SHOPNET.COM, INC. AND SUBSIDIARIES
 NOTES TO FINANCIAL STATEMENTS
 For The Three Months Ended September 30, 2002 And 2001

NOTE 1- ORGANIZATION

Shopnet.com, Inc. ("Shopnet" or the "Company") was incorporated in the State of Delaware on September 1, 1995 under the name of Hollywood Productions, Inc. It was formed for the purpose of acquiring screenplays and producing motion pictures. On May 10, 1999, the Company filed an amendment to its Articles of Incorporation to change its name to Shopnet.com, Inc. On May 12, 1999, Shopnet incorporated a new wholly owned subsidiary, Hollywood Productions, Inc. ("Hollywood"), to which the Company assigned all of its film rights. Accordingly, Shopnet is considered a holding company. During September 1996, simultaneously with the completion of its Initial Public Offering ("IPO"), Shopnet acquired all of the capital stock of Breaking Waves, inc. ("Breaking Waves"). Breaking Waves designs, manufactures, and distributes private and brand name labels of children's swimwear nationally. As of June 30, 2001, Shopnet and all of its subsidiaries changed their financial year end from December 31st to June 30th .

NOTE 2- INTERIM RESULTS AND BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements as of September 30, 2002 and for the three month periods ended September 30, 2002 and September 30, 2001 have been prepared in accordance with generally accepted accounting principles

Edgar Filing: SHOPNET COM INC - Form 10QSB

for interim financial information and with the instructions to Form 10-QSB and Items 303 and 310 of Regulation S-B. In the opinion of management, the unaudited financial statements have been prepared on the same basis as the annual financial statements and reflect all adjustments, which include only normal recurring adjustments, necessary to present fairly the financial position as of September 30, 2002 and the results of operations and cash flows for the three month periods ended September 30, 2002 and 2001 are not necessarily indicative of the results to be expected for any subsequent quarter or the entire fiscal year. The balance sheet at June 30, 2002 has been derived from the audited financial statements at that date.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to the Securities and Exchange Commission's rules and regulations. The Company believes, however, that the disclosures in this report are adequate to make the information presented not misleading in any material respect. The accompanying consolidated financial statements should be read in conjunction with the audited financial statements of Shopnet.com, Inc. and Subsidiaries as of June 30, 2002 and for the year then ended and notes thereto included in the Company's report on Form 10-KSB filed on October 14, 2002.

The Company in the quarter ended September 30, 2002 has implemented a number of initiatives which it believes will reduce its costs of operations and alleviate in the following nine months its working capital deficiency.

In December 2001, the Company consolidated all of its operations in the New York metropolitan region into one new facility (See Note 8(a)), creating a savings through synergies in office expense and decrease in rent and salaries. The Company has, also, recently refocused its sales efforts, to the extent possible, to eliminate unprofitable or low margin sales and has improved bookings for the current fiscal year.

NOTE 3- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Recently adopted accounting principles - Film accounting

Pursuant to Statement of Financial Accounting Standards ("SFAS") No. 139, the Company adopted Statement of Position ("SOP") 00-2, "Accounting by Producers or Distributors of Films" during the three months ended September 30, 2001. SOP 00-2 established new film accounting standards, including changes in revenue recognition and accounting for advertising, development and overhead costs. Specifically, SOP 00-2 requires advertising costs for theatrical and television product to be expensed as incurred. This compares to the Company's previous policy of first capitalizing these costs and then expensing them over the related revenue streams. In

Edgar Filing: SHOPNET COM INC - Form 10QSB

addition, SOP 00-2 requires development costs for abandoned projects and certain indirect overhead costs to be charged to film costs, which was required under the previous accounting rules, SOP 00-2 also in other areas, such as revenue recognition, generally are consistent with the Company's existing accounting policies. SOP 00-2 was adopted as of July 1, 2001, and had no effect on the Company's consolidated results of operations, financial position or cash flows.

b) Recently issued accounting pronouncements

The Company does not believe that any recently issued but not yet effective accounting standards, have a material effect on the Company's consolidated financial position, results of operations or cash flows except for the effect of adoptions of SFAS No. 142, " Goodwill and Other Intangible Assets. It addresses how intangible assets that are acquired individually or with a group of other assets (but not those acquired in a business combination) should be accounted for in financial statements upon their acquisition. SFAS No. 142 also addresses how goodwill and other intangible assets should be accounted for after they have been initially recognized in the financial statements. The Company adopted the provisions of this new standard beginning with the first quarter of 2002.

c) Earnings per share:

Basic earnings (loss) per share is computed by dividing net income (loss) income attributable to common shares, by the weighted average number of common shares outstanding during each period. Diluted earnings (loss) per share is similar to basic earnings (loss) share, except that the weighted average number of common shares is outstanding is increased to reflect the dilutive effect of potential common shares, such as the conversion of the 5% convertible debentures, as if they had been issued.

