PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS FOR FISCAL 2008

This Proxy Statement and the enclosed *WHITE* proxy card are furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board of Directors" or the "Board") of Forgent Networks, Inc. d/b/a Asure Software (NASDAQ: ASUR), a Delaware corporation (the "Company"), for use at the Company's annual meeting of stockholders for fiscal 2008 (the "Annual Meeting"), to be held at 1:00 p.m. local time on Friday, August 28, 2009 at the Company's executive offices located at 108 Wild Basin Road, Austin, Texas 78746, and at any and all adjournments of such Annual Meeting.

We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement, the enclosed *WHITE* proxy card, the enclosed annual report for fiscal 2008, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our Common Stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, internet, or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services. The Company also plans to engage the services of independent proxy consultants in connection with this solicitation.

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure reduces the volume of duplicate information stockholders receive and also reduces a company's printing and mailing costs. We will promptly deliver an additional copy of either document to any stockholder who writes or calls us at the following address or phone number: Investor Relations, Forgent Networks, Inc., 108 Wild Basin Road, Austin, Texas 78746, (512) 437-2678.

VOTING SECURITIES OUTSTANDING; QUORUM

The Board of Directors has determined that stockholders of record at the close of business on July 10, 2009 will be entitled to vote at the Annual Meeting or any adjournment thereof. At the close of business on July 15, 2009, the most recent date practicable prior to the filing of this Proxy Statement, there were 31,107,273 shares of our Common Stock issued and outstanding, each entitled to one vote on all matters properly brought before the Annual Meeting. There are no cumulative voting rights.

The presence in person or by proxy of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote as of the record date is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are treated as present at the Annual Meeting and are therefore counted to determine a quorum. If a quorum is not present, the stockholders entitled to vote who are present in person or represented by proxy at the Annual Meeting have the power to adjourn the Annual Meeting from time to time, without notice other than an adjournment at the

Annual Meeting, until a quorum is present or represented. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the Annual Meeting as originally notified.

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. If more than six nominees are properly presented to the stockholders at the Annual Meeting, the six nominees receiving the highest number of affirmative votes of the shares which are present or represented by proxy at the Annual Meeting and entitled to vote for the election of directors will be elected to our Board. Ratification of the Audit Committee's appointment of Ernst & Young LLP as our independent auditors will be approved by the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such matter. Abstentions may be specified on all proposals except the election of directors. Abstentions, with respect to any proposal other than the election of directors, will have the same effect as a vote against such proposal. Broker non-votes will have no effect on the outcome of the election of directors or the ratification of independent auditors, as they will not be deemed to count for or against such proposals. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect.

THE ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is provided in connection with the Annual Meeting and any adjournment thereof. The accompanying *WHITE* proxy card is solicited by our Company and its Board of Directors. This Proxy Statement and the accompanying form of proxy and annual report for fiscal 2008 are first being sent or given to stockholders beginning on or about July 17, 2009.

Time and Place

The Annual Meeting will be held at 108 Wild Basin Road, Austin, Texas, on Friday, August 28, 2009 at 1:00 p.m. local time.

Purposes

At the Annual Meeting, you will be asked:

1. To elect six directors to the board of directors to hold office until the next Annual Meeting of stockholders or until their respective successors are duly elected and qualified;
2. To ratify the Audit Committee's appointment of Ernst & Young LLP, independent accountants, as our independent auditors for the year ending July 31, 2009; and
3. To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

The Board knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote

Only holders of record of our shares of Common Stock at the close of business on July 10, 2009 will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of Common Stock will be entitled to one vote. On July 15, 2009, the most recent date practicable prior to the filing of this Proxy Statement, a total of 31,107,273 shares of Common Stock were outstanding.

Quorum

A majority of the voting power of the outstanding shares of Common Stock entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting.

