Annual Meeting of Shareholders

PROXY STATEMENT

GENERAL

The Annual Meeting of Shareholders of Winmark Corporation (Company) will be held on Wednesday, May 4, 2005, at 4:00 p.m., Central Daylight Time, at the Company s corporate offices, 4200 Dahlberg Drive, Suite 100, Minneapolis, Minnesota, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by the Board of Directors of the Company. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of the Company personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying the Company in writing at the above address, attention: General Counsel, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

Shares voted as abstentions on any matter (or a withhold authority vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a non-vote proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by the Company. The Company may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. This proxy statement and accompanying form of proxy are first being mailed to shareholders on or about March 23, 2005.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed March 9, 2005, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business

Edgar Filing: WINMARK CORP - Form DEF 14A

on March 9, 2005, 5,964,547 shares of the Company's Common Stock were issued and outstanding. The Common Stock is the only outstanding class of capital stock of the Company entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Holders of Common Stock are not entitled to cumulative voting rights.

Under applicable Minnesota law, approval of the proposal to set the number of directors at seven requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. The election of the nominees requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at a meeting at which a quorum is present.

ELECTION OF DIRECTORS

(Proposals #1 and #2)

At the meeting, the Board of Directors of the Company is to be elected to hold office until the 2006 Annual Meeting or until successors are elected and have qualified. The Nominating Committee recommended to the Board of Directors that the shareholders set the number of directors at seven and elect the nominees named below.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. CORPORATE GOVERNANCE AND BOARD MATTERS

Code of Ethics and Business Conduct

We have adopted the Winmark Corporation Code of Ethics and Business Conduct (the Code of Conduct), that applies to our directors, officers and employees. The Code of Conduct is publicly available on our web site at www.winmarkcorporation.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the code of conduct to our directors or executive officers, we will disclose the nature of such amendments or waiver on our web site or in a report on Form 8-K.

Majority of Independent Directors; Committee of Independent Directors

The Board of Directors has determined that Messrs. Dunlap, Reyelts, Wilson, and Ms. Grassle, constituting a majority of the Board of Directors, are independent directors in accordance with rules of the Nasdaq since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Messrs. Morgan, Briggs and MacKenzie are precluded from being considered independent by Nasdaq rules since they either currently serve as executive officers of the Company and/or have had a relationship with the Company that preclude them from being deemed independent under Nasdaq rules.

Edgar Filing: WINMARK CORP - Form DEF 14A

Each member of the Company's Audit Committee, Compensation Committee and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with Nasdaq rules.

Standing Committees

The Board of Directors of the Company has three standing committees, the Audit Committee, the Compensation Committee and the Nominating Committee. In February 2004, the Board of Directors approved the New Audit Committee Charter, which is attached as Appendix A to the 2004 Proxy Statement.

Audit Committee

The Audit Committee provides oversight by reviewing financial reports and other financial information of the Company, reviewing the Company's systems of internal control regarding finance, accounting, legal compliance and ethics, and reviewing the Company's auditing, accounting and financial reporting process. The Audit Committee serves as an independent and objective party to monitor the Company's financial reporting process and internal control system. The Audit Committee coordinates, reviews and appraises the audit efforts of the Company's independent accountants. Further, the Audit Committee communicates directly with the independent accountants, financial and senior management and Board of Directors regarding the matters related to the Committee's responsibilities and duties. Paul C. Reyelts is the Audit Committee Financial Expert and Chairperson of the Audit Committee. The Audit Committee, which consists of Paul C. Reyelts, William D. Dunlap, Jr. and Mark L. Wilson, held meetings or took action in writing five times during fiscal 2004.

The Nominating Committee, which consists of Paul C. Reyelts, William D. Dunlap, Jr., Jenele C. Grassle and Mark L. Wilson, was created in December, 2003 and held one meeting and took action in writing one time during fiscal 2004. Jenele C. Grassle has been appointed Chairperson of the Nominating Committee. The Nominating Committee Charter is publicly available on our web site at www.winmarkcorporation.com.

The Company does not have a formal policy with regard to the consideration of director candidates recommended by shareholders since it is the Company's practice to consider director recommendations from any source. The Board is comprised of a majority of independent directors, which ensures consideration of director candidates from any source based on the criteria set forth below. Each Nominating Committee member is independent. The Board will consider director candidates recommended by shareholders according to the following membership criteria.

