In accordance with applicable law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. However, broker non-votes and abstentions will not be considered "votes cast" with respect to a matter and will have no effect on the outcome of the vote.

Proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's By-laws provide that the Board of Directors (the "Board") is divided into two classes. Each class is to have a term of two years (the term of each class expiring in alternating years) and is to consist, as nearly as possible, of one-half of the number of directors constituting the entire Board. The By-laws provide that the number of directors shall be fixed by the Board of Directors but in any event, shall be no less than five (5) (subject to decrease by a resolution adopted by the shareholders).

At the Annual Meeting, a class of two directors will be elected for a two-year term expiring at the Annual Meeting of Shareholders to be held in 2008. Messrs. Dominic J. Monetta and Kevin J. Zugibe are the nominees for election to this class. Messrs. Harry C. Schell and Robert M. Zech, whose terms will expire at the 2006 Annual Meeting, have each determined not to stand for election at the Annual Meeting and will depart the board of directors at the conclusion of the Annual Meeting. Their positions will not be replaced, reducing the total number of directors to five. Vincent P. Abbatecola, Robert L. Burr and Otto C. Morch will not stand for election at the Annual Meeting because their respective terms expire at the Annual Meeting of Shareholders to be held in 2007.

Proxies will be voted for the nominees named below, unless authority is withheld. Board Meetings

A total of eight meetings of the Board of Directors were held during the 2005 fiscal year. During the 2005 fiscal year, no director attended fewer than 75 percent of the aggregate of (1) the Board meetings that were held, and (2) the meetings held by the committees of the Board on which he served.

Committees of the Board of Directors

The Board of Directors has established a Compensation/Stock Option Committee, which is responsible for recommending to the independent directors the compensation of the Company's executive officers and for the administration of the Company's employee benefit plans. The members of such Committee are Messrs. Abbatecola, Burr, Morch and Zech. The Compensation/Stock Option Committee held two meetings during Fiscal 2005.

The Board also has an Audit Committee which supervises the audit and financial procedures of the Company and is responsible for the selection of the Company's independent registered public accountants. The members of the Audit Committee are Messrs. Abbatecola, Morch and Monetta. The Board of Directors has determined that each member of the Audit Committee and Mr. Schell is an "independent director" within the meaning of NASD Marketplace Rule 4200. The Audit Committee does not have a member that qualifies as a "financial expert" under the federal securities laws. Each of the members of the Audit Committee has been active in the business community and have broad and diverse backgrounds, and financial experience. Two of the current members have served on the Company's Audit Committee and have overseen the financial review by the Company's independent auditors for eight (8) years. The Company believes that the current members of the Audit Committee are able to fully and faithfully perform the functions of the Audit Committee and that the Company does not need to install a "financial expert" on the Audit Committee. The Audit Committee held five meetings during Fiscal 2005. The Audit Committee has adopted a written charter, a copy of which is on file with the Securities and Exchange Commission (the "SEC") as Appendix A to the Company's definitive proxy statement on Schedule 14A relating to the Company's 2004 Annual Meeting of Shareholders, which was filed with the SEC on August 18, 2004.

The Board also has an Executive Committee which is authorized to exercise the powers of the Board of Directors in the general supervision and control of the business affairs of the Company during the intervals between meetings of the board. The members of the Executive Committee are Messrs. Burr, Schell and Zugibe.

The Board also has an Occupational, Safety and Environmental Protection Committee, which is responsible for satisfying the Board that the Company's Environmental, Health and Safety policies, plans and procedures are adequate. The members of the Occupational, Safety and Environmental Protection Committee are Messrs. Monetta and Zugibe.

The Board does not have a nominating committee or other Board committee performing similar functions, and in the past all directors have participated in the consideration of director nominations. Each of the Company's current independent directors has expressed his willingness and desire to continue serving on the Board and has made personal investments in Company stock. The Company believes that due to the Company's size and financial condition, the modest compensation paid to directors, and the current independent directors' continued willingness to continue to serve under such circumstances, it is unnecessary at this time to create a nominating committee. However, in accordance with NASD Marketplace rule 4350(c)(4), board nominations are made either by a nominating committee of the Board that is comprised solely of the Company's independent directors, or by vote of a majority of independent directors. The nominees named above were nominated by the latter method. The independent directors, while there is no nominating committee, will consider shareholder recommendations as described below.

