Committee discussed with CEL-SCI's independent auditors the matters required to be discussed by Statement on Accounting Standards (SAS) No. 61 "Communications with Audit Committee" as amended by SASS 89 and 90.
- (3) The Audit Committee has received the written disclosures and the letter from CEL-SCI's independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), and had discussed with CEL-SCI's independent accountants the independent accountants independence; and

Edgar Filing: CEL SCI CORP - Form PRE 14A

- (4) Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in CEL-SCI's Annual Report on Form 10-K for the year ended September 30, 2004 for filing with the Securities and Exchange Commission.
- (5) During the year ended September 30, 2004 CEL-SCI paid Deloitte & Touche LLP, CEL-SCI's independent auditors, other audit related fees of \$91,787 for reviewing various registration statements filed by CEL-SCI during the year. The Audit Committee is of the opinion that these fees are consistent with Deloitte & Touche LLP maintaining its independence from CEL-SCI.

The foregoing report has been approved by the members of the Audit Committee:

Alexander G. Esterhazy
C. Richard Kinsolving
Peter Young

CEL-SCI's Board of Directors has adopted a written charter for the Audit Committee, a copy of which was filed as an appendix to the proxy statement relating to CEL-SCI's March 31, 2004 annual meeting of shareholders.

PROPOSAL TO ADOPT 2005 INCENTIVE STOCK OPTION PLAN

Shareholders are being requested to vote on the adoption of CEL-SCI's 2005 Incentive Stock Option Plan. The purpose of the 2005 Incentive Stock Option Plan is to furnish additional compensation and incentives to CEL-SCI's officers and employees.

The 2005 Incentive Stock Option Plan, if adopted, will authorize the issuance of up to 1,000,000 shares of CEL-SCI's common stock to persons that exercise options granted pursuant to the plan. As of the date of this Proxy Statement CEL-SCI had not granted any options pursuant to this plan.

Any options under the 2005 Incentive Stock Option Plan must be granted before January 20, 2014. If adopted, the 2005 Incentive Stock Option Plan will function and be administered in the same manner as CEL-SCI's other Incentive Stock Option Plans. The Board of Directors recommends that the shareholders of CEL-SCI approve the adoption of the 2005 Incentive Stock Option Plan.

PROPOSAL TO ADOPT 2005 NON-QUALIFIED STOCK OPTION PLAN

Shareholders are being requested to vote on the adoption of CEL-SCI's 2005 Non-Qualified Stock Option Plan. CEL-SCI's employees, directors and officers, and consultants or advisors to CEL-SCI are eligible to be granted options

pursuant to the 2005 Non-Qualified Plan as may be determined by CEL-SCI's Board of Directors, provided however that bona fide services must be rendered by such consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction.

The 2005 Non-Qualified Plan, if adopted, will authorize the issuance of up to 1,000,000 shares of CEL-SCI's common stock to persons that exercise options granted pursuant to the Plan. As of the date of this Proxy Statement CEL-SCI had not granted any options under the 2005 Non-Qualified Plan.

The 2005 Non-Qualified Plan will function and be administered in the same manner as CEL-SCI's other Non-Qualified Plans. The Board of Directors recommends that the shareholders of CEL-SCI approve the adoption of the 2005 Non-Qualified

Edgar Filing: CEL SCI CORP - Form PRE 14A

Plan.

PROPOSAL TO ADOPT 2005 STOCK BONUS PLAN

Shareholders are being requested to vote on the adoption of CEL-SCI's 2005 Stock Bonus Plan. The purpose of the 2005 Stock Bonus Plan is to furnish additional compensation and incentives to CEL-SCI's officers and employees and to allow CEL-SCI to continue to make contributions to its 401(k) plan with shares of its common stock instead of cash.

Since 1993 CEL-SCI has maintained a defined contribution retirement plan (also known as a 401(k) Plan) covering substantially all CEL-SCI's employees. Prior to January 1, 1998 CEL-SCI's contribution to the 401(k) Plan was made in cash. Effective January 1, 1998 CEL-SCI's employees approved a change in the plan such that CEL-SCI's contribution is now made in shares of CEL-SCI's common stock as opposed to cash. CEL-SCI's contribution of common stock is made quarterly and is valued based upon the price of CEL-SCI's common stock on the American Stock Exchange. The Board of Directors is of the opinion that contributions to the 401(k) plan with shares of CEL-SCI's common stock serves to further align the shareholder's interest with that of CEL-SCI's employees.

The 2005 Stock Bonus Plan, if adopted, will authorize the issuance of up to 1,000,000 shares of CEL-SCI's common stock to persons granted stock bonuses pursuant to the plan. As of the date of this Proxy Statement CEL-SCI had not granted any stock bonuses pursuant to the 2005 Stock Bonus Plan.

