LETTER TO THE SHAREHOLDERS

Dear ShareholderS,

2013 was another successful year for Steve Madden, as we delivered solid sales and earnings growth in a challenging environment. Consolidated net sales increased 7% to \$1.3 billion, and net income rose 10% to \$132 million, or \$1.98 per diluted share.

These results, achieved despite soft retail traffic throughout the industry and fewer new fashion footwear trends on which to capitalize, demonstrate the strength of our business model and the benefits of our diversification by distribution channel and geography.

In 2013, we SuccesseSSfully:

Grew our core buSineSS

Our first priority in 2013, as always, was to continue to expand the Steve Madden brand's market leadership position in fashion-forward footwear. This year, Steve and his team once again produced a trend-right merchandise assortment that enabled us to gain market share in our core Steve Madden Women's wholesale footwear business. Our diffusion brand, Madden Girl, also recorded solid growth, rebounding after a decline in 2012. Importantly, both brands accelerated in the back half of the year, providing us with strong momentum heading into 2014.

enhanceD our men'S offerInG

During the year, we set out to better differentiate our higher-priced Steve Madden Men's line from our more moderately priced Madden line by elevating the Steve Madden collection in terms of quality and styling

and targeting the Madden line at a younger, more casual consumer. The new strategy, rolled out for Fall 2013, received an outstanding response from both wholesale customers and the end consumer, driving a 15% increase in our men's wholesale footwear net sales in the second half of the year.

Grew our prIvate label footwear buSineSS

Over the last several years, we have leveraged our product development and sourcing capabilities into a substantial business producing private label footwear for various retailers, primarily value-priced chains. In 2013, we delivered strong double-digit percentage growth in this business, bringing private label footwear annual net sales to over \$300 million for the first time.

expanDeD our International buSineSS

We made significant progress on one of our most important long-term initiatives which is to expand our business outside of the United States. Our business in Canada, which we acquired from our former distributor in February 2012 and is currently our only owned international operation, increased 30% over the prior year. Additionally, we recorded robust gains with our distribution partners in Europe, the Middle East and Asia. Overall, our international net sales in 2013 increased 20% to \$113 million, or approximately 9% of consolidated net sales.

contInueD to roll out outlet StoreS

We opened six Steve Madden outlet stores in 2013, bringing our total at the end of the year to 17 outlet locations. We continue to be pleased with the consumer response to our outlet concept and the financial results we are seeing in that division. As we look ahead, we plan to accelerate the unit growth in outlets, with 10-12 expected outlet openings in 2014.

contInueD to Grow our hanDBaG buSineSS

We also continued to extend our reach in the handbag category. We delivered strong double-digit percentage sales increases in both Steven Madden and Betsey Johnson handbags, gains that came on top of explosive growth in each of those divisions in 2012. We also introduced Madden Girl handbags, a line of trendy junior bags with an emphasis on fashion backpacks. Madden Girl handbags are off to a great start, and further expansion of the Madden Girl handbag collection is an important initiative for 2014.

expanDeD our newer branDS

We made important advances on another of our significant long-term growth opportunities, which is to develop our newer brands. Mad Love had an outstanding first year as an exclusive brand at Target. Freebird by Steven, our boot line manufactured exclusively in Mexico, recorded substantial sales gains with key customers including Free People, Bloomingdales and Nordstrom. Finally, Superga, our licensed fashion

sneaker brand, continued its robust sales growth and strong sell-through at retail.

We owe our success to the hard work and commitment of all of the associates at Steve Madden and, therefore, we would like to thank our employees for their dedication. We also thank our customers for their loyalty and you, our shareholders, for your continued support.

RETURNED CAPITAL TO SHAREHOLDERS

As part of our ongoing efforts to maximize shareholder value, we returned \$102 million to shareholders under our share repurchase plan. We ended the year with a strong balance sheet, including \$292 million in cash, cash equivalents and marketable securities and no debt.

Sincerely,

EDWARD ROSENFELD
CHIEF EXECUTIVE OFFICER

In conclusion, 2013 was another strong year for Steve Madden. We delivered solid financial results and made significant progress on our growth initiatives. As we look ahead, we believe our diversified platform and proven business model provide us with many opportunities to expand the business across our various brands, distribution channels, product categories and geographies.

PROXY STATEMENT

GENERAL INFORMATION

On behalf of the Board of Directors of Steven Madden, Ltd., a Delaware corporation (the “Company”, “we” or “us”), we are requesting your proxy in connection with the Annual Meeting of Stockholders (the “Annual Meeting”) scheduled to be held at the Company’s showroom located at 1370 Avenue of the Americas, 14th Floor, New York, New York on Friday, May 23, 2014 at 10:00 a.m., local time. On or about April 10, 2014, a notice containing instructions on how to access this Proxy Statement, the accompanying proxy card and related materials online is being mailed to holders of record of common stock, \$.0001 par value, of the Company (the “Common Stock”) at the close of business on April 4, 2014 (the “Record Date”). We recommend that you read all of these materials.

The Annual Meeting has been called to consider and take action on the following proposals:

Notice of Internet Availability of Proxy Materials

We continue to take advantage of the Securities and Exchange Commission (the “SEC”) “e-proxy” rules allowing us to furnish proxy materials through the Internet for the benefit and convenience of our stockholders. By using the e-proxy rules, we can expedite the receipt by stockholders of this Proxy Statement and our Annual Report while lowering the costs and reducing the environmental impact associated with our Annual Meeting. On or about April 10, 2014, we will furnish a Notice of Internet Availability of Proxy Material (the “Availability Notice”) to most of our stockholders containing instructions on how to access the proxy materials and to vote online. In addition, our instructions on how to request a printed copy of these materials will be found on the Availability Notice. For more information on voting your Common Stock, please see the “Questions and Answers” section below. If you received an Availability Notice by mail, you will not receive a paper copy of the proxy materials unless you request such materials by following the instructions contained in the Availability Notice.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Who may vote at the Annual Meeting?

Only stockholders of record are entitled to vote at the Annual Meeting. A stockholder of record is a stockholder as of the close of business on the Record Date. On the Record Date, there were 66,563,809 shares of our Common Stock outstanding (excluding treasury shares) held by approximately 116 registered holders of record and 16,303 beneficial owners.

What is considered a quorum to conduct the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the shares eligible to vote is necessary to constitute a quorum for the purpose of transacting business at the Annual Meeting. Under Delaware law (under which the Company is incorporated), abstentions and broker non-votes (meaning proxies from brokers or nominees indicating that such persons have not received instructions on how to vote from the beneficial owner or other persons eligible to vote shares as to matters with respect to which the brokers or nominees do not have discretionary power to vote) are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

What is a “broker non-vote”?

If your shares are held in “street name” by a broker, bank or nominee, your broker, bank or nominee is the record holder; however, the broker, bank or nominee is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, bank or nominee, as the case may be, the broker, bank or nominee may, if permitted by the organizations of which it is a member, exercise discretionary voting power to vote your shares. A “broker non-vote” occurs when a broker, bank or nominee of record holding shares for a beneficial owner has not received voting instructions from the beneficial owner and either chooses not to vote the shares on a particular proposal as to which the holder has discretionary voting power or does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item. Broker non-votes are considered present in determining whether a quorum is present. **If you hold your shares in “street name,” we strongly encourage you to provide instructions regarding the voting of your shares as your broker or nominee cannot vote your shares with respect to certain of the proposals being presented at the Annual Meeting without voting instructions from you.**

How many votes do I have?

For each share of Common Stock that you own on the Record Date you are entitled to one vote on each matter presented at the Annual Meeting.

How many votes are required to approve each proposal and what is the effect of abstentions and broker non-votes?

Proposal One (Election of Directors): Under Delaware law, directors are elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors, subject to our director resignation policy discussed in Proposal One below.

Proposal Two (Ratification of Appointment of EisnerAmper LLP): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve the ratification of the appointment of EisnerAmper LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2014.

Proposal Three (Non-Binding Advisory Vote On Executive Compensation): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve, on a non-binding advisory basis, the compensation of the Company's named executive officers as described in this Proxy Statement.

Other Matters: If any other matters are presented at the Annual Meeting, they must receive an affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote in order to be approved.

Abstentions will have no effect on the election of directors, but will be treated as present and entitled to vote on the remaining proposals and, therefore, abstentions will have the effect of votes "AGAINST" such proposals.

Proposal One (Election of Directors) will be decided by a plurality of the votes of the shares represented in person or by proxy. The approval of each of Proposals Two (Ratification of EisnerAmper LLP) and Three (Advisory Vote on Executive Compensation) requires a favorable vote of a majority of the shares present and entitled to vote on the applicable matter. As noted above, an abstention will have no effect on the election of directors but will have the same effect as a vote "AGAINST" each other proposal. Broker non-votes with respect to Proposals One, Two and Three will have no effect on the outcome of the vote with respect to that proposal.

How can I vote my shares?

Your vote is important. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to authorize your proxy in advance. You may vote your shares by authorizing a proxy over the Internet or by telephone. In addition, if you received a paper copy of the proxy materials by mail, you can also submit a proxy by mail by following the instructions on the proxy card. Voting your shares by authorizing a proxy over the Internet, by telephone or by written proxy card will ensure your representation at the Annual Meeting regardless of whether you attend in person.

If you are the record holder of your shares, please authorize your proxy electronically by going to the <http://www.proxyvote.com> website or by calling the toll-free number listed below and on the proxy card. Please have your Proxy Statement or proxy card in hand when going online or calling. If you authorize your proxy via the Internet or by phone you do not need to return your proxy card. May I revoke my proxy for the Annual Meeting once I have given it?

You may revoke your proxy at any time before it is voted at the Annual Meeting by:

properly executing and delivering a later dated proxy (including a telephone or Internet proxy authorization);

3

voting by ballot at the Annual Meeting; or
sending a written notice of revocation to the Corporate Secretary of the Company at Steven Madden, Ltd., 52-16
Barnett Avenue, Long Island City, New York 11104.

How does the Board of Directors recommend that I vote my shares?

The Board of Directors of the Company recommends that you vote:

“FOR” the election of each of the eight director nominees;
“FOR” the ratification of the appointment of EisnerAmper LLP as the Company’s independent registered public
accounting firm for the fiscal year ending December 31, 2014; and
“FOR” the approval, on a non-binding advisory basis, of the executive compensation of the Company’s named executive
officers, as disclosed in this Proxy Statement.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH
PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS
MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS
NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY PROPERLY COME
BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENTS OR POSTPONEMENTS THEREOF. AS
NOTED ABOVE, IF YOU HOLD YOUR SHARES BENEFICIALLY THROUGH A BROKER OR NOMINEE
AND FAIL TO PROVIDE SPECIFIC VOTING INSTRUCTIONS TO THAT BROKER OR NOMINEE, YOUR
SHARES WILL NOT BE VOTED IN THE ELECTION OF DIRECTORS AND THE ADVISORY VOTE ON
EXECUTIVE COMPENSATION.

Who will bear the expenses of this solicitation?

The expense of this solicitation, including preparing, printing and mailing this Proxy Statement, the exhibits hereto
and the proxies solicited hereby, will be borne by the Company. In addition to the use of the mails, proxies may be
solicited by officers and directors and employees of the Company, without additional remuneration, by personal
interviews, telephone, telegraph or facsimile transmission. The Company will also request brokerage firms, nominees,
custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of
record by them and will provide reimbursements for the cost of forwarding the material in accordance with customary
charges. The Company has entered into an agreement with Phoenix Advisory Partners to assist in the solicitation of
proxies and provide related advice and informational support. The total expense of this engagement, which will be
borne by the Company, including customary disbursements, is not expected to exceed \$20,000 in the aggregate.

How will the voting results be reported?

The preliminary results of the voting on the proposals will be reported at the Annual Meeting. The final certified
results will be reported in a Current Report on Form 8-K, which will be filed with the SEC within four business days
following the Annual Meeting.

