(a)

Securities Ownership.

2.50% Notes. None of the Company, any of the Company's subsidiaries or, to the Company's knowledge, any of the Company's affiliates owns any 2.50% Notes.

Common Stock. As of June 26, 2006, the Company held an aggregate of 5,158,223 shares of Common Stock as treasury shares. In addition, as of June 26, 2006, the International Truck and Engine Corporation Non-Contributory Retirement Plan Trust (the "Hourly Trust"), International Truck and Engine Corporation Retirement Plan for Salaried Employees Trust (the "Salaried Trust"), and International Truck and Engine Corporation Retiree Health Benefit Trust (the "Health Benefit Trust"), owned an aggregate of 7,755,030 shares of Common Stock, or 11.0% of the outstanding Common Stock, as follows: Hourly Trust 4,653,018 shares; Salaried Trust 1,551,006 shares; and Health Benefit Trust 1,551,006 shares. Each trust is a funding trust for an employee benefit plan sponsored by International Truck and Engine Corporation ("International"), the principal operating subsidiary of the Company. The trust agreements of the Hourly Trust and the Salaried Trust provide that the trustee is a directed trustee with respect to Navistar stock held by the trusts and that the Pension Fund Investment Committee of International (the "PFIC"), or an investment manager designated by the PFIC, is to direct the trustee with respect to the voting or disposition of the Company's Common Stock. The trust agreement for the Health Benefit Trust provides that International, or an investment manager appointed by International, is to direct the trustee with respect to voting and disposition of Navistar stock. International has delegated authority for such matters related to the Health Benefit Trust to the PFIC, all of whom are employees of the Company. U.S. Trust Company ("U.S. Trust") has subsequently been appointed the investment manager for each trust with respect to the Company's Common Stock, and U.S. Trust has been given discretionary authority regarding voting and disposition of the Company's Common Stock. Since the PFIC and the Company have the power to revoke or change the appointment of U.S. Trust (and therefore reacquire the voting and dispositive control over the Common Stock), the committee, International or the Company could be considered "beneficial owners" of the Common Stock held by the trusts. The address of each of the trusts is c/o International Truck and Engine Corporation, 4201 Winfield Road, Warrenville, Illinois 60555.

Set forth below is the beneficial ownership of the Common Stock as of June 26, 2006 of the directors and/or executive officers of the Company. In general, beneficial ownership includes those shares a director or executive officer has the power to vote or transfer, and stock options exercisable
