### PART III NARRATIVE

(ATTACH EXTRA SHEETS IF NEEDED)  
SEC 1344 (2/11/2002)

In October and November 2002, Liberate Technologies announced that it planned to restate and revise its financial results for its fiscal year ended May 31, 2002 and quarter ended August 31, 2002. Liberate's Audit Committee, composed of independent outside directors, has retained independent outside counsel to conduct an inquiry, and is working closely with Liberate and PricewaterhouseCoopers, Liberate's independent auditors, to investigate a number of transactions during these periods. In the course of that investigation, Liberate has discovered facts that call into question the appropriateness and timing of revenue recognition for these transactions.

The Audit Committee is seeking to resolve the matter as soon as possible and is keeping the appropriate regulatory authorities apprised of the progress of the investigation. Because Liberate's annual report on Form 10-K for the fiscal year 2003 incorporates certain elements of its closing fourth quarter balance sheet and its results of operations for the fiscal year ended May 31, 2002, Liberate will not file its annual report on Form 10-K (which was due on August 29, 2003) until the inquiry is complete, and expects to file an amended Annual Report on Form 10-K/A for fiscal year 2002 at that time.

The statements above regarding Liberate's revenue recognition and financial results, the nature and duration of pending reviews, the projected dates by which Liberate will make certain public filings, and any other expectations or anticipated events are "forward-looking" within the meaning of the securities laws and regulations. These forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially. For example, Liberate may determine that it should make further accounting adjustments for the transaction currently at issue or for additional transactions, which may increase the amount of any necessary restatements or adjustments.

Edgar Filing: LIBERATE TECHNOLOGIES - Form NT 10-K

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

At this time, we are not able to provide a reasonable estimate of our results of operations for the fiscal year ended May 31, 2003 or a comparison to our last fiscal year. Our Audit Committee is investigating transactions that may change our reported results of operations for a number of quarters in the fiscal year ended May 31, 2002. As soon as practicable following completion of the investigation, we intend to file an amended Annual Report on Form 10-K/A, any amended quarterly reports on Form 10-Q/A that may be required, quarterly reports on Form 10-Q for the quarters ended August 31, 2002, November 30, 2002, and February 28, 2003, and the Annual Report on Form 10-K for the fiscal year ended May 31, 2003.
