**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
May 11, 2004**

This Proxy Statement is furnished to the stockholders of Realty Income Corporation, a Maryland corporation ("Realty Income," the "Company," "we" or "our"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 11, 2004, at 9:00 a.m., local time, at the California Center for the Arts Escondido, 340 North Escondido Boulevard, Escondido, California 92025, and at any adjournment or postponement thereof. The approximate date on which this proxy statement and form of proxy solicited on behalf of the Board of Directors will first be sent to our Company's stockholders is on or about March 26, 2004.

At the Annual Meeting, holders of record of shares of our Common Stock will consider and vote upon (i) the election of two members of the Board of Directors of the Company; and (ii) such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. **The Board of Directors recommends a vote FOR each nominee to the Board of Directors named in this Proxy Statement.** See "Proposal 1, Election of Directors."

On March 3, 2004, the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, we had 38,009,717 shares of common stock, par value \$1.00 per share, outstanding. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Stockholders are not permitted to cumulate their shares of common stock for the purpose of electing directors or otherwise.

Unless contrary instructions are indicated on the proxy, all shares of common stock represented by valid proxies received pursuant to this solicitation (and not revoked before they are exercised) will be voted at the Annual Meeting **FOR** the election of each nominee to the Board of Directors named in this Proxy Statement. With respect to any other business which may properly come before the Annual Meeting and be submitted to a vote of stockholders, proxies received by the Board of Directors will be voted in the discretion of the designated proxy holders. A stockholder may revoke his or her proxy at any time before exercise by delivering to our Secretary a written notice of revocation, by filing with our Secretary a duly executed proxy bearing a later date, or by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not by itself be sufficient to revoke a proxy.

The presence at the Annual Meeting, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting will constitute a quorum. The election inspector will treat shares represented by properly signed and returned proxies marked **WITHHOLD AUTHORITY** as shares that are present and entitled to vote for purposes of determining the presence of a quorum. The affirmative vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a director. Thus, the two nominees receiving the highest number of votes will be elected. For the purposes of the election of directors, abstentions will have no

1

effect on the outcome of the vote. The election of directors is a matter on which a broker or other nominee is empowered to vote. Accordingly, no broker non-votes will result from this proposal.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have theretofore effectively been revoked or withdrawn).

We will bear the cost of soliciting proxies from our stockholders. In addition to solicitation by mail, our directors, officers, employees and agents may solicit proxies by telephone, telegram, internet or otherwise. These directors, officers and employees of the Company will not be additionally compensated for the solicitation, but may be reimbursed for out-of-pocket expenses incurred in connection with the solicitation. Brokerage firms, fiduciaries and other custodians who forward soliciting material to the beneficial owners of shares of our common stock held of record by them will be reimbursed for their reasonable expenses incurred in forwarding such material.

Our common stock is traded on the New York Stock Exchange, Inc. ("NYSE") under the ticker symbol "O." On March 3, 2004, the last reported sale price for our common stock on the NYSE was \$44.10 per share.

No person is authorized to make any representation with respect to the matters described in this Proxy Statement other than those contained herein and, if given or made, such information or representation must not be relied upon as having been authorized by us or any other person.

The date of this Proxy Statement is March 9, 2004.

2

PROPOSAL 1 ELECTION OF DIRECTORS

General

Our Board of Directors currently consists of seven directors divided into three classes, designated as Class I, Class II and Class III. Each class is elected to a three-year term and the election of directors is staggered, so that only one class of directors is elected at each annual meeting of stockholders. The Class I directors' terms expire at the 2004 Annual Meeting of stockholders. Stockholders of record as of the close of business on March 3, 2004 will be entitled to vote on the election of two Class I directors for three-year terms at the Annual Meeting.