Vote Required

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. If more than six nominees are properly presented to the stockholders at the Annual Meeting, the six nominees receiving the highest number of affirmative votes of the shares which are present or represented by proxy at the Annual Meeting and entitled to vote for the election of directors will be elected to our Board. The ratification of the appointment of independent auditors will be approved by a majority of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

Board Recommendation

YOUR BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED AND RECOMMENDS THAT AN AFFIRMATIVE VOTE BE CAST "FOR" EACH OF OUR DIRECTOR NOMINEES NAMED ON THE ENCLOSED WHITE PROXY CARD AND "FOR" THE RATIFICATION OF THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL 2009 AS SET FORTH ON THE ENCLOSED WHITE PROXY CARD.

Voting Your Shares

The Board of Directors is soliciting proxies from our stockholders. By completing and returning the enclosed *WHITE* proxy card or by completing the telephone or internet voting procedures, you will be authorizing Jay C. Peterson and Richard N. Snyder to vote your shares. If the enclosed *WHITE* proxy card is properly signed and dated, it will be voted as you direct. If you attend the Annual Meeting in person, you may vote your shares by completing a ballot at the Annual Meeting. If you receive more than one proxy statement from the Company, your shares are probably registered in names that are not identical or are held in more than one account. Please vote each *WHITE* proxy card you receive.

You may also receive proxy solicitation materials from Pinnacle Group, LLLP, a dissident stockholder group controlled by Pinnacle Partners, LLC which is partly controlled by Red Oak Partners, LLC ("Pinnacle"). **THE BOARD OF DIRECTORS DOES NOT BELIEVE THIS IS IN YOUR BEST INTERESTS AND STRONGLY URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY PINNACLE.** We are not responsible for the accuracy of any information provided by or relating to Pinnacle and its director nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Pinnacle or any other statements that Pinnacle or its affiliates may otherwise make.

Changing Your Vote by Revoking Your Proxy

Your proxy may be revoked at any time before it is voted at the Annual Meeting by giving notice of revocation to the Secretary of the Company, in writing, by execution of a later dated proxy or by attending and voting by ballot at the Annual Meeting. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting.

If you have previously signed a proxy card sent to you by Pinnacle, you can change your vote and vote for our director nominees by used the enclosed *WHITE* proxy card to vote by telephone, by

internet, or by signing, dating and returning the enclosed *WHITE* proxy card in the postage-paid envelope provided. Only the latest dated proxy you submit will be counted.

How Proxies are Counted

If you return a signed and dated the enclosed *WHITE* proxy card but do not indicate how your shares are to be voted, those shares will be voted "FOR" each of the listed proposals. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting. Only the latest dated proxy you submit will be counted.

Shares voted as abstentions on any matter will be counted for purposes of determining the presence of a quorum at the Annual Meeting and treated as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which a stockholder has abstained. As a result, abstentions with respect to any proposal, other than the election of directors, will have the same effect as a vote against such proposal. If a broker submits a proxy that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted for purposes of determining the presence of a quorum at the Annual Meeting, but will not be considered as present and entitled to vote with respect to such matters.

Persons Making the Solicitation

We will pay all expenses in connection with this solicitation. Our officers, directors and other regular employees, who will receive no extra compensation for their services, may solicit proxies by telephone or personal solicitation. The Board of Directors has also authorized the Company's executive officers to engage the services of independent proxy consultants to assist the Company in making solicitations to its stockholders in connection with the proposals to be voted upon at the Annual Meeting. The Company has engaged Georgeson Inc. ("Georgeson") and Dix & Eaton ("D&E") to provide proxy solicitation services and proxy/investor relations services, respectively. The Company will pay Georgeson a base fee of \$40,000 for its services, and an additional \$25,000-50,000 depending on the solicitation procedures ultimately involved, plus reimbursable expenses. As part of such engagement, Georgeson is authorized to accept stockholder votes over the telephone in accordance with the Company's customary procedures. The Company will pay D&E for its professional fees based on hourly consumption, plus commissions and reimbursable expenses. In addition, the Company has agreed to indemnify Georgeson and D&E against certain liabilities arising out of their respective engagements. We have been advised that four of Georgeson's employees and three of D&E's employees are expected to be involved in the proxy solicitation efforts. Proxy materials will also be available in electronic form and may be accessed electronically at www.asuresoftware.com, <http://proxy.georgeson.com> and www.sec.gov. The proxy materials distributed to stockholders will provide instructions for accessing these websites.

