The information contained in this proxy statement is given as of June 18, 2004. The individuals named in the accompanying form of proxy are our president and one of our directors. A shareholder wishing to appoint some other person (who needs not be a shareholder of The Jackson Rivers Company) to represent him at the meeting has the right to do so, either by inserting such person's name in the blank space provided in the form of proxy or by completing another form of proxy.

Our principal executive office and mailing address is 27 Radio Circle Drive, Mount Kisco, New York 10549.

Arrangements will be made with some of our record shareholders, which are brokerage houses, custodians, nominees and other fiduciaries, to send proxy materials to their principals, and they will be reimbursed by us for postage and clerical expenses. We reserve the right, if deemed desirable or necessary, to retain a proxy solicitation firm or other third parties to deliver solicitation material to such brokerage houses, custodians, nominees and other fiduciaries for distribution by them to their principals and to assist us in collecting or soliciting proxies from them. The cost of these services, exclusive of out-of-pocket costs, is not expected to exceed \$5,000.

We will only deliver one proxy statement to multiple shareholders sharing an address, unless we have received contrary instructions from one or more of the shareholders. We will promptly deliver a separate copy of this proxy statement and future shareholder communication documents to any shareholder at a shared address to which a single copy of this proxy statement was delivered, or deliver a single copy of this proxy statement and future shareholder communication documents to any shareholder or holders sharing an address to which multiple copies are now delivered, upon written request to us at our principal executive office.

Shareholders may also address future requests regarding delivery of proxy statements and/or annual reports by contacting us at the address listed above.

A form of proxy will not be valid unless it is completed and delivered to Olde Monmouth Stock Transfer Co., Inc., 200 Memorial Parkway, Atlantic Highlands, New Jersey 07716, not less than 48 hours (excluding Saturdays and holidays) before the meeting at which the person named therein purports to vote in respect thereof.

REVOCABILITY

1

VOTING SECURITIES

Shareholders of record at the close of business on June 17, 2004, are entitled to notice of and to vote at the meeting and at any adjournments thereof. On the record date, our authorized capital stock consisted of 100,000,000 shares of common stock of which there were 99,982,750 shares issued and outstanding.

The holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of our shareholders, including the election of directors. Our common shareholders do not have cumulative voting rights.

The quorum for the transaction of business at the meeting consists of shareholders present in person, or represented by proxy holding not less than a majority of the outstanding shares of our common stock. If sufficient shares are not represented in person or by proxy at the meeting to constitute a quorum, the meeting may be postponed or adjourned in order to permit further solicitations of proxies by us. Proxies given pursuant to this solicitation and not revoked will be voted at any postponement or adjournment of the meeting in the manner set forth above.

Under the Florida Statutes, the three nominees receiving the greatest number of votes cast by the holders of our common stock will be elected as directors (Proposal 1). A simple majority of the votes cast at the meeting is required to approve Proposals 2, 3 and 4.

Under Florida law, abstentions are treated as present and entitled to vote and thus will be counted in determining whether a quorum is present and will have the effect of a vote against a matter, except the election of directors as to which they will have no effect. A broker non-vote (i.e., shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary power to vote on a particular matter) is counted for purposes of determining the existence of a quorum and will have no effect on the outcome of the vote on any of the proposals.

ELECTION OF DIRECTORS (PROPOSAL 1)

A board of three directors is to be elected at the meeting to hold office until the next annual meeting or until their successors are elected. Each returned proxy cannot be voted for a greater number of persons than the number of nominees named (three). The three nominees receiving the highest number of votes are elected if a quorum is present and voting.

If, however, any of those named are unable to serve, or for good cause decline to serve at the time of the meeting, the persons named in the enclosed proxy will exercise discretionary authority to vote for substitutes. The board

Edgar Filing: JACKSON RIVERS CO - Form PRER14A

of directors is not aware of any circumstances that would render any nominee unavailable for election. Certain information concerning the nominees for election as directors is set forth below.

VOTE REQUIRED

Unless individual shareholders specify otherwise, each returned proxy will be voted for the election of the three nominees who are listed herein, or for as many nominees of the board of directors as possible, not to exceed three, such votes to be distributed among such nominees in the manner as the persons named in the enclosed proxy card see fit.

Our board of directors recommends that shareholders vote FOR the director nominees named above, and, unless a shareholder gives instructions on the proxy card to the contrary or a broker non-vote is indicated on the proxy card, the appointees named thereon intend so to vote.

2

BOARD MEETINGS AND COMMITTEES

During our fiscal year ended December 31, 2003, our board of directors held two meetings, each of which was signified by a consent executed by our sole director.

