The amount of the filing fee was determined by multiplying the Transaction Valuation by \$117.70 per million.

INTRODUCTION

This Amendment No. 4 amends and supplements the Rule 13e-3 Transaction Statement on Schedule 13E-3 initially filed on June 23, 2005, as amended by Amendment No. 1 filed on August 26, 2005, Amendment No. 2 filed on October 18, 2005 and Amendment No. 3 filed on November 14, 2005 (the "Schedule 13E-3"), by Liberate Technologies, a Delaware corporation ("Liberate"), in connection with a proposed going private transaction. This Amendment No. 4 is being filed pursuant to Rule 13e-3(d)(3) as a final amendment to the Schedule 13E-3 to report the results of the 1-for-250,000 reverse stock split immediately followed by a 250,000-for-1 forward stock split of Liberate's common stock (the "Reverse/Forward Stock Split").

At a special meeting of stockholders held on December 15, 2005, the affirmative vote of holders of at least 75% of shares of Liberate's common stock entitled to vote at such meeting voted to approve an amendment to Liberate's Sixth Amended and Restated Certificate of Incorporation to effect the Reverse/Forward Stock Split. Liberate filed Certificates of Amendment to its Sixth Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware to effect the Reverse/Forward Stock Split on December 16, 2005. The reverse stock split became effective at 11:58 pm. EST on December 19, 2005 and the forward stock split became effective at 11:59 pm. EST on December 19, 2005. After the effectiveness of the Reverse/Forward Stock Split, stockholders holding less than 250,000 shares of common stock immediately prior to the reverse stock split solely have the right to receive a cash payment equal to \$0.20 per whole share of common stock. Stockholders holding 250,000 or more shares of common stock immediately prior to the reverse stock split participated in the forward split and therefore continued to hold the same number of shares immediately after the Reverse/Forward Stock Split as they did immediately before the Reverse/Forward Stock Split. The Reverse/Forward Stock Split has reduced the number of Liberate stockholders of record to less than 300. Liberate will be filing a Form 15 with the Securities and Exchange Commission to terminate the registration of its common stock and its reporting obligations under the Securities Exchange Act of 1934.

A copy of the press release issued by Liberate on December 15, 2005 announcing the results of the special meeting of stockholders was filed under cover of a Form 8-K on December 16, 2005 and is incorporated herein by reference.