For the three months ended September 30, 2001, there is no computation of diluted earnings (loss) per share as the 5% convertible debentures had not been issued.

NOTE 4- ACQUISITION OF BREAKING WAVES, INC.

Pursuant to a stock purchase agreement dated May 31, 1996 (the "Agreement"), on September 24, 1996, the Company issued 110,000 shares of common stock in exchange for all of the issued and outstanding capital stock of Breaking Waves. The transaction was accounted for using the purchase method of accounting. As a result of the transaction, excess of cost over net assets acquired totaling \$1,064,283 was recorded and was being amortized over the useful lives of the related assets which was fifteen years.

Edgar Filing: SHOPNET COM INC - Form 10QSB

Effective for the year ended June 30, 2002, the Company adopted SFAS No. 142 (Goodwill and Other Intangible assets). Under SFAS No. 142, goodwill and indefinite lived intangible assets are no longer amortized but are reviewed annually for impairment. Goodwill is tested for impairment at the reporting unit level. Under SFAS No. 142, the fair value of a reporting unit is compared to its carrying amount, including its goodwill. If the book value (carrying amount) is below the fair value assessment, there will be no impairment or loss. If the fair value is below the book value (carrying amount), then the Company needs to perform a second test to determine the gap between the impaired fair value of goodwill and its carrying amount.

The Company had determined that no impairment existed as of September 30, 2002. Accordingly, the book value was not further written down.

NOTE 5- INVESTMENTS IN MOVIE VENTURES

a) Battle Studies

Pursuant to a co-production agreement dated April 17, 1998 with North Folk Films, Inc., the Company invested \$218,500 through September 30, 2002, for a 50% interest in a new entity, Battle Studies Productions, LLC ("Battle Studies") a limited liability company. Battle Studies will be treated as joint venture in order to co-produce motion pictures and to finance the costs of production and distribution of such motion pictures. The joint venture retains all rights to the motion pictures, the screenplays, and all ancillary rights attached thereto.

b) The Girl

Pursuant to an agreement dated July 1, 1999 with Artistic License Films Inc., Hollywood invested through September 30, 2002 \$35,000 for a 22.533% interest in a new entity, The Girl, LLC ("The Girl") a limited liability company. In return for its participation in The Girl, Hollywood is entitled to receive a non-contested, non-dilutable 22.533% ownership interest in The Girl, a recoupment of its investment on no less favorable terms than any other investor and 22.533% of 100% of any contingent compensation which shall be actually received by The Girl. The Girl retains all rights to the motion pictures, the screenplays, and all ancillary rights attached thereto.

NOTE 6- MARKETABLE SECURITIES- AFFILIATE

Edgar Filing: SHOPNET COM INC - Form 10QSB

Breaking Waves owned 1,270,000 unregistered common shares of Play Co. Toys & Entertainment Corp. ("Play Co."), a toy retailer and a publicly traded company whose Chairman of the Board is also the President of Shopnet and Breaking Waves.

Breaking Waves' ownership percentage was approximately 1.5% of Play Co. The investment in Play Co. was accounted for under the requirements of SFAS No. 115, "Accounting for Certain investments in Debt and Equity Securities." Under SFAS No. 115, the securities were considered available for sale and therefore the carrying value was based on the fair market value of the securities at September 30, 2002 and 2001 which amounted to \$0, respectively.

The change in the fair market value of the securities during the periods were recorded as an unrealized gain or loss as a component of comprehensive income. The Company pledged such shares as collateral for a standby letter of credit in connection with Breaking Waves entering into a new factoring agreement with Century Business Credit Corporation ("Century") and were therefore considered non-current (See Note 7).

On March 28, 2002 Play Co. filed for protection under Chapter Eleven of the U.S. Bankruptcy Code with the United States Bankruptcy Court for the Southern District of New York. The filing was converted into a Chapter Seven filing on August 28, 2001.

NOTE 7- DUE TO FACTOR

On or about September 12, 2000, Breaking Waves entered into a factoring and revolving inventory loan and security agreement ("factoring agreement") with Century Business Credit Corporation ("Century") to sell its interest in all present and future receivables without recourse. Breaking Waves submits all sales offers to Century for credit approval prior to shipment, and pays a factoring commission of .75% of receivables sold.

Century retains from the amount payable to Breaking Waves a reserve for possible obligations such as customer disputes and possible credit losses on unapproved receivables. Breaking Waves may take advances of up to 85% of eligible receivables and up to 50% of the value of finished goods in inventory, with interest payable monthly at the rate of 1 3/4% over prime.

Pursuant to the terms of a Reimbursement and Compensation Agreement, a trust ("Trust"), the beneficiary of which is a relative of the Company's President and Chief Executive Officer ("CEO"), pledged assets as collateral for securing a \$250,000 letter of credit to replace a portion of a letter of credit previously pledged by the Company.

