**Item 1.01. Entry into a Material Definitive Agreement**

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

Effective March 1, 2005, Key Energy Services, Inc. (the **Company** ) entered into an employment agreement with William M. Austin (the **Agreement** ) pursuant to which Mr. Austin will serve as the **Company** 's Senior Vice President and Chief Financial Officer. The **Agreement** is for a three-year term and thereafter for successive one-year terms unless terminated at least ninety (90) days prior to the commencement of an extension term. The **Agreement** provides for an annual salary of \$400,000, which can be increased but not decreased. Mr. Austin is eligible for additional annual incentive bonus of up to 100% of his base salary and is guaranteed an additional bonus under the **Company** 's cash performance compensation plans of the greater of the amount provided under such plans or \$200,000 with respect to January through July 2005; provided that Mr. Austin is employed by the **Company** on such date. Mr. Austin shall also receive comprehensive medical and dental plans available to the **Company** 's senior management pursuant to which all medical and dental expenses incurred by him, his spouse and his children will be reimbursed by the **Company**, through insurance or, in the absence of insurance, directly by the **Company**, so that Mr. Austin has no out-of-pocket cost with respect to such expenses.

If, during the term of his employment agreement, Mr. Austin is terminated by the **Company** for any reason other than for Cause, or if he terminates his employment for Good Reason or following a Change in Control (as defined in the **Agreement**) of the **Company**, he will be entitled to (i) severance compensation equal to two (2) times his annual base compensation in effect at the time of termination payable in equal installments over a 24-month period following termination, and (ii) medical benefits for a two (2) year period post termination. The foregoing severance amount shall be reduced to one (1) times his base salary if the termination is a result of non-renewal by the **Company** of his employment after the initial three-year term. In addition, if termination results from a Change in Control of the **Company**, severance compensation will be increased to three (3) times his annual salary and will be payable in a lump sum on the date of termination. Also, if Mr. Austin is subject to the tax imposed by Section 4999 of the Internal Revenue Code, the **Company** has agreed to reimburse him for such tax on an after-tax basis; however, Mr. Austin has agreed to a reduction of up to 10% of the value he would receive if that would avoid the imposition of such tax, but he will be grossed-up for the excise tax if that amount of reduction would not be sufficient.

The **Agreement** provides for a non-compete and non-solicitation of employees and clients for the applicable severance period or twelve (12) months when no severance is owed.

The foregoing description of the **Agreement** does not purport to be complete and is qualified in its entirety by reference to the **Agreement**, which is attached as Exhibit 10.1 hereto, and is incorporated herein by reference.
