PROXY STATEMENT
for
ANNUAL MEETING OF SHAREHOLDERS
to be held on August 26, 2005

Information Concerning the Solicitation

This Proxy Statement, which is first being mailed to shareholders on or about July 22, 2005, is furnished in connection with the solicitation by the Board of Directors of Video Display Corporation (the "Company"), of proxies to be voted at the Annual Meeting of Stockholders to be held on August 26, 2005, at the place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders, and at any reconvened meeting following any adjournment thereof (the "Meeting"). The Company's 2005 Annual Report on Form 10-K, including financial statements for the year ended February 28, 2005, accompanies this Proxy Statement.

The accompanying proxy is solicited by the Board of Directors of the Company (the "Board"). The proxy is revocable at any time before it is exercised. A proxy may be revoked by filing a revoking instrument or a duly executed proxy bearing a later date with the Secretary of the Company or by attending the Meeting and voting in person. The shares represented by proxies received by the Board will be voted at the Meeting.

Each shareholder is entitled to one vote on each proposal per share of Common Stock held as of the record date. A majority of the issued and outstanding shares of Common Stock will constitute a quorum for the transaction of business at the Meeting. In determining whether a quorum exists at the Meeting for purposes of all matters to be voted on, all votes "for" or "against," as well as all abstentions (including votes to withhold authority to vote in certain cases), with respect to the proposal receiving the most such votes, will be counted. The vote required for the election of directors is a majority of the votes cast by the shares represented at the meeting and entitled to vote, provided a quorum is present. Consequently, abstentions and broker non-votes will not be counted as part of the base number of votes to be used in determining if the proposal for the election of directors has received the requisite number of base votes for approval. Thus, with respect to the proposal for the election of directors, an abstention or broker non-vote will have no effect.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, certain officers, directors and employees may, without compensation, solicit proxies by telephone and personal interview. The Company may reimburse brokerage firms and others for expenses incurred in forwarding solicitation material to the beneficial owners of the Company's Common Stock.

Shareholders' Proposals for Next Annual Meeting

For inclusion in the Proxy Statement and form of proxy for the next annual meeting, shareholder proposals consistent with Rule 14a-8(e) promulgated under the Securities Exchange Act of 1934 must be received by our Secretary at our principal business office on or before March 24, 2006. In order for a shareholder proposal made outside the requirements of Rule 14a-8(e) to be "timely" for the purposes of Rule 14a-4(c), such proposal must be received by our Secretary no later than June 7, 2006.

Outstanding Voting Securities

The Company has one class of Common Stock, no par value ("Common Stock"), of which 9,707,000 shares were issued and outstanding on June 28, 2005. Each outstanding share is entitled to one vote. The Company also has a class of preferred stock authorized, no shares of which are issued and outstanding at the present time. Only holders of Common Stock of record at the close of business on July 11, 2005, are entitled to vote at the meeting.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

There currently are four directors of the Company and one vacancy. Five Directors will be elected at the Meeting, each to serve until the next Annual Meeting of Shareholders or until a successor has been duly elected and qualified. The persons named in the accompanying Proxy intend to vote the proxies, if authorized, for the election as directors of the five persons named below as nominees.

If, prior to the Meeting, the Board should learn that any nominee will be unable to serve by reason of death, incapacity or other unexpected occurrence, the proxies that would have otherwise been voted for such nominee will be voted for such substitute nominee as selected by the Board. Alternatively, the proxies may, at the Board's discretion, be voted for such fewer number of nominees as results from such death, incapacity or other unexpected occurrence. The Board has no reason to believe that any of the nominees will be unable to serve.

Our current directors, and Sriram Peruvemba, who is the fifth nominee to be a director, are described below.

Compensation Committee Report on Executive Compensation

The Compensation Committee has furnished the following report on Executive Compensation:

Edgar Filing: VIDEO DISPLAY CORP - Form DEF 14A

The Compensation Committee currently consists of two independent directors, Ms. Carolyn Howard, Chairperson, and Mr. Peter Frend. The roles and responsibilities of the Committee are set forth in a written charter adopted by the Board of Directors. This charter is available from the Company upon request. The Committee reviews and approves the Company's executive and director

compensation policies annually, and makes recommendations to the Board regarding the compensation of the Chief Executive Officer. The Committee did not meet formally during the fiscal year ended February 28, 2005, instead conferring informally on compensation issues.