Accordingly, on December 20, 2000 the original agreement with the factor was amended to allow such replacement of collateral. Breaking Waves' Loan and Security Agreement with Century dated December 20, 2000 requires the provision of one or more letters of credit in the aggregate amount of \$1,150,000 to partially secure the line of credit. On

Edgar Filing: SHOPNET COM INC - Form 10QSB

September 15, 2001, Century required the Company to increase the amount of collateralized standby letters of credit by \$300,000 raising such amount to \$1,450,000.

NOTES TO FINANCIAL STATEMENTS

NOTE 7- DUE TO FACTOR (continued)

On May 3, 2001, the Agreement with the Trust was amended so that the letter of credit secured by the Trust was increased to \$400,000. As a condition of the amendment, the Company entered into a guarantee agreement with Gal Capital Corp., whose President is a relative of the Company's President and CEO and a principal stockholder of the Company to act as guarantor of the obligation to the Trust up to \$400,000 in exchange for a fee of \$42,500 which the Company paid on May 3, 2001. The amended letter of credit expired on September 1, 2001 and was subsequently amended on September 15, 2001.

On September 15, 2001, the Amended and Restated Reimbursement and Compensation Agreement was entered into further amending the agreement with the Trust, so that the letter of credit secured by the Trust was increased to \$750,000. The amended letter of credit expired on September 1, 2001 but was extended for another year. At the Company's option, the letter of credit can be extended for a period of nine years. Breaking Waves agreed to reimburse the Trust for any and all losses, fees, charges and expenses to the Trust in the event the letter of credit is called by Century and / or the issuing bank demands reimbursement from the Trust. Breaking Waves' obligations are guaranteed by the Company in addition to being secured by a first security interest in all of the assets of the Company and a subordinate security interest in all of the assets of Breaking Waves.

On September 15, 2001, the Company entered into a Reimbursement Agreement with certain individuals ("RAYA") who pledged assets as collateral for securing a \$300,000 letter of credit as additional collateral to secure Breaking Waves' Loan and Security Agreement with Century. Absent any default, the letter of credit will remain in effect for ten years. The Agreement is guaranteed by Shopnet under a separate Security Agreement dated September 15, 2001.

In exchange for the letters of credit, the Trust and RAYA will proportionately, based on the total outstanding letters of credit, receive a fee of one and one quarter percent (1-1/4%) of net sales of Breaking Waves through June 30, 2002 and thereafter one and three quarters percent (13/4%) of net sales through September 30, 2011. In October 2001, the Trust and RAYA received advance payments to be applied towards future fees of \$24,500 and \$12,500, respectively. All future payments are payable forty five days after the close of each fiscal quarter. The fees are effective October 1, 2001.

In September 2001, the Company and Breaking Waves retained Arc

Edgar Filing: SHOPNET COM INC - Form 10QSB

Financial Corp. ("ARC"), a British Virgin Island company, for a ten year term to provide financial consulting services.

Pursuant to the terms of a consulting agreement ("ARC Consulting Agreement"), ARC was retained to assist the Company in the acquisition of financing to acquire inventory and for other corporate purposes ("Financing"), as well as consult with the Company with regard to its ongoing operations, promote sales of Breaking Waves' products and improving production.

Pursuant to the terms of the ARC Consulting Agreement, the Company and Breaking Waves agreed to compensate ARC (i) an annual fee of \$20,000 ("Base Fee") and (ii) a percentage of annual net sales in the amount of 1-1/4% through June 30, 2002 and 1-3/4% of net sales for each year of the term thereafter through September 30, 2011 ("ARC Percentage Fee"), payable 45 days after the closing of each fiscal quarter.

In October 2001, ARC received (I) a lump sum payment of \$209,500 reflecting full advance payment of the Base Fee and (ii) \$36,750 reflecting advance payment of the Arc Percentage Fee. The agreement with Arc expires September 30, 2011. The Company and Breaking Waves are entitled to terminate the ARC Consulting Agreement any time after September 30, 2006, in which event all prepaid fees are forfeited.

The following table summarizes the percentage due each party, as noted above, as a percentage of net sales for the three months ended September 30, 2002.

NOTE 8- COMMITMENTS AND CONTINGENCIES (Continued)

b) Significant vendors and customers

Breaking Waves purchases 100% of its inventory from three vendors, two in Indonesia (74%) and the other in the Republic of Korea (26%). Breaking Waves believes other sources and vendors are available and that it is not dependent exclusively on these vendors. For the three months ended September 30, 2002 Breaking Waves had one customer, which comprised 71% of net sales. For the three months ended September 30, 2001, Breaking Waves had 2 customers which compromised 85% of net sales.

c) Seasonality

Breaking Waves' business is considered seasonal with a large portion of its revenues and profits being derived between November and March. Each year from April through October,