The 2005 Stock Bonus Plan will function and be administered in the same manner as CEL-SCI's existing Stock Bonus Plans. The Board of Directors recommends that the shareholders of CEL-SCI approve the adoption of the 2005 Stock Bonus Plans.

PROPOSAL TO AMEND CEL-SCI'S STOCK COMPENSATION PLAN

During the two years ended December 31, 2004 CEL-SCI issued 3,859,034 shares of its common stock to its officers, directors and employees in payment of \$845,617 salaries, fees and other compensation owed to these persons. To conserve cash, CEL-SCI expects that it may continue to offer its officers,

directors and employees the opportunity to receive shares of CEL-SCI's common stock in payment of amounts owed by CEL-SCI for services rendered.

CEL-SCI's common stock trades on the American Stock Exchange. In 2003 the AMEX amended its rules so as to require AMEX listed corporations to obtain shareholder approval for arrangements which permit officers, directors, employees or consultants to receive a listed corporation's shares in payment of compensation.

To comply with the AMEX requirements in this regard CEL-SCI adopted a Stock Compensation Plan, which was approved by CEL-SCI's shareholders at the May 6, 2004 annual meeting, and which provided that up to 1,000,000 shares of CEL-SCI'S common stock would be available for issuance under the Plan.

So that CEL-SCI may continue to offer shares of its common stock in payment of compensation owed, CEL-SCI's Board of Directors, subject to shareholder approval, has approved an amendment to the Stock Compensation Plan so that an additional 500,000 shares of restricted common stock would be available for issuance under the Plan. The Board of Directors recommends that the shareholders of CEL-SCI approve the amendment to CEL-SCI's Stock Compensation Plan.

Edgar Filing: CEL SCI CORP - Form PRE 14A

INDEPENDENT PUBLIC ACCOUNTANTS

On February 9, 2005 Deloitte & Touche LLP ("Deloitte") notified CEL-SCI that it would resign as CEL-SCI's independent registered public accounting firm upon completion of its review of CEL-SCI's interim financial statements for the quarter ended December 31, 2004. On February 14, 2005, Deloitte completed its review and its resignation became effective.

Deloitte's reports on CEL-SCI's financial statements for the two most recent fiscal years did not contain an adverse opinion, or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During CEL-SCI's two most recent fiscal years and the subsequent interim period through February 14, 2005 there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Deloitte, would have caused it to make reference to the subject matter of such disagreements in connection with its reports.

	Year Ended September 30, 2003	2004

CEL-SCI's Board of Directors is of the opinion that the other fees charged by Deloitte & Touche LLP during fiscal 2003 (\$50,027) and 2004 (\$91,787) were consistent with Deloitte & Touche LLP maintaining its independence from CEL-SCI.

As of the date of this Proxy Statement, CEL-SCI had not selected a new auditing firm.

APPENDIX

CEL-SCI CORPORATION
2005 INCENTIVE STOCK OPTION PLAN

1. Purpose. The purpose of this Incentive Stock Option Plan (the "Plan") is to advance the interests of Cel-Sci Corporation and any subsidiary corporation (hereinafter referred to as the "Company") and all of its shareholders, by strengthening the Company's ability to attract and retain in its employ individuals of training, experience, and ability, and to furnish additional incentive to officers and valued employees upon whose judgment, initiative, and efforts the successful conduct and development of its business largely depends, by encouraging such officers and employees to become owners of capital stock of the Company.

This will be effected through the granting of stock options as herein provided, which options are intended to qualify as "Incentive Stock

Edgar Filing: CEL SCI CORP - Form PRE 14A

Options" within the meaning of Section 422 of the Internal Revenue Code, as amended (the "Code").

2. Definitions.

- (a) "Board" means the Board of Directors of the Company.
- (b) "Committee" means the directors duly appointed to administer the Plan.
- (c) "Common Stock" means the Company's Common Stock.
- (d) "Date of Grant" means the date on which an Option is granted under the Plan.
- (e) "Option" means an Option granted under the Plan.
- (f) "Optionee" means a person to whom an Option, which has not expired, has been granted under the Plan.
- (g) "Successor" means the legal representative of the estate of a deceased optionee or the person or persons who acquire the right to exercise an Option by bequest or inheritance or by reason of the death of any Optionee.

3. Administration of Plan. The Plan shall be administered by the Company's Board of Directors or in the alternative, by a committee of two or more directors appointed by the Board (the "Committee"). If a Committee should be appointed, the Committee shall report all action taken by it to the Board. The Committee shall have full and final authority in its discretion, subject to the provisions of the Plan, to determine the individuals to whom and the time or times at which Options shall be granted and the number of shares and purchase price of Common Stock covered by each Option; to construe and interpret the Plan; to determine the terms and provisions of the respective Option agreements, which need not be identical, including, but without limitation, terms covering the payment of the Option Price; and to make all other determinations and take

all other actions deemed necessary or advisable for the proper administration of the Plan. All such actions and determinations shall be conclusively binding for all purposes and upon all persons.

