The Registrant has a separately designated standing audit committee of its Board of Directors (the "Audit Committee"), which is comprised of the following members of the Registrant's Board of Directors: Donald Resnick (Chairman), William H. Fike and Royden R. Richardson.

The Registrant's Board of Directors has determined that Mr. Resnick, the Chairman of the Audit Committee, is an "audit committee financial expert" and that each member of the Audit Committee, including Mr. Resnick, is "independent" and "financially literate", as such terms are defined in the listing standards of the New York Stock Exchange and Exchange Act Rule 10A-3.

7. CODE OF ETHICS

The text of such code of ethics is contained in the Registrant's Code of Conduct and Ethics, which is posted on the Registrant's website.

8. PRINCIPAL ACCOUNTANT FEES AND SERVICES

The aggregate fees billed for each of the last two fiscal years for professional services rendered by Ernst & Young LLP, the Registrant's principal accountant (the "Auditor"), are as follows:

Edgar Filing: MAGNA INTERNATIONAL INC - Form 40-F

	FISCAL 2003 -----	FISCAL 2002 -----
Audit Fees	\$5,724,500	\$4,867,500
Audit-Related Fees	491,700	271,400
Tax Fees	3,576,900	2,379,200
All Other Fees	19,300	nil

The services comprising the Audit Fees category for these two fiscal years were performed by the Auditor to comply with generally accepted auditing standards ("GAAS"). Fees included in this category may include an appropriate allocation of fees for tax services or accounting consultations, to the extent such services were necessary to comply with GAAS.

The services comprising the Audit-Related Fees category for these two fiscal years consisted of certain assurance and related services, namely employee benefit plan audits. This category would also include due diligence relating to acquisition and divestitures, accounting consultations and audits in connection with acquisitions and divestitures, internal control reviews, attest services that are not required by statute or regulation, and consultations concerning financial accounting and reporting standards.

The services comprising the Tax Fees category for these two fiscal years consisted of Canadian, U.S., European and Mexican tax compliance, advisory and research services. Tax services would generally include tax compliance, tax planning and tax advice. This category includes fees paid in respect of services performed by the Auditor's tax professionals, excluding services required to comply with GAAS, which are included in the Audit Fees category.

The services comprising the All Other Fees category for these two fiscal years consisted of translation services.

The Audit Committee has a process for pre-approving all services provided by, and related fees to be paid to, the Auditor. This process includes reviewing, on a quarterly basis, the details and associated costs of the services expected to be provided. Audit Committee approval is required for any services that have not been previously approved by the Audit Committee. The Audit Committee considers whether such services are consistent with the Commission's rules on auditor independence. The Audit Committee also considers whether the Auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Registrant's business, people, culture, accounting systems, risk profile, and whether the services enhance the

3

Registrant's ability to manage or control risks and improve audit quality. The Audit Committee has delegated authority to its Chairman to pre-approve permitted non-audit services that have not previously been approved, provided that such approval is in writing and signed by the Chairman. The Chairman will report to the Audit Committee on all such pre-approvals granted under such authority at the next regularly scheduled Audit Committee meeting. None of the services provided by the Auditor in 2003 were treated as exempt from pre-approval pursuant to the de minimis provision of paragraph (c) (7) (i) (C) of Rule 2-01 of Regulation S-X.