Required Vote

Proxies will be voted for the election of the eight nominees as directors of the Company unless otherwise specified in the proxy. A plurality of the votes cast by the holders of shares of Common Stock present in person or represented by proxy at the Annual Meeting will be necessary to elect the nominees as directors. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors subject to our Director Election (Majority Voting) Policy which is described under the caption "Corporate Governance-Director – Election (Majority Voting) Policy" below. If, for any reason, any nominee is unable or unwilling to serve, the proxies will be voted for a substitute nominee who will be designated by the Board of Directors at the Annual Meeting. Stockholders may abstain from voting by marking the appropriate boxes on the accompanying proxy. Abstentions will be counted separately and used for purposes of calculating whether a quorum is present at the Annual Meeting.

Director Election (Majority Voting) Policy

It is the policy of the Company that any nominee for director who receives a greater number of “WITHHOLD” votes than “FOR” votes for his or her election must promptly submit a letter of resignation to the Nominating/Corporate Governance Committee following the certification of the stockholder vote. In such event, the Nominating/Corporate Governance Committee would then consider the offer of resignation and make a recommendation to the Board of Directors as to whether or not the resignation should be accepted. This policy does not apply in contested elections. For more information about this policy, see “Corporate Governance – Director Election (Majority Voting) Policy” below.

Recommendation of the Board of Directors

The Nominating/Corporate Governance Committee of the Board and the entire Board of Directors unanimously recommend a vote “FOR” the election of Ms. Rose Peabody Lynch and Messrs. Edward R. Rosenfeld, John L. Madden, Peter Migliorini, Richard P. Randall, Ravi Sachdev, Thomas H. Schwartz and Robert Smith.

CORPORATE GOVERNANCE

The Board of Directors

Our business is managed under the direction and oversight of the Board of Directors who are elected by the Company’s stockholders. Directors meet their responsibilities by participating in meetings of the Board of Directors and the various committees of the Board on which they sit, as well as through communicating with our Chairman and Chief Executive Officer, other officers and employees of the Company and by consulting with our independent registered public accounting firm and other third parties.

As noted above, our Board is currently comprised of four independent and two non-independent directors. As part of the Company’s corporate governance planning and upon the recommendation of the Nominating/Corporate Governance Committee, the Board recently voted to expand the size of the Board from six members to eight members. The expansion of the Board from six to eight members will become effective as of April 28, 2014 when Rose Peabody Lynch and Robert Smith will join the Board of Directors as independent directors.

Director Independence

The Board of Directors is currently comprised of six members and, effective April 28, 2014, will expand to eight members, when Rose Peabody Lynch and Robert Smith join the Board as independent directors.

The Board of Directors has determined that the following director nominees are “independent” for purposes of the criteria of the SEC and The Nasdaq Global Select Market listing standards: Ms. Lynch and Messrs. Migliorini, Randall, Sachdev, Schwartz and Smith. If the eight nominees set forth above are elected, the Board will be comprised of a majority of independent directors. The Board of Directors has held regularly scheduled executive sessions for the independent directors, with Peter Migliorini serving as Presiding Director of such executive sessions.

Director Attendance at Meetings

Attendance at Annual Meetings of Stockholders

The Company has no specific policy regarding director attendance at its annual meetings of stockholders. The Company encourages all of its directors to attend annual meetings of the Company’s stockholders and two directors attended the Company’s 2013 annual meeting of stockholders.

Attendance at Meetings of the Board of Directors

The Board of Directors held four regularly scheduled and three special meetings during the 2013 Fiscal Year, one of which was not attended by Mr. Schwartz and Mr. Madden, and acted by unanimous written consent on three occasions during the 2013 Fiscal Year. In 2013, each director attended at least 75% of the aggregate number of Board meetings, and each director attended at least 75% of the aggregate number of meetings held by all committees on which he then served.

Director Election (Majority Voting) Policy

The Company has adopted a Director Election (Majority Voting) Policy. Pursuant to this policy, in an uncontested election of directors (that is, an election where the number of nominees is equal to the number of seats open) any nominee for director who receives a greater number of “WITHHOLD” votes than “FOR” votes for his or her election must promptly submit an offer of resignation to the Nominating/Corporate Governance Committee following the certification of the stockholder vote for consideration in accordance with the following procedures.

In such event, upon receipt of the resignation, the Nominating/Corporate Governance Committee would promptly consider the appropriateness of the director’s continued service on the Board of Directors and recommend to the Qualified Independent Directors (as defined below) the action to be taken with respect to the resignation, which could include (1) accepting the resignation; (2) rejecting the resignation; (3) retaining the director but addressing what the Qualified Independent Directors believe to be the underlying cause of the “WITHHOLD” votes; or (4) determining that the director will not be renominated by the Board of Directors in future elections. The Nominating/Corporate Governance Committee would consider factors such as (a) the reasons expressed by the stockholders for withholding votes from such director; (b) any possibilities for curing the underlying cause of the “WITHHOLD” votes; (c) the tenure and qualifications of the director and his or her past and expected future contributions to the Company; (d) the overall composition of the Board of Directors, including, without limitation, whether accepting the resignation would cause the Company to fail to meet any applicable SEC or Nasdaq requirement; (e) the availability of other qualified candidates; and (f) the Company’s Board of Director Candidate Guidelines and Director Election (Majority Voting) Policy.

The Qualified Independent Directors would then act on the Nominating/Corporate Governance Committee’s recommendation no later than 90 days following the date of the stockholders’ meeting at which the director election occurred. In considering the Nominating/Corporate Governance Committee’s recommendation, the Qualified Independent Directors would review the factors considered by the Nominating/Governance Committee and such additional information and factors that they believe to be relevant. Following the Qualified Independent Directors’ decision, the Company would promptly disclose the decision in a Current Report on Form 8-K. The Form 8-K would include a full explanation of the process by which the decision of the Qualified Independent Directors was reached and, if applicable, the reasons why the offer of resignation was rejected.

In the event that an offer of resignation were to be accepted, the Nominating/Corporate Governance Committee would recommend to the Board of Directors whether to fill the vacancy or reduce the size of the Board of Directors accordingly. Any director required to submit his or her resignation pursuant to this policy would not participate in the Nominating/Corporate Governance Committee’s recommendation or the Qualified Independent Directors’ consideration of the resignation but, prior to voting on the director’s resignation offer, the Qualified Independent Directors would provide to the director an opportunity to submit any information or statement that he believes relevant to the Qualified Independent Directors’ consideration of the resignation.

For purposes of this policy, “Qualified Independent Directors” means all directors who (1) are “independent” for purposes of The Nasdaq Global Select Market listing standards and (2) are not required to offer their resignation in accordance with this policy. If there are fewer than three independent directors then serving on the Board of Directors who are not required to submit their resignations in accordance with this policy, then the Qualified Independent Directors shall consist of all of the independent directors and each independent director who is required to offer his or her resignation in accordance with this policy shall recuse himself or herself from the deliberations and voting only with respect to his or her individual offer to resign.

Committees of the Board

The Board of Directors, among other committees, has a standing Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee.

11

Audit Committee

The members of the Audit Committee are Messrs. Randall (Chairman), Migliorini and Sachdev. The Audit Committee is comprised of directors who are “independent” for purposes of The Nasdaq Global Select Market listing standards and who meet the independence requirements contained in Securities Exchange Act of 1934, as amended (the “Exchange Act”) Rule 10A-3(b)(1). The Board has determined that Mr. Randall meets the SEC criteria of an “audit committee financial expert” and he is currently serving as such. The Audit Committee is primarily responsible for reviewing the services performed by the Company’s independent registered public accountants, evaluating the Company’s accounting policies and its system of internal controls, and reviewing significant financial transactions. During the 2013 Fiscal Year, the Audit Committee met five times.

The Audit Committee is responsible for reviewing and striving to ensure the integrity of the Company’s financial statements and oversight of our compliance with legal and regulatory requirements, our internal audit function and an independent registered public accounting firm. Among other matters, the Audit Committee, with management and independent and internal auditors, reviews the adequacy of the Company’s internal accounting controls that could significantly affect the Company’s financial statements. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company’s independent registered public accountants. In addition, the Audit Committee also functions as the Company’s Qualified Legal Compliance Committee (the “QLCC”). The purpose of the QLCC is to receive, retain and investigate reports made directly, or otherwise made known, of evidence of material violations of any United States federal or state law, including any breach of fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

Management has primary responsibility for the Company’s financial statements and the overall reporting process, including the Company’s system of internal controls. The independent registered public accountants audit the annual financial statements prepared by management, express an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee is also responsible for the oversight of the Company’s risk management process, which is discussed in the “Risk Oversight” section below.

In performing its functions, the Audit Committee meets with management on at least a quarterly basis to review and discuss the annual audited financial statements, quarterly financial statements and related reports and to consider the adequacy of the Company’s internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company’s independent registered public accountants and with appropriate Company financial personnel. Meetings are held with the independent registered public accountants, who have unrestricted access to the Audit Committee. In addition, the Audit Committee reviews the Company’s financing plans and reports and makes recommendations to the full Board of Directors for approval and to authorize action. The Board has adopted a written charter setting out the functions the Audit Committee is to perform. A copy of the Audit Committee Charter is available on the Company’s website at www.stevemadden.com.

Nominating/Corporate Governance Committee

The members of the Nominating/Corporate Governance Committee are Messrs. Migliorini (Chairman) and Randall. The Nominating/Corporate Governance Committee is comprised of directors who are “independent” for purposes of The Nasdaq Global Select Market listing standards. The Nominating/Corporate Governance Committee acted by unanimous written consent on one occasion during the 2013 Fiscal Year.

The Nominating/Corporate Governance Committee provides oversight with respect to a wide range of issues relating to the composition and operation of the Board, including consideration of and recommendations regarding the size and composition of the Board of Directors and identification of potential candidates to serve as directors. The Nominating/Corporate Governance Committee identifies candidates to the Board of Directors by introductions from management, members of the Board of Directors, employees of the Company or other sources, including stockholders that satisfy the Company's policy regarding stockholder recommended candidates. The Nominating/Corporate Governance Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources.

Stockholders wishing to submit recommendations for director nominations for the 2015 Annual Meeting should write to the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. Any such stockholder must (x) comply with the director nomination provisions of the Company's By-Laws, (y) meet and evidence the minimum eligibility requirements specified in Exchange Act Rule 14a-8, and (z) submit, within the same timeframe for submitting a stockholder proposal required by Rule 14a-8: (1) evidence in accordance with Rule 14a-8 of compliance with the stockholder eligibility requirements, (2) the written consent of the candidate(s) for nomination as a director, (3) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director, and (4) all information regarding the candidate(s) and the submitting stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors.

In considering candidates for the Board of Directors, the Nominating/Corporate Governance Committee considers the Company's Board of Director Candidate Guidelines and Director Election (Majority Voting) Policy, available on the Company's website at www.stevemadden.com, the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that are deemed appropriate including, but not limited to, the individual's character, education, experience, knowledge and skills. While the Nominating/Corporate Governance Committee's Board of Directors Candidate Guidelines does not expressly identify diversity as a factor for consideration regarding the evaluation of director candidates, diversity is among the many factors the Nominating/Corporate Governance Committee considers in the candidate evaluation process. To assess the effectiveness of the mandate set forth in the Nominating/Corporate Governance Committee's charter, the Nominating/Corporate Governance Committee reviews annually with the Board the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for the Board as a whole.

In addition, the Nominating/Corporate Governance Committee develops and recommends corporate governance principles for the Company; makes recommendations to the Board of Directors in support of such principles; takes a leadership role in the shaping of the corporate governance of the Company; and oversees the evaluation of the Board of Directors and management. The Nominating/Corporate Governance Committee operates under a formal charter that governs the Committee's composition, powers and responsibilities. A copy of the Nominating/Corporate Governance Charter is available on the Company's website at www.stevemadden.com.

Compensation Committee

The members of the Compensation Committee are Messrs. Migliorini (Chairman) and Schwartz. The Compensation Committee is comprised of directors who are "independent" for purposes of The Nasdaq Global Select Market listing standards and applicable tax and securities rules. The Compensation Committee met three times during the 2013 Fiscal Year and acted by unanimous written consent on two occasions during the 2013 Fiscal Year.