Annual Report on Form 10-K/A

Our Annual Report on Form 10-K/A for the fiscal year ended July 31, 2008 is enclosed with this Proxy Statement. We will provide copies of the exhibits to our Form 10-K/A upon request, but we may charge a reasonable fee for providing such exhibits. You may obtain the exhibits by mailing a written request to Jay C. Peterson, Secretary, at the address appearing on the first page of this Proxy Statement. Our Form 10-K/A, including exhibits, is also available free of charge on the SEC's website at www.sec.gov.

**ELECTION OF DIRECTORS
(ITEM 1)**

The first proposal to be voted on at the Annual Meeting is the election of directors. Directors are elected annually and serve a one-year term. The Board has submitted six nominees for election this year. Our Board has nominated each of Richard N. Snyder, Nancy L. Harris, James H. Wells, Lou Mazzucchelli, Richard J. Agnich, and Ray R. Miles for re-election to service until the next annual stockholder meeting or until each of their respective successors is elected and qualified. Each of our nominees has consented to being named in this Proxy Statement and has consented to serve as a director of the Company if elected.

Director nominees are recommended for selection to the Board by a majority of Company's directors who meet the independence standards of the NASDAQ Stock Market. The full Board then selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the Annual Meeting. The Board reviews and considers any candidates submitted by a stockholder or stockholder group in the same manner as all other candidates. Each nominee has consented to serve until the next annual stockholder meeting, if elected, or until his or her successor is elected and qualified. The newly-appointed Nominating Committee, comprised of the Company's four independent directors, will assume these nomination functions going forward.

If any director is unable to stand for re-election after distribution of this Proxy Statement, the Board may reduce its size or designate a substitute. If the Board designates a substitute, proxies voting on the original director candidate will be cast for the substituted candidate. Proxies cannot be voted for a greater number of persons than the number of nominees named on the enclosed form of proxy. A plurality of the votes cast in person or by proxy by the holders of Common Stock represented at the Annual Meeting is required to elect a director. If more than six nominees are properly presented to the stockholders at the Annual Meeting, the six nominees receiving the highest number of affirmative votes of the shares which are present or represented by proxy at the Annual Meeting and entitled to vote for the election of director will be elected to our Board.

**TO VOTE FOR THESE NOMINEES, PLEASE COMPLETE, DATE AND SIGN
THE ENCLOSED *WHITE* PROXY CARD, TO ENSURE YOUR VOTE IS REPRESENTED.**

Background to Current Solicitation

On January 29, 2009, the Company issued a press release announcing a proposal by the Board of Directors to privatize the Company. On the same day, David Sandberg (a principal of Pinnacle) emailed the Company's CFO, Jay Peterson, to request a meeting with the Company's Chairman and CEO, Richard N. Snyder. The Company filed a definitive proxy statement with the SEC on April 21, 2009 relating to the Company's going private proposal and announcing a June 2, 2009 special stockholders meeting to vote on such proposal. On April 27, 2009, several Board members met with Pinnacle to discuss the proposed going private transaction and other concerns previously expressed by Pinnacle. Mr. Peterson sent a follow-up email to Mr. Sandberg regarding additional information requests submitted at the in-person meeting, but Mr. Sandberg did not respond. Then, on May 4, 2009, Pinnacle initiated a proxy contest against the going private proposal by filing an amended Schedule 13D with the SEC, and on May 27, 2009 Pinnacle faxed to the Company notice of Pinnacle's intent to nominate directors for election to the Board at the upcoming annual stockholders meeting. On June 1, 2009, the Company issued a press release announcing that the Board of Directors had withdrawn the going private proposal and cancelled the special stockholders meeting, as it had become apparent to the Board that the proposal would not receive sufficient votes to carry, due in large part to stockholder concerns about the loss of liquidity. Three days later, Pinnacle issued a press release thanking stockholders for opposing the going private proposal, announcing its nomination of a dissident slate of director nominees, and announcing its intention to engage in a proxy contest to elect its nominees. Since then, the Company has on several occasions attempted to coordinate a meeting with Pinnacle to obtain information so that the Company may thoughtfully consider and better understand Pinnacle's strategic plan for the Company. However, Pinnacle continues to insist that the Company's entire Board travel to Boston, Massachusetts for an in-person meeting to discuss non-public information about the Company and refuses to explain its strategic plan for the Company with any significant level of detail. Consequently, no meeting has yet been scheduled.