Board Membership Criteria

In selecting the new directors, the Committee shall consider any requirements of applicable law or listing standards, a candidate's strength of character, judgement, business experience and specific area of expertise, factors relating to compensation of the Board, principles of diversity and such other factors as the Committee shall deem important.

The Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation.

Shareholder Nomination of Directors

A shareholder who wishes to recommend one or more directors must provide a written recommendation to the Secretary of the Company at the address below. Notice of a recommendation must include:

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. The Company may require any nominee to furnish additional information that may be needed to determine the eligibility of the nominee.

(NASD) that governs audit committee composition, Rule 4310(c)(26)(B)(i), including the requirement that audit committee members all be independent directors as that term is defined by NASD Rule 4200(a)(15).

In accordance with its written charter adopted by the Board of Directors, (attached as Appendix A to the Proxy Statement filed in connection with the Company's 2005 Annual Meeting) the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 25, 2004, as filed with the Securities and Exchange Commission.

Certain Relationships and Related Transactions

There are no transactions that occurred since the beginning of the Company's last fiscal year, or proposed transactions, to which the Company was or is to be a party, in which the directors, executive officers, nominees for directors, beneficial shareholders or any immediate family member to the foregoing persons have a direct or indirect material interest.

Employment Agreements

The Company entered into an employment agreement with John L. Morgan, CEO, in March 2000. The Company amended the agreement in February 2001 increasing Mr. Morgan's base salary from \$50,000 to \$100,000. The agreement continues in effect until terminated. Mr. Morgan is entitled to a bonus determined by the Compensation Committee. In connection with this agreement, Mr. Morgan was granted an option to purchase 600,000 shares of common stock at an exercise price of \$5.00 per share in March of 2000. As of March 22, 2005, the option has fully vested.

No other key executives have an employment agreement with the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Company's directors, executive officers, and persons who own more than ten percent of the Common Stock of the Company, to file with the Securities and Exchange Commission (Commission) initial reports of beneficial ownership and reports of changes in beneficial ownership of common shares of the Company. Directors, officers and greater than ten percent shareholders are required by the regulations of the Commission to furnish the Company with copies of all Section 16(a) reports they file. Except as set forth below, to the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 25, 2004, all Form 3, Form 4 and Form 5 filing requirements of the Company's directors, executive officers and persons who own more than ten percent of the Common Stock of the Company were met except as follows: The following individuals each filed one Form 4 late in December 2004 to report one transaction, a stock option grant: Stephen M. Briggs, Rebecca J. Geyer, Brett D. Heffes, Mark T. Hooley, Steven A. Murphy, William D. Dunlap, Jenele Grassle, Kirk A. MacKenzie, Paul C. Reyelts and Mark L. Wilson. Ms. Grassle also filed a Form 4 late in August 2004 to report a stock option grant.

COMPENSATION COMMITTEE REPORT

Compensation Committee. The purpose of the Compensation Committee of the Board of Directors is to oversee compensation of executive officers, key employees and non-employee directors of the Company and oversee broad-based employee compensation policies. The Committee's policy is to insure that compensation programs contribute directly to the success of the Company including enhanced share value. The Compensation Committee is comprised of four members of the Board of Directors, none of whom is an employee of the Company.

Executive Compensation Policies and Programs. The Company's executive compensation programs are designed to attract and retain qualified executives and to motivate them to maximize shareholder investment by achieving strategic Company goals. There are three basic components to the Company's executive compensation program: base pay, annual incentive bonus and long-term, equity-based incentive compensation in the form of stock options. Each component is established in light of individual and Company performance, comparable compensation programs in the Minneapolis/Saint Paul metropolitan area, equity among employees and cost effectiveness.

Base Pay. Base pay is designed to be competitive, although conservative, as compared to salary levels for equivalent positions at comparable companies in the Minneapolis/Saint Paul metropolitan area. The executive's actual salary within this competitive framework depends on the individual's performance, responsibilities, experience, leadership and potential future contribution. The salary of all executive officers is set annually by the Compensation Committee after considering recommendations by the CEO.

Annual Incentive Bonus. In addition to base pay, each executive is eligible to receive an annual cash bonus. For fiscal 2004, the bonus for executives was, depending on the executive, based on the amount of royalties collected by the Company from its franchising operations, the Company's earnings and specific job performance criteria. The Committee believes that it is not in the best interests of the Company to identify the specific financial performance measures.