The Committee's policy, which applies to the Chief Executive Officer and to all other executive officers and directors, is to ensure that Video Display Corporation provides a balanced and competitive compensation package that takes into account its specific needs and circumstances, while maintaining compensation levels comparable to industry standards.

In the fiscal year 2005, the Committee reviewed and considered its executive officers and director compensation packages. With one exception, discussed below, the Committee determined these compensation packages to be appropriate and in accordance with the aforementioned policy.

The Committee determined that the compensation package for Mr. Ordway, the Chief Executive Officer, was not reflective of the Committee's guidelines. Given the growth of the Company, the Committee believes Mr. Ordway's salary is below the median of ranges for CEOs of companies to which the Company now is comparable. Given Mr. Ordway's leadership, management and overall individual performance, the Committee has deemed it necessary to re-evaluate Mr. Ordway's compensation package and is currently doing so. In particular, the Committee believes that Mr. Ordway's compensation should be reflective of several areas of Company performance, including growth in revenue and profitability, assimilation of newly acquired business lines and efficient management of growth, as well as other factors. While the Committee has not yet reached a definitive conclusion, it expects to make a recommendation to the full Board, before the close of fiscal 2006, that Mr. Ordway's compensation package more closely reflect the responsibilities and performance of his position.

Audit Committee Report

This Report of the Audit Committee is required by the Securities and Exchange Commission and shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed soliciting material or filed under such acts.

To the Board of Directors:

The following is the report of the Audit Committee of the Board of Directors of Video Display Corporation with respect to the Company's audited financial statements for the fiscal year ended February 28, 2005.

The Audit Committee operates under a written charter adopted by the Board. The members of the Committee are currently, Carolyn Howard as Chairperson, and Peter Frend. The Audit Committee directly appoints and evaluates the independent registered public accounting firm of the Company and pre-approves their services and compensation. Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the PCAOB (US) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the matters required to be discussed by Statements on Auditing Standards No. 61 (Communications with Audit Committees) and No. 90 (Audit Committee Communications) with the independent registered public accounting firm.

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Based upon the Audit Committee's discussion with management and the independent registered public accounting firm and the Audit Committee's review of the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended February 28, 2005 filed with the Securities and Exchange Commission.

RELATIONSHIP WITH INDEPENDENT REGISTERED ACCOUNTING FIRM

The Board of Directors of the Company engaged BDO Seidman, LLP, Atlanta, Georgia, as independent accountants for the Company and its subsidiaries for the fiscal year ended February 28, 2005. BDO Seidman, LLP has served as the Company's independent accountants since 1995. On June 27, 2005 BDO Seidman, LLP notified the Audit Committee that it would decline to stand for reappointment as the Company's independent registered public accounting firm. BDO Seidman, LLP has agreed to continue to serve as the Company's independent registered public accounting firm relative to the Company's financial statements for the quarter ended May 31, 2005 in order to facilitate a smooth transition to a successor firm of independent accountants. The audit committee did not recommend or approve the decision to decline to stand for re-election.

BDO Seidman, LLP's reports on the Company's financial statements for the fiscal years ended February 29, 2004 and February 28, 2005 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. For the fiscal years ended February 29, 2004 and February 28, 2005, and up to the date of BDO Seidman, LLP's notification of their resignation on June 27, 2005, there has been no disagreement between the Company and BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

On June 10, 2005 BDO Seidman notified the Audit Committee of a material weakness in the Registrant's internal control structure. The areas that were deemed to contain material weakness surrounded the failure to retain financial reporting personnel necessary to properly identify and record in a timely fashion, non-routine transactions and to prepare financial statements and related disclosures timely; and the failure of Management to routinely review and approve on a monthly basis all repetitive and non-repetitive journal entries made at divisional levels, to ensure that all entries were made and calculated properly, which could affect the reported results for the accounting period.

As disclosed in the Company's Form 10-Q/A for the period ending May 31, 2004, BDO Seidman, LLP previously notified the Audit Committee of a reportable condition in the Registrant's internal control structure. The area that was deemed to contain the reportable condition surrounded insufficient reconciliation procedures involving intercompany transactions in fiscal year 2003. In the third quarter of fiscal 2004, the Company implemented regular monthly transaction reconciliation and review processes in order to enhance its controls and procedures over intercompany transactions.

The Company has not yet engaged new independent accountants to replace BDO Seidman, LLP. The Audit Committee is in the process of selecting new independent accountants. Management does not expect that a representative of BDO Seidman will be present at the Meeting to make a statement if he or she desires to do so and to be available to answer appropriate questions posed by shareholders.