Edgar Filing: SHOPNET COM INC - Form 10QSB

Breaking Waves engages in the process of designing and manufacturing the following season's swimwear lines, during which time it incurs the majority of its production costs with limited revenues and also engages in the sale of product at negative gross margins to remove slow moving items and decrease its carrying cost.

d) License agreements

During June 2000, Breaking Waves entered into a license agreement with an effective date of November 1, 2000 with Gottex Models Ltd., as Israeli corporation and Gottex Models (USA) Corp., a New York corporation for the use of the trademark "Gottex" in the United States of America for children's swimwear. The agreement calls for a royalty fee of 7% of net sales with guaranteed minimum annual royalties of \$70,000 to \$140,000 over the life of the agreement. Breaking Waves recorded royalties under the agreement totaling \$33,000 and \$34,531 for the three months ended September 30, 2002 and 2001, respectively.

e) Co-production and property purchase agreements

Pursuant to co-production and property purchase agreements dated March 15, 1996, as amended, the Company acquired the rights to co-produce a motion picture and to finance the costs of production and distribution of such motion picture with the co-production. The Company retains all rights to the motion picture with the co-producer agreeing to finance \$100,000 of the cost of production. The Company retains all rights to the motion picture, the screenplay, and all ancillary rights attached thereto. The motion picture was completed during the latter part of 1996 and, accordingly, the Company commenced the marketing and distribution process.

Through September 30, 2002, the Company had invested \$1,971,956 for the co-production and distribution of such motion pictures whereas the co-producers have invested \$100,000. For the three months ended September 30, 2002 and 2001, the Company derived no revenue from the motion picture and has not amortized film costs.

The Company had previously written down its film production and distribution costs in order to reduce the asset to its estimated net realizable value of \$1,204,728.

NOTE 8- COMMITMENTS AND CONTINGENCIES (continued)

f) Litigation

On or about June of 2000, an action was brought in the Queens County Supreme Court against the Company and several others claiming, among other things, that the Company allegedly

Edgar Filing: SHOPNET COM INC - Form 10QSB

breached a contract and engaged in fraudulent statements (including supposedly promising the plaintiff options and then not allowing the plaintiff to exercise these options).

The plaintiff seeks, among other things, compensatory damages in the amount of \$497,500, punitive damages in the amount of \$995,000, together with costs and attorney's fees. The Company intends to contest the action vigorously and believes that such claims against it are baseless and without merit.

On or about December 2001, a group of over 275 foreign plaintiffs commenced an action entitled *Abeln v. Arbel, et. al* in the United States District Court for the Southern District of New York naming the Company, along with over 30 other entities and individuals as defendants. The Company was never served with the summons and complaint, and could not discern if such service as effectuated. Thus, the Company was not yet a party to the suit.

In August, 2002, the Plaintiffs voluntarily dismissed this action.

NOTE 9- STOCKHOLDERS' EQUITY

a) Warrants

- i) Initially, each Warrant issued in the initial public offering of September 24, 1996 entitled the holders thereof to purchase one share of the Company's common stock at an exercise price of \$6.50 per share, until September 9, 2002. On August 31, 2002, the Company extended the term of its warrants by 18 months, the Warrants will now expire on March 10, 2003. On June 23, 1997, the Board of Directors approved a reduction in the exercise price of the Warrants from \$6.50 to \$3.00. On February 5, 1998, the Company effected a one for three reverse split of the Company's common stock.

Accordingly, the Company adjusted the terms of the Warrants to reflect the reverse split such that exercise of three Warrants would entitle the holder to purchase one share of common stock at an exercise price of \$9.00. Giving effect to the January 1999 100% common stock dividend, January 2000 10% common stock dividend and May 2000 20% common stock dividend the warrants have been cumulatively adjusted such that the exercise of each Warrant at an exercise price of \$3.41 purchases .88 of a share of common stock.

- ii) On April 15, 1998, the Company's Board of Directors authorized the distribution of warrants to all shareholders of the Company's common stock as of May 8, 1998. Pursuant to the distribution, each shareholder of record will receive one warrant to purchase one share of common stock at an exercise price of \$4.00 per share. The warrants, which are exercisable for a period of three years, commencing one year after issuance and receipt by shareholder, shall be issued and distributed once the Company has filed a registration statement for same and same has

been declared effective by the Securities and Exchange Commission. The Company to date has not filed the registration statement.

The forward-looking statements are based on the Company's current views and assumptions and involve risks and uncertainties that include, among other things, the effects of the Company's business, actions of competitors, changes in laws and regulations, including accounting standards, employee relations, customer demand, prices of purchased raw material and parts, domestic economic conditions, including housing starts and changes in consumer disposable income, and foreign economic conditions, including currency rate fluctuations. Some or all of the facts are beyond the Company's control.

