To Our Stockholders:

The purpose of this information statement is to inform the holders of record of shares of our common and preferred stock as of the close of business on the record date, May 31, 2005 that our board of directors has recommended, and that the holder of the majority of votes of our stock intends to vote on

Edgar Filing: JACKSON RIVERS CO - Form PRE 14C

July 25, 2005 to approve an amendment to our articles of incorporation to increase the authorized number of shares of our common stock from 10,000,000 to 990,000,000.

On May 31, 2005, we had 8,177,624 shares of our common stock issued and outstanding and 960,000 shares of our Series A preferred stock issued and outstanding. Each share of our common stock is entitled to one vote on all matters brought before the stockholders and each share of our Series A preferred stock outstanding entitles the holder to 2,000 votes of the common stock on all matters brought before our stockholders. We have a consenting stockholder, Dennis N. Lauzon, our president, chief executive officer and director, who holds 40,036 shares of our common stock and 960,000 shares of our Series A preferred stock. Therefore, Mr. Lauzon will have the power to vote 1,920,040,036 shares of the common stock, which number exceeds the majority of the 8,177,624 issued and outstanding shares of our common stock on the record date.

Mr. Lauzon will vote to approve the amendment to our articles of incorporation. Mr. Lauzon will have the power to pass the proposed amendment to our articles of incorporation without the concurrence of any of our other stockholders.

VOTING SECURITIES

In accordance with our bylaws, our board of directors has fixed the close of business on May 31, 2005 as the record date for determining the stockholders entitled to notice of the above noted action. The approval of the amendment to

our articles of incorporation to increase the number of our common shares requires a majority of the votes entitled to be cast on the matter within a separate voting group of stockholders once a quorum is present and voting. The quorum necessary to conduct business of the stockholders consists of one-third of the total shares issued and outstanding as of the record date.

On May 31, 2005, we had 8,177,624 shares of our common stock issued and outstanding and 960,000 shares of our Series A preferred stock issued and outstanding. Each share of our common stock is entitled to one vote on all matters brought before the stockholders and each share of our Series A preferred stock outstanding entitles the holder to 2,000 votes of the common stock on all matters brought before our stockholders. DISSENTERS' RIGHT OF APPRAISAL

No action will be taken in connection with the proposed corporate actions by our board of directors or the voting stockholders for which Florida law, our articles of incorporation or bylaws provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF OUR AUTHORIZED COMMON SHARES

The board of directors has determined that it is advisable to increase our authorized common stock and has adopted, subject to stockholder approval, an amendment to our articles of incorporation to increase the number of our authorized common shares from 10,000,000 to 990,000,000, par value \$0.00001 per share. A copy of the proposed resolution amending our articles of incorporation is contained in Attachment A to this information statement.

Edgar Filing: JACKSON RIVERS CO - Form PRE 14C

Authorizing an additional 980,000,000 shares of common stock would give our board of directors the express authority, without further action of the stockholders, to issue common stock from time to time as the board deems necessary. The board of directors believes it is necessary to have the ability to issue such additional shares of common stock for general corporate purposes. Potential uses of the additional authorized shares may include equity financings, issuance of options, acquisition transactions, stock dividends or distributions, without further action by the stockholders, unless such action were specifically required by applicable law or rules of any stock exchange or similar system on which our securities may then be listed.

The following is a summary of the material matters relating to our common stock.

Presently, the holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of our stockholders, including the election of directors. Our common stockholders do not have cumulative voting rights. Subject to preferences that may be applicable to any then outstanding series of our preferred stock, holders of our common stock are entitled to receive ratably such dividends, if any, as may be declared by our board of directors out of legally available funds. In the event of the liquidation, dissolution, or winding up of The Jackson Rivers Company, the holders of our common stock will be entitled to share ratably in the net assets legally available for distribution to our stockholders after the payment of all our debts and other liabilities, subject to the prior rights of any series of our preferred stock then outstanding.

The holders of our common stock have no preemptive or conversion rights or other subscription rights and there are no redemption or sinking fund provisions applicable to our common stock. The amendment would not alter or modify any preemptive right of holders of our common stock to acquire our shares, which is denied, or effect any change in our common stock, other than the number of authorized shares.

The issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. In addition, an issuance of additional shares by us could have an effect on the potential realizable value of a stockholder's investment.

In the absence of a proportionate increase in our earnings and book value, an increase in the aggregate number of our outstanding shares caused by the issuance of the additional shares will dilute the earnings per share and book value per share of all outstanding shares of our common stock. If such factors were reflected in the price per share of common stock, the potential realizable value of a stockholder's investment could be adversely affected.

The additional common stock to be authorized by adoption of the amendment would have rights identical to our currently outstanding common stock. Adoption of the proposed amendment and issuance of the common stock would not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to increasing the number of outstanding shares of our common stock, such as dilution of the earnings per share and voting rights of current holders of common stock. If the amendment is adopted, it will become effective upon filing of a certificate of amendment of our articles of incorporation with the Secretary of State of Florida.

Edgar Filing: JACKSON RIVERS CO - Form PRE 14C

statement, our board has no plans to issue or use any of our newly authorized shares of common stock. The increase in the number of our authorized common shares is proposed by our management in order to ensure sufficient reserves of our common stock for various capital purposes and to eliminate the need for similar amendments in the near future, which could be costly and time-consuming.

The proposal with respect to our common stock is not being made by us in response to any known accumulation of shares or threatened takeover.

The following is a summary of the material matters relating to our preferred stock.

We currently have 1,000,000,000 shares of preferred stock, par value \$0.00001 per share, authorized for issuance. Effective October 18, 2004, we designated 10,000,000 shares of our preferred stock as the Series A preferred stock. Each share of our Series A preferred stock is convertible into 1,000 shares of our common stock. On all matters submitted to a vote of our security holders, a holder of shares of our Series A preferred stock is entitled to the number of votes equal to the number of shares of the Series A preferred stock held by such holder multiplied by 2,000. Dennis N. Lauzon, our president, chief executive officer and director, holds 960,000 shares of our Series A preferred stock, which is equivalent to a vote of 1,920,000,000 shares of our common stock.

Effective October 18, 2004, we also designated 10,000,000 shares of our preferred stock as the Series B preferred stock. Each share of our Series B preferred stock is convertible into shares of the common stock in accordance with the Per Share Conversion Price. The "Per Share Conversion Price" means 80 percent of the OTCBB, (or such other exchange or market on which the common stock is then listed, if the common stock is not listed on the OTCBB) five-day average closing bid price for each share of the common stock for the five days prior to the date of the conversion. The number of underlying shares of our common stock issuable upon any conversion of the shares of the Series B preferred stock is calculated by dividing the product of the number of shares of the Series B preferred stock to be converted multiplied by the par value of the Series B preferred stock (\$0.00001 per share) by the Per Share Conversion Price. The holders of our Series B preferred stock have no voting rights on any matter submitted to our stockholders for their vote, waiver, release or other action. As of the date of this information statement, no shares of our Series B preferred stock have been issued.

VOTE REQUIRED

Once a quorum is present and voting, a majority of the total votes cast within each of the voting groups is required to approve the amendment to our articles of incorporation increasing the number of our authorized common shares.

The board of directors recommends a vote FOR the amendment to our articles of incorporation increasing the number of our authorized common shares as described in Attachment A hereto.
