to uncertainty, audit scope, or accounting principles, except that such report was prepared assuming that the Company will continue as a going concern and stated that "as discussed in Note 2 to the financial statements, the Company is dependent on financing to continue operations. This raises substantial doubt about its ability to continue as a going concern. Management's plans to resolve this uncertainty is also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty".

The decision to change independent registered public accounting firms was approved by the Board of Directors of the Company.

During the most recent fiscal year and through January 3, 2007, there were no disagreements with Chisholm, Bierwolf & Nilson, LLC on any matter of accounting principles, practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfactions of Chisholm, Bierwolf & Nilson, LLC, would have caused it to make reference thereto in its report on the financial statements for such years.

The Company provided Chisholm, Bierwolf & Nilson, LLC with a copy of this Current Report on Form 8-K and has requested that Chisholm, Bierwolf & Nilson, LLC furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements in this Item 4.01, and if not, stating the respects in which it does not agree. The Company will file the letter as an exhibit to an amendment to this Form 8-K.

(b) Appointment of Independent Registered Public Accounting Firm.