Audit Committee Report

In December 2005, the Audit Committee met with management to review and discuss the audit and the procedures and timing of the audit. In March 2006, the Audit Committee met with management to review and discuss the audited financial statements. The Audit Committee also discussed with the Company's independent auditors, BDO Seidman, LLP, the matters required to be discussed by the Statement on Auditing Standards No. 61. As required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," the Audit Committee has received the required written disclosures and confirming letter from BDO Seidman, LLP regarding its independence and has discussed with BDO Seidman, LLP its independence. Based upon the review and discussions referred to above, the Audit Committee ratified its prior recommendation to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2005.

The Audit Committee-

Vincent Abbatecola, Otto Morch and Dominic Monetta.

Code of Conduct and Ethics

The Company has adopted a written code of conduct and ethics that applies to all directors, and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller and any persons performing similar functions. The Company will provide a copy of its code of ethics to any person without charge upon written request addressed to Hudson Technologies, Inc., 275 North Middletown Road, Pearl River, New York 10965, Attention: Stephen P. Mandracchia.

In addition to Kevin J. Zugibe, Messrs. Brian Coleman, James R. Buscemi, Charles F. Harkins, Jr. and Stephen P. Mandracchia serve as executive officers of the Company. COMMUNICATIONS WITH THE BOARD

The Board of Directors has established a process for shareholders to send communications to the Board of Directors. Shareholders may communicate with the Board of Directors individually or as a group by writing to: The Board of Directors of Hudson Technologies, Inc. c/o Corporate Secretary, 275 North Middletown Road, Pearl River, NY 10965. Shareholders should identify their communication as being from a stockholder of the Company. The Corporate Secretary may require reasonable evidence that the communication or other submission is made by a stockholder of the Company before transmitting the communication to the Board of Directors.

BOARD ATTENDANCE AT ANNUAL SHAREHOLDER MEETINGS

The Company has a policy that strongly encourages directors to attend the Company's Annual Meeting of Shareholders. Last year's Annual Meeting of Shareholders was attended by six of the Company's directors.

CONSIDERATION OF DIRECTOR NOMINEES RECOMMENDED BY SHAREHOLDERS

Shareholders of the Company wishing to recommend director candidates to the Board must submit their recommendations in writing to the Board, c/o Corporate Secretary, Hudson Technologies, Inc., 275 North Middletown Road, Pearl River, NY 10965.

The Board will consider nominees recommended by the Company's shareholders provided that the recommendation contains sufficient information for the Board to assess the suitability of the candidate, including the candidate's qualifications. Candidates recommended by shareholders that comply with these procedures will be considered either by a nominating committee of the Board that is comprised solely of the Company's independent directors, or solely by the independent directors. The recommendations must also state the name of the shareholder who is submitting the recommendation. In addition, it must include information regarding the recommended candidate relevant to a determination of whether the recommended candidate would be barred from being considered independent under NASD Marketplace Rule 4200, or, alternatively, a statement that the recommended candidate would not be so barred. Each nomination is also required to set forth: (i) a representation that the shareholder making the nomination is a holder of record of capital stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons nominated; (ii) a description of all arrangements and understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination was made by the shareholder; (iii) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Board of Directors; (iv) and the consent of each nominee to serve as a director of the Company if so elected. A nomination which does not comply with the above

requirements or that is not received by the deadline referred to below will not be considered.

The qualities and skills sought in prospective members of the Board are determined by the Board. The Board generally requires that director candidates be qualified individuals who, if added to the Board, would provide the mix of director characteristics, experience, perspectives and skills appropriate for the Company. Criteria for selection of candidates will include, but not be limited to: (i) business and financial acumen, as determined by the Board in its discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of the Company's industry, (iv) relevant experience and knowledge of corporate governance practices, and (v) expertise in an area relevant to the Company. Such persons should not have commitments that would conflict with the time commitments of a Director of the Company.