The Compensation Committee is responsible for establishing and overseeing the Company's compensation and incentive plans and programs; determining and approving compensation for the Company's executive officers, including salaries, bonuses, perquisites and equity awards; reviewing and approving compensation and awards for the Company's executive officers under the Company's compensation and incentive plans and programs; administering the Company's equity compensation plans; reviewing and approving a compensation program for independent members of the Board; and assisting the Board in discharging the Board's responsibilities relating to management organization, performance, compensation and succession. The Compensation Committee operates under a formal charter adopted by the Board of Directors that governs its composition, powers and responsibilities. A copy of the Compensation Committee Charter is available on the Company's website at www.stevemadden.com.

Board Leadership Structure, Risk Oversight, Executive Sessions of Non-Employee Directors, and Communications Between Stockholders and the Board

Board Leadership Structure

As noted above, our Board is currently comprised of four independent and two non-independent directors and, commencing on April 28, 2014, will be expanded and consist of five independent directors and two non-independent directors.

Mr. Rosenfeld has served as Chairman of the Board and Chief Executive Officer since August 2008, and has been a member of the Board since February 2008. The Board has designated one of the independent directors as Presiding Director to preside over executive sessions. We believe that the number of independent, experienced directors that comprise our Board, along with the independent oversight of our Presiding Director, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for the Company because it demonstrates to our employees, suppliers, customers, and other stakeholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations and leading the Board in setting long-term strategy. Having a single leader for both the Company and the Board eliminates confusion and duplication of efforts, and provides clear leadership for the Company. We believe the Company, like many U.S. companies, has been well-served by this leadership structure.

Because the positions of Chairman of the Board and Chief Executive Officer are held by the same person, the Board believes it is appropriate for the independent directors to elect one independent director to serve as a Presiding Director. In addition to presiding at executive sessions of the independent directors, the Presiding Director has various responsibilities including coordinating with the Chairman of the Board and Chief Executive Officer in establishing agenda and discussion items for Board meetings; retaining independent advisors on behalf of the Board as the Board may determine to be necessary or appropriate and performing such other functions as the independent directors may designate from time to time. Mr. Migliorini is currently serving as the Presiding Director.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

Risk Oversight

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy, the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

The Board has delegated to the Audit Committee oversight of the Company's risk management process. Among its duties, the Audit Committee reviews with management (a) the Company's policies with respect to risk assessment and management of risks that may be material to the Company, (b) the Company's system of disclosure controls and system of internal controls over financial reporting, and (c) the Company's compliance with legal and regulatory requirements. The Audit Committee is also responsible for reviewing major legislative and regulatory developments that could materially impact the Company's contingent liabilities and risks. Our other Board committees also consider and address risks as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

The Company's management is responsible for day-to-day risk management. Our risk management and internal audit areas serve as the primary monitoring and testing function for company-wide policies and procedures, and manage the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

Executive Sessions of Independent Directors

The Board holds executive sessions of its independent directors generally at each regularly scheduled meeting. The Presiding Director serves as the chairperson for these executive sessions.

Communications between Stockholders and the Board

The Company has adopted a procedure by which stockholders may send communications to one or more members of the Board of Directors by writing to such director(s) or to the entire Board of Directors in care of the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. The Board has instructed the Corporate Secretary to review all communications so received and to exercise his discretion not to forward to the Board correspondence that is inappropriate, such as business solicitations, frivolous communications and advertising, routine business matters (i.e. business inquiries, complaints, or suggestions) and personal grievances. However, any director may at any time request the Corporate Secretary to forward to such director any and all communications received by the Corporate Secretary but not forwarded to the directors.

Code of Business Conduct and Ethics

All of the Company's employees, officers (including senior executive, financial and accounting officers) and directors are held accountable for adherence to the Company's Code of Business Conduct and Ethics (the "Conduct Code"). The Conduct Code is intended to establish standards necessary to deter wrongdoing and to promote compliance with applicable governmental laws, rules and regulations and honest and ethical conduct. The Conduct Code covers all areas of professional conduct, including conflicts of interest, fair dealing, financial reporting and disclosure, protection of Company assets and confidentiality. Employees have an obligation to promptly report any known or suspected violation of the Conduct Code without fear of retaliation. Waiver of any provision of the Conduct Code for executive officers and directors may only be granted by the Board of Directors or one of its committees and any such waiver or modification of the Conduct Code relating to such individuals will be disclosed by the Company. A copy of the Conduct Code is available on the Company's website at www.stevemadden.com and may also be obtained by any stockholder without charge upon request by writing to the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104.

Pursuant to the JLM Consulting Agreement, on January 2, 2013, the Company issued 72,012 restricted shares of the Company's Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend) to JLM Consultants, Inc. under the Steven Madden, Ltd. 2006 Stock Incentive Plan, as amended (the "2006 Plan"), which shares will vest in twelve substantially equal quarterly installments over a three-year period commencing on April 1, 2013 and continuing to vest quarterly thereafter until the final installment vests on January 1, 2016.

Steven Madden Employment Agreement. Effective as of July 1, 2005, the Company amended and restated its employment agreement with the Company's founder and Creative and Design Chief, Steven Madden, pursuant to which Mr. Madden agreed to continue to serve as the Company's Creative and Design Chief. The term of Mr. Madden's employment under his employment agreement commenced on July 1, 2005 and, in accordance with the amendment of the agreement effective December 31, 2011, will end on December 31, 2023. Prior to this recent amendment, the agreement had provided for an annual salary of \$600,000, with a 7% increase of base salary on a compound basis in each of the third, fifth, seventh and ninth years of the agreement. The agreement had also provided for an annual cash bonus in an amount equal to at least 2% of the Company's EBITDA (the "Annual Bonus") and an annual cash bonus in relation to "new business" (as defined in the agreement) in an amount equal to at least (i) 2.5% of new business gross direct revenues plus (ii) 10% of all license or other fee income above \$2,000,000 (the "New Business Bonus"). The agreement, as amended, increases Mr. Madden's annual base salary but eliminates the Annual Bonus and the New Business Bonus and provides that all cash bonuses subsequent to the fiscal year ended December 31, 2011 will be at the sole discretion of the Company's Board of Directors. Under the agreement, as amended, Mr. Madden's annual base salary was fixed at \$5,416,667 in 2012, \$7,416,667 in 2013, \$9,666,667 in 2014, \$11,916,667 in 2015 and \$10,697,917 in 2016 and in each year thereafter through the end of the term of employment. In addition, the amended agreement entitles Mr. Madden to an annual life insurance premium reimbursement of up to \$200,000. The amendment also eliminates an annual non-accountable expense allowance of \$200,000 that had been previously provided to Mr. Madden under the agreement. Pursuant to the amended agreement, on February 8, 2012, Mr. Madden was granted 1,463,056 restricted shares of Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend), valued at approximately \$40 million, under the 2006 Plan. The restricted Common Stock will vest in equal annual installments over seven years commencing on December 31, 2017 through December 31, 2023, subject to Mr. Madden's continued employment with the Company on each such vesting date.

On June 30, 2012, pursuant to an election right granted to him under the agreement, as amended, Mr. Madden notified the Company of his election to receive an additional restricted stock award valued at \$40 million in consideration of a reduction in his annual base salary in years subsequent to 2012. Accordingly, on July 3, 2012, Mr. Madden was issued 1,893,342 restricted shares of Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend) under the 2006 Plan. The restricted Common Stock will vest in equal annual installments over six years commencing on December 31, 2018 through December 31, 2023, subject to Mr. Madden's continued employment with the Company on each such vesting date. As a result of his election to receive an additional restricted stock award, Mr. Madden's annual base salary for years subsequent to 2012 has been reduced as follows: \$4,000,000 in 2013, \$6,125,000 in 2014, \$8,250,000 in 2015 and \$7,026,042 in 2016 and in each year thereafter through the end of the term of employment.

Mr. Madden is also eligible to receive annually, on or about the date of the Company's annual meeting of stockholders (but not later than June 30th), an option grant (the "Annual Option") to purchase a number of shares of Common Stock, with such number to be equal to the greater of (a) 100% of the largest aggregate number of shares of Common Stock available upon the exercise of an option or options granted to any other continuing full-time employee of the Company during the preceding twelve-month period and (b) 100,000 shares of Common Stock; provided, however, that a grant to Mr. Madden in excess of 150% of the number of shares of Common Stock subject to options granted to such other continuing full-time employee would require stockholder approval. Any Annual Option granted to Mr.

Madden would vest quarterly over a one-year period following the grant date and would be exercisable at a price equal to the closing price of the Company's Common Stock on the grant date for a period of five years following the grant date. Mr. Madden opted to waive his right to the Annual Option in 2013. In addition to the Annual Option, the agreement, as amended, provides for a potential additional one-time stock option grant to purchase 750,000 shares of the Company's Common Stock (the number of shares subject to this potential stock option award having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend) in the event that the Company achieves earnings per share, on a fully-diluted basis, equal to \$3.00 in any fiscal year ending December 31, 2015 or after. If granted, the option would vest in equal annual installments of 20% over a five-year period and be exercisable for a period of seven years at a price equal to the closing price of the Company's Common Stock on the date immediately preceding the grant date.

In the event of Mr. Madden's death, his employment agreement provides for the payment to Mr. Madden's estate of his base salary for the 12-month period immediately subsequent to the date of his death. Further, in the event that Mr. Madden's employment agreement is terminated due to Mr. Madden's total disability (as defined in the agreement), "for cause" (as defined in the agreement) or due to Mr. Madden's resignation, the Company is obligated to pay Mr. Madden the amount of compensation that is accrued and unpaid through the date of termination. In the event Mr. Madden's employment agreement is terminated for any reason (other than "for cause" or due to his death, total disability or resignation), the Company is obligated to pay Mr. Madden, in installments, the balance of his base salary that would have been paid by the Company under the agreement for the full term of the agreement. If, during the period commencing 120 days prior to a "change of control" (as defined in the employment agreement) transaction and ending on the first anniversary of a change of control transaction, Mr. Madden's employment is terminated by the Company other than for cause or by the resignation of Mr. Madden for "good reason" (as defined in the employment agreement), or if Mr. Madden resigns for good reason or without good reason within 30 days following a change of control transaction, all unvested options to purchase shares of Common Stock held by Mr. Madden will vest on the date of termination or resignation and Mr. Madden will be entitled to receive a lump sum cash payment equal to the amount of compensation that is accrued and unpaid through the date of termination plus \$35 million. Mr. Madden's employment agreement contains other customary provisions, including provisions regarding expense reimbursement, confidentiality, solicitation and competition.

For the 2013 Fiscal Year, Mr. Madden earned \$4,000,000 in base salary and received \$200,000 for the payment of an annual life insurance premium. Mr. Madden opted to waive his right to the Annual Option for the 2013 Fiscal Year.

Loan to Steven Madden. On June 25, 2007, the Company made a loan to Steven Madden, its Creative and Design Chief and a principal stockholder of the Company, in the amount of \$3,000,000, in order for Mr. Madden to satisfy a personal tax obligation resulting from the exercise of a stock option which was due to expire and to hold the underlying shares of Common Stock. Mr. Madden executed a promissory note in favor of the Company, which is secured by a pledge of 472,500 shares of the Company's Common Stock beneficially owned by Mr. Madden (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend). There have been successive amendments to the note, the most recent of which occurred on January 3, 2012, at which time the note was amended and restated to extend the maturity date of the obligation to December 31, 2023 and eliminate the accrual of interest after December 31, 2011. Prior to the most recent amendment, the note had been accruing interest at the rate of 6% per annum. In addition, the amended and restated note provides that, commencing on December 31, 2014 and annually on each December 31 thereafter through the maturity date, one-tenth of the principal amount thereof, together with accrued interest, will be cancelled by the Company provided that Mr. Madden continues to be employed by the Company on each such December 31. Contemporaneously, the Company will release a number of pledged shares of Common Stock from the pledge generally correlating to the amount of indebtedness cancelled on such date. As of December 31, 2011, interest in the amount of \$1,090,000 had accrued on the principal amount of the note and, as noted above, interest was eliminated after December 31, 2011.