On July 1, 2009, the Company filed a lawsuit in the United States District Court for the Western District of Texas, Austin Division, against Pinnacle, James Gladney, Robert Graham, Antoine Tristani, Pat Goepel, Fenil Shah, Sarla Software LLC, Chimanlal Shah, Falguni Shah, Ruchir Shah, Snehal Shah, Vibha Shah, and Ushma Shah alleging violations of federal securities laws. In its complaint, the Company maintains that the defendants have been acting as an affiliated group in connection with their recent purchases of Company stock and their involvement in the present proxy contest with the Company. The suit claims the defendants violated Section 13(d) of the Securities Exchange Act of 1934 by not properly reporting their identity and activities as an affiliated group, and also claims that certain of the defendants have further violated the federal securities laws by failing to disclose their true intentions concerning the future of the Company. The Company has asked the Court to enjoin the defendants' violations of the federal securities laws prior to the Company's shareholder meeting scheduled for August 28, 2009. The defendants have yet to file an answer in this matter and there have been no further developments with the Court as of the date of this Proxy Statement.

Dissident Slate of Nominees

As indicated above, Pinnacle has given notice of its intention to nominate individuals for election to the board of directors to replace our nominees, and you may receive separate proxy solicitation materials from Pinnacle. Despite repeated requests by the Company and our Board, Pinnacle has not provided us with direct access to its nominees for purposes of conducting interviews and obtaining additional information regarding their qualifications. As a result, the full Board has examined their qualifications based on the limited information provided to the Company by Pinnacle, as well as available public information including prior public pronouncements of the Pinnacle nominees. Upon completing such examination, our Board of Directors unanimously determined not to nominate any of Pinnacle's nominees because their experience and background are not on par with that of our nominees. For example, five of Pinnacle's six nominees (Messrs. Ferris, Graham, Goepel, Pertierra, and Vogel) have no apparent prior public company board experience and the remaining Pinnacle nominees (Mr. Sandberg) has less than four months of prior public company board experience. By comparison, our nominees collectively have over 41 years of prior public company board experience. Also, with respect to Pinnacle's assertion that two of its nominees (Messrs. Graham and Goepel) should be commended for their prior service on the board of directors of iEmployee, the Board noted that, at the time of the Company's acquisition of iEmployee in 2007, iEmployee had nominal cash on hand and there was no significant evidence of a profitable business. Accordingly, your Board believes the six individuals it has nominated and named in this Proxy Statement are not only experienced in serving our stockholders as directors of public companies but are also extremely knowledgeable about our business and industry, and, therefore, better suited to serve the best interests of our Company and our stockholders.

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF ALL OF OUR NOMINEES NAMED IN THE ENCLOSED *WHITE* PROXY CARD AND URGES YOU *NOT* TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY PINNACLE.

If you sign and return a proxy card sent by Pinnacle, you will not be supporting our nominees. The only way to support the qualified individuals nominated by our Board is to vote "FOR" our nominees using the enclosed *WHITE* proxy card. If you have previously signed a proxy card sent to you by Pinnacle, you can change your vote and vote for our nominees by using the enclosed *WHITE* proxy card to vote by telephone, by internet, or by signing, dating and returning the enclosed *WHITE* proxy card in the postage-paid envelope provided. Only the latest dated proxy card you submit will be counted.