General

Shopnet.com, Inc. ("Shopnet" or the "Company") was incorporated in the State of Delaware on September 1, 1995 as Hollywood Productions, Inc. On May 10, 1999, Shopnet filed an amendment to its Articles of Incorporation effecting a change in its name to its current one. On May 12, 1999, it incorporated a new wholly-owned subsidiary, Hollywood Productions, Inc. ("Hollywood"), to which it assigned its motion picture business thereby rendering Shopnet a holding company for Hollywood and another wholly-owned subsidiary, Breaking Waves, Inc. ("Breaking Waves"). Shopnet was formed initially for the purpose of acquiring screenplays and producing motion pictures. In September 1996, in connection with the completion of its Initial Public Offering, it acquired all of the capital stock of Breaking Waves which designs, manufactures, and distributes private and brand name label children's swimwear. As of June 30, 2002, the company changed its year end from December 31st to June 30th.

The consolidated financial statements at September 30, 2002 and 2001 included the accounts of Shopnet and its wholly owned subsidiaries, Breaking Waves and Hollywood (collectively referred to as the "Company") except where otherwise indicated after elimination of all significant intercompany transactions and accounts.

The following discussion and analysis should be read in conjunction with the consolidated financial statements and related footnotes which provide additional information concerning the Company's financial activities and condition. Since Shopnet and its subsidiaries operate in different industries, the discussion and analysis is presented by entity in order to be more meaningful.

Critical Accounting Policies

a) Principles of consolidation

The accompanying consolidated financial statements include the accounts of Shopnet and its wholly owned subsidiaries, Breaking Waves and Hollywood (the "Company"), after elimination of all significant intercompany transactions and accounts. Affiliated companies which are 20 to 50 percent owned are accounted for under the equity method.

b) Inventory

Inventory consists of finished goods and is valued at the lower of cost (using the first-in, first-out method) or market. All inventory is pledged as collateral for factored receivables pursuant to a factoring agreement with a financial institution

Edgar Filing: SHOPNET COM INC - Form 10QSB

-19-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Critical Accounting Policies (continued)

c) Film production and distribution costs

The Company follows industry standards in capitalizing film production and distribution costs. Film production and distribution costs include all costs associated with the writing, producing, and distribution of the film. Film costs include the costs of production, prints, pre-release, and other advertising expected to benefit future periods. These costs, as well as participation and talent residuals, are charged against earnings on an individual film basis in the ratio that the current year's gross film revenues bear to management's estimate of total remaining ultimate gross film revenues from all sources.

Film costs are stated at the lower of cost or estimated net realizable value on an individual film basis. Revenue and cost forecasts are continually reviewed by management and revised when warranted by changing conditions. Estimates of total gross revenue can change significantly due to the level of amortization, as adjusted. Such adjustments could have a material effect on the results of operations in future periods. When estimates of total revenue and costs indicate that a feature film will result in an ultimate loss, additional amortization is recognized to the extent required to produce a zero gross margin over the remaining life of the film.

d) Equity Method of Accounting

Investments in significantly (20 to 50 percent) owned affiliates are accounted for by the equity method of accounting, whereby the investment is carried at cost of acquisition, plus the Company's equity percentage in undistributed earnings or losses since acquisition. Reserves are provided where management determines that the investment or equity in earnings is not realizable.

e) Income taxes

The Company accounts for income taxes in accordance with the "liability method" of accounting for income taxes. Accordingly, deferred tax liabilities and assets are determined based on the difference between the financial statement and tax basis of assets and liabilities, using enacted tax rates in effect for the year in which the differences are expected to reverse. Current income taxes are based on the respective periods' taxable income for federal, state and city income tax reporting purposes.

f) Revenue and cost recognition

The terms of Breaking Waves' sales are FOB shipping point thereby revenue is recognized upon shipment from the warehouse. Sales returns are recorded upon acceptance of the goods by the warehouse. Duty costs, which are a component of cost of sales, are recorded upon the clearance of such goods through customs.

Revenues from the theatrical distribution of motion pictures are recognized when motion pictures are exhibited. Revenues from video sales are recognized, together with related costs, on the date

Edgar Filing: SHOPNET COM INC - Form 10QSB

that video units are made widely available for sale by retailers. Revenues from the licensing of feature films, together with related costs, are recorded when the material is available for telecasting by the licensee and when certain other conditions are met. Film production and distribution costs are stated at the lower of unamortized cost or estimated net realizable value. In accordance with Financial Accounting Standards Board's Statement of Financial Accounting Standards ("SFAS") No. 53, "Financial Reporting by Producers and Distributors of Motion Pictures Films," the individual film forecast method is used to amortize film costs.

-20-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Critical Accounting Policies (continued)

g) Earnings per share

Earnings per common share is computed pursuant to SFAS No. 128 "Earnings Per Share." Basic earnings per share is computed as net income (loss) available to common share holders divided by the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the potential dilution that could occur from common shares issuable through stock options, warrants and convertible preferred stock.

h) Use of estimates

In preparing financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America, management is required to make estimates and assumption which affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. The most significant estimate with regard to these financial statements is the estimate of projected income of motion pictures which is the basis used in amortizing film production and distribution costs. Actual results could differ from those estimates.

i) Fair value disclosure at March 31, 2002 and June 30, 2001:

The carrying value of cash, accounts receivable, inventory, accounts payable, accrued expenses, and capital lease obligations are a reasonable estimate of their fair value.