Steven Madden is the brother of John L. Madden, who has been a director of the Company since 1993.

Review, Approval or Ratification of Transactions with Related Persons

The Company's written Conduct Code and Employee Handbook prohibit all conflicts of interest. Under the Conduct Code, conflicts of interest occur when private or family interests interfere in any way, or even appear to interfere, with the interests of the Company. The Company's prohibition on conflicts of interest under the Conduct Code includes any related person transaction.

Related person transactions must be approved by the Board, or by a committee of the Board consisting solely of independent directors, who will approve the transaction only if they determine that it is in the best interests of the Company. In considering the transaction, the Board or committee will consider all relevant factors, including, as applicable, (i) the Company's business rationale for entering into the transaction; (ii) the alternatives to entering into a related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties or, in the case of employment relationships, to employees generally; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to the Company.

The Company has multiple processes for reporting conflicts of interests, including related person transactions. Under the Conduct Code, all employees are required to report any actual or apparent conflict of interest, or potential conflict of interest, to management. The Chief Financial Officer distributes a questionnaire to the Company's executive officers and management personnel on a quarterly basis and distributes a questionnaire to the members of the Board of Directors on an annual basis requesting certain information regarding, among other things, their immediate family members, employment and beneficial ownership interests, which information is then reviewed for any conflicts of interest under the Conduct Code.

The Board of Directors, the Audit Committee and the Disclosure Committee, which is comprised of management personnel, discuss the related party transactions, specifically, and in connection with the regular review processes attendant to the Company's periodic filings, including related party transaction disclosures.

If a director is a party to or in some manner involved in a transaction involving the Company, he will be recused from all discussions and decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Objectives and Strategy

The Company's executive officer compensation program is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their performance, for the Company's performance and for creating longer-term value for our stockholders. The primary objectives of the program are to:

- align rewards with performance that creates stockholder value;
- support the Company's strong team orientation;
- encourage high-potential team players to build a career at the Company; and
- provide rewards that are cost-efficient, competitive with other similarly-positioned organizations and fair to employees and stockholders.

The Company's executive compensation programs are approved and administered by the Compensation Committee of the Board of Directors. Working with management and outside advisors, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and reinforces a culture that the Compensation Committee believes will drive long-term success.

The compensation program rewards team accomplishments while promoting individual accountability. The executive officer compensation program depends in significant measure on Company results, but business unit results and individual accomplishments are also very important factors in determining each executive's compensation. The Company has a robust planning and goal-setting process that is fully integrated into the compensation system, enhancing a strong relationship among individual efforts, Company results and financial rewards.

A major portion of total compensation is placed at risk through annual and long-term incentives. As noted below, discretionary bonuses were paid to the Named Executive Officers. The combination of incentives is designed to balance annual operating objectives and Company earnings performance with longer-term stockholder value creation.

To implement its primary objectives, the Company seeks to provide competitive compensation that is commensurate with performance. The Company targets compensation at the median of the market and calibrates both annual and

long-term incentive opportunities to generate less-than-median awards when goals are not fully achieved and greater-than-median awards when goals are exceeded.

The Company believes that there is great value to the Company in having a team of long-tenured, seasoned managers and seeks to promote a long-term commitment from its senior executives. The Company's team-focused culture and management processes are designed to foster this commitment. In addition, restricted Common Stock awards granted to Named Executive Officers in the 2013 Fiscal Year reinforce this long-term orientation with annual vesting over a five-year period.

Role of the Compensation Committee

General. The Compensation Committee provides overall guidance for the Company's executive compensation policies and determines the amounts and elements of compensation for the Company's executive officers and outside directors. The Compensation Committee currently consists of two members of the Company's Board of Directors, Messrs. Peter Migliorini and Thomas Schwartz, each of whom is an independent director under Rule 5605 of The Nasdaq Global Select Market listing standards, a "non-employee director" as defined under the SEC's rules and an "outside director" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

When considering decisions concerning the compensation of executives, other than the Chief Executive Officer, the Compensation Committee asks for the recommendations of the Chief Executive Officer, including his detailed evaluation of each executive's performance. No executive has a role in recommending compensation for outside directors. With respect to the application of the 2006 Plan to non-employee directors, the Board of Directors functions as the Compensation Committee.

Use of Outside Advisors. In making its determinations with respect to executive compensation, the Compensation Committee has historically engaged the services of an independent compensation consulting firm. The Compensation Committee has retained the services of James F. Reda & Associates, LLC, a division of Gallagher Benefit Services, Inc. ("Reda & Associates") since 2005 to assist with its review of the compensation packages and employment agreements of the Chief Executive Officer and other executive officers. In 2013, Reda & Associates worked with the Compensation Committee to assess the reasonableness of discretionary cash bonus payments and equity grants to Messrs. Rosenfeld, Dharia, Sinha and Schmertz and Ms. Varela based on the Company's and the individual's performance in the fiscal year ended December 31, 2012 and the reasonableness of the terms of new employment agreements for Mr. Sinha and Ms. Varela as compared with comparable positions in the peer group listed below. Executive compensation for the other Named Executive Officers was based on prior employment agreements with pay structures and levels guided by Reda & Associates' market studies just prior to the consummation of the agreements. Position-specific market studies were completed at the time of the employment agreement extension in support of the design of these agreements. The Compensation Committee also consulted Reda & Associates with respect to the establishment of a performance-based cash bonus pool based on a percentage of the Company's net income in the 2013 Fiscal Year. Reda & Associates provides only executive compensation consulting services and works with management only at the behest of the Compensation Committee.

The Compensation Committee retains Reda & Associates directly, although in carrying out assignments, Reda & Associates also interacts with Company management, when necessary and appropriate, in order to obtain compensation and performance data for the executives and the Company. In addition, Reda & Associates may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and identify data questions or other similar issues, if any, prior to presentation to the Compensation Committee.

Independence of Outside Advisors. The Compensation Committee has the sole authority to retain, terminate, approve the fees and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities, and may select or receive advice from any compensation consultant or other advisor only after taking into consideration all factors relevant to the consultant's independence from management, including

the factors set forth in the Nasdaq's rules.

23

Accordingly, the Compensation Committee reviews annually its relationship with Reda & Associates to ensure its independence on executive compensation matters. Prior to selecting and receiving advice from Reda & Associates with respect to executive compensation in the 2013 Fiscal Year, the Compensation Committee reviewed the independence of Reda & Associates and the individual representatives of Reda & Associates who served as the committee's advisors. The Compensation Committee determined that no conflicts of interest exist between the Company and Reda & Associates (or any individuals working on the Company's account on behalf of Reda & Associates). In reaching such determination, the Compensation Committee considered, among other things, the following factors: (i) that Reda & Associates provides no services to the Company other than the executive compensation consulting services; (ii) the fees paid by us to Reda & Associates as a percentage of Reda & Associates' total revenue; (iii) the representations by Reda & Associates as to its policies and procedures that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual representatives of Reda & Associates who advised the Compensation Committee and any member of the Compensation Committee; and (v) any business or personal relationships between our executive officers and Reda & Associates or the individual representatives of Reda & Associates.

Consideration of 2013 Stockholder Say on Pay Vote. At our 2013 Annual Meeting of Stockholders, our stockholders overwhelmingly approved, on an advisory basis, the compensation of our Named Executive Officers (96% of votes cast). The Compensation Committee believes this level of stockholder support reflects a very strong endorsement of our compensation policies and decisions. The Compensation Committee has considered the results of this advisory vote on executive compensation in determining the Company's compensation policies and decisions for 2014, and has determined that these policies and decisions are appropriate and in the best interests of the Company and its stockholders at this time.

Compensation Structure

Pay Elements - Overview

The Company utilizes four main components of compensation:

- base salary;
- annual performance-based cash bonuses;
- long-term equity incentives (consisting of stock options and/or restricted stock);
- and
- benefits and perquisites.

Pay Elements - Details

Base Salary. The Company paid base salaries to each of the Named Executive Officers to provide them with fixed pay commensurate with the Named Executive Officer's role and responsibilities, experience, expertise and individual performance. As more fully described in the section of this Proxy Statement captioned "Employment Arrangements," as

of December 31, 2013, the Company had employment agreements with each of the Named Executive Officers. The Compensation Committee, as constituted at the time the parties entered into the employment agreements or any amendments thereof, reviewed and approved the salary established in each such agreement or amendment. The Compensation Committee considered each employee's salary history, value in the marketplace and performance (including at the Company and previous employment).

The annual base salary of our Chief Executive Officer, Mr. Rosenfeld, was fixed at \$578,813 for the 2013 Fiscal Year under an employment agreement dated December 31, 2012 that remains in effect until December 31, 2015 and provides for an annual base salary of \$607,754 and \$638,142 for the fiscal years ending December 31, 2014 and 2015, respectively. The annual base salary of our Chief Operating Officer, Mr. Sinha, was fixed at \$575,000 for the 2013 Fiscal Year under an employment agreement that expired on December 31, 2013. The expired employment agreement was replaced with a new agreement dated January 10, 2014, which remains in effect through December 31, 2016, and provides for an annual base salary of \$600,000, \$630,000 and \$661,500 for the fiscal years ending December 31, 2014, 2015 and 2016, respectively. Under the employment agreement, as amended, of our Chief Financial Officer, Mr. Dharia's annual base salary for the 2013 Fiscal Year was and will remain at \$554,719 until the agreement expires on December 31, 2014. The annual base salary of our Brand Director, Mr. Schmertz, was fixed at \$725,000 for the 2013 Fiscal Year and the year ending December 31, 2014 under an employment agreement dated January 2, 2013 that will expire on December 31, 2014. The annual base salary of our Executive Vice President - Wholesale, Ms. Varela, was fixed at \$450,000 for the 2013 Fiscal Year under an employment agreement that expired on December 31, 2013. The expired employment agreement was replaced with a new agreement dated January 10, 2014, which remains in effect through December 31, 2016, and provides for an annual base salary of \$500,000 for 2014, 2015 and 2016. Please see the section of this Proxy Statement captioned "Summary Compensation Table" and "Employment Arrangements" for a more detailed description of their employment agreement and compensation. Salary increases for Named Executive Officers are generally consistent with those of other management employees.

Annual Performance-based Cash Bonus - Based on Specific Performance Metrics. Annual performance-based cash bonuses, if any, for Named Executive Officers are established in their respective employment agreements. The Compensation Committee reviewed and approved the bonus provisions fixed in each such employment agreement at the time the parties entered into such agreements and any amendments thereof. Such bonus provisions generally provide for variable or discretionary bonuses designed to reward attainment of business goals.

Commencing with fiscal year 2014, Mr. Sinha's employment agreement entitles him to an annual performance-based bonus for each fiscal year in an amount equal to 2% of the increase in the Company's EBITDA for that year over the Company's EBITDA for the immediately preceding year, excluding from such bonus calculation EBITDA attributable to any business acquired after January 10, 2014 until the next fiscal quarter following the date of the acquisition, up to a maximum annual bonus of \$600,000, the first \$300,000 of which will be payable in cash and for any amount of the annual bonus in excess of \$300,000 by a grant of restricted shares of the Company's common stock, which restricted common stock will vest in three equal annual installments commencing on the first anniversary of the grant date.

