EXHIBIT 99

Peoples Financial Services Corp. Announces Increased Earnings, Increased Dividends and a New Office in Deposit NY.

Peoples Financial Services Corp. reports that net income for 2003 exceeded 2002 by almost 11% at \$5,564,000. Total assets at year end reached \$371,334,000 vs. \$346,842,000 at December 31, 2002, a gain of over 7% while net loans at December 31, 2003, were \$233,374,000 compared to \$219,258,000 at the same time last year, an increase of almost 6.5%. Total deposits at year end 2003 were \$279,700,000 an increase of almost 8% over the December 31, 2002 deposit total of \$259,187,000.

An increase in dividend of 1¢ per share payable February 17, 2004, to shareholders of record as of January 30, 2004, was also announced. The regular quarterly dividend was increased to 18¢ per share. The increase in dividends reflects the policy of the bank's Board of Directors to share increases in net income with shareholders.

The Board also announced that regulatory approval has been received, which will allow a branch office to be established in Deposit, Broome County, New York. This will be the ninth community office for Peoples National Bank and the second in New York State. A third quarter 2004 opening is expected.

Peoples Financial Services Corp is the parent company of Peoples National Bank, an independent community bank headquartered in Hallstead, PA, and with office locations in the Hallstead Shopping Plaza, Hop Bottom, Susquehanna, and Montrose in Susquehanna County, PA, and Nicholson, Tunkhannock, and Meshoppen in Wyoming County, PA, as well as Conklin in Broome County, NY.

This press release contains certain forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Actual results and trends could differ materially from those set forth in such statements due to various factors. Such factors include the possibility that increased demand for prices for the Company's financial services and products may not occur, changing economic, interest rate and competitive conditions, technological developments, and other risks and uncertainties including those detailed in the Company's filings with the Securities and Exchange Commission.