4. Common Stock Subject to Options. The aggregate number of shares of the Company's Common Stock which may be issued upon the exercise of Options granted under the Plan shall not exceed 1,000,000. The shares of Common Stock to be issued upon the exercise of Options may be authorized but unissued shares, shares issued and reacquired by the Company or shares bought on the market for the purposes of the Plan. In the event any Option shall, for any reason, terminate or expire or be surrendered without having been exercised in full, the shares subject to such Option but not purchased thereunder shall again be available for Options to be granted under the Plan.

The aggregate fair market value (determined as of the time any option is granted) of the stock for which any employee may be granted options which are first exercisable in any single calendar year under this Plan (and any other plan of the Company meeting the requirements for Incentive Stock Option Plans) shall not exceed \$100,000.

5. Participants. Options will be granted only to persons who are employees of the Company or subsidiaries of the Company and only in connection with any such person's employment. The term "employees" shall include officers as well as other employees, and the officers and other employees who are

Edgar Filing: CEL SCI CORP - Form PRE 14A

directors of the Company. The Committee will determine the employees to be granted options and the number of shares subject to each option.

6. Terms and Conditions of Options. Any Option granted under the Plan shall be evidenced by an agreement executed by the Company and the recipient and shall contain such terms and be in such form as the Committee may from time to time approve, subject to the following limitations and conditions:

(a) Option Price. The purchase price of each option shall not be less than 100% of the fair market value of the Company's common stock at the time of the granting of the option provided, however, if the optionee, at the time the option is granted, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, the purchase price of the option shall not be less than 110% of the fair market value of the stock at the time of the granting of the option.

(b) Period of Option. The maximum period for exercising an option shall be 10 years from the date upon which the option is granted, provided, however, if the optionee, at the time the option is granted, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, the maximum period for exercising an option shall be five years from the date upon which the option is granted and provided further, however, that these periods may be shortened in accordance with the provisions of Paragraph 7 below.

Subject to the foregoing, the period during which each option may be exercised, and the expiration date of each Option shall be fixed by the Committee.

If an optionee shall cease to be employed by the Company due to disability, as defined in Section 22(e)(3) of the Code, he may, but only within the one year next succeeding such cessation of employment, exercise his option to the extent that he was entitled to exercise it on the date of such cessation. The Plan will not confer upon any optionee any right with respect to continuance of employment by the Company, nor will it interfere in any way with his right, or his employer's right, to terminate his employment at any time.

(c) Vesting of Shareholder Rights. Neither an Optionee nor his successor shall have any rights as a shareholder of the Company until the certificates evidencing the shares purchased are properly delivered to such Optionee or his successor.

(d) Exercise of Option. Each Option shall be exercisable from time to time during a period (or periods) determined by the Committee and ending upon the expiration or termination of the Option; provided, however, the Committee may, by the provisions of any Option Agreement, limit the number of shares purchaseable thereunder in any period or periods of time during which the Option is exercisable. An Option shall not be exercisable in whole or in part prior to the date of shareholder approval of the Plan.

Options may be exercised in part from time to time during the option period. The exercise of any option will be contingent upon compliance by the Optionee (or purchaser acting pursuant to Section 6(b)) with the provisions of Section 10 below and upon receipt by the Company of either (i) cash or certified bank check payable to its order in the amount of the purchase price of such shares (ii) shares of Company stock having a fair market value equal to the purchase price of such shares, or (iii) a combination of (i) and (ii). If any law or regulation requires the Company to take any action with respect to the shares to be issued upon exercise of any option, then the date for delivery of such stock shall be extended for the period necessary to take such action.

Edgar Filing: CEL SCI CORP - Form PRE 14A

(e) Nontransferability of Option. No Option shall be transferable or assignable by an Optionee, otherwise than by will or the laws of descent and distribution and each Option shall be exercisable, during the Optionee's lifetime, only by him. No Option shall be pledged or hypothecated in any way and no Option shall be subject to execution, attachment, or similar process except with the express consent of the Committee.

(f) Death of Optionee. In the event of the death of an optionee while in the employ of the Company, the option theretofore granted to him shall be exercisable only within the three months succeeding such death and then only (i) by the person or persons to whom the optionee's rights under the option shall pass by the optionee's will or by the laws of descent and distribution, and (ii) if and to the extent that he was entitled to exercise the option at the date of his death.

7. Assumed Options. In connection with any transaction to which Section 424(a) of the Code is applicable, options may be granted pursuant hereto in substitution of existing options or existing options may be assumed as prescribed by that Section and any regulations issued thereunder. Notwithstanding anything to the contrary contained in this Plan, options granted

pursuant to this Paragraph shall be at prices and shall contain such terms, provisions, and conditions as may be determined by the Committee and shall include such provisions and conditions as may be necessary to meet the requirements of Section 424(a) of the Code.