Compensation Committee. Our board of directors has recently created a compensation committee. However, no members to the committee have been appointed and the committee has not been formally organized. The compensation committee will make recommendations to the board of directors concerning salaries and compensation for our executive officers and employees. Our board adopted a written charter for the compensation committee, a copy of which is attached to this proxy statement as Attachment A. Since the compensation

committee has been formed recently, there have been no meetings held or members appointed at the time of this proxy statement.

Audit Committee. Our board of directors has recently created an audit committee which will be directly responsible for the appointment, compensation, and oversight of the work of any registered public accounting firm employed by us (including resolution of disagreements between our management and the auditor regarding financial disclosure) for the purpose of preparing or issuing an audit report or related work. Our board adopted a written charter for the audit committee, a copy of which is attached to this proxy statement as Attachment B.

The audit committee will

3

review and evaluate our internal control functions. Since the audit committee has been formed recently, there have been no meetings held or members appointed at the time of this proxy statement.

The members of the audit committee will be independent as defined under Rule 4200(a)(15) of the NASD's listing standards.

Executive Committee. We do not have an executive committee, although our board of directors is authorized to create one.

Nominating Committee. Our board of directors has recently created a nominating committee. No meetings have been held or members appointed. The functions to be performed by the nominating committee include selecting candidates to fill vacancies on the board of directors, reviewing the structure and composition of the board, and considering qualifications requisite for continuing board service. The nominating committee will consider candidates recommended by a shareholder of The Jackson Rivers Company. Any such recommendation for the 2005 Annual Meeting of Shareholders should be provided to our corporate secretary by December 31, 2004.

COMPENSATION OF DIRECTORS

We do not compensate any of our directors for their services as directors. However, we do reimburse our directors for expenses incurred in attending board

Edgar Filing: JACKSON RIVERS CO - Form PRER14A

meetings.

AMENDMENTS TO ARTICLES OF INCORPORATION (PROPOSAL 2)

INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The board of directors has determined that it is advisable to increase our authorized common stock and has adopted, subject to shareholder approval, an amendment to our articles of incorporation to increase our authorized number of shares of common stock from 100,000,000 shares to 1,980,000,000 shares of common stock, par value \$0.001 per share.

As of May 31, 2004, there were 99,982,750 shares of common stock issued and outstanding, with only 17,250 shares of common stock authorized, but unissued. On May 31, 2004, we had plans to issue up to 50,000,000 shares upon the exercise of options to be granted under our Employee Stock Incentive Plan for the Year 2004 No. 2 and up to 10,000,000 shares pursuant to our Non-Employee Directors and Consultants Retainer Stock Plan for the Year 2004 No. 2. Accordingly, the total number of shares we plan to issue under our stock plans exceeds the number of shares authorized. We plan to issue shares under our stock plans following the increase in our authorized shares of common stock.

Also, as of the date of this proxy statement, our board has plans to issue 20,000,000 shares of our newly authorized shares of common stock to Joseph M. Khan, one of our directors, and president and chief executive officer of Jackson Rivers Technologies, Inc., a Nevada corporation and our wholly-owned subsidiary. Our obligation to issue 20,000,000 shares of our common stock to Mr. Khan arose from our acquisition of Multitrade Technologies LLC, a New York limited liability company ("MTT") on February 23, 2004. As consideration for all of the assets of MTT, we agreed to transfer to Mr. Khan, the sole owner of MTT, 20,000,000 shares of our common stock once they became available after we increase our authorized shares of common stock.

Our board also plans to issue 80,000,000 shares of our newly authorized shares of common stock to Dennis N. Lauzon, our president and one of our directors. Our obligation to issue 80,000,000 shares of our common stock to Mr. Lauzon arose in connection with his contribution to our capital of all of the issued and outstanding shares in Jackson Rivers Technologies, Inc. and Jackson Rivers Global Products, Inc., a Nevada corporation on February 23, 2004. In consideration of the transfer of all of the shares in Jackson Rivers Technologies, Inc. and Jackson Rivers Global Products, Inc., we agreed to transfer to Mr. Lauzon 80,000,000 shares of our common stock once they became available after we increase our authorized shares of common stock.

AUTHORIZATION OF SHARES OF PREFERRED STOCK

4

The amendment would also authorize 200,000,000 shares of preferred stock, par value \$0.001 per share. Our present capital structure authorizes no shares of preferred stock.

At this time, our board has no plans to issue any shares of our newly authorized preferred stock.