Vote Required: Board Recommendation

A plurality of all the votes cast at the Annual Meeting, assuming a quorum is present, will be sufficient to elect each director. Unless instructed to the contrary, the shares represented by the proxies will be voted **FOR** the election of each of the director nominees named below. Although it is anticipated that each nominee will be able to serve as a director, should any nominee become unable to serve or will not serve, the shares represented by the proxies will be voted for another person or persons designated by our Board of Directors. In no event will the proxies be voted for more than two nominees. The Board of Directors recommends a vote **FOR** the election of Mr. Kupping and Mr. McKee as directors.

of an organization that has a relationship with the Company) and is "independent" within the meaning of Realty Income's director independence standards, which reflect the NYSE director independence standards, as currently in effect. Furthermore, the Board has determined that each of the members of each of the Board's committees has no material relationship with Realty Income (either directly or as a partner, stockholder or officer of an organization that has a relationship with Realty Income) and is "independent" within the meaning of Realty Income's director independence standards.

From inception of the Compensation Committee through February 2004, Mr. Clark served on this committee. The Board has adopted charters for each of the Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. The Company's Audit Committee Charter is attached hereto as Appendix A. The information contained on our website is not incorporated by reference into and does not form a part of this proxy statement.

The Board of Directors may from time to time establish certain other committees to facilitate the management of the Company.

Meetings and Attendance

The Board of Directors met 15 times during 2003. In 2003, the Audit Committee met 10 times, the Compensation Committee met two times and the Nominating/Corporate Governance Committee met three times. All directors attended at least 75% of the aggregate of (i) the total number of meetings of

the Board of Directors while they were on the Board and (ii) the total number of meetings of the committees of the Board of Directors on which such directors served. Every director is expected to attend in person the Annual Meeting of Stockholders, absent extraordinary circumstances such as a personal emergency. Each director attended the 2003 Annual Meeting.

To ensure free and open discussion among the independent directors of the Board, executive sessions will be held in conjunction with the regularly scheduled meetings of the Board, at which only independent directors are present. The independent directors have nominated Mr. Cameron to serve as presiding director at each executive session.

Code of Business Ethics

The Company has adopted a Code of Business Ethics that applies to the Company's employees and directors. The Code of Business Ethics is posted on the Company's website at www.realtyincome.com and will be provided without charge upon request to the Corporate Secretary, Realty Income Corporation, 220 West Crest Street, Escondido, California 92025.

Director Qualifications

The director qualifications developed to date focus on what the Nominating/Corporate Governance Committee believes to be essential competencies to effectively serve on the Board. In reviewing and considering potential nominees for the Board, the Nominating/Corporate Governance Committee looks at the following qualities, skills and attributes: (i) strong ethical character and values in common with those of Realty Income; (ii) reputations, both personal and professional, consistent with the image and reputation of Realty Income; (iii) high accomplishments in the potential nominee's respective field, including superior credentials and recognition; (iv) leadership roles in complex organizations; (v) recognition as a leader in the field of real estate operation and management; and (vi) exercise of sound business judgment.

Identifying and Evaluating Nominees for Directors

The Nominating/Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members with qualifications and skills that are consistent with the Nominating/Corporate Governance Committee's criteria for Board service are re-nominated. As to new candidates, the Nominating/Corporate Governance Committee will generally poll Board members and members of management for their recommendations. The Nominating/Corporate Governance Committee may also hire a search firm if deemed appropriate. An initial slate of candidates will be presented to the Chairman of the Nominating/Corporate Governance Committee, who will then make an initial determination as to the qualification and fit of each candidate. Final candidates will be interviewed by the Chief Executive Officer and a Nominating/Corporate Governance Committee member. The Nominating/Corporate Governance Committee will then approve final director candidates and, after review and deliberation of all feedback and data, will make its recommendation to the Board. Recommendations received by stockholders will be considered and processed and are subject to the same criteria as are candidates nominated by the Nominating/Corporate Governance Committee.