8. Certain Dispositions of Shares. Any options granted pursuant to this Plan shall be conditioned such that if, within the earlier of (i) the two-year period beginning on the date of grant of an option or (ii) the one-year period beginning on the date after which any share of stock is transferred to an individual pursuant to his exercise of an option, such an individual makes a disposition of such share of stock by way of sale, exchange, gift, transfer of legal title, or otherwise, such individual shall promptly report such disposition to the Company in writing and shall furnish to the Company such details concerning such disposition as the Company may reasonably request.

9. Reclassification, Consolidation, or Merger. If and to the extent that the number of issued shares of Common Stock of the Corporation shall be increased or reduced by change in par value, split up, reclassification, distribution of a dividend payable in stock, or the like, the number of shares subject to Option and the Option price per share shall be proportionately adjusted by the Committee, whose determination shall be conclusive. If the Corporation is reorganized or consolidated or merged with another corporation, an Optionee granted an Option hereunder shall be entitled to receive Options covering shares of such reorganized, consolidated, or merged company in the same proportion, at an equivalent price, and subject to the same conditions. The new Option or assumption of the old Option shall not give Optionee additional benefits which he did not have under the old Option, or deprive him of benefits which he had under the old Option.

10. Restrictions on Issuing Shares. The exercise of each Option shall be subject to the condition that if at any time the Company shall determine in its discretion that the satisfaction of withholding tax or other withholding liabilities, or that the listing, registration, or qualification of any shares otherwise deliverable upon such exercise upon any securities exchange or under any state or federal law, or that the consent or approval of any regulatory body, is necessary or desirable as a condition of, or in connection with, such exercise or the delivery or purchase of shares purchased thereto, then in any such event, such exercise shall not be effective unless such withholding,

Edgar Filing: CEL SCI CORP - Form PRE 14A

listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Company.

Unless the shares of stock covered by the Plan have been registered with the Securities and Exchange Commission pursuant to Section 5 of the Securities Act of 1933, each optionee shall, by accepting an option, represent and agree, for himself and his transferees by will or the laws of descent and distribution, that all shares of stock purchased upon the exercise of the option will be acquired for investment and not for resale or distribution. Upon such exercise of any portion of an option, the person entitled to exercise the same shall, upon request of the Company, furnish evidence satisfactory to the Company (including a written and signed representation) to the effect that the shares of stock are being acquired in good faith for investment and not for resale or distribution. Furthermore, the Company may, if it deems appropriate, affix a

legend to certificates representing shares of stock purchased upon exercise of options indicating that such shares have not been registered with the Securities and Exchange Commission and may so notify its transfer agent. Such shares may be disposed of by an optionee in the following manner only: (1) pursuant to an effective registration statement covering such resale or reoffer, (2) pursuant to an applicable exemption from registration as indicated in a written opinion of counsel acceptable to the Company, or (3) in a transaction that meets all the requirements of Rule 144 of the Securities and Exchange Commission. If shares of stock covered by the Plan have been registered with the Securities and Exchange Commission, no such restrictions on resale shall apply, except in the case of optionees who are directors, officers, or principal shareholders of the Company. Such persons may dispose of shares only by one of the three aforesaid methods.

11. Use of Proceeds. The proceeds received by the Company from the sale of Common Stock pursuant to the exercise of Options granted under the Plan shall be added to the Company's general funds and used for general corporate purposes.

12. Amendment, Suspension, and Termination of Plan. The Board of Directors may alter, suspend, or discontinue the Plan, but may not, without the approval of a majority of those holders of the Company's Common Stock voting in person or by proxy at any meeting of the Company's shareholders, make any alteration or amendment thereof which operates to (a) make any material change in the class of eligible employees as defined in Section 5, (b) extend the term of the Plan or the maximum option periods provided in paragraph 6, (c) decrease the minimum option price provided in paragraph 6, except as provided in paragraph 9, or (d) materially increase the benefits accruing to employees participating under this Plan.

Unless the Plan shall theretofore have been terminated by the Board, the Plan shall terminate ten years after the effective date of the Plan. No Option may be granted during any suspension or after the termination of the Plan. No amendment, suspension, or termination of the Plan shall, without an Optionee's consent, alter or impair any of the rights or obligations under any Option theretofore granted to such Optionee under the Plan.

13. Limitations. Every right of action by any person receiving options pursuant to this Plan against any past, present or future member of the Board, or any officer or employee of the Company arising out of or in connection with this Plan shall, irrespective of the place where such action may be brought and irrespective of the place of residence of any such director, officer or employee cease and be barred by the expiration of one year from the date of the act or omission in respect of which such right of action arises.

