Report of Independent Registered Public Accounting Firm

To the Board of Directors of  
Capital Southwest Corporation and Subsidiaries:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that Capital Southwest Corporation and subsidiary (the "Company") complied with the requirements of subsections (b) and (c) of rule 17f-2 under the Investment Company Act of 1940 (the "Act") as of March 31, 2012. Management is responsible for the Company's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of March 31, 2012, and with respect to agreement of security purchases and sales, for the period from January 31, 2012 (the date of our last examination) through March 31, 2012:

- Confirmation of all securities held by Morgan Stanley Smith Barney ("Custodian").
- Count and inspection of all securities located in the vault of Morgan Stanley Smith Barney ("Custodian") in New York City, New York.
- Reconciliation of all such securities to the books and records of the Company and the Custodian.
- Agreement of additional investment in one existing portfolio company since our last report from the books and records of the Company to the bank statements.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.

In our opinion, management's assertion that Capital Southwest Corporation and subsidiaries complied with the requirements of subsections (b) and (c) of rule 17f-2 of the Investment Company Act of 1940 as of March 31, 2012, with respect to securities reflected in the investment account of the Company is fairly stated, in all material respects.

This report is intended solely for the information and use of management and the Board of Directors of Capital Southwest Corporation and subsidiaries and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