Long-Term, Equity-Based Incentive Compensation. Under the current program, long-term incentive compensation consists of stock options that generally do not fully vest until after four years. Generally, stock options are awarded with an exercise price equal to the fair market value of the Company's common shares on the date of grant. Accordingly, the executive is rewarded only if the shareholders receive the benefit of appreciation in the price of the Common Stock.

Edgar Filing: WINMARK CORP - Form DEF 14A

Because long-term options vest over time, the Company periodically grants new options to provide continuing incentives for future performance. Each executive's annual grants are based upon the individual's performance, responsibilities, experience, leadership and potential future contribution and any other factors deemed relevant by the Committee and based on the CEO's recommendations.

Stock options are designed to align the interests of the Company's executives with those of shareholders by encouraging executives to enhance the value of the Company and, hence, the price of the Common Stock and the shareholders' investment. In addition, through deferred vesting, this component of the compensation system is designed to create an incentive for the executive to remain with the Company.

Limits On Deductible Compensation Payable To Executive Officers. The Omnibus Reconciliation Act of 1993 added Section 162(m) to the Internal Revenue Code of 1986, as amended (the Code) limiting corporate deductions to \$1,000,000 for certain compensation paid to the chief executive officer and each of the four other most highly compensated executives of publicly held companies. The Company does not believe it will pay compensation within the meaning of Section 162(m) to such executive officers in excess of \$1,000,000 in the foreseeable future. Therefore, the Company does not have a policy at this time regarding qualifying compensation paid to its executive officers for deductibility under Section 162(m), but will formulate a policy if compensation levels ever approach \$1,000,000.

Employee Compensation Policies and Programs. The Compensation Committee administers and makes recommendations to the Board of Directors regarding any proposed changes to the terms of the Company's equity-based compensation plans

Director Compensation. The Compensation Committee reviews and approves the overall compensation and benefit programs for non-employee directors to ensure that compensation and benefit plans for non-employee directors are reasonable and are competitive with similar programs for non-employee directors at similar companies.

Annual Reviews. Each year the Compensation Committee reviews the executive compensation policies and programs, the general employee compensation policies and programs and Director compensation and benefits and determines what changes, if any, are appropriate for the following year. In addition, the Committee reviews the individual performance of the Chief Executive Officer.

Compensation Committee Interlocks. No interlocking relationship exists among members of the Company's Board of Directors or Compensation Committee and the Board of Directors or Compensation Committee of any other Company.

The foregoing report is submitted by Paul C. Reyelts, William D. Dunlap, Jr., Mark L. Wilson and Jenele Grassle, the members of the Compensation Committee.

STOCK OPTION PLAN
FOR NON-EMPLOYEE DIRECTORS
(AS AMENDED AND RESTATED)

(Proposal #3)

General

The Board of Directors has approved, subject to shareholder approval, the Winmark Corporation Stock Option Plan for Non-employee Directors, as amended and restated (the Plan). Currently, there are 200,000 shares reserved under the Plan of which 135,000 shares are issued and outstanding.

The Plan will give the Company greater flexibility in issuing annual option grants to non-employee directors, permit the Company to issue grants to non-employee directors of Winmark subsidiaries and update the Plan's provisions to reflect current law.

A general description of the Plan is set forth below, but such description is qualified in its entirety by reference to the full text of the Plan, a copy of which may be obtained without charge upon written request to the General Counsel of the Company.

Description of the Plan

Purpose. The purpose of the Plan is to attract, reward and retain highly qualified non-employee directors and to increase their proprietary interest in the Company's success and retain qualified officers and other employees and consultants by furnishing them an incentive to promote the success of the Company.

Eligibility. The Plan provides that each director who is not also an employee of the Company will receive an option to purchase 25,000 common shares at the beginning of that director's first term for the Company. Each current non-employee director/nominee has received his or her initial grant to purchase 25,000 shares. The Plan allows the Company to issue annual option grants non-employee directors of the Company and its affiliates. The exercise price of all options under the Plan is equal to the fair market value on the date of grant.