14. Governing Law. The Plan shall be governed by the laws of the State of Colorado.

Edgar Filing: CEL SCI CORP - Form PRE 14A

15. Expenses of Administration. All costs and expenses incurred in the operation and administration of this Plan shall be borne by the Company.

If a Committee should be appointed, the Committee shall report all action taken by it to the Board. The Committee shall have full and final authority in its discretion, subject to the provisions of the Plan, to determine the individuals to whom and the time or times at which Options shall be granted and the number of shares and purchase price of Common Stock covered by each Option; to construe and interpret the Plan; to determine the terms and provisions of the respective Option agreements, which need not be identical, including, but without limitation, terms covering the payment of the Option Price; and to make all other determinations and take all other actions deemed necessary or advisable for the proper administration of the Plan. All such actions and determinations shall be conclusively binding for all purposes and upon all persons.

4. Common Stock Subject to Options. The aggregate number of shares of the Company's Common Stock which may be issued upon the exercise of Options granted under the Plan shall not exceed 1,000,000. The shares of Common Stock to

Edgar Filing: CEL SCI CORP - Form PRE 14A

be issued upon the exercise of Options may be authorized but unissued shares, shares issued and reacquired by the Company or shares bought on the market for the purposes of the Plan. In the event any Option shall, for any reason, terminate or expire or be surrendered without having been exercised in full, the shares subject to such Option but not purchased thereunder shall again be available for Options to be granted under the Plan.

5. Participants. Options may be granted under the Plan to employees, directors and officers, and consultants or advisors to the Company (or the Company's subsidiaries), provided however that bona fide services shall be rendered by such consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction.

6. Terms and Conditions of Options. Any Option granted under the Plan shall be evidenced by an agreement executed by the Company and the recipient and shall contain such terms and be in such form as the Committee may from time to time approve, subject to the following limitations and conditions:

(a) Option Price. The Option Price per share with respect to each Option shall be determined by the Committee but shall in no instance be less than the par value of the Common Stock.

(b) Period of Option. The period during which each option may be exercised, and the expiration date of each Option shall be fixed by the Committee, but, notwithstanding any provision of the Plan to the contrary, such expiration date shall not be more than ten years from the date of Grant.

(c) Vesting of Shareholder Rights. Neither an Optionee nor his successor shall have any rights as a shareholder of the Company until the certificates evidencing the shares purchased are properly delivered to such Optionee or his successor.

(d) Exercise of Option. Each Option shall be exercisable from time to time during a period (or periods) determined by the Committee and ending upon the expiration or termination of the Option; provided, however, the Committee may, by the provisions of any Option Agreement, limit the number of shares purchaseable thereunder in any period or periods of time during which the Option is exercisable.

(e) Nontransferability of Option. No Option shall be transferable or assignable by an Optionee, otherwise than by will or the laws of descent and distribution and each Option shall be exercisable, during the Optionee's lifetime, only by him. No Option shall be pledged or hypothecated in any way and no Option shall be subject to execution, attachment, or similar process except with the express consent of the Committee.

(f) Death of Optionee. If an Optionee dies while holding an Option granted hereunder, his Option privileges shall be limited to the shares which were immediately purchasable by him at the date of death and such Option privileges shall expire unless exercised by his successor within four months after the date of death.

7. Reclassification, Consolidation, or Merger. If and to the extent that the number of issued shares of Common Stock of the Corporation shall be increased or reduced by change in par value, split up, reclassification, distribution of a dividend payable in stock, or the like, the number of shares subject to Option and the Option price per share shall be proportionately adjusted by the Committee, whose determination shall be conclusive. If the Corporation is reorganized or consolidated or merged with another corporation,

Edgar Filing: CEL SCI CORP - Form PRE 14A

an Optionee granted an Option hereunder shall be entitled to receive Options covering shares of such reorganized, consolidated, or merged company in the same proportion, at an equivalent price, and subject to the same conditions. The new Option or assumption of the old Option shall not give Optionee additional benefits which he did not have under the old Option, or deprive him of benefits which he had under the old Option.

8. Restrictions on Issuing Shares. The exercise of each Option shall be subject to the condition that if at any time the Company shall determine in its discretion that the satisfaction of withholding tax or other withholding liabilities, or that the listing, registration, or qualification of any shares otherwise deliverable upon such exercise upon any securities exchange or under any state or federal law, or that the consent or approval of any regulatory body, is necessary or desirable as a condition of, or in connection with, such exercise or the delivery or purchase of shares purchased thereto, then in any such event, such exercise shall not be effective unless such withholding, listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Company.

