JOINT PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees of MassMutual Corporate Investors ("MCI") and of MassMutual Participation Investors ("MPV" and, together with MCI, each is referred to separately as the "Trust" and collectively as the "Trusts") for use at the Annual Meeting of its Shareholders (the "Annual Meeting" or "Meeting"), to be held in the Oak Room of Massachusetts Mutual Life Insurance Company ("MassMutual"), 1295 State Street, Springfield, Massachusetts 01111, on Friday, April 16, 2010, at 1:30 p.m., Eastern Time. Unless otherwise indicated, all information in this Proxy Statement and each Proposal ("Proposal") applies separately to each Trust.

This Proxy Statement and the accompanying letter to shareholders from the Chairman of the Board of Trustees, Notice of Annual Meeting of Shareholders, and proxy card(s) are being mailed on or about February 26, 2010, to shareholders of record on February 15, 2010, the record date. Each Trust's principal business office is c/o Babson Capital Management LLC ("Babson Capital"), 1500 Main Street, P.O. Box 15189, Springfield, Massachusetts 01115-5189.

Holders of the shares of beneficial interest of each Trust ("shares") of record at the close of business on February 15, 2010 will be entitled to one vote per share on all business of the Meeting and any adjournments. There were 9,391,780 shares of MCI outstanding and 10,000,896 shares of MPV outstanding on the record date. The Trusts, to the best of their knowledge, are not aware of any beneficial owner of more than 5% of the outstanding shares of each Trust. However, MassMutual, the ultimate parent company of Babson Capital, may be deemed a beneficial owner of more than 5% of the outstanding shares of MCI by reason of it owning a \$30,000,000 Senior Fixed Rate Convertible Note due November 15, 2017 (the "MCI Note") issued by the Trust. Similarly, MassMutual may be deemed a beneficial owner of more than 5% of the outstanding shares of MPV by reason of it owning a \$12,000,000 Senior Fixed Rate Convertible Note due December 13, 2011 (the "MPV Note" and, together with "MCI Note" each a "Note" and collectively the "Notes"). MassMutual, at its option, can convert the principal amount of each Note into shares. The dollar amount of principal would be converted into an equivalent dollar amount of shares based upon the average price of the shares for ten business days prior to the notice of conversion.

Any person giving a proxy has power to revoke it by mail or in person at any time prior to its exercise by executing a superseding proxy or by submitting a

Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

notice of revocation to the Trust. All properly executed and unrevoked proxies received in time for the Meeting will be voted in accordance with the instructions contained therein.

Pursuant to the By-Laws of each Trust, the presence at the Annual Meeting, in person or by proxy, of shareholders entitled to cast a majority of the votes shall be a quorum for the transaction of business. A plurality of votes cast is required to elect Trustees. Thus, for each Trust, the three nominees for election at the Annual Meeting who receive the greatest number of votes properly cast for the election of Trustees shall be elected Trustees.

3

Votes cast by proxy or in person at the Annual Meeting will be counted by persons appointed by each Trust to act as election inspectors for the Meeting. The election inspectors will count the total number of votes cast "for" approval of the Proposals for purposes of determining whether sufficient affirmative votes have been cast. The election inspectors will count shares represented by proxies that withhold authority to vote for a nominee for election as a Trustee or that reflect abstentions or "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not exercise the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to the election of Trustees, abstentions and broker non-votes have no effect on the outcome of the Proposal so long as a quorum is present.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON FRIDAY, APRIL 16, 2010. THE JOINT PROXY STATEMENT AND EACH TRUST'S MOST RECENT ANNUAL REPORT ARE AVAILABLE ON THE INTERNET AT [HTTP://WWW.BABSONCAPITAL.COM/MCI](http://www.babsoncapital.com/MCI) AND [HTTP://WWW.BABSONCAPITAL.COM/MPV](http://www.babsoncapital.com/MPV). A COPY OF THE JOINT PROXY STATEMENT IS ALSO AVAILABLE ON [HTTPS://WWW.PROXYVOTE.COM](https://www.proxyvote.com). Each Trust will furnish, without charge, a copy of the Trust's annual report for its fiscal year ended December 31, 2009, and any more recent reports, to any Trust shareholder upon request. To request a copy, please write to the Trusts, c/o Babson Capital Management LLC, 1500 Main Street, P.O. Box 15189, Springfield, MA 01115-5189 or call the Trusts' transfer agent, Shareholder Financial Services, Inc., at 1-800-647-7374.