DEADLINE AND PROCEDURES FOR SUBMITTING BOARD NOMINATIONS

A shareholder wishing to nominate a candidate for election to the Board at the Annual Meeting of Shareholders to be held in 2007, which the Company currently anticipates will be held in or about June 2007, is required to give written notice containing the required information specified above addressed to the Board, c/o Secretary of the Company, Hudson Technologies, Inc., 275 North Middletown Road, Pearl River, NY 10965 of his or her intention to make such a nomination. The notice of nomination and other required information must be received by the Company's Secretary no later than January 15, 2007.

Section 16(a) Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than 10% of a registered class of the Company's equity securities ("Reporting Persons") to file reports of ownership and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received by the Company, the Company believes that during and for the year ended December 31, 2005 all filing requirements applicable to its officers, directors, and greater than 10 percent beneficial shareholders were complied with.

On October 11, 2006, the Company entered into an Amended and Restated Employment Agreement (the "Employment Agreement") with Kevin J. Zugibe, for a period of two years, which expires in October 2008 and is automatically renewable for successive two year terms unless either party gives notice of termination at least ninety (90) days prior to the expiration date of the then current term. Pursuant to the Employment Agreement, Mr. Zugibe is receiving an annual base salary of \$179,900 with such increases and bonuses as the Board may determine. In addition, pursuant to the Employment Agreement, in the event of his involuntary separation from the Company without cause, or in the event of his voluntary separation for a good reason as enumerated in the Employment Agreement, Mr. Zugibe will receive severance payments, in the form of the continuation of his annual base salary and benefits for a period of 24 months, and a lump sum payment equivalent to the highest bonus paid to Mr. Zugibe in the 3 years prior to his termination, pro-rated to the date of his termination. The Employment Agreement also provides, in the event of Mr. Zugibe's disability, for the continuation of at least 75% of Mr. Zugibe's salary for up to one hundred twenty (120) days after the commencement of his disability. Pursuant to the Employment Agreement, Mr. Zugibe has also received payment in the amount of \$5,000, and has received 9,300 stock options under the Company's 1997 Stock Option Plan as additional consideration for Mr. Zugibe's agreement to certain covenants and restrictions, which include an agreement that Mr. Zugibe will not compete with the Company in specified geographic areas for a period of 24 months after his termination for any reason. The Company is the beneficiary of a "key-man" insurance policy on the life of Mr. Zugibe in the amount of \$1,000,000.

On October 11, 2006, the Company entered into separate agreements with each of Brian F. Coleman, Charles F. Harkins and Stephen P. Mandracchia (hereinafter the "Agreement" or "Agreements"). The Agreements also provide, in the event of their disability, for the continuation of at least 75% of their salary for up to one hundred twenty (120) days after the commencement of their disability. Coleman, Harkins and Mandracchia have also received payment in the respective amounts of \$4,500, \$4,000 and \$3,500, and have received, respectively, 8,100, 7,900 and 7,400 stock options under the Company's 1997 Stock Option Plan, as additional consideration for their agreement to certain covenants and restrictions, which include an agreement that they will not compete with the Company in specified geographic areas for a period of 18 months after their termination for any reason.

Buscemi, pursuant to which, in the event of his involuntary separation from the Company without cause, or in the event of his voluntary separation for a good reason as enumerated in the Agreement, Mr. Buscemi will receive severance payments in the form of the continuation of his annual base salary and benefits for a period of 12 months, and a lump sum payment equivalent to highest bonus paid to Mr. Buscemi in the 3 years prior to his termination, pro-rated to the date of his termination. The agreement also provides, in the event of their disability, for the continuation of at least 75% of his salary for up to one hundred twenty (120) days after the commencement of his disability. Pursuant to the agreement, Mr. Buscemi has also received payment in the amount of \$3,000 and has received 6,500 stock options under the Company's 1997 Stock Option Plan as additional consideration for his agreement to certain covenants and restrictions, which include an agreement that he will not compete with the Company in specified geographic areas for a period of 18 months after his termination for any reason.