Under Ms. Varela's employment agreement that expired on December 31, 2013, she was entitled to an annual performance-based cash bonus for each fiscal year in an amount equal to 2% of the increase, if any, in Wholesale Division EBIT for the 2013 Fiscal Year over Wholesale Division EBIT for the immediately prior year, excluding from such bonus calculation EBIT attributable to any business acquired after January 31, 2011 until the acquired business has been owned by the Company for two full calendar years. For the 2013 Fiscal Year, Ms. Varela's annual performance-based cash bonus was \$76,000, reflecting 2% of \$3,821,963, the increase in 2013 Wholesale Division EBIT (exclusive of EBIT attributable to businesses acquired in the period beginning on February 1, 2011 and ending on December 31, 2013) over that of 2012. This annual performance-based cash bonus is continued under Ms. Varela's new employment agreement, which provides that she is entitled to an annual performance-based cash bonus for each of the fiscal years ended December 31, 2014, 2015 and 2016 in an amount equal to 2% of the increase, if any, in the Wholesale Division EBIT for each such year over the Wholesale Division EBIT for the immediately preceding year, excluding from such bonus calculation EBIT attributable to any business acquired after January 10, 2014 until the acquired business has been owned by the Company for two full calendar years.

As provided in the 2006 Plan, the maximum payment that may be made to an individual under any performance-based cash award during any fiscal year and subject to the attainment of specified performance goals is \$10,000,000. The Compensation Committee may, in its sole discretion, elect to pay an individual an amount that is less than the individual's target award regardless of the degree of attainment of the performance goals.

For the 2013 Fiscal Year, the Compensation Committee established a bonus pool for Named Executive Officers and other key executives of the Company based on 6% of net income of the Company achieved in the 2013 Fiscal Year intended to comply with the provisions of Section 162(m) of the Code. Net income was selected because it is highly correlated with stock price performance. The Compensation Committee also fixed for each executive his or her maximum share of the 2013 bonus pool, which was 30% for Mr. Rosenfeld and 14% for each of the other Named Executive Officers. In the 2013 Fiscal Year, the Company achieved net income of \$132,007,000, which resulted in a bonus pool of \$7,920,420. The Compensation Committee determined to pay to the Named Executive Officers bonuses that were significantly below their individual target awards for the 2013 Fiscal Year and to pay the bonuses in a combination of cash and restricted shares of Common Stock. Accordingly, on March 17, 2014, the Company paid performance-based cash bonuses of \$225,000 to each of Messrs. Rosenfeld, Dharia, and Sinha and \$100,000 to Mr. Schmertz and, on March 17, 2014, granted 22,265, 10,995 and 15,118 restricted shares of Common Stock to Mr. Rosenfeld, Mr. Schmertz and Ms. Varela, respectively, for performance in the 2013 Fiscal Year, each of which

restricted stock awards vests in five equal annual installments. Ms. Varela received a \$76,000 cash bonus based on the increase in Wholesale Division EBIT of the Company in the 2013 Fiscal Year. In accordance with applicable SEC rules, the Summary Compensation Table included in this Proxy Statement contains these cash bonuses but does not report the grant date fair value of these restricted stock awards because, while earned in 2013, the grants were not made until after the close of the 2013 Fiscal Year. The 2014 Summary Compensation Table to be included in our proxy statement for our 2015 Annual Meeting of Stockholders will contain the grant date fair value of these restricted stock awards to Mr. Rosenfeld, Mr. Schmertz and Ms. Varela provided these individuals are named executive officers in that proxy statement.

The decision to pay cash bonuses to Messrs. Rosenfeld, Dharia, Sinha and Schmertz and to award restricted shares of Common Stock to Mr. Rosenfeld, Mr. Schmertz and Ms. Varela for the 2013 Fiscal Year and the amount of each such Named Executive Officer's bonus was determined at the discretion of the Compensation Committee but within the parameters of the bonus pool for Named Executive Officers. The Compensation Committee evaluated a variety of indicators of the Company's overall financial performance, including revenue growth and profitability, and assessed and made subjective judgments as to each of these executive's individual contribution towards the Company's performance in the 2013 Fiscal Year in determining whether to pay bonuses to these executives and establishing the amounts to be paid. With respect to the determination to award bonuses to Messrs. Dharia, Sinha and Schmertz and Ms. Varela, the Compensation Committee also considered the recommendations of the Chief Executive Officer, Mr. Rosenfeld.

The Compensation Committee consulted Reda & Associates regarding the establishment of the bonus pool and the individual target awards for the 2013 Fiscal Year to ensure the bonus pool and the individual target awards were within market range for each executive.

Long-term Equity Incentives. Management and the Compensation Committee believe that equity-based awards are an important factor in aligning the long-term financial interest of the executive officers and stockholders. The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. Beginning in 2006, the Compensation Committee modified its prior practice of granting equity incentives solely in the form of stock options with periodic awards of restricted stock in order to grant awards that contain both substantial incentive and retention characteristics. These awards are designed to provide emphasis on preserving stockholder value generated in recent years while providing significant incentives for continuing growth in stockholder value.

In March 2013, the Company made grants of 30,000, 16,564 and 15,000 restricted shares of Common Stock to Mr. Rosenfeld, Mr. Schmertz and Ms. Varela, respectively, for performance in the 2012 fiscal year, each of which restricted stock awards vests in five equal annual installments. In addition, Mr. Rosenfeld and Mr. Schmertz received restricted stock awards of 150,000 and 25,000 shares of Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend), respectively, which restricted stock awards vest in five equal annual installments, pursuant to their employment agreements, the terms of which were approved by the Compensation Committee. Reda & Associates reviewed the individual grant values relative to market practice. All of the equity awards in the 2013 Fiscal Year were made under the 2006 Plan.

The Committee intends to continue to review the equity mix to achieve the ideal incentive for both performance and retention. With respect to stock options, the 2006 Plan provides that the exercise price shall be the closing market price per share of the Company's Common Stock on the business day immediately preceding the grant date, which is fair market value for purposes of the 2006 Plan.

Other Benefits and Perquisites. The Company's executive compensation program also includes other benefits and perquisites. These benefits and perquisites include annual matching contributions to executive officers' 401(k) plan accounts, company-paid medical benefits, automobile allowances and leased automobiles, and life insurance coverage. The Compensation Committee annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance. The Compensation Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive officer compensation program. Please see the section of this Proxy Statement captioned "Summary Compensation Table and, specifically, the column entitled "All Other Compensation" and the corresponding footnotes.

Pay Mix

The Company utilizes the particular elements of compensation described above because the Company believes that it provides a well-proportioned mix of secure compensation, retention value and at-risk compensation, which produces short-term and long-term performance incentives and rewards. By following this approach, the Company provides the executives a measure of security in the minimum expected level of compensation, while motivating the executives to focus on business metrics and other variables within their particular sector which will increase sales and margins and at the same time lower costs so as to produce a high level of short-term and long-term performance for the Company and long-term wealth creation for the executives, as well as reducing the risk of recruitment of top executive talent by competitors. The mix of metrics used for the annual performance bonuses and the Company's long-term incentive program likewise provides an appropriate balance between short-term financial performance and long-term stock performance.

For the Named Executive Officers, the mix of compensation is weighted heavily toward at-risk pay (annual incentives and long-term incentives). Maintaining this pay mix results fundamentally in a pay-for-performance orientation for the Company's executives, which is aligned with the Company's stated compensation philosophy of providing compensation commensurate with performance.

Pay Levels and Benchmarking

Pay levels for executives are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, the pay levels for peers within the Company, pay levels in the marketplace for similar positions and performance of the individual and the Company as a whole. The Compensation Committee is responsible for approving pay levels for the Named Executive Officers. In determining the pay levels, the Compensation Committee considers all forms of compensation and benefits.

The Compensation Committee assesses "competitive market" compensation using a number of sources. The primary data source used in setting competitive market levels for the Named Executive Officers is the information publicly disclosed by a peer group of the Company, which will be reviewed annually and may change from year to year. For the past four years, including the 2013 Fiscal Year, executive compensation and compensation design was reviewed in relation to the following peer companies:

American Apparel Inc.	Perry Ellis International, Inc.	Movado Group, Inc.
Bebe Stores, Inc.	G-III Apparel Group, Ltd.	Rocky Brands, Inc.
Brown Shoe Co. Inc.	Genesco, Inc.	Skechers U.S.A. Inc.
Kenneth Cole Productions Inc.	Guess, Inc.	Timberland Co.
Collective Brands, Inc.	Iconix Brand Group, Inc.	Under Armour, Inc.
Crocs, Inc.	The Jones Group Inc.	Volcom, Inc.
Deckers Outdoor Corp.	K-Swiss, Inc.	Weyco Group, Inc.
Delta Apparel, Inc.	Maidenform Brands, Inc.	Wolverine Worldwide

After consideration of the data collected on external competitive levels of compensation and internal needs, the Compensation Committee makes decisions regarding the Named Executive Officer's target total compensation opportunities based on the need to attract, motivate and retain an experienced and effective management team. Relative to the competitive market data, the Compensation Committee generally intends that the base salary and target annual incentive compensation for each Named Executive Officer will be at the median of the competitive market.

As noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as scope of duties, tenure, institutional knowledge and/or difficulty in recruiting a new executive. Actual total compensation in a given year will vary above or below the target compensation levels based primarily on the attainment of operating goals and the creation of stockholder value.

Compensation Committee Discretion

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls, with the exception of any such payouts that are to be made pursuant to contractual commitments, such as the bonuses that may be paid to Mr. Sinha and Ms. Varela, which are tied to the Company's EBITDA and EBIT, respectively, for the preceding year pursuant to their employment agreements. Similarly, the Compensation Committee retains the discretion to increase payouts and/or consider special awards for significant achievements, including, but not limited to, superior asset management, investment or strategic accomplishments and/or consummation of acquisitions, divestitures, capital improvements to existing properties, or sales made by certain of the Company's divisions.

Risk Assessment

Bonus payments to executives are based either on the discretion of the Compensation Committee or are tied to growth in various indicators of financial performance, such as EBITDA and EBIT. Long-term incentives have been granted in the form of stock options and time-vested restricted stock that generally vest over four or five years. These programs have been in place for several years and have proved effective in rewarding performance while not encouraging inappropriate risk-taking.

The Compensation Committee undertook to review and evaluate all of our executive and company-wide compensation plans and programs to assess whether any aspect of these plans and programs would encourage inappropriate risk-taking by the Company's executives and non-executive employees that could have a material adverse effect on the Company and to confirm that the Company has adequate risk management controls in place to ensure that executive and company-wide compensation is reasonable and achieves its intended incentive without creating unacceptable risk. Based on such review and evaluation, the Compensation Committee believes there is no material adverse risk to the Company that is related to our compensation programs for executives and non-executives.

This review and evaluation of our compensation plans and programs risks consisted of:

- identifying those business risks that could be material to the Company and identifying our existing risk management system;
- reviewing and analyzing our compensation plans and programs to identify plan and program features that could potentially encourage or introduce excessive or imprudent risk taking of a material nature;
- identifying the business risks that our compensation plan and program features could potentially encourage or create;
- balancing these business risks against our existing internal control systems designed to manage and mitigate these business risks; and
- analyzing whether the unmitigated risks, as a whole, are reasonably likely to have a material adverse effect on the Company.

Various persons were consulted during the course of the assessment, including our executive officers and senior members of our human resources department. The Compensation Committee engages Reda & Associates to review our executive and company-wide compensation plans and programs and provide advice regarding appropriate levels of incentive.

The Compensation Committee noted several features of our compensation structure that mitigate risk, including, for example:

the Company utilizes a pay mix that is well balanced between short-term financial performance and long-term stock performance, comprised of secure compensation in the form of base salary, short-term incentives in the form of potential for cash bonuses, and long-term incentives in the form of stock options and time-vested restricted stock that generally vest over four or five years;

in most instances, management or the Compensation Committee retains the discretion to decrease all forms of incentive compensation based on significant individual or Company performance shortfalls;

we periodically benchmark our compensation plans and programs and target executive and non-executive compensation within the normal limits of the competitive market; and

the Compensation Committee provides oversight of the Company's compensation plans and programs and compensation philosophy, makes recommendations to the Board with respect to improvements to our compensation plans and programs, and is responsible for reviewing and approving executive compensation and administering and awarding incentive, deferred and equity compensation to our senior executives.

In light of the assessment described above, it was concluded that the risks associated with our compensation plans and programs (executive and company-wide) are not reasonably likely to have a material adverse effect on the Company.