Stockholder Nominations

The Nominating/Corporate Governance Committee's policy is to consider candidates recommended by stockholders. The stockholder must submit a detailed resume of the candidate and an explanation of the reasons why the stockholder believes the candidate is qualified for service on the Board and how the candidate satisfies the Board's criteria. The stockholder must also provide such other information about the candidate as would be required by the SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any

6

arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of Realty Income stockholdings. All communications are to be directed to the Chairperson of the Nominating/Corporate Governance Committee, c/o the Corporate Secretary, Realty Income Corporation. Recommendations received after 120 days prior to the mailing of proxy will likely not be considered timely for consideration at that year's annual meeting. Properly submitted stockholder recommendations will be evaluated by the Nominating/Corporate Governance Committee using the same criteria used to evaluate other director candidates.

Communications with the Board

Stockholders may communicate with our Board members in writing sent by email (mpfeiffer@realtyincome.com) or mail addressed to the Chairman of the Nominating/Corporate Governance Committee, c/o the Corporate Secretary, Realty Income Corporation, 220 West Crest Street, Escondido, CA 92025. All correspondence will be forwarded promptly by the Corporate Secretary to the Chairman.

For the three-year period ended December 31, 2003, 201,800 restricted shares were awarded to the Named Executive Officers.

amended. In 2003, for each of the Named Executive Officers, the amount listed includes \$6,000 for 401K employer contributions, with the remaining amount representing payments by the Company for group term life insurance.

Employment Agreements

Effective January 1, 2004, each of the Named Executive Officers has entered into an employment agreement with the Company. In 2004, under these agreements, Mr. Lewis receives a base salary of \$350,000, Mr. Malino receives a base salary of \$300,000, Mr. Meurer receives a base salary of \$250,000, Mr. Pfeiffer receives a base salary of \$250,000 and Mr. Selman receives a base salary of \$180,000. In addition, each of the Named Executive Officers has the right to receive severance compensation upon the occurrence of certain events as specified in the agreements. The employee may terminate the agreement at any time upon two weeks written notice to the Company. The Company may terminate the agreement without cause at any time upon written notice to the employee. The employment agreements provide that upon termination by the Company, including termination resulting from a change in control of the Company, the employee will be entitled to receive monthly severance payments. Each of Messrs. Lewis, Malino, Meurer and Pfeiffer is entitled to receive severance payments equal to one year's base salary, payable over 12 months, and Mr. Selman is entitled to receive severance payments equal to six months' base salary, payable over six months. The amount of severance compensation is increased by 50% in the event of a termination resulting from a change in control of the Company. In addition, in the event of a change of control of the Company, all unvested options and restricted stock become vested.

The employment agreements provide that the employee must devote his full time, attention and energy to the business of the Company and may not engage in any other business activity which would

interfere with the performance of his duties or be competitive with the Company, unless specifically permitted by the Board of Directors. This restriction does not prevent the employee from making passive investments, so long as the investment does not require the employee's services in a manner that would impair the performance of his duties under the employment agreement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

In 2003, the Compensation Committee was comprised of six independent, non-employee directors. The Compensation Committee is responsible for, among other things, establishing remuneration levels for officers (including the Named Executive Officers) of the Company and establishing and administering executive compensation programs.

Our compensation policies have been structured to link the compensation of our executive officers with enhanced stockholder value. Through the establishment of short-term and long-term incentive plans, we seek to align the financial interests of the executive officers with those of our stockholders.

Executive Compensation Philosophy

In designing our compensation programs, we believe that compensation should reflect the value created for stockholders while supporting the business strategies and long-range plans of the Company and the markets it serves. In doing so, the compensation programs reflect the following themes:

A compensation program that stresses our financial performance and the executive officers' individual performance.

A compensation program that strengthens the relationship between pay and performance by providing variable, at-risk compensation that is reflective of current market practices and comparable executive rates and is dependent upon the level of success in meeting specified Company and individual performance goals.

A compensation program that seeks to align the financial interests of the executive officers with those of our stockholders.