Three months ended September 30, 2002 as compared to the three months ended September 30, 2001

For the three months ended September 30, 2002 and 2001, the Company reported a consolidated net loss of \$571,095 and \$571,764.

Breaking Waves

For the three months ended September 30, 2002 and 2001, Breaking Waves generated net sales of \$19,807 and \$365,113, respectively, with related cost of sales amounting to \$101,447 and \$405,322, respectively. The decrease in sales amounting to \$345,306, or approximately 95%, from 2001 to 2002 and the decrease in cost of sales of \$303,875 or 75% from 2001 to 2002, was primarily

Edgar Filing: SHOPNET COM INC - Form 10QSB

attributable to the carry over of a significant amount of close out goods from the year ended June 30, 2001, which were partially sold during the three months ended September 30, 2001. Normally, the quarter ended September 30th is historically a seasonally slow sales period. In the quarter ended September 30, 2002 the Company did not have a significant amount of close out goods available for sales.

The gross loss for the three months ended September 30, 2002 amounted to \$81,640, or 412% of sales as compared to the three months ended September 30, 2001 during which it amounted to \$40,209, or 11% of sales. The variance is primarily attributable to the effect of the establishment of a valuation allowance to the opening inventory as of July 1, 2002, which increased cost of sales in the quarter ended September 30, 2002.

-21-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Breaking Waves (continued)

The major components of the Breaking Waves selling, general, and administrative expenses are as follows for the three months ended September 30:

	2002	2001
	-----	-----
Officers, office staff, designer and sales , salaries and related benefits	\$ 139,713	\$ 146,000
Commission expense	(19,460)	(17,000)
Warehousing costs	3,171	9,000
Royalty fees	33,000	39,000
Rent expense	25,598	22,000
Factor commissions	472	4,000
Miscellaneous general corporate overhead expenses	221,389	179,000

Interest expense in connection with its factoring agreement amounted to \$22,472 and \$51,372 for the three months ended September 30, 2002 and 2001, respectively. The decrease is due to the a lower factor balance during the three months ended September 30, 2002.

Breaking Waves owned 1,270,000 unregistered common shares ("Play Co. Shares") of Play Co. Toys & Entertainment Corp. ("Play Co.") a toy retailer and a publicly traded company whose Chairman of the Board is also the President of Shopnet and Breaking Waves). Breaking Waves' ownership percentage was approximately 1.5% of Play Co.'s outstanding Common Stock. The investment in Play Co. was accounted for under the requirements of SFAS No. 115, "Accounting for Certain Investments in Debt and Equity Securities. " Under SFAS 115, the securities were considered available for sale and therefore the carrying value was based on the fair market value of the securities at September 30, 2002 and 2001 which amounted to \$0, respectively. The change in the fair market value of the securities during the periods is recorded as an unrealized gain or loss as a component of comprehensive income. The company had pledged such shares as collateral for a standby

Edgar Filing: SHOPNET COM INC - Form 10QSB

letter of credit in connection with Breaking Waves' factoring agreement with Century Business Credit Corporation ("Century") and were therefore considered non-current. On March 28, 2002, Play Co. filed for protection under Chapter Eleven of the United States Code with the United States Bankruptcy Court for the Southern District of New York. The filing was converted into a Chapter Seven filing on August 28, 2001.

Breaking Waves recorded an unrealized (loss) gain of \$0 and \$6,350 for the three months ended September 30, 2002 and 2001, respectively, which has been recorded as a component of comprehensive income (loss) in the statements of operations.

Breaking Waves generated net losses of \$508,710 and \$483,113, for the three months ended September 30, 2002 and 2001, respectively.

-22-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Hollywood

On May 12, 1999, Shopnet incorporated a wholly-owned subsidiary, Hollywood, to which it assigned its film production business. All film related operations prior to May 12, 1999 were conducted by Shopnet under its former name.

For the three months ended September 30, 2002 and 2001, Hollywood generated no sales from its motion picture "Dirty Laundry". Although sales prior to and including the three months ended June 30, 2002 were minimal, the company expects to effect increased sales during the fiscal year ending June 30, 2002 and thereafter as a result of the implementation of a new marketing strategy which among other things, emphasizes the development of new marketing and distribution arrangements for "Dirty Laundry". Upon a review of the net realizable value of the movie cost, management has determined that no further write downs were necessary as of September 30, 2002 and 2001, respectively. Hollywood generated a loss of \$600 and \$641 for the three months ended September 30, 2002 and 2001, respectively.