Implications of Tax and Accounting Matters

As a general matter, the Compensation Committee considers the various tax and accounting implications of compensation vehicles employed by the Company. While the Compensation Committee reviews and considers both the accounting and tax effects of various components of compensation, these effects are not a significant factor in the Compensation Committee's allocation of compensation among the different components.

In general, the Company believes that compensation paid to executive officers should be deductible for U.S. tax purposes. In certain instances, however, the Compensation Committee also believes that it is in the Company's best interests, and that of its stockholders, to have the flexibility to pay compensation that is not deductible under the limitations of Section 162(m) of the Code in order to provide a compensation package consistent with the Company's objectives. For Fiscal Year 2013, the Compensation Committee believes incentive compensation paid and awarded will not be subject to the limitations of Section 162(m).

As more fully described below under the heading "Termination, Change-in-Control and Non-Competition/Non-Solicitation," all of the executive officers of the Company whose names appear in the Summary Compensation Table contained in this Proxy Statement are entitled to receive certain compensation in the event of a termination of employment in connection with a change-in-control event for the Company, which payments may trigger the application of the "golden parachute" provisions of Sections 280G and 4999 of the Code. Section 280G of the Code disallows a tax deduction with respect to excess parachute payments to certain executives of companies that undergo a change-in-control. In addition, Section 4999 of the Code imposes a 20% excise tax on the individual receiving the excess parachute payment. Excess parachute payments are golden parachute payments that exceed an amount determined under Section 280G based on the executive's prior compensation. In approving the compensation arrangements of our Named Executive Officers, our Compensation Committee considers all elements of the cost to our Company of providing such compensation, including the potential impact of Sections 280G and 4999, which, under certain circumstances, may limit the deductibility to the Company of executive compensation. However, our Compensation Committee may determine, in its judgment, to authorize compensation arrangements that could give rise to loss of deductibility under Section 280G and the imposition of excise taxes under Section 4999 when it believes that such arrangements are appropriate to attract and retain executive talent.

Conclusion

The level and mix of compensation that is finally decided upon as to each executive is considered within the context of both the objective data from the Company's competitive assessment of compensation and performance, as well as discussion of the subjective factors as outlined above. The Compensation Committee believes that each of the compensation packages for the Named Executive Officers is within the competitive range of practices when compared to the objective comparative data even where subjective factors have influenced the compensation decisions.

SUMMARY COMPENSATION TABLE

The following table sets forth the compensation information for the Company's Chief Executive Officer, Chief Financial Officer and the three most highly compensated executive officers other than the Chief Executive Officer and Chief Financial Officer relating to Fiscal Years 2013, 2012 and 2011, respectively. In this Proxy Statement, the Company refers to this group of people as the Company's "Named Executive Officers."

In accordance with applicable SEC rules, the Summary Compensation Table includes, for a particular fiscal year, only those stock awards made during that fiscal year and not any awards made after year-end even if awarded for services rendered in that year. SEC rules require that such awards be reflected in the year of grant and, as such, awards made after the year-end of fiscal year 2013 will appear in the Summary Compensation Table to be included in our proxy statement for our 2015 Annual Meeting of Stockholders.

Employment Arrangements

Edward R. Rosenfeld. In November 2009, the Company entered into an employment agreement with Mr. Rosenfeld to replace the prior, expiring employment agreement. Pursuant to the employment agreement Mr. Rosenfeld continued to serve as Chief Executive Officer and executive Chairman of the Board of Directors of the Company and received a base salary of \$500,000 and \$525,000 during fiscal years 2010 and 2011, respectively, and a base salary of \$551,250 commencing January 1, 2012 until the employment agreement's expiration on December 31, 2012. The November 2009 employment agreement provided that Mr. Rosenfeld received a monthly automobile allowance of \$1,250 and additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors. On December 31, 2012, the Company entered into a new employment agreement with Mr. Rosenfeld pursuant to which Mr. Rosenfeld continues to serve as Chief Executive Officer and executive Chairman of the Board of Directors of the Company until the agreement expires on December 31, 2015 or is sooner terminated in accordance with its terms. Mr. Rosenfeld's current agreement provides for an annual base salary of \$578,813, \$607,754 and \$638,142 for the fiscal years 2013, 2014 and 2015, respectively, and a monthly automobile allowance of \$1,500. The current agreement provides that Mr. Rosenfeld will receive additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors. Pursuant to the current agreement, on January 2, 2013, Mr. Rosenfeld was granted 150,000 shares of the Company's Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend), subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, will vest in five equal annual installments of 30,000 shares commencing on December 1, 2013.

In the event of his death, Mr. Rosenfeld's employment agreement provides for the payment to his estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Rosenfeld's death. The agreement also provides that if Mr. Rosenfeld's employment agreement is terminated due to his "total disability" (as defined in the agreement), Mr. Rosenfeld will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. Mr. Rosenfeld's employment agreement allows the Company to terminate his employment with "cause" (as defined in the employment agreement) or without cause. In the event that Mr. Rosenfeld's employment is terminated by the Company for cause, the Company will have no further obligations to Mr. Rosenfeld, and Mr. Rosenfeld will be entitled to no further compensation from the Company, except for pro-rata amounts due to him on the date of his termination. In the event that Mr. Rosenfeld's employment is terminated by the Company without cause or by Mr. Rosenfeld's resignation for "good reason" (as defined in the employment agreement), Mr. Rosenfeld will be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination of employment through the longer of the remainder of the term of the agreement or six months.

In addition, if Mr. Rosenfeld's employment is terminated by the Company without cause or by the resignation of Mr. Rosenfeld for good reason during the period commencing 90 days prior to a "change of control" (as defined in the employment agreement) transaction and ending 180 days following a change of control transaction, Mr. Rosenfeld will receive an amount equal to three times the average amount of total W-2 compensation actually received by him during the preceding three calendar years ending on the last previous December 31, except that in lieu of the actual base salary component received during such period, there shall be substituted the annual base salary to which Mr. Rosenfeld was entitled as of the date of termination or resignation (the "Change of Control Payment"). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an "excess parachute payment" under Sections 280G and 4999 of the Code, Mr. Rosenfeld shall be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Arvind Dharia. In January 1998, the Company entered into an employment agreement with Arvind Dharia, which has been amended from time to time, most recently on February 8, 2012. Pursuant to Mr. Dharia's amended agreement, Mr. Dharia continues to serve as the Company's Chief Financial Officer. The term of Mr. Dharia's employment under his agreement, as amended, extends through December 31, 2014, and will be automatically extended for an additional one-year period unless either party timely notifies the other of its intention not to extend the term. Pursuant to the amended agreement, Mr. Dharia received an annual base salary of \$528,304 during fiscal years 2010 and 2011. Commencing January 1, 2012, Mr. Dharia's annual base salary increased to and will remain \$554,719 for the remaining term of the agreement. Mr. Dharia received a monthly automobile allowance of \$1,200 prior to the most recent amendment of the agreement and, beginning January 1, 2012, his monthly car allowance increased to \$1,400. The agreement provides that the Company will pay life insurance premiums on Mr. Dharia's behalf of approximately \$80,000 per year. Mr. Dharia's employment agreement, as amended, provides for a grant of 15,000 shares of the Company's Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend), subject to certain restrictions. These restricted shares of Common Stock were issued to Mr. Dharia on February 8, 2012 under the 2006 Plan and vest in three substantially equal annual installments which commenced on February 8, 2013. In addition, the amended agreement provides that Mr. Dharia will receive an annual bonus in such amount, if any, and at such time or times, as the Board of Directors may determine in its absolute discretion. Subject to availability of shares under the 2006 Plan, or any other plan designated by the Board of Directors and approved by the Company's stockholders, Mr. Dharia is entitled to awards under such plan as may be determined by the Board of Directors, or a committee thereof, from time to time in its absolute discretion.

The agreement provides, in the event of Mr. Dharia's death, for the payment to Mr. Dharia's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Dharia's death. The agreement also provides that if Mr. Dharia's employment agreement is terminated due to his "total disability" (as defined in the agreement), Mr. Dharia will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. In the event that Mr. Dharia's employment agreement is terminated "for cause" (as defined in the agreement), the Company is obligated to pay Mr. Dharia the amount of compensation that is accrued and unpaid through the date of termination. In the event that Mr. Dharia's employment agreement is terminated for any reason (other than "for cause" or due to his death or total disability), the Company is obligated to pay Mr. Dharia, in two installments, (a) an amount equal to the product of (x) his base salary on the effective date of such termination plus the bonus paid or payable, if any, for the fiscal year ended on the December 31st immediately preceding the termination date, multiplied by (y) the number of years (and fraction of years) remaining in the term; and (b) the amount payable to him, or on his account, for what would have been the balance of the term of his employment agreement with respect to certain benefits and plans as set forth in his employment agreement. If the Company decides not to renew the agreement (other than "for cause" or due to his total disability), then Mr. Dharia will be entitled to receive severance compensation, in cash, in an amount equal to his then-current base salary for the 90-day period commencing on the expiration of the term.

In addition, in the event that there is a "change of control" transaction and Mr. Dharia's employment has been terminated by the Company other than "for cause" or if Mr. Dharia resigns "for good reason" (as such terms are defined in the agreement), Mr. Dharia will receive an amount equal to three times the total compensation he was entitled to receive under the agreement for the preceding 12-month period ending on the last previous December 31, except that in lieu of the actual base salary component received during such period, there shall be substituted the annual base salary to which Mr. Dharia was entitled to as of the date of termination or resignation (the "Change of Control Payment"). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an "excess parachute payment" under Sections 280G and 4999 of the Code, Mr. Dharia will be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Awadhesh Sinha. On December 1, 2010, the Company entered into an employment agreement with Mr. Sinha to replace the prior employment agreement, which was to expire by its terms on December 31, 2010. Pursuant to the December 1, 2010 employment agreement, Mr. Sinha continued to serve as Chief Operating Officer of the Company for a term that commenced on January 1, 2011 and expired on December 31, 2013, with an annual base salary of \$575,000 for the term of the agreement. The December 1, 2010 employment agreement provided Mr. Sinha with a monthly automobile allowance of \$1,750 and obligated the Company to pay term life insurance premiums on his behalf of approximately \$3,500 per year. The agreement also provided for a grant of 78,750 shares of the Company's Common Stock (the number of shares indicated having been adjusted for three-for-two stock splits effected as a stock dividend, which occurred on May 31, 2011 and October 1, 2013), subject to certain restrictions. These restricted shares of Common Stock were issued to Mr. Sinha on December 1, 2010 under the 2006 Plan. The restricted Common Stock will vest in three annual installments of 26,250 shares commencing on the first anniversary of the grant date. The December 1, 2010 employment agreement provided that additional compensation and bonuses, if any, would be paid to Mr. Sinha at the absolute discretion of the Board of Directors.

On January 10, 2014, the Company entered into a new employment agreement with Mr. Sinha pursuant to which Mr. Sinha continues to serve as Chief Operating Officer of the Company until the agreement expires on December 31, 2016 or is sooner terminated in accordance with its terms. Mr. Sinha's current agreement provides for an annual base salary of \$600,000, \$630,000 and \$661,500 for the years 2014, 2015 and 2016, respectively, a monthly automobile

allowance of \$1,850 and the payment of term life insurance premiums on Mr. Sinha's behalf in the amount of approximately \$3,500 per year. On January 15, 2014, pursuant to his current employment agreement, Mr. Sinha was granted 29,886 shares of Common Stock, subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, will vest in three equal annual installments of 9,962 shares on each of December 15, 2014, December 15, 2015 and December 15, 2016.