Unless the shares of stock covered by the Plan have been registered with the Securities and Exchange Commission pursuant to Section 5 of the Securities Act of 1933, each optionee shall, by accepting an option, represent and agree, for himself and his transferees by will or the laws of descent and distribution, that all shares of stock purchased upon the exercise of the option will be acquired for investment and not for resale or distribution. Upon such exercise of any portion of an option, the person entitled to exercise the same shall, upon request of the Company, furnish evidence satisfactory to the Company (including a written and signed representation) to the effect that the shares of stock are being acquired in good faith for investment and not for resale or distribution. Furthermore, the Company may, if it deems appropriate, affix a legend to certificates representing shares of stock purchased upon exercise of options indicating that such shares have not been registered with the Securities and Exchange Commission and may so notify the Company's transfer agent. Such shares may be disposed of by an optionee in the following manner only: (1) pursuant to an effective registration statement covering such resale or reoffer, (2) pursuant to an applicable exemption from registration as indicated in a written opinion of counsel acceptable to the Company, or (3) in a transaction that meets all the requirements of Rule 144 of the Securities and Exchange Commission. If shares of stock covered by the Plan have been registered with the Securities and Exchange Commission, no such restrictions on resale shall apply, except in the case of

optionees who are directors, officers, or principal shareholders of the Company. Such persons may dispose of shares only by one of the three aforesaid methods.

9. Use of Proceeds. The proceeds received by the Company from the sale of Common Stock pursuant to the exercise of Options granted under the Plan shall be added to the Company's general funds and used for general corporate purposes.

10. Amendment, Suspension, and Termination of Plan. The Board of Directors may alter, suspend, or discontinue the Plan at any time.

Unless the Plan shall theretofore have been terminated by the Board, the Plan shall terminate ten years after the effective date of the Plan. No Option may be granted during any suspension or after the termination of the Plan. No amendment, suspension, or termination of the Plan shall, without an Optionee's consent, alter or impair any of the rights or obligations under any Option theretofore granted to such Optionee under the Plan.

11. Limitations. Every right of action by any person receiving options

Edgar Filing: CEL SCI CORP - Form PRE 14A

pursuant to this Plan against any past, present or future member of the Board, or any officer or employee of the Company arising out of or in connection with this Plan shall, irrespective of the place where such action may be brought and irrespective of the place of residence of any such director, officer or employee cease and be barred by the expiration of one year from the date of the act or omission in respect of which such right of action arises.

12. Governing Law. The Plan shall be governed by the laws of the State of Colorado.

13. Expenses of Administration. All costs and expenses incurred in the operation and administration of this Plan shall be borne by the Company.

CEL-SCI CORPORATION 2005 STOCK BONUS PLAN

1. Purpose. The purpose of this Stock Bonus Plan is to advance the interests of Cel-Sci Corporation (the "Company") and its shareholders, by encouraging and enabling selected officers, directors, consultants and key employees upon whose judgment, initiative and effort the Company is largely dependent for the successful conduct of its business, to acquire and retain a proprietary interest in the Company by ownership of its stock, to keep personnel of experience and ability in the employ of the Company and to compensate them for their contributions to the growth and profits of the Company and thereby induce them to continue to make such contributions in the future.

2. Definitions.

A. "Board" shall mean the board of directors of the Company.

B. "Committee" means the directors duly appointed to administer the Plan.

C. "Plan" shall mean this Stock Bonus Plan.

D. "Bonus Share" shall mean the shares of common stock of the Company reserved pursuant to Section 4 hereof and any such shares issued to a Recipient pursuant to this Plan.

E. "Recipient" shall mean any individual rendering services for the Company to whom shares are granted pursuant to this Plan.

3. Administration of Plan. The Plan shall be administered by a committee of two or more directors appointed by the Board (the "Committee"). The Committee shall report all action taken by it to the Board. The Committee shall have full and final authority in its discretion, subject to the provisions of the Plan, to determine the individuals to whom and the time or times at which Bonus Shares shall be granted and the number of Bonus Shares; to construe and interpret the Plan; and to make all other determinations and take all other actions deemed necessary or advisable for the proper administration of the Plan. All such actions and determinations shall be conclusively binding for all purposes and upon all persons.

4. Bonus Share Reserve. There shall be established a Bonus Share Reserve to which shall be credited 1,000,000 shares of the Company's common stock. In the event that the shares of common stock of the Company should, as a result of a stock split or stock dividend or combination of shares or any other change, or exchange for other securities by reclassification, reorganization, merger, consolidation, recapitalization or otherwise, be increased or decreased

Edgar Filing: CEL SCI CORP - Form PRE 14A

or changed into or exchanged for, a different number or kind of shares of stock or other securities of the Company or of another corporation, the number of shares then remaining in the Bonus Share Reserve shall be appropriately adjusted to reflect such action. Upon the grant of shares hereunder, this reserve shall be reduced by the number of shares so granted. Distributions of Bonus Shares may, as the Committee shall in its sole discretion determine, be made from

authorized but unissued shares or from treasury shares. All authorized and unissued shares issued as Bonus Shares in accordance with the Plan shall be fully paid and non-assessable and free from preemptive rights.