Options. Each option granted under the Plan vests and becomes exercisable in five equal annual increments beginning one year after the date of grant. Except upon a change of control as defined in the Plan, any unvested portion of an option is forfeited upon the holder's termination as a non-employee director. In the event of a change in control, all options under the Plan become fully exercisable. The vested portion of an option may be exercised for a term ending on the earlier of the date that is five years from the date of vesting of the first increment or that is 30 days following the last day the holder served as a non-employee director. In the event that a non-employee director shall cease to be a director, such director shall have the right to exercise any options, to the extent exercisable on the date of termination and in no event later than the expiration of the stated terms, for a period of 90 days after termination if such termination was due to death, for the remainder of the option term if such termination was due to disability and for a period of 30 days after termination for any such reason. No option granted under the Plan is transferable, except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by

applicable laws.

In the event of any merger, reorganization, consolidation, recapitalization, share dividend, share split, or other change in corporate structure affecting the share, such substitution or adjustment will be made as may be determined to be appropriate by the Board to prevent dilution or enlargement of the option rights under the Plan.

Edgar Filing: WINMARK CORP - Form DEF 14A

Administration. Options under the Plan may be exercised, by delivering to the company at its offices, written notice of the election to exercise and the number of shares subject to such exercise, together with payment in full of the exercise price. Payment of the exercise price shall be made by cash of certified bank check or delivery of Company shares owned by the holder with a fair market value equal to the exercise price. Unless otherwise determined by the Board of Directors, tax-withholding obligations may be settled with common shares owned by the option holder.

Amendment. The Board of Directors of the Company may from time to time amend, suspend or discontinue the Plan; provided however, that no action of the Board of Directors or any committee may (i) materially increase the number of shares subject to the Plan; (ii) change the designation of the class of non-employee directors eligible to receive options; (iii) decrease the price at which the options may be granted; or (iv) materially increase the benefits accruing to Optionees under the Plan unless such revision or amendment is approved by the shareholders of the Company.

Plan Benefits. Except for the initial grants, future grants of options are subject to the discretion of the Board and, therefore, cannot be determined at this time. The table below shows the total number of shares underlying options that have been granted under the Plan as of March 9, 2005 to the Named Executive Officers and the groups set forth.

Name and Position/Group	Shares of Common Stock Underlying Awards Received (1)
William D. Dunlap	29,000
Jenele C. Grassle	29,000
Kirk A. MacKenzie	29,000
Paul C. Reyelts	29,000
Mark L. Wilson	29,000
Current Executive Officers as a Group (0 persons)	0
Current Directors who are not Executive Officers as a Group (5 persons)	145,000
Current Employees who are not Executive Officers or Directors as a Group (0 persons)	0

(1) Includes options granted which are currently outstanding or have been exercised or have vested, as the case may be.

Federal Income Tax Consequences. The options granted under the Plan are not intended to be incentive stock options within the meaning of Section 422 of the Internal Revenue Code. At the time an option is granted, no income will be realized by the optionee, and no deduction will be allowable to the Company. Upon the exercise of the option, the excess of the fair market value of the shares acquired on the date of exercise over the exercise price paid will be ordinary income to the optionee and deductible by the Company, to the extent such amount satisfies the general rules concerning deductibility of compensation.

(c) Method of Exercise. Stock Options may be exercised in whole or in part at any time during the term of the Option, as described in Section 5(a). Payment of the exercise price will be made by (i) cash or certified bank check, (ii) delivery of shares of Stock already owned by the Participant, or (iii) any combination of the foregoing. For purposes of this paragraph, shares of Stock that are delivered in payment of the exercise price will be valued at their Fair Market Value as of the date of the exercise of the Option.

(d) Withholding. The Company's obligation to deliver shares upon the exercise of Options will be subject to applicable federal, state, and local tax withholding requirements. Unless otherwise determined by the Committee, the Participant may satisfy such obligation, in whole or in part, by electing to have the Company or its Affiliate withhold shares of Stock otherwise issuable to the Participant as a result of the exercise of the Stock Option, or by electing to deliver to the Company already-owned shares of Stock, in either case having a Fair Market Value equal to the minimum required tax withholding, based on the minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to the supplemental income resulting from such exercise. In no event may the Company or its Affiliate withhold shares having a Fair Market Value in excess of such statutory minimum required tax withholding. The Participant's election to have shares withheld or to deliver already-owned shares of Common Stock for this purpose shall be made on or before the date the Stock Option is exercised or, if later, the date that the amount of tax to be withheld is determined under applicable tax law. Such election shall be approved by the Committee and otherwise comply with such rules as the Committee may adopt to assure compliance with Rule 16b-3, or any successor provision, as then in effect, of the General Rules and Regulations under the Securities Exchange Act of 1934, if applicable.