CORPORATE GOVERNANCE INFORMATION

Director Independence

The Board of Directors consists of a majority of independent directors as such term is defined under the rules of the NASDAQ Stock Market. The Board of Directors has determined that Ms. Cote and Messrs. Wells, Mazzucchelli, Agnich and Miles are independent. The Board of Directors has determined that all of the members of the board's working committees are independent as defined under the rules of the NASDAQ Stock Market, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. Kathleen A. Cote, who served as director for the entire fiscal year ended July 31, 2008, resigned from the Board effective as of June 1, 2009.

Board Meetings and Attendance

The Board of Directors held three in-person meetings and eight telephonic meetings during the fiscal year ended July 31, 2008. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served. The Board of Directors requires that directors make a reasonable effort to attend the company's annual stockholder meeting. One board member attended the annual meeting of stockholders held for fiscal 2008.

Committees

The Board of Directors uses working committees with functional responsibility in the more complex recurring areas where disinterested oversight is required. Working committees of the Board of Directors include the Audit Committee and the Compensation Committee, each of which operates under a charter that has been approved by the Board of Directors. Current copies of each of these charters are posted on our website, www.asuresoftware.com. Our committees will continue to monitor and review legislative, regulatory and NASDAQ Stock Market actions in connection with corporate governance, and our committees will adopt policies and procedures in response to such actions.

Compensation Committee

The Compensation Committee is responsible for approving the compensation arrangements of senior management and recommending approval by the Board of Directors of amendments to our benefit plans. The Compensation Committee held one meeting during the fiscal year ended July 31, 2008. The Compensation Committee was composed of Mr. Mazzucchelli (Chairperson) and Mr. Wells for the fiscal year ended July 31, 2008. Following Ms. Cote's resignation from the Board, effective June 1, 2009, Mr. Wells has been appointed to succeed Mr. Mazzucchelli as Chairperson of the Compensation Committee.

Nominating Committee

The Nominating Committee was unanimously appointed by the Board of Directors in June 2009 and is comprised of the Company's four independent directors (as such term is defined under the rules of the NASDAQ Stock market: Messrs. Wells, Mazzucchelli, Agnich and Miles. Prior to such appointment, the full Board of Directors (consisting of Chairman Snyder and the Company's independent directors) administered the Company's director nomination functions, including the review and consideration of candidates submitted by a stockholder or stockholder group. Following the appointment of Nancy L. Harris to fill the vacant board seat created by Kathleen A. Cote's resignation, the Board of Directors unanimously determined that it would be in the best interests of the Company and its stockholders for the Company to have a separate Nominating Committee consisting of independent directors only. The newly-appointed Nominating Committee is currently in the process of

adopting a charter that is consistent with the bylaws of the Company and the standards of the NASDAQ Stock Market and of developing a policy with regard to the consideration of any director candidates recommended by stockholders

Audit Committee

The Audit Committee is composed of three outside directors and operates under a charter adopted by the Board of Directors according to the rules and regulations of the Securities and Exchange Commission ("SEC") and the NASDAQ Stock Market. The Audit Committee members during the fiscal year ended July 31, 2008 were Ms. Cote (Chairperson), Mr. Wells, and Mr. Miles. Following Ms. Cote's resignation from the Board effective June 1, 2009, Mr. Mazzucchelli has been appointed to succeed Ms. Cote as Chairperson of the Audit Committee. The Board of Directors believes that all of these directors are independent as defined under the rules of the NASDAQ Stock Market. The Board of Directors has determined that Ms. Cote and Mr. Mazzucchelli have the qualifications and experience necessary to serve as an "audit committee financial expert," as defined by the SEC.

The Audit Committee is the communication link between the Board of Directors and our independent auditors. In addition to recommending the appointment of the independent auditors to the Board of Directors, the Audit Committee reviews the scope of the audit, the accounting policies and reporting practices, internal auditing and internal control, compliance with our policies regarding business conduct and other matters as deemed appropriate. The Audit Committee held four meetings in fiscal 2008 with the independent auditors and/or our management.