A compensation program that is reasonable, performance-based, and consistent with the Company's overall compensation objectives designed to retain key members of management.

An annual incentive plan that supports a performance-oriented environment and which generates a portion of compensation based on the achievement of performance goals, with superior performance resulting in total annual compensation above competitive levels.

A long-term incentive plan that is designed to reward executive officers for long-term strategic management of the Company and the enhancement of stockholder value.

In determining compensation for our executive officers, the Compensation Committee surveys each company in Realty Income's peer group and examines each peer company's performance (including total return and FFO growth) and compensation levels for executive officers. The Compensation Committee then evaluates Realty Income's performance to determine whether compensation levels for its executive officers are appropriate (relative to compensation levels for executive officers of its peer group companies) in light of each executive officer's individual contribution to Realty Income's performance. If appropriate, the Compensation Committee will adjust compensation paid to Realty Income's executive officers. The Compensation Committee believes that the compensation paid to each of its executive officers is in line with the compensation paid to executive officers of its peer group companies.

Base Salary of Executive Officers (other than the Chief Executive Officer)

In approving the base annual salary for Messrs. Malino, Meurer, Pfeiffer and Selman, the Compensation Committee considered several factors, including the scope of the individual's responsibilities, comparable base salaries for similar positions in the real estate, REIT and financial services industries, the cost of living, the historical financial results of the Company and the anticipated financial performance of the Company.

Annual Cash Bonus

Edgar Filing: REALTY INCOME CORP - Form DEF 14A

The annual cash incentive is designed to supplement the pay of executive officers (and other key management personnel) so that overall total cash compensation (salary and bonus) is competitive in the industry and properly rewards the executive officers for their efforts in achieving their objectives. The Summary Compensation Table shows cash incentive bonuses paid to the named executive officers for 2003.

Long-Term Incentive Compensation Awards

The Compensation Committee awards grants of restricted stock that vest over ten years. Restricted stock grants are designed to increase senior management's stock ownership in the Company, motivate executives to improve long-term stock price and dividend performance, encourage long-term dedication to the Company, and to operate as an executive retention mechanism for the Company's key members of management. The restricted stock granted for 2003 vests evenly over ten years. Dividends are paid on the entirety of the grant from the date of the grant.

Chief Executive Officer Compensation

The compensation for our chief executive officer for 2003 was determined on the same general basis as discussed above for the executive officers. In addition, our chief executive officer is evaluated on the basis of the Company's financial and non-financial achievements. These performance measures include funds from operations performance, total return to shareholders, portfolio stability and diversification, lease rollovers, financing strategies and new investment activity.

Section 162(m) of the Internal Revenue Code of 1986, as amended

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") limits the deductibility of compensation paid to the Chief Executive Officer and the four other most highly compensated executive officers of the Company. To qualify for deductibility under Section 162(m), compensation (including base salary, annual bonus, stock option exercises, compensation attributable to restricted stock vesting and nonqualified benefits) in excess of \$1,000,000 per year paid to each of these executive officers generally must be "performance-based" compensation as determined under Section 162(m). While the Committee's intention is, to the greatest extent reasonable, to structure compensation so that it satisfies the "performance based" compensation requirements under Section 162(m), the Committee will balance the costs and burdens involved in doing so against the value to the Company and its stockholders of the tax benefits to be obtained by the Company. Accordingly, the Committee reserves the right to design programs that recognize a full range of performance criteria important to the Company's success, even where the compensation paid under such programs may not be fully deductible as a result of Section 162(m).