Bonus Pool

On December 29, 2005, the Board of Directors resolved to establish a bonus pool at the end of fiscal year 2006 for the payment of cash bonuses to some or all of the executive officers, as well as to several other key employees of the Company. The amount of the bonus pool to be established has not been determined, but will be based upon the Company achieving earnings for the fiscal year 2006 in excess of a pre-determined level for fiscal 2006 (the "Benchmark"), up to a maximum bonus pool of \$325,000. In the event the Company's 2006 earnings exceed the Benchmark, cash bonuses may be paid out of the bonus pool to some or all of the executive officers and/or key employees. The Board of Directors will determine which, if any, of the executive officers and key employees are to receive a cash bonus, as well as the amount of the cash bonus to be paid to each such executive officer and key employee, which determination will be made, in the discretion of the Board of Directors, based upon the overall 2006 financial results of the Company as well as on the personal performance of each executive officer and key employee during 2006.

Stock Option Plans

The Company has adopted an Employee Stock Option Plan (the "1994 Plan"), a 1997 Stock Option Plan (the "1997 Plan"), and a 2004 Stock Incentive Plan (the "2004 Plan") pursuant to which an aggregate of 4,545,890 shares of common stock are currently reserved for issuance upon the exercise of options designated as either (i) options intended to qualify as incentive stock options ("ISOs") under the Internal Revenue Code of 1986, as amended, (ii) nonqualified options or (iii), in the case of the 2004 Plan, for issuance upon the granting of restricted stock, deferred stock or other stock-based awards. The 1994 Plan expired December 31, 2004. Unless sooner terminated, the 1997 Plan will expire on June 11, 2007, and the 2004 Plan will expire on September 10, 2014.

ISOs may be granted under either of the 1997 Plan or 2004 Plan to employees and officers of The Company. Non-qualified options may be granted to consultants, directors (whether or not they are employees), employees or officers of The Company. Stock appreciation rights may also be issued in tandem with stock options.

Each of the 1997 Plan and the 2004 Plan is, and the 1994 Plan was, intended to qualify under Rule 16b-3 under the Exchange Act and is administered by the Compensation/Stock Option Committee of the Board of Directors. The Committee, within the limitations of each of the 1997 Plan and the 2004 Plan, determines the persons to whom options will be granted, the number of shares to be covered by each option, whether the options granted are intended to be ISOs, the duration and rate of exercise of each option, the exercise price per share and the manner of exercise and the time, manner and form of payment upon exercise of an option.

ISOs granted under either the 1997 Plan or the 2004 Plan may not be granted at a price less than the fair market value of the common stock on the date of grant (or 110% of fair market value in the case of persons holding 10% or more of the voting stock of The Company). The aggregate fair market value of shares for which ISOs granted to any employee are exercisable for the first time by such employee during any calendar year (under all stock option plans of The Company) may not exceed \$100,000. Non-qualified options granted under the 1997 Plan may not be granted at a price less than the par value of The Company's common stock, and non-qualified options under the 2004 Plan may not be granted at a price less than the fair market value of the common stock on the date of grant. Options granted under the 1994 Plan, 1997 Plan and the 2004 Plan will expire not more than ten years from the date of grant (five years in the case of ISOs granted to persons holding 10% or more of the voting stock of The Company). Except as otherwise provided by the committee with respect to non-qualified options, all options granted under the 1994 Plan, the 1997 Plan and the 2004 Plan are not transferable during an optionee's lifetime but are transferable at death by will or by the laws of descent and distribution. In general, upon termination of employment of an optionee, all options granted to such person which are not exercisable on the date of such termination immediately terminate, and any options that are exercisable terminate 90 days following termination of employment.

As of December 31, 2005, the Company had options outstanding to purchase 318,266 shares of Common Stock under the 1994 Plan; 1,397,190 shares of Common Stock under the 1997 Plan; and 788,829 shares of Common Stock under the 2004 Plan.