(e) Restrictions on Transfer of Option. Each Option granted under this Plan will be transferable only by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act (ERISA), or the rules thereunder. Except as permitted by the preceding sentence, no Option granted under the Plan or any of the rights and privileges thereby conferred will be transferred, assigned, pledged, or hypothecated in any way (whether by operation of law or otherwise), and no such option, right, or privilege will be subject to execution, attachment, or similar process. An Option may be exercised during the Participant's lifetime only by the Participant or his or her guardian or legal representative.

6. Shares of Stock Subject to the Plan.

(a) General. There will be reserved and available for issuance upon the exercise of Options granted from time to time under the Plan an aggregate of Two Hundred Thousand (200,000) shares of the Stock. Such shares may consist, in whole or in part, of authorized but unissued shares of Stock or issued shares that have been reacquired by the Company. If any shares subject to an Option are not issued because the Option is not exercised, such shares will again be available for distribution in connection with future options.

(b) Adjustments for Recapitalizations. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, or other change in corporate structure affecting the Stock, such substitution or adjustment will be made in the number and option price of shares purchasable pursuant to Section 5(a), in the aggregate number of shares reserved for issuance under the Plan under this Section 6, and in the number and option price of shares subject to outstanding Options granted under the Plan as may be determined to be appropriate by the Board to prevent dilution or enlargement of Option rights granted hereunder, provided that the number of shares subject to any Option will always be a whole number.

7. Death or Disability of Participant.

(a) Termination by Death. If a Participant's service on the Board or any Subsidiary Board terminates by reason of death, any Stock Option held by such Participant may thereafter be exercised by the legal representative of the Participant's estate or by any person who acquired the Option by will or the laws of descent and distribution for a period of one year from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter. The Option shall be exercisable only to the extent that such Option was exercisable as of the date of death.

(b) Termination by Reason of Disability. If a Participant's service on the Board or any Subsidiary Board terminates by reason of Disability, the Participant may exercise such portion of the Option as was exercisable at the date of termination until the expiration of the stated term of such Stock Option; provided, however, that, if the Participant dies prior to the expiration of the Option, any unexercised Stock Option held by such Participant will thereafter be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

8. Restrictions on Transfer of Stock. Unless a registration statement under the Securities Act of 1933 and applicable state securities laws is in effect with respect to Stock to be purchased upon exercise of options to be granted under the Plan, the Company may require that the Participant represent to and agree with the Company in writing that he or she is acquiring such shares of Stock for the purpose of investment and with no present intention to transfer, sell, or otherwise dispose of such shares of Stock. Further, in the absence of such registration, no shares of Stock acquired pursuant to exercise at an Option may be transferred unless, in the opinion of counsel to the Company, such transfer is in compliance with applicable securities laws, and each certificate representing any shares of Stock issued to a Participant hereunder will have endorsed thereon an appropriate legend referring to the restrictions against transfer. As a further condition to the issuance of Stock to Participant, Participant agrees to the following:

(a) Lock-Up Period Limitation. In the event the Company advises Participant that it plans an underwritten public offering of its Stock in compliance with the Securities Act of 1933, as amended, and the underwriter(s) seek to impose restrictions under which certain shareholders may not sell or contract to sell or grant any option to buy or otherwise dispose of part or all of their rights to the Stock underlying Options, Participant will not, for a period not to exceed 180 days from the prospectus, sell or contract to sell or grant an option to buy or otherwise dispose of any Option granted to Participant pursuant to the Plan or any of the underlying shares of Stock without the prior written consent of the underwriter(s) or its representative(s).

(b) Blue-Sky Limitation. In the event the Company makes any public offering of its securities and determines in its sole discretion that it is necessary to reduce the number of issued but unexercised Options so as to comply with any state's securities or Blue Sky law limitations with respect thereto, the Board shall have the right (i) to accelerate the exercisability of any Option and the date on which such Option must be exercised, provided that the Company gives Participant prior written notice of such acceleration, and (ii) to cancel any Options or portions thereof which Participant does not exercise prior to or contemporaneously with such public offering.