AUTHORIZATION FOR BOARD OF DIRECTORS TO DETERMINE TERMS OF CLASS OR SERIES OF COMPANY'S SHARES

The board of directors has determined that it is advisable to authorize the directors, subject to limitations prescribed by law, to determine, from time to

Edgar Filing: JACKSON RIVERS CO - Form PRER14A

time, and without further authorization of the shareholders, the preferences, limitations, and relative rights of our stock, within the limits set forth in Section 607.0602 of the Florida Statutes, and by filing a certificate pursuant to Section 607.0602 of the Florida Statutes, to establish the number of shares to be included in each such series, and to fix the designation, relative rights, preferences and limitations of the shares of each such series. The directors believe that such revised structure will enhance our future financing activities. The authority of the board with respect to each series shall include, but not be limited to, determination of the following:

- The number of shares constituting that series and the distinctive designation of that series;
- The dividend rate on the shares of that series, whether dividends shall be cumulative and, if so, from which date or dates;
- Whether that series shall have voting rights, in addition to the voting rights provided by law and, if so, the terms of such voting rights;
- Whether that series shall have conversion privileges and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as the board of directors shall determine;
- Whether or not the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable, and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the corporation; and
- Any other relative rights, preferences and limitations of that series.

The following is a summary of the material matters relating to our common stock, our proposed preferred stock, and other matters after the adoption of the amendment to our articles of incorporation, which is attached to the resolution described in Attachment C to this proxy statement.

COMMON STOCK

Presently, the holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of our shareholders, including the election of directors. Our common shareholders do not have cumulative voting rights. Subject to preferences that may be applicable to any then outstanding series of our preferred stock, holders of our common stock are entitled to receive ratably such dividends, if any, as may be declared by our board of directors out of legally available funds. In the event of the liquidation, dissolution, or winding up of The Jackson Rivers Company, the holders of our common stock will be entitled to share ratably in the net assets legally available for distribution to our shareholders after the payment of all our debts and other liabilities, subject to the prior rights of any series of our preferred stock then outstanding.

The holders of our common stock have no preemptive or conversion rights or other subscription rights and there are no redemption or sinking fund provisions applicable to our common stock. The amendment would not alter or modify any preemptive right of holders of our common stock to acquire our shares, which is denied, or effect any change in our common stock, other than the number of authorized shares.

The increase in the authorized shares of our common stock is not proposed by the board of directors in response to any known accumulation of shares or threatened takeover. The issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. In addition, an issuance of additional shares by us could have an effect on the potential realizable value of a shareholder's investment.

In the absence of a proportionate increase in our earnings and book value, an increase in the aggregate number of our outstanding shares caused by the issuance of the additional shares will dilute the earnings per share and book value per share of all outstanding shares of our common stock. If such factors were reflected in the price per share of common stock, the potential realizable value of the shareholder's investment could be adversely affected.

The additional common stock to be authorized by adoption of the amendment would have rights identical to our currently outstanding common stock. Adoption of the proposed amendment and issuance of the common stock would not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to increasing the number of outstanding shares of our common stock, such as dilution of the earnings per share and voting rights of current holders of common stock. If the amendment is adopted, it will become effective upon filing of a certificate of amendment of our articles of incorporation with the Secretary of State of Florida.

At this time our board has plans to issue shares of our newly authorized common stock, as discussed in the "Increase in Number of Authorized Shares of Common Stock" of this Proposal 2.

The proposal with respect to our common stock is not being made by us in response to any known accumulation of shares or threatened takeover.

PURPOSE OF AUTHORIZING PREFERRED STOCK

Authorizing the issuance of 200,000,000 shares of preferred stock would give our board of directors the express authority, without further action of our shareholders, to issue preferred stock from time to time as the board deems necessary. The board of directors believes it is necessary to have the ability to issue such shares of preferred stock for general corporate purposes. Potential uses of the authorized shares may include equity financings, issuance of options, acquisition transactions, stock dividends or distributions, without further action by the shareholders, unless such action were specifically required by applicable law or rules of any stock exchange or similar system on which our securities may then be listed.

The issuance of the shares of preferred stock could have a number of effects on our shareholders depending upon the exact nature and circumstances of any actual issuance of authorized but unissued shares. The increase could have an anti-takeover effect, in that the additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of The Jackson Rivers Company more difficult. For example, additional shares could be issued by us so as to dilute the stock ownership or voting rights of persons seeking to obtain control of The Jackson Rivers Company. In some instances, each share of the preferred stock may be convertible into multiple shares of our common stock. Likewise, shares of our preferred stock could have voting rights equal to their converted status as common stock, with the effect being that the shareholders of the preferred

Edgar Filing: JACKSON RIVERS CO - Form PRER14A

stock would have the ability to control the vote of our shareholders, even though they may own less than a majority of our issued and outstanding common stock.