34

In addition, Mr. Sinha's current agreement entitles him to an annual performance-based bonus for each of the fiscal years ended December 31, 2014, 2015 and 2016 in an amount equal to 2% of the increase in the Company's EBITDA for each such year over the Company's EBITDA for the immediately preceding year, up to a maximum annual bonus of \$600,000, the first \$300,000 of which will be payable in cash and for any amount of the annual bonus in excess of \$300,000 by a grant of restricted shares of Common Stock, which restricted shares of Common Stock will vest in three equal annual installments commencing on the first anniversary of the grant date. Bonuses and other incentive-based compensation paid to Mr. Sinha are subject to recovery by the Company in the event of a determination that such compensation was based upon materially inaccurate financial statements.

In the event of his death, Mr. Sinha's employment agreement provides for the payment to Mr. Sinha's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Sinha's death. In addition, in the event of Mr. Sinha's "total disability" (as such term is defined in the agreement), the Company is obligated to continue to pay Mr. Sinha's base salary for the 12-month period immediately subsequent to the date of determination of such total disability. In the event Mr. Sinha's employment agreement is terminated "for cause" (as such terms are defined in the agreement), or due to Mr. Sinha's resignation without "good reason" (as such term is defined in the agreement), the Company is obligated to pay Mr. Sinha the amount of compensation that is accrued and unpaid through the date of termination. In the event Mr. Sinha's employment agreement is terminated by the Company without cause or by the resignation of Mr. Sinha for good reason, Mr. Sinha would be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination of employment through the longer of (i) the remainder of the term or (ii) six months.

In addition, if Mr. Sinha's employment is terminated by the Company without cause or if Mr. Sinha resigns for good reason during the period commencing 120 days prior to a "change of control" (as defined in the agreement) and ending 90 days after a change of control, Mr. Sinha would be entitled to receive a cash payment within ten days of the date of his termination or resignation of employment in an amount equal to three times the total W-2 compensation and benefits actually received by him during the preceding twelve-month period ending on the last previous December 31st, except that, in lieu of the actual base salary compensation received during such period, there shall be substituted the annual base salary to which Mr. Sinha was entitled to as of the date of termination or resignation (the "Change of Control Payment"). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an "excess parachute payment" under Sections 280G and 4999 of the Code, Mr. Sinha will be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Robert Schmertz. In October 2009, the Company entered into a new employment agreement with Mr. Schmertz to replace the prior employment agreement, which was to expire by its terms on December 31, 2009. Pursuant to the October 2009 agreement, Mr. Schmertz continued to serve as Brand Director of the Company for a term that commenced on October 7, 2009 and expired on December 31, 2012. Mr. Schmertz's annual base salary during the period from October 7, 2009 through December 31, 2009 remained at \$600,000. His annual base salary was increased to \$660,000 commencing on January 1, 2010 for the duration of the term. The October 2009 employment agreement provided that Mr. Schmertz would receive a monthly automobile allowance of \$1,250 and additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors.

On January 2, 2013, the Company entered into a new employment agreement with Mr. Schmertz to replace the prior agreement that expired on December 31, 2012. Pursuant to the new agreement, Mr. Schmertz continues to serve as the Company's Brand Director for a term commencing on January 1, 2013 and expiring on December 31, 2014 unless sooner terminated in accordance with the agreement's terms. Mr. Schmertz's current agreement provides for an annual base salary of \$725,000 and a monthly automobile allowance of \$1,500 during the term of the agreement. He will receive additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors. Pursuant to the current agreement, on January 4, 2013, Mr. Schmertz was granted 25,000 shares of the Company's Common Stock (the number of shares indicated having been adjusted for an October 1, 2013 three-for-two stock split effected as a stock dividend), subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, will vest in five substantially equal annual installments commencing on the first anniversary of the grant date.

In the event of Mr. Schmertz's death, the employment agreement provides for the payment to his estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Schmertz's death. The agreement also provides that if Mr. Schmertz's employment agreement is terminated due to his "total disability" (as defined in the agreement), Mr. Schmertz will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. The Company may terminate the employment agreement for "cause" (as defined in the employment agreement), in which event Mr. Schmertz would be entitled to receive only his accrued and unpaid base salary through the date of termination. In the event that Mr. Schmertz's employment is terminated by the Company without cause, he would be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination through the remainder of the term. In addition, if Mr. Schmertz's employment is terminated by the Company without cause during the period commencing 30 days prior to a "change of control" (as defined in the employment agreement) transaction and ending 180 days after a change of control transaction, he would be entitled to receive an amount equal to the lesser of (i) the average amount of total compensation actually received by him during the preceding three calendar years multiplied by 3 and (ii) the maximum amount that is tax deductible to the Company under Section 280G of the Code, such amount to be in lieu of and not in addition to any other payments to which Mr. Schmertz would be entitled in the event of the termination of his employment.

Amelia Newton Varela. On January 31, 2011, the Company entered into a new employment agreement with Ms. Varela to replace the prior employment agreement, which expired by its terms on December 31, 2010. Pursuant to the employment agreement, Ms. Varela continued to serve as the Executive Vice President - Wholesale and received an annual base salary of \$450,000 and a monthly automobile allowance of \$1,250 commencing January 1, 2011 until the employment agreement's expiration on December 31, 2013. Pursuant to the January 31, 2011 employment agreement, on February 1, 2011, Ms. Varela was granted an option to purchase 225,000 shares of the Company's Common Stock under the 2006 Plan, at an exercise price of \$16.97 per share (the number of shares and exercise price indicated having been adjusted for three-for-two stock splits effected as a stock dividend, which occurred on May 31, 2011 and October 1, 2013), which option is exercisable in four equal annual installments of 56,250 on each anniversary of the date of grant, commencing on February 1, 2012. The January 31, 2011 employment agreement also provided an annual performance-based cash bonus to Ms. Varela for each of the fiscal years ended December 31, 2011, 2012 and 2013 in an amount equal to 2% of the increase, if any, in the Wholesale Division EBIT for each such year over the Wholesale Division EBIT for the immediately preceding year, provided that Wholesale Division EBIT attributable to any business acquired by the Company after January 31, 2011 would not be included for the purpose of determining Ms. Varela's bonus until the acquired business has been owned by the Company for two full calendar years. Ms. Varela received a cash bonus of \$76,000, \$216,999 and \$63,351 for 2013 Wholesale Division EBIT performance, 2012 Wholesale Division EBIT performance and 2011 Wholesale Division EBIT performance, respectively.

On January 10, 2014, the Company entered into a new employment agreement with Ms. Varela to replace the prior agreement that expired on December 31, 2013. Pursuant to the current employment agreement, Ms. Varela continues to serve as the Executive Vice President - Wholesale of the Company for a term commencing on January 1, 2014 and expiring on December 31, 2016, unless sooner terminated in accordance with the agreement's terms. Ms. Varela's current employment agreement provides for an annual base salary during the term of \$500,000 and a monthly automobile allowance of \$1,250. In addition, pursuant to the agreement, on February 3, 2014, Ms. Varela was granted an option to purchase 100,000 shares of the Company's Common Stock under the 2006 Plan, at an exercise price of \$32.59 per share, which option is exercisable in four equal annual installments of 25,000 on each anniversary of the date of grant, commencing on February 3, 2015. The current agreement also entitles Ms. Varela to an annual performance-based cash bonus for each of the fiscal years ended December 31, 2014, 2015 and 2016 in an amount equal to 2% of the increase, if any, in the Wholesale Division EBIT for each such year over the Wholesale Division EBIT for the immediately preceding year, provided that Wholesale Division EBIT attributable to any business acquired by the Company after January 10, 2014 will not be included for the purpose of determining Ms. Varela's

bonus until the acquired business has been owned by the Company for two full calendar years.

36

In the event that Ms. Varela's employment agreement is terminated due to Ms. Varela's "disability" (as defined in the agreement) or death, the Company is obligated to pay Ms. Varela (or her estate) the amount of accrued and unpaid salary through the date of termination plus any performance-based cash bonus that has accrued for the year prior to termination and is unpaid at the time Ms. Varela's employment is terminated due to her disability or death. The Company may terminate the agreement for "cause" (as defined in the agreement) and, in such event, Ms. Varela will be entitled only to accrued and unpaid salary through the date of termination of employment. In the event Ms. Varela's employment is terminated by the Company without cause, she would be entitled to receive payment of her annual base salary, payable at regular payroll intervals, from the date of termination of employment through the remainder of the term plus any performance-based cash bonus that has accrued but not yet been paid. In the event that Ms. Varela's employment is terminated by the Company without cause during the period commencing 30 days prior to a "change of control" (as defined in the agreement) transaction and ending 180 days following a change of control transaction, she is entitled to receive an amount equal to the lesser of (i) the average amount of total compensation actually received by her during the preceding three calendar years multiplied by 3 and (ii) the maximum amount that is tax deductible to the Company under Section 280G of the Code.

(1) In the 2013 Fiscal Year, the Compensation Committee established a bonus pool for Named Executive Officers and other key executives of the Company based on 6% of net income of the Company achieved in the 2013 Fiscal Year and also fixed each executive’s maximum share of the 2013 bonus pool, which was 30% for Mr. Rosenfeld and 14% for each of the other Named Executive Officers. Since the bonus pool was established as a percentage of the Company’s 2013 Fiscal Year net income, it would not be possible to determine the amount of these potential cash bonuses until the completion of the Company’s 2013 Fiscal Year. Accordingly, the amount indicated is a representative payout amount and equals the maximum bonus the Named Executive Officer would have been eligible to receive from a cash bonus pool of \$7,177,560, which equals 6% of the \$119,626,000 in net income of the Company achieved in the fiscal year ended December 31, 2012. See the discussion of the 2013 cash bonus pool and the individual target awards of each of the Named Executive Officers appearing above in the “Annual Performance-Based Cash Bonus - Based on Specific Performance Metrics” section of “Compensation Structure.” As disclosed therein, the Company paid these performance bonuses in cash on March 17, 2014 and in restricted shares of Common Stock granted on March 17, 2014. Accordingly, Messrs. Rosenfeld, Dharia, Sinha and Schmertz received performance-based cash bonuses of \$225,000, \$225,000, \$225,000 and \$100,000, respectively, and Mr. Rosenfeld, Mr. Schmertz and Ms. Varela received grants of 22,265, 10,995 and 15,118 restricted shares of Common Stock, respectively. Ms. Varela did not receive a cash bonus from the 2013 cash bonus pool. In accordance with applicable SEC rules, the Summary Compensation Table included in this Proxy Statement reflects these cash bonuses, while the restricted stock awards will appear in the Summary Compensation Table to be included in our proxy statement for our 2015 Annual Meeting of Stockholders provided the restricted stock award recipient is a named executive officer in that proxy statement.

(2) Under an employment agreement dated January 31, 2011 between the Company and Ms. Varela, Ms. Varela is entitled to receive a cash bonus under the Company's 2006 Plan on or about March 15, 2014 in an amount equal to 2% of the increase, if any, in the Wholesale division EBIT for the 2013 Fiscal Year over the Wholesale division EBIT for the 2012 fiscal year. Since it would not be possible to determine the amount of Ms. Varela's cash bonus, if any, until the completion of the 2013 Fiscal Year, the amount indicated as the target bonus payout is a representative amount and based upon the actual increase in the EBIT performance of the Company's Wholesale division for the 2012 fiscal year over the EBIT performance of the Wholesale division for the 2011 fiscal year. See the discussion of this grant to Ms. Varela appearing above in the "Annual Performance-Based Cash Bonus - Based on Specific Performance Metrics" section of "Compensation Structure" and above under "Employment Arrangements." As disclosed in the Summary Compensation Table above, Ms. Varela received a cash bonus of \$76,000 for 2013 Fiscal Year EBIT performance of the Company's Wholesale division.

Since its adoption, the 1999 Plan has been amended, with stockholder approval, to (i) increase the number of shares subject to the 1999 Plan, (ii) provide that the exercise price of an option granted under the 1999 Plan shall be no less than the fair market value of the Common Stock on the date of grant (except to the extent otherwise provided in agreements with the Company dated prior to the effective date of the amendment), and (iii) prohibit the Board from amending the terms of any option granted pursuant to the 1999 Plan to reduce the option price. The 1999 Plan was adopted to provide a means whereby directors and selected employees, officers, agents, consultants, and independent contractors of the Company could be granted incentive stock options and/or nonqualified stock options to purchase shares of Common Stock, in order to attract and retain the services or advice of such directors, employees, officers, agents, consultants, and independent contractors and to provide additional incentive for such persons to exert maximum efforts for the success of the Company by encouraging stock ownership in the Company. As of the Record Date, options to purchase 33,753 shares of Common Stock were outstanding under the 1999 Plan. No additional options will be granted under the 1999 Plan.

