In addition, as part of the transaction, approximately \$5.5 million of debt obligations was assumed within the two Maryland joint ventures. The Company has guaranteed all payment and performance obligations of Radnet Management that may arise under the Stock Purchase Agreement.

The Stock Purchase Agreement contains customary representations, warranties, covenants and indemnification obligations of the parties. The assertions embodied in those representations and warranties are made solely for purposes of the Stock Purchase Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with the negotiated terms of the Stock Purchase Agreement. Moreover, some of those representations and warranties may have only been true at a certain date, may be subject to a contractual standard of materiality or may have been used for purposes of allocating risk between the parties rather than establishing matters of facts.

The foregoing description of the Stock Purchase Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K/A, and is incorporated herein by reference.
