At the annual meeting, you will be asked to vote on the following proposals:

1. Elect eight directors, each for a one-year term;
2. Ratify the appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm for the year ending December 31, 2005; and
3. Such other matters as may properly come before the meeting.

The Board of Directors recommends that the shareholders vote to elect the Board's nominees for director and to ratify the appointment of Ernst & Young LLP.

On or about April 8, 2005, we began mailing this proxy statement to people who, according to our records, owned common shares or beneficial interests in us as of the close of business on March 17, 2005. INFORMATION ABOUT THE 2005 ANNUAL MEETING AND VOTING

The Annual Meeting

The annual meeting will be held on May 12, 2005 at our corporate office, 10706 Beaver Dam Road, Hunt Valley, Maryland 21030 at 10:00 a.m. local time.

This Proxy Solicitation

We are sending you this proxy statement because our Board of Directors is seeking a proxy to vote your shares at the annual meeting. This proxy statement is intended to assist you in deciding how to vote your shares.

We are paying the cost of requesting these proxies. Our directors, officers and employees may request proxies in person or by telephone, mail, telecopy or letter. We will reimburse brokers and other nominees for their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of our common shares.

Voting Your Shares

You may vote your shares at the annual meeting either in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. Ballots for voting in person will be available at the annual meeting. To vote by proxy, you must complete and return the enclosed proxy card in time for it to be received by us before the annual meeting. By completing and returning the proxy card, you will be directing the persons designated on the proxy card to vote your shares at the annual meeting in accordance with the instructions you give on the proxy card.

If you hold your shares with a broker and you do not tell your broker how to vote, your broker has the authority to vote on both proposals. Abstentions and broker non-votes (where a broker or nominee is not permitted to exercise discretionary authority to vote on a matter) are not counted as votes cast on any matter to which they relate, but are counted in determining the presence of a quorum.

If you decide to vote by proxy, your proxy card will be valid only if you sign, date and return it before the annual meeting scheduled to be held on May 12, 2005.

If you complete the proxy card, except for the voting instructions, then your shares will be voted FOR each of the director nominees identified on the proxy card and FOR ratification of the selection of Ernst & Young LLP as our Independent Registered Public Accounting Firm for 2005.

We have described in this proxy statement all the proposals that we expect will be made at the annual meeting. If a shareholder or we properly present any other proposal at the meeting, we will use your proxy to vote your shares on the proposal in our best judgment.

Revoking Your Proxy

If you decide to change your vote, you may revoke your proxy at any time before it is voted. You may revoke your proxy by any one of three ways:

you may notify our Secretary in writing that you wish to revoke your proxy, at the following address: Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland, 21030, Attention: J. Duncan Smith, Vice President and Secretary. We must receive your notice before the time of the annual meeting;

you may submit a proxy dated later than your original proxy; or

you may attend the annual meeting and vote. Merely attending the annual meeting will not by itself revoke a proxy; you must obtain a ballot and vote your shares to revoke the proxy.

Vote Required for Approval

Shares Entitled to Vote. On March 17, 2005 (the record date), the following shares were issued and outstanding and had the votes indicated:

46,306,206 shares of Class A Common Stock, each of which is entitled to one vote on each of the proposals,
and

39,072,649 shares of Class B Common Stock, each of which is entitled to ten votes on each of the proposals.

Quorum. A majority of the outstanding shares of common stock entitled to vote, or a quorum, must be present at the annual meeting in order to transact business. A quorum will be present if 218,516,349 votes are represented at the annual meeting, either in person (by the shareholders) or by proxy. If a quorum is not present, a vote cannot occur. In deciding whether a quorum is present, abstentions and broker non-votes will be counted as shares that are represented at the annual meeting.

Votes Required. The votes required on each of the proposals are as follows:

Proposal 1: Election of Eight Directors	The eight nominees for director who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee.
Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm	The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the selection of the Independent Registered Public Accounting Firm. If you abstain from voting, your abstention will not count as a vote cast for or against the proposal.

Additional Information

We are mailing our annual report to shareholders for the year ended December 31, 2004, including consolidated financial statements, to all shareholders entitled to vote at the annual meeting together with this proxy statement. The annual report does not constitute a part of the proxy solicitation material. The annual report tells you how to get additional information about us.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees for election to the Board of Directors are:

David D. Smith

Frederick G. Smith

J. Duncan Smith

Robert E. Smith

Daniel C. Keith

Martin R. Leader

Lawrence E. McCanna

Basil A. Thomas

Each director will be elected to serve for a one-year term, unless he resigns or is removed before his term expires, or until his replacement is elected and qualified. Each of the nominees listed above is currently a member of the Board of Directors and each of them has consented to serve as a director if elected. More detailed information about each of the nominees is available in the section of this proxy statement titled Directors and Executive Officers, which begins on page 7.

