Amendments to our 1999 Stock Incentive Plan

At the 2005 Annual Meeting of Shareholders of EchoStar Communications Corporation (the "Company"), which occurred on October 6, 2005, the Company's shareholders approved amendments to the Company's 1999 Stock Incentive Plan (the "1999 Plan") to:

Reflect that the number of shares reserved for issuance under the 1999 Plan has been adjusted to 80,000,000 to account for the three separate two-for-one splits of our Class A Shares that have occurred since the original adoption of the 1999 Plan. For the same reason, the amendments also reflect that: (i) the maximum number of shares that can be granted to any participant in any one year has been adjusted to 4,000,000; and (ii) the amount of certain performance awards that can be granted to any participant in any one year has been adjusted to the fair market value of 2,000,000 shares;

Expand the class of employees who are eligible to receive awards under the 1999 Plan to include all of the Company's employees to the extent they are part of a broad-based performance incentive plan;

Define "subsidiaries" to include those entities in which the Company holds a 50% or greater ownership interest. The purpose of this modification is, among other things, to confirm that the plan committee may grant awards to individuals employed by entities, such as joint ventures, in which the Company holds only a 50% ownership interest. Prior to this proposed amendment, the plan committee could grant awards to individuals employed by entities in which the Company held a greater than 50% ownership interest;

Clarify the performance criteria pursuant to which awards may be granted; and

Provide that awards will have such terms as are necessary to comply with the newly-enacted Section 409A of the Internal Revenue Code of 1986, as amended (the "Code").

A copy of the amended and restated 1999 Plan was filed as Appendix A to the Company's Proxy Statement relating to its 2005 Annual Meeting of Shareholders (the "Proxy Statement"), which is incorporated herein by reference.

Amendments to our 2001 Nonemployee Director Stock Option Plan

The Company's shareholders also approved amendments to the Company's 2001 Nonemployee Director Stock Option Plan (the "2001 Plan") to:

Remove a provision that limits inducement awards to 10,000 option shares;

Remove a limitation that prevents the plan committee from granting options to purchase more than 10,000 shares to any one nonemployee director in a given 12 month period; and

Provide that nonemployee director options will have such terms as are necessary to comply with the section 409A of the Code.

A copy of the amended and restated 2001 Plan was filed as Appendix B to the Proxy Statement, which is incorporated herein by reference.

Changes to Nonemployee Director Compensation

On October 6, 2005, the Company's Board of Directors ( Board of Directors ) approved changes to the Company's nonemployee director compensation to:

Increase the annual retainer for each nonemployee director from \$20,000 to \$40,000; and

Provide that each nonemployee director receives reimbursement, in full, of reasonable travel expenses related to attendance at all meetings of the Board of Directors and its committees. Prior to this change, each nonemployee director was subject to an annual maximum reimbursement of \$2,000 for travel related to attendance of meetings of the Board of Directors and its committees other than annual meetings of the Board of Directors and its committees.