Despite the fact that the Company's incentive bonuses and stock-related awards are determined based on the evaluation of the Company's performance and take into consideration certain financial and strategic goals, the Committee does not apply these factors on a strict formulaic basis. As a result, the Company's incentive bonuses and stock-related awards may not satisfy the "performance based" compensation requirements of Section 162(m). The Committee believes that because the Company

12

qualifies as a REIT under the Code and generally is not subject to Federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) does not have a material adverse consequence to the Company, provided the Company continues to distribute at least 100% of its taxable income.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of the NYSE. The Audit Committee operates pursuant to a written charter as required by the NYSE and the rules and regulations of the Securities and Exchange Commission (the "Commission") and adopted by the Board of Directors.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, principles and internal controls. The independent auditors are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States of America.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended December 31, 2003 with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the auditors their independence from the Company. The Audit Committee has also considered whether the independent auditors' provision of tax preparation, tax consulting services and other non-audit services to the Company is compatible with maintaining the auditors' independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Commission.

REALTY INCOME CORPORATION AUDIT COMMITTEE CHARTER

This Audit Committee Charter was adopted by the Board of Directors (the "Board") of Realty Income Corporation (the "Company") on February 17, 2004.

I. Purpose

The purpose of the Audit Committee (the "Committee") is to assist the Board with its oversight responsibilities regarding: (i) the integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the independent auditor's qualifications and independence; and (iv) the performance of the Company's internal audit function and independent auditor. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

Notwithstanding the foregoing, the Committee's responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements as well as the Company's financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company's annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the Company's quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company's internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services) (the "internal auditor") and the Company's independent auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement on Auditing Standards No. 100, defines the term "review" to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term "review" as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

19

II. Membership

Edgar Filing: REALTY INCOME CORP - Form DEF 14A

The Committee shall consist of no fewer than three members of the Board. Each Committee member shall be financially literate as determined by the Board in its business judgment or must become financially literate within a reasonable period of time after his or her appointment to the Committee. Members of the Committee are not required to be engaged in the accounting and auditing profession and, consequently, some members may not be expert in financial matters, or in matters involving auditing or accounting. However, at least one member of the Committee shall have accounting or related financial management expertise as determined by the Board in its business judgment. In addition, either at least one member of the Committee shall be an "audit committee financial expert" within the definition adopted by the SEC or the Company shall disclose in its periodic reports required pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") the reasons why at least one member of the Committee is not an "audit committee financial expert."

Each Committee member shall satisfy the independence requirements of the New York Stock Exchange and Exchange Act Rule 10A-3(b)(1). No Committee member may simultaneously serve on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and such determination is disclosed in the Company's annual proxy statement.

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board on the recommendation of the Nominating/Corporate Governance Committee. Committee members may be removed from the Committee, with or without cause, by the Board.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

All non-management directors that are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, representatives of the independent auditor, the internal auditor, any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director that is not a member of the Committee.

The Committee may retain any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee may conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee.

IV. Powers and Responsibilities

Interaction with the Independent Auditor

1. *Appointment and Oversight.* The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of any disagreements between Company management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Committee.

2. *Pre-Approval of Services.* Before the independent auditor is engaged by the Company or its subsidiaries to render audit or non-audit services, the Committee shall pre-approve the engagement. Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the

Company's engagement of the independent auditor, provided the policies and procedures are detailed as to the particular service, the Committee is informed of each service provided and such policies and procedures do not include delegation of the Committee's responsibilities under the Exchange Act to the Company's management. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. Committee pre-approval of non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC.

3. *Independence of Independent Auditor.* The Committee shall, at least annually, review the independence and quality control procedures of the independent auditor and the experience and qualifications of the independent auditor's senior personnel that are providing audit services to the Company. In conducting its review:

(i) The Committee shall obtain and review a report prepared by the independent auditor describing (a) the auditing firm's internal quality-control procedures and (b) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal with any such issues.

(ii) The Committee shall discuss with the independent auditor its independence from the Company, and obtain and review a written statement prepared by the independent auditor describing all relationships between the independent auditor and the Company, consistent with Independence Standards Board Standard 1, and consider the impact that any relationships or services may have on the objectivity and independence of the independent auditor.

(iii) The Committee shall confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC.