The following is the "Report of the Audit Committee" with respect to our audited financial statements for fiscal 2008 which include our consolidated balance sheets as of July 31, 2008 and 2007, and the related consolidated statements of operations, stockholders' equity (deficit) and cash flows for each of the two years in the period ended July 31, 2008 and the notes thereto. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in such filing.

1. The Audit Committee has reviewed and discussed the above-referenced audited financial statements with management.
2. The Audit Committee has discussed with Ernst & Young LLP, our independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) that includes, among other items, matters related to the conduct of the audit of our above-referenced financial statements.
3. The Audit Committee has received the letter from Ernst & Young LLP required by Independent Standards Board Standard No. 1, that relates to the accountant's independence from our Company and its related entities, and has discussed with Ernst & Young LLP their independence from the Company.
4. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that our above-referenced audited financial statements be included in our annual report on Form 10-K/A for fiscal 2008.

each of the three preceding years if they are terminated within a specified amount of time after a "change in control." The definition of "change of control" includes an event whereby the directors who served on the Board for a period of two consecutive years prior to such event cease for any reason to constitute a majority of the Board. Under the parachute agreement with Nancy L. Harris, the Company will pay Ms. Harris a severance payment equal to her then current annual salary if she is terminated within a specified amount of time after a sale of the Company's business (as defined in the agreement). Under each of the parachute agreements, the named executive officer will

All of these options vest in equal amounts monthly over a three-year period but cease vesting at the time the director ceases to be a director. In July 2006 each non-employee director was granted 12,772 shares of restricted stock.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval. The first category (Audit Services) includes audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards. The second category (Audit-related Services) includes assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements. The third category (Tax Services) includes all services performed by the independent auditor's tax personnel, except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice. The fourth category (All Other Fees) includes items associated with services not captured in the other categories. We generally do not request such services from the independent auditor.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Audit Fees

The Company incurred aggregate fees in the amount of \$349,400 and \$210,000 for professional audit services rendered by Ernst & Young LLP for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Qs, for the fiscal years ended July 31, 2008 and 2007, respectively. The services included work generally only the independent registered public accounting firm can reasonably be expected to provide, such as those in connection with statutory and regulatory filings.

Audit Related Fees

The Company incurred aggregate fees in the amount of \$73,454 and \$30,000 for assurance and related services rendered by Ernst & Young LLP that are reasonably related to the performance of the audit or review of the Company's financial statements and not reported under "Audit Fees" above. These services related principally to the audits of employee benefit plans, Sarbanes-Oxley compliance and merger and acquisition due diligence, for the fiscal years ended July 31, 2008 and 2007, respectively.

Tax Fees

The Company incurred \$0 and \$0 for professional services rendered by Ernst & Young LLP for tax compliance, tax advice, and tax planning during the fiscal years ended July 31, 2008 and 2007, respectively.

All Other Fees

All fees paid to Ernst & Young LLP by the Company are reported under the fee categories listed above. There were no other products or services provided by Ernst & Young LLP during the fiscal years ended July 31, 2008 and 2007.

The Audit Committee has determined that the provision of services covered by the four preceding paragraphs is compatible with maintaining the independent auditors' independence from the Company.

**RATIFICATION OF APPOINTMENT OF AUDITORS
(ITEM 2)**

The Audit Committee has appointed Ernst & Young LLP, independent accountants, to audit the Company's consolidated financial statements for the fiscal year ending July 31, 2009. Stockholder ratification is not required for the selection of Ernst & Young LLP, since the Audit Committee has the responsibility for the selection of the Company's independent auditors. Nonetheless, the selection is being submitted for ratification at the Annual Meeting solely with a view toward soliciting the stockholders' opinion thereon, which opinion will be taken into consideration in future deliberations.

A representative of Ernst & Young LLP will be attending the Annual Meeting and will be available for questions.