In accordance with the SEC's rules implementing Section 407 of the Sarbanes-Oxley Act of 2002 and upon due consideration of the qualifications of each member of each Trust's Audit Committee, each Board designated Mr. Benson as the Trust's Audit Committee Financial Expert.

In accordance with the standards set forth in the Audit Committee Charter of each Trust, the Audit Committee is responsible for: oversight matters; financial statement and disclosure oversight matters; matters related to the hiring, retention, and oversight of the Trust's independent accountants; certain accounting and audit related oversight matters; and certain other matters as set forth in the Audit Committee Charter. During the twelve months ended December 31, 2009, the Audit Committee held eight meetings.

The Joint Transactions Committee of each Trust is comprised of all Trustees who are not "interested persons" of the Trust, as defined in Section 2(a)(19) of the 1940 Act. This Committee reviews certain joint investment transactions between each Trust and MassMutual pursuant to the conditions set forth in the Trust's SEC exemptive order under Section 17(d) of the 1940 Act and Rule 17d-1 thereunder. This Committee acts primarily by written consent (eleven consents were executed by Committee members, approving seventeen investments and turning down one investment during the past fiscal year). The Committee also met five times during the year in conjunction with meetings of each Trust's Board of Trustees (approving two investments during the past fiscal year).

The Nominating Committee of each Trust currently is comprised of all Trustees who are not "interested persons" of the Trust, as defined in Section 2(a)(19) of the 1940 Act. A current copy of each Trust's Nominating Committee's Charter can be found on each Trust's website, www.babsoncapital.com/mci and www.babsoncapital.com/mpv. This Committee met once during fiscal year 2009.

The Nominating Committee is responsible for identifying and nominating individuals to serve as Trustees who are not "interested persons" of each Trust ("independent Trustees"). The Nominating Committee Charter contemplates that all nominees for independent Trustees have a college degree or, in the judgment of the Committee, equivalent business experience. In addition, the Committee may take into account a wide variety of factors in considering Trustee candidates, giving such weight to any individual factor(s) as it deems appropriate, including but not limited to: availability and commitment of a candidate to attend meetings and perform his or her responsibilities on each Board; relevant industry and related experience; educational background; depth and breadth of financial expertise; and an assessment of the candidate's ability, judgment, expertise, reputation, and integrity. In the case of a shareholder recommended candidate, the Committee may also consider any other facts and circumstances attendant to such shareholder submission as may be deemed appropriate by the Committee. Different factors may assume greater or lesser significance at particular times, in light of the

15

Board's present composition and the Committee's (or the Board's) perceptions about future issues and needs.

When each Board has or expects to have a vacancy for an independent Trustee, the Nominating Committee will consider candidates recommended by each Trust's current Trustees; each Trust's shareholders; each Trust's officers; each Trust's investment adviser; and any other source the Committee deems to be appropriate. Shareholder recommendations to fill vacancies on the Board for independent Trustees must be submitted in accordance with the provisions of the Nominating

Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

Committee Charter, which requires that shareholder recommendations be timely received, and contain biographical and other necessary information regarding the candidate that would be required for the Trust to meet its disclosure obligations under the proxy rules. The Nominating Committee will evaluate nominee candidates properly submitted by shareholders in the same manner as it evaluates candidates recommended by other sources.

During the past fiscal year, each Board of Trustees held five regular meetings (one of which was held by means of a telephone conference call) and held two special meetings by means of a telephone conference call. During the past fiscal year, each Trustee of each Trust attended all of the meetings of the Board of Trustees and all of the Committees of the Board on which s/he served.

TRANSACTIONS WITH AND REMUNERATION OF OFFICERS AND TRUSTEES

Pursuant to the Investment Services Contract between each Trust and Babson Capital (the "Contract"), Babson Capital paid the compensation and expenses of the Trusts' officers and of all Trustees of the Trusts who were officers or employees of Babson Capital, with the exception of the Trusts' Secretary and Chief Legal Officer and Associate Secretaries whose compensation and expenses were paid by MassMutual in 2009.

Trustees who are not officers or employees of MassMutual or Babson Capital receive an annual retainer paid by MCI of \$14,000 and by MPV of \$10,000. Each Trust also pays an additional annual retainer fee to the Chairman of the Audit Committee in the amount of \$2,500. Trustees of MCI also receive a fee of \$2,250 and Trustees of MPV receive a fee of \$1,500 for each meeting of each Board which they attend (\$1,125 and \$750 respectively for each meeting conducted by telephone conference call). Members of the Audit Committee and Nominating Committee of each Trust receive an additional fee of \$1,000 per meeting attended, including meetings conducted by telephone conference call. Pursuant to a deferred compensation plan, Trustees may defer receipt of their fees until their retirement from the Board or some other time at their election. During the fiscal year ended December 31, 2009, the aggregate direct remuneration to these Trustees and reimbursement of their out-of-pocket expenses paid was approximately \$221,821.30 for MCI and \$167,571.26 for MPV.