5. Eligibility, and Granting and Vesting of Bonus Shares. Bonus Shares may be granted under the Plan to the Company's (or the Company's subsidiaries) employees, directors and officers, and consultants or advisors to the Company (or its subsidiaries), provided however that bona fide services shall be rendered by such consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction.

The Committee, in its sole discretion, is empowered to grant to an eligible Participant a number of Bonus Shares as it shall determine from time to time. Each grant of these Bonus Shares shall become vested according to a schedule to be established by the Committee directors at the time of the grant. For purposes of this plan, vesting shall mean the period during which the recipient must remain an employee or provide services for the Company. At such time as the employment of the Recipient ceases, any shares not fully vested shall be forfeited by the Recipient and shall be returned to the Bonus Share Reserve. The Committee, in its sole discretion, may also impose restrictions on the future transferability of the bonus shares, which restrictions shall be set forth on the notification to the Recipient of the grant.

The aggregate number of Bonus Shares which may be granted pursuant to this Plan shall not exceed the amount available therefore in the Bonus Share Reserve.

6. Form of Grants. Each grant shall specify the number of Bonus Shares subject thereto, subject to the provisions of Section 5 hereof.

At the time of making any grant, the Committee shall advise the Recipient by delivery of written notice, in the form of Exhibit A hereto annexed.

7. Recipients' Representations.

A. The Committee may require that, in acquiring any Bonus Shares, the Recipient agree with, and represent to, the Company that the Recipient is acquiring such Bonus Shares for the purpose of investment and with no present intention to transfer, sell or otherwise dispose of shares except such distribution by a legal representative as shall be required by will or the laws of any jurisdiction in winding-up the estate of any Recipient. Such shares shall be transferable thereafter only if the proposed transfer shall be permissible pursuant to the Plan and if, in the opinion of counsel (who shall be satisfactory to the Committee), such transfer shall at such time be in compliance with applicable securities laws.

B. To effectuate Paragraph A above, the Recipient shall deliver to the Committee, in duplicate, an agreement in writing, signed by the Recipient, in form and substance as set forth in Exhibit B hereto annexed, and the Committee shall forthwith acknowledge its receipt thereof.

Edgar Filing: CEL SCI CORP - Form PRE 14A

8. Restrictions Upon Issuance. A. Bonus Shares shall forthwith after the making of any representations required by Section 6 hereof, or if no representations are required then within thirty (30) days of the date of grant, be duly issued and transferred and a certificate or certificates for such shares shall be issued in the Recipient's name. The Recipient shall thereupon be a shareholder with respect to all the shares represented by such certificate or certificates, shall have all the rights of a shareholder with respect to all such shares, including the right to vote such shares and to receive all dividends and other distributions (subject to the provisions of Section 7(B) hereof) paid with respect to such shares. Certificates of stock representing Bonus Shares shall be imprinted with a legend to the effect that the shares represented thereby are subject to the provisions of this Agreement, and to the vesting and transfer limitations established by the Committee, and each transfer agent for the common stock shall be instructed to like effect with respect of such shares.

B. In the event that, as the result of a stock split or stock dividend or combination of shares or any other change, or exchange for other securities, by reclassification, reorganization, merger, consolidation, recapitalization or otherwise, the Recipient shall, as owner of the Bonus Shares subject to restrictions hereunder, be entitled to new or additional or different shares of stock or securities, the certificate or certificates for, or other evidences of, such new or additional or different shares or securities, together with a stock power or other instrument of transfer appropriately endorsed, shall also be imprinted with a legend as provided in Section 7(A), and all provisions of the Plan relating to restrictions herein set forth shall thereupon be applicable to such new or additional or different shares or securities to the extent applicable to the shares with respect to which they were distributed.

C. The grant of any Bonus Shares shall be subject to the condition that if at any time the Company shall determine in its discretion that the satisfaction of withholding tax or other withholding liabilities, or that the listing, registration, or qualification of any Bonus Shares upon such exercise upon any securities exchange or under any state or federal law, or that the consent or approval of any regulatory body, is necessary or desirable as a condition of, or in connection with, the issuance of any Bonus Shares, then in any such event, such exercise shall not be effective unless such withholding, listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Company.