(iv) The Committee shall consider whether the Company should adopt a rotation of the annual audit among independent auditing firms.

21

(v) The Committee shall, if applicable, consider whether the independent auditor's provision of any permitted information technology services or other non-audit services to the Company is compatible with maintaining the independence of the independent auditor.

Annual Financial Statements and Annual Audit

4. *Meetings with Management, the Independent Auditor and the Internal Auditor.*

(i) The Committee shall meet with management, the independent auditor and the internal auditor in connection with each annual audit to discuss the scope of the audit, the procedures to be followed and the staffing of the audit.

(ii) The Committee shall review and discuss with management and the independent auditor: (A) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (B) any analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including analyses of the effects of alternative GAAP methods on the Company's financial statements; and (C) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.

(iii) The Committee shall review and discuss the annual audited financial statements with management and the independent auditor, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

5. *Separate Meetings with the Independent Auditor.*

(i) The Committee shall review with the independent auditor any problems or difficulties the independent auditor may have encountered during the course of the audit work, including any restrictions on the scope of activities or access to required information or any significant disagreements with management and management's responses to such matters. Among the items that the Committee should consider reviewing with the Independent Auditor are: (A) any accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise); (B) any communications between the audit team and the independent auditor's national office respecting auditing or accounting issues presented by the engagement; and (C) any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditor to the Company. The Committee shall obtain from the independent auditor assurances that Section 10A(b) of the Exchange Act has not been implicated.

(ii) The Committee shall discuss with the independent auditor the report that such auditor is required to make to the Committee regarding: (A) all accounting policies and practices to be used that the independent auditor identifies as critical; (B) all alternative treatments within GAAP for policies and practices related to material items that have been discussed among management and the independent auditor, including the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (C) all other material written communications between the independent auditor and management of the Company, such as any management letter, management representation letter, reports on observations and recommendations on internal controls, independent auditor's engagement letter, independent auditor's independence letter, schedule of unadjusted audit differences and a listing of adjustments and reclassifications not recorded, if any.

22

(iii) The Committee shall discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as then in effect.

6. *Recommendation to Include Financial Statements in Annual Report.* The Committee shall, based on the review and discussions in paragraphs 4(iii) and 5(iii) above, and based on the disclosures received from the independent auditor regarding its independence and discussions with the auditor regarding such independence pursuant to subparagraph 3(ii) above, determine whether to recommend to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year subject to the audit.

Internal Audit

8. *Appointment.* The Committee shall review the appointment and replacement of the internal auditor.

9. *Separate Meetings with the Internal Auditor.* The Committee shall meet periodically with the Company's internal auditor to discuss the responsibilities, budget and staffing of the Company's internal audit function and any issues that the internal auditor believes warrant audit committee attention. The Committee shall discuss with the internal auditor any significant reports to management prepared by the internal auditor and any responses from management.

Other Powers and Responsibilities

10. The Committee shall discuss with management and the independent auditor the Company's earnings press releases (with particular focus on any "pro forma" or "adjusted" non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not take place in advance of each earnings release or each instance in which the Company may provide earnings guidance.

11. The Committee shall discuss with management and the independent auditor any related-party transactions brought to the Committee's attention which could reasonably be expected to have a material impact on the Company's financial statements.

any, are in conformity with applicable legal requirements, including disclosure of related party transactions.

15. The Committee shall discuss with management the Company's policies with respect to risk assessment and risk management. The Committee shall discuss with management the Company's significant financial risk exposures and the actions management has taken to limit, monitor or control such exposures.

16. The Committee shall set clear hiring policies for employees or former employees of the Company's independent auditor.

17. The Committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. The Committee, through its Chair, shall report regularly to, and review with, the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor, the performance of the Company's internal audit function or any other matter the Committee determines is necessary or advisable to report to the Board.

20. The Committee shall at least annually perform an evaluation of the performance of the Committee and its members, including a review of the Committee's compliance with this Charter.