The following table discloses the compensation paid to each Trust's Trustees (not including reimbursement for out-of-pocket expenses) for the fiscal year ended December 31, 2009. The Trusts, MassMutual Premier Funds, MML Series Investment Fund, MassMutual Select Funds, and MML Series Investment Fund II are collectively referred to in the table below as the "Fund Complex". AUDIT COMMITTEE REPORT OF EACH TRUST

Each Trust's Audit Committee oversees the Trust's financial reporting process on behalf of each Trust's Board of Trustees and operates under a written Charter adopted by each Trust's Board of Trustees. The Audit Committee meets with each Trust's management ("Management") and independent registered public accountants and reports the results of its activities to each Trust's Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with each Committee's and independent registered accountant's responsibilities, Management advised that each Trust's financial statements were prepared in conformity with generally accepted accounting principles.

Accordingly, each Trust's Audit Committee has:

- |X| Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2009 with Management and KPMG LLP, each Trust's independent registered public accountants;
- |X| Discussed with KPMG LLP those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards); and
- |X| Received the written disclosure and the letter from KPMG LLP required by the Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committee Concerning Independence) and has discussed with KPMG LLP its independence.

Each Trust's Audit Committee has also reviewed the aggregate fees billed for professional services rendered by KPMG LLP for 2008 and 2009 for each Trust and for the non-audit services provided to Babson Capital, and Babson Capital's parent, MassMutual. As part of this review, the Audit Committees considered whether the provision of

17

such non-audit services was compatible with maintaining the principal accountant's independence.

In reliance on the reviews and discussions referred to above, each Trust's Audit Committee presents this Report to each Trust's Board of Trustees and recommends that each Trust's Board of Trustees (1) include the December 31, 2009 audited financial statements in the Annual Report to Shareholders for the fiscal year

Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

ended December 31, 2009, and (2) file such Annual Report with the Securities and Exchange Commission and the New York Stock Exchange.

Each Trust's Audit Committee appointed the firm of KPMG LLP as the Trust's auditor for the fiscal year ending December 31, 2010, and, in connection therewith, KPMG LLP will prepare all of each Trust's tax returns for the fiscal year ending December 31, 2010.

THE TRUSTS' INDEPENDENT AUDITORS

KPMG LLP ("KPMG") audited the financial statements of each Trust, Babson Capital, and MassMutual for the fiscal year ended December 31, 2009. KPMG's audit report for each Trust contained no qualifications or modifications. A KPMG representative is expected to be present at the upcoming Annual Meeting. This representative shall have the opportunity to make a statement if he or she desires to do so, and it is expected that such representative will be available to respond to appropriate questions from shareholders. As noted above, KPMG will audit each Trust's 2010 financial statements and prepare each Trust's 2010 Federal and state tax returns.

The category "Audit-Related Fees" reflects fees billed by KPMG for various non-audit and non-tax services rendered to the Trusts, Babson Capital, and MassMutual, such as SAS 70 review, and agreed upon procedures reports. Preparation of Federal, state and local income tax returns and tax compliance work are representative of the fees reported in the "Tax Fees" category. The category "All Other Fees" represents fees billed by KPMG for consulting rendered to Babson Capital and MassMutual. The Sarbanes-Oxley Act of 2002 and its implementing regulations allows each Trust's Audit Committee to establish a pre-approval policy for certain services rendered by the Trust's independent accountants. During 2009, each Trust's Audit Committee approved all of the services rendered to the Trust by KPMG and did not rely on such a pre-approval policy for any such services.

The 2008 fees billed represent final 2008 amounts, which may differ from the preliminary figures available as of the publication date of the Trusts' 2009 Proxy Statement and includes, among other things, fees for services that may not have been billed as of the publication date of the Trusts' 2009 Proxy Statement, but are now properly included in the 2008 fees billed to each Trust, Babson Capital, and MassMutual.

OTHER BUSINESS

The Board of Trustees of each Trust knows of no business to be brought before the Meeting other than as set forth above. If, however, any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed proxy card to vote proxies on such matters in accordance with their best judgment.