Similarly, the issuance of shares of preferred stock to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. In addition, an issuance of shares of preferred stock by us could have an effect on the potential realizable value of a shareholder's investment.

In the absence of a proportionate increase in our earnings and book value, an increase in the aggregate number of our outstanding shares caused by the issuance, upon the conversion of our preferred stock into shares of our common stock, would dilute the earnings per share and book value per share of all outstanding shares of our common stock. If such factors were reflected in the price per share of common stock, the potential realizable value of the shareholder's investment could be adversely affected.

6

The proposed preferred stock would not carry with it preemptive rights to acquire our shares of preferred stock.

As of the date of this proxy statement, our board has no plans to issue or use any of our newly authorized shares of preferred stock with respect to any merger or business combination.

The proposal with respect to our preferred stock is not being made by us in response to any known accumulation of shares or threatened takeover.

REDUCTION OF QUORUM REQUIREMENTS FOR MEETINGS OF SHAREHOLDERS

Our current quorum requirement for holding the meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the meeting. Abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. All shares owned by you as of June 17, 2004 may be voted by you.

You are being asked to approve an amendment to our articles of incorporation to reduce the quorum requirement for meetings of our shareholders from a majority to one-third of the total number of shares entitled to be cast at such meeting. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve this amendment to our articles of incorporation. If you approve the amendment to our articles of incorporation reducing the quorum requirement, the presence in person or by proxy at any meeting of our shareholders holding at least one-third of the total votes entitled to be cast will constitute a quorum for the transaction of business at such meeting, except as otherwise required by applicable law or regulation.

The change in the quorum requirement would help us to more easily ensure a quorum at our shareholder meetings. As a result of the reduced quorum requirement for shareholder meetings, a smaller number of our shareholders may constitute a validly convened meeting and may be able to take action at such meeting on behalf of all shareholders.

VOTE REQUIRED

The affirmative vote of a majority of the total number of shares of our

Edgar Filing: JACKSON RIVERS CO - Form PRER14A

issued and outstanding capital stock is required to approve the amendments of our articles of incorporation increasing the number of our authorized common shares, authorizing preferred shares, authorizing the directors to determine the preferences, limitations, and relative rights of our stock, within the limits set forth in Section 607.0602 of the Florida Statutes, and reducing our quorum requirements.

Our board of directors recommends that shareholders vote FOR the amendments of our articles of incorporation increasing the number of our authorized common shares, authorizing shares of preferred stock, authorizing the directors to determine the preferences, limitations, and relative rights of our stock, and reducing our quorum requirements. Unless a shareholder gives instructions on the proxy card to the contrary or a broker non-vote is indicated on the proxy card, the appointees named thereon intend to vote in favor of the proposal.

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS (PROPOSAL 3)

Subject to shareholder ratification, the board of directors has appointed Russell Bedford Stefanou Mirchandani LLP ("Russell Bedford") to serve as our independent public accountants for the fiscal years ending December 31, 2003 and December 31, 2004. Russell Bedford has served as our independent public accountants since September 22, 2003. The shareholders are being asked to ratify the approval of Russell Bedford as independent auditors for the fiscal year ending December 31, 2003 and to ratify the approval of Russell Bedford as independent auditors for the fiscal year ending December 31, 2004. Representatives of Russell Bedford are not expected to be present at the meeting.

CHANGES IN OUR CERTIFYING ACCOUNTANT

On September 16, 2003, we terminated the client-auditor relationship with Michaelson & Co., P.A. as our certifying public accountant.

Michaelson & Co., P.A.'s reports on our financial statements for the years ended December 31, 2002 and through September 16, 2003, and the period May 8, 2001 (date of inception) through December 31, 2001 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

The decision to change accountants was recommended by our board of directors.

During the two most recent fiscal years and any subsequent interim period through September 16, 2003 there have not been any disagreements between us and Michaelson & Co., P.A. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Michaelson & Co., P.A., would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the financial statements for such periods.

Regulation S-K Item 304(a)(1)(v) is not applicable.

On September 22, 2003 we engaged Russell Bedford as our independent accountants to report on our balance sheet as of December 31, 2003, and the related combined statements of income, shareholders' equity and cash flows for the year then ended. The decision to appoint Russell Bedford was approved by our board of directors.

During our two most recent fiscal years and any subsequent interim period prior to the engagement of Russell Bedford, neither we nor anyone on our behalf consulted with Russell Bedford regarding either (i) the application of accounting principles to a specified transaction, either contemplated or proposed, or the type of audit opinion that might be rendered on our financial statements or (ii) any matter that was either the subject of a "disagreement" or a "reportable event."

A Form 8-K, and an amendment on Form 8-K/A were timely filed by us reflecting the change in our certifying accountant.