The Company's Amended and Restated 2006 Stock Incentive Plan is referred to as the "2006 Plan" throughout this Proxy Statement. The purpose of the 2006 Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer eligible employees, consultants and non-employee directors cash and stock-based incentives in the Company to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and the Company's stockholders.

Termination, Change in Control and Non-Competition/Non-Solicitation

The employment agreements for each of the Named Executive Officers provide for a severance payment upon a termination of employment in connection with a change-in-control of the Company. The employment agreements of Messrs. Rosenfeld, Dharia and Sinha also provide for severance payment if the executive terminates his employment for good reason in connection with a change-in-control event. The change-in-control severance payments may result in the application of the “golden parachute” provisions of Section 280G of the Code and, to the extent Section 280G applies, the Company may not deduct from its taxable income the severance payments made to the Named Executive Officer. Moreover, Section 4999 of the Code would impose a 20% excise tax on the Named Executive Officer receiving the severance payment. In the case of Mr. Schmertz and Ms. Varela, these severance payments in connection with a change-in-control, however, are reduced if the severance payment, when added to any other benefits triggered by a change-of-control, is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, to the maximum amount that is deductible to the Company under Section 280G of the Code. In the case of Messrs. Rosenfeld, Dharia and Sinha, the executive’s change-in-control severance payment will only be reduced to the maximum amount that is deductible to the Company under Section 280G of the Code if the reduction provides the Named Executive Officer with the best after-tax result; otherwise, the Named Executive officer will receive the full amount of the severance payment and other benefits triggered by the change-in-control and be liable for the 20% excise tax on the excess parachute payment in addition to all other applicable taxes and, in such case, the deduction by the Company of the portion of the severance payment constituting an excess parachute payment will be disallowed.

The Company’s employment agreements with each of the Named Executive Officers also provide for severance payments to the executive if the Company terminates the executive’s employment without cause, or, in the case of Mr. Rosenfeld and Mr. Sinha, if the Company gives him good reason to terminate employment.

Please see the section of this Proxy Statement captioned “Employment Arrangements” for a summary description of the Named Executive Officers’ employment agreements and such severance and change-in-control provisions. These benefits are described and quantified in the section of this Proxy Statement captioned “Potential Payments Upon Termination or Change-In-Control” below.

The Company believes that the severance payments and payments made upon change-in-control provisions in the employment agreements provide appropriate protection to the Company's executives, comparable to that available at peer companies, and, with regard to the enhanced severance following a change-in-control, protects the Company from losing key executives during a period when a change-in-control may be threatened or pending. These benefits are described and quantified in the section below captioned "Potential Payments Upon Termination or Change-In-Control."

Ms. Varela has agreed to a non-compete and non-solicitation restriction through the expiration date of her employment agreement, December 31, 2016, in the event of a voluntary termination or termination for cause. Messrs. Rosenfeld and Sinha have each agreed to a non-compete and non-solicitation restriction during the period of his employment and for a six-month period following the termination of his employment for cause or in the event of his resignation without good reason. Mr. Schmertz has agreed to a non-compete and non-solicitation restriction through December 31, 2015. Mr. Dharia does not have non-compete or non-solicitation provisions in his employment agreement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The Company's employment agreements with the Named Executive Officers provide for payments to such individuals upon termination of employment or a change-in-control of the Company. Please see the section of this Proxy Statement captioned "Employment Arrangements." The amounts set forth in the table below shall be payable to the respective Named Executive Officer if such Named Executive Officer's employment is terminated under the various scenarios set forth below.

The employment agreements of two of the Named Executive Officers provide that severance payments in connection with a change-in-control are reduced if the severance payment, when added to any other benefits triggered by a change-of-control, is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, to the maximum amount that is deductible to the Company under Section 280G of the Code. The employment agreements of the remaining Named Executive Officers indicate that the executive’s change-in-control (1) severance payment will only be reduced to the maximum amount that is deductible to the Company under Section 280G of the Code if the reduction provides the Named Executive Officer with the best after-tax result; otherwise, the Named Executive officer will receive the full amount of the severance payment and other benefits triggered by the change-in-control and be liable for the 20% excise tax on the excess parachute payment in addition to all other applicable taxes and, in such case, the deduction by the Company of the portion of the severance payment constituting an excess parachute payment will be disallowed.

(8) Consists of Mr. Dharia's 2013 base salary of \$554,719 multiplied by the number of years (and fraction of years) remaining in the term of his employment agreement, which expires on December 31, 2014. Upon a hypothetical December 31, 2013 change-in-control, this amount would have been reduced by \$3,435,810 to reflect the maximum amount that would be tax deductible by the Company pursuant to Section 280G of the Code. See the “Implications of Tax and Accounting Matters” section of “Compensation Discussion and Analysis” for a discussion of the applicability of Sections 280G and 4999 of the Code to change-in-control payments generally. See also the summary of Ms. Varela’s employment agreement under “Employment Arrangements.” For purposes of calculating this hypothetical payment, Ms. Varela’s January 10, 2014 employment agreement is deemed to be in effect as of December 31, 2013.

PROPOSAL TWO:

RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014

The Audit Committee has appointed EisnerAmper LLP as the Company's independent registered public accounting firm to conduct the audit of the Company's books and records for the fiscal year ending December 31, 2014. EisnerAmper LLP also served as the Company's independent registered public accountants for the 2013 Fiscal Year.

Before making its determination on appointment, the Audit Committee carefully considers the qualifications and competence of candidates for the independent registered public accountants. For EisnerAmper LLP, this has included a review of its performance in prior years, its independence and processes for maintaining independence, the results of the most recent internal quality control review or Public Company Accounting Oversight Board inspection, the key members of the audit engagement team, the firm's approach to resolving significant accounting and auditing matters including consultation with the firm's national office, as well as its reputation for integrity and competence in the fields of accounting and auditing. Although ratification by stockholders is not required by the Company's organizational documents or other applicable law, the Audit Committee has determined that requesting ratification by stockholders of its appointment of EisnerAmper LLP as the Company's independent registered public accountants is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain EisnerAmper LLP, but may still retain the accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Representatives of EisnerAmper LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement should they so desire.

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the Audit Committee's selection of EisnerAmper LLP.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote "FOR" the ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2014. Unless marked to the contrary, proxies received from stockholders will be voted in favor of ratifying the appointment of EisnerAmper LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2014.

Independent Registered Public Accounting Firm's Fees and Services

Audit Committee's Pre-Approval Policies and Procedures

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accountants. In recognition of this responsibility, the Audit Committee has established a policy to review and pre-approve all audit and permissible non-audit services provided by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services.

Prior to engagement of the independent auditor for next year's audit, the Audit Committee will pre-approve all auditing services and all permitted non-audit services (including the fees and terms thereof), except those excluded from requiring pre-approval based upon the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act.

The Audit Committee's pre-approval policies and procedures are as follows: (a) prior to each fiscal year, the Audit Committee pre-approves a schedule of estimated fees for proposed non-prohibited audit and non-audit services, and (b) actual amounts paid are monitored by financial management of the Company and reported to the Audit

Committee.

All work performed by EisnerAmper LLP as described above under the captions Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees has been approved or pre-approved by the Audit Committee pursuant to the provisions of the Audit Committee's charter. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the independence of EisnerAmper LLP.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed the Company's audited financial statements for the 2013 Fiscal Year and met with both management and representatives of EisnerAmper LLP, the Company's independent registered public accountants, to discuss such audited financial statements. Management and the Company's independent registered public accountants have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has received from and discussed with EisnerAmper LLP the written disclosures and the letter regarding EisnerAmper LLP's communications with the Audit Committee concerning independence as required by applicable requirements of the Public Company Accounting Oversight Board, and discussed with EisnerAmper LLP the independence of EisnerAmper LLP. The Audit Committee also discussed with EisnerAmper LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Based on these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the 2013 Fiscal Year.

PROPOSAL THREE:

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and the rules and regulations promulgated thereunder, require a publicly traded company to include a resolution in its proxy statement at least once every three years seeking stockholder approval, on an advisory or non-binding basis, of the compensation of the named executive officers as disclosed in such company’s proxy statement pursuant to the compensation rules of the SEC. At our 2011 Annual Meeting of Stockholders, the Company’s stockholders approved, on an advisory basis, the holding of an advisory vote to approve executive compensation (commonly known as a “say-on-pay” proposal) on an annual basis. Based on these results, the Board of Directors determined to hold its advisory vote to approve executive compensation annually until the next frequency vote, which is scheduled for the Company’s 2017 Annual Meeting of Stockholders. Accordingly, we are providing stockholders with a non-binding advisory vote on the compensation of our Named Executive Officers.

As described in more detail in the Compensation Discussion and Analysis section, which begins on page 22 of this Proxy Statement, the overall objective of the Company’s executive compensation programs and practices is to support delivery of sustained operating and financial performance results with the ultimate goal being to create and maximize value for our stockholders on a long-term basis. We believe that our executive compensation programs and practices serve the interests of our stockholders by enabling us to attract and retain an experienced and effective management team whose combined knowledge of our business and the footwear and accessories industries has proved extremely valuable in delivering results for our stockholders. The Compensation Committee and the Board of Directors believe that the Company’s compensation programs and practices as articulated in the Compensation Discussion and Analysis section of this Proxy Statement effectively implement our philosophy of aligning compensation to stockholder interests and that the compensation received by our Named Executive Officers in the 2013 Fiscal Year reflects and supports such philosophy and goal and is commensurate with the performance and strategic position of the Company. We will continue to review and modify our executive compensation programs to address evolving best practices and changing regulatory requirements.

We encourage stockholders to read the Compensation Discussion and Analysis section of this Proxy Statement, as well as the Summary Compensation Table and other related compensation tables and narrative disclosure contained in this Proxy Statement, all of which describe and explain in detail the compensation of our Named Executive Officers in the 2013 Fiscal Year.

The following resolution is submitted for stockholder approval:

“**RESOLVED**, that the stockholders of Steven Madden, Ltd. (the ‘Company’) approve, on a non-binding advisory basis, the compensation paid to the Named Executive Officers of the Company as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the executive compensation as described in the section captioned ‘Compensation Discussion and Analysis,’ the Summary Compensation Table and related tabular disclosure and narrative discussion regarding compensation of Named Executive Officers under the caption ‘Executive Compensation’ contained in the Company’s Proxy Statement dated April 10, 2014.”

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the compensation programs and practices described in this Proxy Statement. While this advisory vote on executive compensation, commonly referred to as a “say-on-pay” advisory vote, is required by Section 14A of the Exchange Act, it is not binding on our Board of Directors and may not be construed as overruling any decision by the Board of Directors or the Compensation Committee. However, we value the opinions of our stockholders. To the extent there is a significant vote against the compensation of the Named Executive Officers as disclosed in this Proxy Statement, the Board of Directors and the Compensation Committee will consider the outcome of the vote when considering future compensation arrangements and evaluate whether any actions are necessary to address the stockholders’ concerns.

Required Vote

Approval of this resolution requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote “FOR” the resolution approving the overall compensation of the Named Executive Officers for the 2013 Fiscal Year.

OTHER MATTERS

At the date of this Proxy Statement, the Company has no knowledge of any business other than that described above that will be presented at the Annual Meeting. If any other business should properly come before the Annual Meeting in connection therewith, it is intended that the persons named in the accompanying proxy will have discretionary authority to vote the shares which they represent.

A copy of the applicable provisions of the Company’s By-Laws may be obtained by any stockholder, without charge, upon written request to the Secretary of the Company at the address set forth above.
