This Amendment No. 1 supplements the information set forth in the Schedule 13D filed by Corvex Management LP and Keith Meister with the United States Securities and Exchange Commission (the “SEC”) on May 16, 2016 (the “Schedule 13D”) relating to the shares of Common Stock, par value \$0.0001 per share (the “Shares”) of Pandora Media, Inc., a Delaware corporation (the “Issuer”). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Schedule 13D.

The information set forth in response to each separate Item below shall be deemed to be a response to all Items where such information is relevant. The Schedule 13D is supplementally amended as follows.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons used the working capital of the Corvex Funds to purchase the 11,423,142 Shares reported herein and to acquire the physically-settled call options referenced in Item 5. The total purchase price for the Shares reported herein was approximately \$127,010,078.97 and the purchase price to acquire such call options was approximately \$19,817,709.19.

Various of the Reporting Persons may effect purchases of securities through margin accounts maintained for the Corvex Funds with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules and such firms’ credit policies. Positions in Shares may be held in margin accounts and may be pledged as collateral security for the repayment of debit balances in such accounts.

Item 4. Purpose of Transaction

On July 27, 2016, a Petition (the “Petition”) for Declaratory Ruling Under Section 310(b)(4) of the Communications Act of 1934, as amended, was filed with the Federal Communications Commission (the “FCC”), which seeks a declaratory ruling that it is in the public interest for Corvex Master Fund LP to exercise options and to acquire additional Shares to increase its non-controlling voting and equity interest in the Issuer to up to and including a 9.99% non-controlling voting and equity interest, as well as seeking advance approval from the FCC to increase such interest, at some future time, up to and including a non-controlling interest of 14.99% without further FCC approval. The Reporting Persons presently expect that, shortly after receipt of such declaratory ruling, they will cause the approximately 9.9% aggregate economic interest in 22,762,657 Share equivalents reported herein to be held in the form of Shares.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may from time to time and at any time in the future depending on various factors, including, without limitation, the Issuer’s financial position and strategic direction, actions taken by the Board, price levels of the Shares, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, take such actions with respect to their investments in the Issuer as they deem appropriate. These actions may include, without limitation: (i) acquiring additional Shares and/or other equity, debt, notes, other securities, or derivative or other instruments that are convertible into Shares, or are based upon or relate to the value of the Shares or the Issuer (collectively, “Securities”) in the open market or otherwise, including as contemplated by the Petition referred to above, and subject to any further approval of the FCC as required under applicable law or regulation; (ii) disposing of any or all of their Securities in the open market or otherwise; (iii) engaging in any hedging or similar transactions with respect to the Securities; or (iv) proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a)-(b) Corvex may be deemed to be the beneficial owner of 11,423,142 Shares and 7,643,800 Shares underlying the call options referenced below in this Item 5, which collectively represent approximately 8.3% of the Issuer's outstanding Shares. By virtue of his position as control person of the general partner of Corvex, Mr. Meister may be considered to beneficially own such Shares. The Reporting Persons may be deemed to have sole power to vote and sole power to dispose of 19,066,942 Shares.

The percentage calculated in the immediately foregoing paragraph is calculated based on a total of 231,041,580 Shares outstanding as of July 22, 2016, as reported in the Issuer's Quarterly Report on Form 10-Q filed with the SEC on July 26, 2016.

The call options referenced above are over-the-counter market American-style call options referencing an aggregate of 7,643,800 Shares, which have an exercise price of \$6.80 per Share and expire on March 31, 2017. On June 24, 2016, Corvex exercised previously reported over-the-counter market American-style call options referencing an aggregate of 1,500,000 Shares (the "Option Exercise").

In connection with the above referenced call options, Corvex has sold in the over-the-counter market European-style put options referencing an aggregate of 7,643,800 Shares at an exercise price of \$6.80 per Share, which expire on the earlier of March 31, 2017, or the date on which the corresponding American-style call option described above in this Item 5 is exercised. As a result of the Option Exercise described above in this Item 5, previously reported over-the-counter market European-style put options sold by Corvex referencing an aggregate of 1,500,000 Shares expired.

The Reporting Persons' advised Corvex Funds have entered into cash-settled swaps which represent economic exposure comparable to a notional interest in 3,695,715 Shares (representing economic exposure comparable to approximately 1.6% of the outstanding Shares). Under the terms of the swaps, (i) the relevant Corvex entity will be obligated to pay to the counterparty any negative price performance of the specified notional number of Shares subject to the swaps as of the expiration date of such swaps, plus interest rates set forth in the applicable contracts, and (ii) the counterparty will be obligated to pay the relevant Corvex entity any positive price performance of the specified notional number of Shares subject to the swaps as of the expiration date of the swaps. All balances will be settled in cash. The swaps do not give the Reporting Persons or Corvex Funds direct or indirect voting, investment or dispositive control over any securities of the Issuer and do not require the counterparty thereto to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership of any Shares that may be referenced in the swap contracts or Shares or other securities or financial instruments that may be held from time to time by any counterparty to the contracts.

The Reporting Persons may be deemed to beneficially own \$15,000,000 principal amount of the Issuer's 1.75% Convertible Senior Note due 2020, which is convertible into Shares at a conversion ratio of 60.905 Shares per \$1,000 principal amount (the "Convertible Note"). The Reporting Persons cannot currently convert the Convertible Note into Shares as its convertibility is subject to certain material contingencies outside the control of the Reporting Persons, and the Issuer has the option in its sole discretion to settle a conversion of the Convertible Note in cash rather than Shares, and as a result the Reporting Persons do not consider the Shares underlying the Convertible Note as being beneficially owned by them.

(c) The disclosure regarding the Option Exercise described above in this Item 5 is incorporated herein by reference. Except as set forth herein, there have been no transactions in the Shares during the sixty days prior to the date hereof by any of the Reporting Persons.

(d) The limited partners of (or investors in) each of the private investment funds for which Corvex or its affiliates acts as general partner and/or investment adviser have the right to participate in the receipt of dividends from, or proceeds from the sale of, the Shares held for the accounts of their respective funds in accordance with their respective limited partnership interests (or investment percentages) in their respective funds.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except for the arrangements described herein, to the best knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
