Metage Capital Limited: Institutional Shareholder Services Recommends that Shareholders Vote in Favor of Metage's Proposal at MVC Capital's Upcoming AGM

Institutional Shareholder Services Inc. (ISS) has announced its voting recommendations¹ at the upcoming AGM for MVC Capital Inc. (NYSE: MVC) on October 31, 2017. Following independent review and consultation with both MVC's management and Metage, ISS has recommended that shareholders vote in favor of the Metage shareholder proposal². The ISS report concluded:

“...the persistent discount to NAV; the fund's underperformance compared to its peers; and the fact that investors were not given the opportunity to approve the change in investment strategy from private equity investment to lending...justify supporting Metage's proposal.”

Metage encourages all Shareholders to follow ISS guidance and support our proposal. Please vote without delay to ensure that your vote is counted

This is not a solicitation of authority to vote your proxy. The cost of this filing is being borne entirely by Metage.

PLEASE NOTE: METAGE IS NOT ASKING FOR YOUR PROXY CARD AND CANNOT ACCEPT YOUR PROXY CARD. PLEASE DO NOT SEND US YOUR PROXY CARD.