(c) Accounting Compliance. In the event of an acquisition of the Company through the sale of substantially all of the Company's assets and the consequent discontinuance of its business or through a merger, consolidation, exchange, reorganization, reclassification, extraordinary dividend, divestiture or liquidation of the Company (collectively referred to as a transaction), Participant will comply with Rule 145 of the Securities Act of 1933 and any other restrictions imposed under other applicable legal or accounting principles if Participant is an affiliate (as defined in such applicable legal and accounting principles) at the time of the transaction, and Participant will execute any documents necessary to ensure compliance with such rules.

The Company reserves the right to place a legend on any stock certificate issued upon the exercise of an Award pursuant to the Plan to assure compliance with this Section 8.

9. Amendment of the Plan. The Board may suspend or terminate the Plan or any portion thereof at any time. Further, either the Board or the Committee may amend the Plan from time to time as may be deemed to be in the best interests of the Company and its Affiliates; provided, however, that no such amendment, alteration, or discontinuation will be made (a) that would impair the rights of a Nonemployee Director with respect to Options theretofore awarded, without such person's consent, or (b) without the approval of the shareholders if such approval is necessary to comply with any legal, tax, or regulatory requirement, including any approval requirement that is a prerequisite for exemptive relief from Section 16(b) of the Exchange Act.

10. Applicability of Plan to Outstanding Stock Options. This Plan will not affect the terms and conditions of any Stock Options currently outstanding to any Nonemployee Director of the Company, nor will it affect any of the rights of any Nonemployee Director to whom such a Stock Option was granted.

11. Effective Date of Plan. This Plan was originally effective September 24, 1993. The restated Plan will become effective upon the date of its adoption by the Board, subject to approval of the shareholders of the Company at the next shareholders' meeting.

12. Change in Control Provisions.

(a) Impact of Event. All options granted hereunder will become fully exercisable and vested in the event of a Change in Control as defined in Section 12(b) or a Potential Change in Control as defined in Section 12(c).

(b) Definition of Change in Control. For purposes of Section 12(a), a Change In Control means the happening of any of the following:

(i) When any person as defined in Section 3(a)(9) of the Exchange Act and as used in Sections 13(d) and 14(d) thereof, including a group as defined in Section 13(d) of the Exchange Act, but excluding the Company or any subsidiary or parent or any employee benefit plan sponsored or maintained by the Company or any subsidiary or parent (including any trustee of such plan acting as trustee), directly or indirectly, becomes the Beneficial Owner (as defined in Rule 13d-3 under the Exchange Act, as amended from time to time), of securities of the Company representing 20 percent or more of the combined voting power of the Company's then outstanding securities;

(ii) When, during any period of 24 consecutive months during the existence of the Plan, the individuals who, at the beginning of such period, constitute the Board (Incumbent Directors) cease for any reason other than death to constitute at least a majority thereof; provided, however, that a director who was not a director at the beginning of such 24-month period will be deemed to have satisfied such 24-month requirement (and be deemed an Incumbent Director) if such director was elected by, or on the recommendation or, or with the approval of, at least 60% of the directors who then qualified as Incumbent Directors either actually (because they were directors at the beginning of such 24-month period) or by prior operation of this Section 12(b)(ii); or

(iii) The approval by the shareholders of an acquisition of the Company by an entity other than the Company or a subsidiary or parent through purchase of assets, or by merger, or otherwise.

(c) Definition of Potential Change in Control. For purposes of Section 12(a), a Potential Change in Control means the approval by the Board of an agreement by the Company the consummation of which would result in a Change in Control of the Company as defined in Section 12(b).

13. Nonexclusivity of the Plan. The adoption of this Plan will not be construed as limiting the power of the Board to adopt such other incentive arrangements as it may deem desirable, including the granting of stock options otherwise than under this Plan. Such arrangements may be either generally applicable or applicable only in specific cases.

14. Miscellaneous.

(a) Governing Law. This Plan will be governed by and construed in accordance with the laws of the State of Minnesota, and all terms will be interpreted and construed so that there will not be committed any violation of applicable state or federal securities laws.

(b) No Additional Rights of Service. Participation in or eligibility for participation in the Plan does not grant any person any right of service as a Director, and the Company retains the right to terminate service of any Director pursuant to Company's Articles, Bylaws, and applicable law.