Subsequent to "Dirty Laundry", Hollywood also has invested in other movie ventures, some of which have generated revenue to date. See "Investment in Joint Ventures."

Shopnet.com

For the three months ended September 30, 2002, Shopnet generated no income. For the three months ended September 30, 2001, Shopnet generated minimal income comprised of interest from its money market and other ancillary revenue from its corporate office.

Shopnet's selling, general, and administrative expense amounted to \$61,786 and \$85,029 for the three months ended September 30, 2002 and 2001. This represents a decrease of \$23,243, or approximately 27%.

The major components of the Company's expenses are as follows for the three months ended September 30:

Salaries (officer and office staff) and stock compensation and related benefits	\$33,445
Rent	-
Legal and professional fees	2,798
Consulting fees	14,475
Other general corporate and administrative expense	11,068

Shopnet generated a net loss of \$61,786 and \$88,010 for the three months ended September 30, 2002 and 2001, respectively.

-23-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Liquidity and Capital Resources

At September 30, 2002, the Company's consolidated working capital deficit amounted to \$863,486.

At September 30, 2002, current assets consisted primarily of cash, receivables, inventory and prepaid expenses. The Company considers highly liquid investments with maturities of three months or less at the time of purchase to be cash equivalents. At September 30, 2002, the Company did not have cash deposits in accounts in excess of Federal Deposit Insurance Corporation limits.

On or about September 12, 2000, Breaking Waves entered into a factoring and revolving inventory loan and security agreement ("factoring agreement") with Century Business Credit Corporation ("Century") to sell its interest in all present and future receivables without recourse. Breaking Waves submits all sales offers to Century for credit approval prior to shipment, and pays a factoring commission of .75% of receivables sold

Century retains from the amount payable to Breaking Waves a reserve for possible obligations such as customer disputes and possible credit losses on unapproved receivables. Breaking Waves may take advances of up to 85% of eligible receivables and up to 50% of the value of finished goods in inventory, with interest payable monthly at the rate of 1 3/4% over prime.

Pursuant to the terms of a Reimbursement and Compensation Agreement, a trust ("Trust"), the beneficiary of which is a relative of the Company's President and Chief Executive Officer ("CEO"), pledged assets as collateral for securing a \$250,000 letter of credit to replace a portion of a letter of credit previously pledged by the Company.

Accordingly, on December 20, 2000 the original agreement with the factor was amended to allow such replacement of collateral. Breaking Waves' Loan and Security Agreement with Century dated December 20, 2000 requires the provision of one or more letters of credit in the aggregate amount of \$1,150,000 to partially secure the line of credit. On September 15, 2001, Century required the Company to increase the amount of collateralized standby letters of credit by \$300,000 raising such amount to \$1,450,000.

On May 3, 2001, the Agreement with the Trust was amended so that the letter of credit secured by the Trust was increased to \$400,000. As a condition of the amendment, the Company entered into a guarantee agreement with Gal Capital Corp., whose President is a relative of the Company's

Edgar Filing: SHOPNET COM INC - Form 10QSB

President and CEO to act as guarantor of the obligation to the Trust up to \$400,000 in exchange for a fee of \$42,500 which the Company paid on May 3, 2001. The amended letter of credit expired on September 1, 2001 and was subsequently amended on September 15, 2001.

On September 15, 2001, the Amended and Restated Reimbursement and Compensation Agreement was entered into further amending the agreement with the Trust, so that the letter of credit secured by the Trust was increased to \$750,000. The amended letter of credit expired on September 1, 2001 but was extended for another year. At the Company's option, the letter of credit can be extended for a period of nine additional years. Breaking Waves agreed to reimburse the Trust for any and all losses, fees, charges and expenses to the Trust in the event the letter of credit is called by Century and / or the issuing bank demands reimbursement from the Trust. Breaking Waves' obligations are guaranteed by the Company in addition to being secured by a first security interest in all of the assets of the Company and a subordinate security interest in all of the assets of Breaking Waves.

-24-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Liquidity and Capital Resources (continued)

On September 15, 2001, the Company entered into a Reimbursement Agreement with certain individuals ("RAYA") who pledged assets as collateral for securing a \$300,000 letter of credit as additional collateral to secure Breaking Waves' Loan and Security Agreement with Century. Absent any default, the letter of credit will remain in effect for ten years. The Agreement is guaranteed by Shopnet under a separate Security Agreement dated September 15, 2001.

In exchange for the letters of credit, the Trust and RAYA will proportionately, based on the total outstanding letters of credit, receive a fee of one and one quarter percent (1-1/4%) of net sales of Breaking Waves through June 30, 2002 and thereafter one and three quarters percent (13/4%) of net sales through September 30, 2011. In October 2001, the Trust and RAYA received advance payments to be applied towards future fees of \$24,500 and \$12,500, respectively. All future payments are payable forty five days after the close of each fiscal quarter. The fees are effective October 1, 2001.

