Item 2.01 Completion of Acquisition or Disposition of Assets

On September 1, 2010, Ocwen Financial Corporation (“Ocwen” or the “company”), through its subsidiary Ocwen Loan Servicing, LLC (“OLS”), completed its acquisition (the “HomeEq Acquisition”) of the U.S. non-prime mortgage servicing business known as “HomeEq Servicing” (the “Business”) including, but not limited to, the mortgage servicing rights and associated servicer advances of the Business as well as the servicing platform based in Sacramento, California and Raleigh, North Carolina. The sellers were Barclays Bank PLC, a corporation organized under the laws of England and Wales (“Barclays”), and Barclays Capital Real Estate Inc., a corporation organized under the laws of the State of Delaware (“BCRE”). The HomeEq Acquisition was completed in accordance with the provisions of the Asset Purchase Agreement, dated May 28, 2010 among Barclays, BCRE, OLS and Ocwen which was described in, and filed with, Ocwen’s Current Report on Form 8-K dated June 2, 2010.

OLS paid a total of \$1,196.7 million for the Business which represents a 7.4% reduction from the estimated purchase price disclosed in the current report on Form 8-K filed by Ocwen on June 2, 2010. Of this amount, approximately \$852.6 million was funded by notes issued by a structured servicing advance financing facility and \$344.1 million consisted of equity and money borrowed pursuant to a senior secured term loan facility. Adding in \$56 million for estimated transaction expenses, down from the \$60 million original estimate, brings the total estimated investment to \$400.1 million. The equivalent prior figure disclosed was \$448.0 million. The reduction in the estimated total investment for HomeEq Acquisition is \$47.9 million, or 10.7% before adjusting for any financing not related to servicing advance activities. For the reduced HomeEq investment, the expected rate of return has improved somewhat.

The notes issued by the structured servicing advance financing facility were purchased by Barclays and by an asset-backed commercial paper conduit sponsored by Barclays. The senior term loan facility was funded by Barclays and the other lenders that are parties to the senior secured term loan facility agreement, further described in Part II, Item 5 of Ocwen’s quarterly report on Form 10-Q for the quarter ended June 30, 2010.

The primary reason for the reduction in the purchase price for the HomeEq Acquisition is that the unpaid principle balance boarded by Ocwen was \$22.4 billion which is \$5.6 billion or 20.2% less than the amount in the current report on Form 8-K filed by Ocwen on June 2, 2010. This reduction is due to normal runoff in the securitization portfolio and a reduction in the whole loans transferred from HomeEq Servicing to Ocwen. The unpaid principal balance consists of \$2.0 billion for whole loans and \$20.4 billion for securitizations. After the close, Ocwen had cash and fully collateralized available credit on its advance facilities of approximately \$262.4 million.