D. Unless the Bonus Shares covered by the Plan have been registered with the Securities and Exchange Commission pursuant to Section 5 of the Securities Act of 1933, each Recipient shall, by accepting a Bonus Share, represent and agree, for himself and his transferees by will or the laws of descent and distribution, that all Bonus Shares were acquired for investment and not for resale or distribution. The person entitled to receive Bonus Shares shall, upon request of the Committee, furnish evidence satisfactory to the Committee (including a written and signed representation) to the effect that the shares of stock are being acquired in good faith for investment and not for resale or distribution. Furthermore, the Committee may, if it deems appropriate, affix a legend to certificates representing Bonus Shares indicating that such Bonus Shares have not been registered with the Securities and Exchange Commission and may so notify the Company's transfer agent. Such shares may be disposed of by a Recipient in the following manner only: (1) pursuant to an

effective registration statement covering such resale or reoffer, (2) pursuant to an applicable exemption from registration as indicated in a written opinion of counsel acceptable to the Company, or (3) in a transaction that meets all the

requirements of Rule 144 of the Securities and Exchange Commission. If Bonus Shares covered by the Plan have been registered with the Securities and Exchange Commission, no such restrictions on resale shall apply, except in the case of Recipients who are directors, officers, or principal shareholders of the Company. Such persons may dispose of shares only by one of the three aforesaid methods.

9. Limitations. Neither the action of the Company in establishing the Plan, nor any action taken by it nor by the Committee under the Plan, nor any provision of the Plan, shall be construed as giving to any person the right to be retained in the employ of the Company.

Every right of action by any person receiving shares of common stock pursuant to this Plan against any past, present or future member of the Board, or any officer or employee of the Company arising out of or in connection with this Plan shall, irrespective of the place where action may be brought and irrespective of the place of residence of any such director, officer or employee cease and be barred by the expiration of one year from the date of the act or omission in respect of which such right of action arises.

10. Amendment, Suspension or Termination of the Plan. The Board of Directors may alter, suspend, or discontinue the Plan at any time.

Unless the Plan shall theretofore have been terminated by the Board, the Plan shall terminate ten years after the effective date of the Plan. No Bonus Share may be granted during any suspension or after the termination of the Plan. No amendment, suspension, or termination of the Plan shall, without a recipient's consent, alter or impair any of the rights or obligations under any Bonus Share theretofore granted to such recipient under the Plan.

11. Governing Law. The Plan shall be governed by the laws of the State of Colorado.

12. Expenses of Administration. All costs and expenses incurred in the operation and administration of this Plan shall be borne by the Company.

STOCK COMPENSATION PLAN (Amended)

CEL-SCI Corporation ("the Company") hereby adopts the Stock Compensation Plan. All officers, directors and employees of the Company, as well as consultants to the Company (collectively the "Participants"), will be eligible to participate in the Plan. Pursuant to the provisions of the Plan, Participants and directors may agree to receive shares of the Company's common stock in lieu of all or part of the compensation owed to them by the Company.

1. Up to 1,500,000 shares of common stock are reserved for issuance pursuant to this Plan. The shares of stock issuable pursuant to the Plan will be restricted securities as that term is defined in Rule 144 of the Securities and Exchange Commission.
2. The number of shares to be offered to each Participant will be equal to the number determined by dividing the compensation to be satisfied through the issuance of shares by the Price Per Share. The Price Per Share will be equal to the closing price of the Company's common stock on the date prior to the date the Acceptance Form is delivered to the Participant except that a higher or a lower price may be set by the Company's Compensation Committee. However in no case may the Price Per Share be less than 80% of the closing price of the Company's common

stock on the date prior to the date the Acceptance Form is delivered to the Participant.

3. If the Company is willing to offer shares of its common stock to any Participant in accordance with this Plan, the Company will provide the Participant with the attached Acceptance Form. A Participant wanting to accept the terms outlined in the Acceptance Form will be required to sign the form and return it to the Company by the date indicated on the form.
4. The Company, in its sole discretion, may determine that any eligible Participant will not, on any or on one or more occasions, be offered the opportunity to receive shares of common stock pursuant to this Plan.
5. The agreement of any Participant to accept shares of common stock in lieu of compensation is subject to approval by the Company's board of directors, which approval may be refused for any reason.
6. At the time the shares are issued, the Participant will incur taxable income equal to the market price of the Company's common stock on the date the Company's board of directors approves the issuance of shares to the Participant. If the Participant is employed by the Company on the date the shares are issued, the Company may require the Participant to pay the Company all applicable federal and state withholding taxes with respect to such income or, may withhold such amounts from the Participant. If the Participant is not employed by the Company on the date the shares are issued, the delivery of the shares may be conditioned, at the Company's option, upon the Participant tendering to the Company an amount equal to all applicable federal and state withholding taxes. Federal withholding taxes will be based upon the then current provisions of the Internal Revenue Code for withholding taxes plus the Participant's share of Social Security and Medicaid taxes.
7. The Company makes no representations to a Participant that the shares which may be issued pursuant to this Plan will ultimately have any value whatsoever.
8. This Plan will terminate on December 31, 2008, after which date the Company may not issue any shares of common stock pursuant to this Plan.