In September 2001, the Company and Breaking Waves retained Arc Financial Corp. ("ARC"), a British Virgin Island company, for a ten year term to provide financial consulting services. Pursuant to the terms of a consulting agreement ("ARC Consulting Agreement"), ARC was retained to assist the Company in the acquisition of financing to acquire inventory and for other corporate purposes ("Financing"), as well as consult with the Company with regard to its ongoing operations, promote sales of Breaking Waves' products and improving production. Pursuant to the terms of the ARC Consulting Agreement, the Company and Breaking Waves agreed to compensate ARC (i) an annual fee of \$20,000 ("Base Fee") and (ii) a percentage of annual net sales in the amount of 1-1/4% through June 30, 2002 and 1-3/4% of net sales for each year of the term thereafter through September 30, 2011 ("ARC Percentage Fee"), payable 45 days after the closing of each fiscal quarter.

In October 2001, ARC received (i) a lump sum payment of \$209,500 reflecting full advance payment of the Base Fee and (ii) \$36,750 reflecting

Edgar Filing: SHOPNET COM INC - Form 10QSB

advance payment of the Arc Percentage Fee. The agreement with Arc expires September 30, 2011. The Company and Breaking Waves are entitled to terminate the ARC Consulting Agreement any time after September 30, 2006, in which event all prepaid fees are forfeited.

The following table summarizes the percentage due each party, as noted above, as a percentage of net sales for the three months ended September 30, 2002.

	% of Net Sales	Amount
	-----	-----
RAYA	0.58	\$ 115
ZAT	1.16	230
ARC	1.75	347
	-----	-----
Total	3.49	\$ 692
	=====	=====

Interest expense related to the factor agreement totaled \$22,472 and \$51,372 for the three months ended September 30, 2002 and 2001, respectively. Century has a secured interest in Breaking Waves' inventory as collateral for the advances. As of September 30, 2002, the net advances to Breaking Waves from Century amounted to \$1,188,032.

-25-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Liquidity and Capital Resources (continued)

The Company anticipates that its current available cash will be sufficient for the next twelve months and does not anticipate any cash shortfalls. The Company expects its indebtedness to Century to increase to more than \$3 million during the months of September 2002 through January 2003 as it builds-up its inventory for its peak season. Although there can be no assurance that interest rates will remain at their current low levels, based on the Company's anticipated borrowings in the current fiscal year, the Company believes that recent reductions in borrowings and interest rates will generate additional savings of approximately \$60,000 in the current fiscal year.

The Company has recently refocused its sales efforts, to the extent possible, to eliminate unprofitable or low margin sales.

Investments in Joint Ventures

Battle Studies Productions, LLC

In April 1998, the Company entered into a co-production agreement with North Fork Bank for "Machiavelli Rises." The Company and North Fork formed Battle Studies to finance, produce and distribute the film. Battle Studies will be treated as a joint venture in order to co-produce motion pictures and to finance the cost of production and distribution of such motion pictures. The joint venture retains all rights to the motion pictures, the screenplays, and all ancillary rights attached thereto. Total production costs to date have aggregated approximately \$425,000 of which the Company has funded approximately \$218,500. In accordance with the terms of the co-production agreement, the proceeds of the film will be distributed as follows: first, both parties shall be entitled to recoup their initial investment in the film, at 135% thereof; then, after repayment to the respective parties of

Edgar Filing: SHOPNET COM INC - Form 10QSB

additional cost incurred by same, any remaining proceeds shall be distributed 50% to North Fork and 50% to the Company. The film was shown in January 1999 in both New York and the Brussels Film Festival.

The Company accounts for the investment in Battle Studies on the equity method. For the three months ended September 30, 2002 and 2001, the Company, recorded \$0 and \$63, respectively, of equity losses for its proportionate share of Battle Studies. No revenues have been derived from this film as of September 30, 2002.

On October 12, 2001, Battle Studies entered into a distribution agreement with Raven Pictures International ("Raven Pictures") to distribute Battle Studies' motion picture ("Macheavelli Rises") to foreign countries. Battle Studies has granted rights under the agreement for the theatrical, video, non-theatrical and television markets. The term of the agreement is for twenty-four months for all portions of territory outside of the United States and English speaking Canada. Battle Studies expects to realize 75% (which is net of a 25% fee to Raven Pictures) of the expected estimated gross revenues derived from foreign countries less \$20,000 for marketing and advertising expense.

On January 17, 2002, Battle Studies entered into a distribution agreement with KOAN to distribute and promote Battle Studies' motion picture ("Machiavelli Rises") in the United States and Canada. Battle Studies has granted rights under the agreement for free TV, pay TV, cable, satellite, video and DVD markets. The terms of the agreement is for twenty-four months and it will be automatically renewed unless KOAN receives a letter of cancellation at least thirty days prior to the date of termination or if sales have not exceeded \$250,000 over the twenty-four month period.