If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees. If a substitute is nominated, we will vote all valid proxies for the election of the substitute nominee or nominees. Alternatively, the Board of Directors may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the board.

The amended and restated certificate of incorporation provides that our business shall be managed by a board of directors of not less than three and not more than thirteen directors with the number of directors to be fixed by the Board of Directors from time to time. The Board of Directors has presently established the size of the Board at eight members. Proxies for the annual meeting may not be voted for more than eight nominees.

Messrs. David, Frederick, Duncan and Robert Smith (collectively, the controlling shareholders) are brothers and have entered into a shareholders agreement pursuant to which they have agreed to vote for each other as candidates for election to the Board of Directors until June 12, 2005. They are currently considering extending this agreement into the future.

The Board of Directors recommends a vote for each of the nominees to the board of directors.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as our independent registered public accounting firm for 2005. If the shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reevaluate the engagement of the independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may nevertheless appoint another independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the shareholders.

A representative of Ernst & Young LLP is expected to attend the annual meeting. The Ernst & Young representative will have the opportunity to make a statement if he or she desires to do so and will be able to respond to appropriate questions from shareholders. Additional information regarding fees paid to Ernst & Young LLP is available in the section of this proxy statement titled "Audit Committee, Audit Fees and Auditor Independence."

The board of directors recommends a vote for ratification of the appointment of Ernst & Young LLP.

Meetings of the Board of Directors and Standing Committees

In 2004, the Board of Directors held a total of six meetings. During the year, two unanimous consent and 12 informal actions were executed. Each director attended all meetings of the Board of Directors and all committees of the Board of Directors on which he served. All directors attended the Annual Meeting held on May 13, 2004. It is the Board's policy that the Directors should attend our annual meeting of shareholders, absent exceptional cause.

The Board of Directors currently consists of eight members. The Board has determined that Messrs. McCanna, Keith and Leader meet the independence criteria under rule 4200 of the Nasdaq rules. The committees of the Board of Directors include an Audit Committee and a Joint Compensation and Stock Option Committee.

Controlled Company Determination. Our Board has determined that we are a Controlled Company for purposes of the Nasdaq listing requirements. A Controlled Company is a company of which more than 50% of the voting power is held by an individual, a group or another company. Certain Nasdaq requirements do not apply to a Controlled Company, including requirements that: (1) a majority of its board of directors must be comprised of independent directors as defined in Nasdaq's rules; and (2) the compensation of officers and the nomination of directors be determined in accordance with specific rules, generally requiring determinations by committees comprised solely of independent directors or in meetings at which only the independent directors are present. Our Board of Directors has determined that we are a Controlled Company based on the fact that the Smith brothers hold more than 50% of the voting power of Sinclair and are parties to a shareholders agreement that obligates them to vote for each other as candidates for election to the Board of Directors. The Smith brothers have filed a Schedule 13D, as amended, disclosing that they may be deemed to be acting as a group. The Smith brothers have been our executive officers and/or directors at all times since it became public in 1995. Currently, David D. Smith, Frederick G. Smith and J. Duncan Smith are both executive officers and directors and Robert E. Smith is a director.

Audit Committee. The members of the Audit Committee are Messrs. Thomas, McCanna, Keith and Leader. Messrs. McCanna, Keith and Leader meet the independence criteria established by Nasdaq and the SEC. The Audit Committee is governed by a written charter approved by the Board of Directors. The Audit Committee formally met 12 times during the year ended December 31, 2004.

The Board of Directors has determined that all audit committee members are financially literate under the current listing standards of the Nasdaq and that Lawrence E. McCanna qualifies as an audit committee financial expert as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002.

Nasdaq rules adopted during 2003 require that audit committees have at least three directors and that all directors be independent, as defined by Nasdaq and SEC rules.

Notwithstanding the foregoing, one director who (1) is not independent as defined in the Nasdaq rules; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a family member of such officer or employee, may be appointed to the audit committee, if the board, under exceptional and limited circumstances, determines that membership on the audit committee by the individual is required by the best interests of our company and its shareholders and the board discloses in the next annual proxy statement subsequent to such, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the audit committee for more than two years and may not chair the audit committee.

Pursuant to the Nasdaq rules governing director independence, Basil A. Thomas is not deemed to be independent because of Mr. Thomas's relationship to our outside counsel. Mr. Thomas is of counsel to Thomas & Libowitz, P.A. and the father of Steven A. Thomas, a partner and founder of Thomas & Libowitz, P.A., which serves as our outside counsel. During 2004, we paid Thomas & Libowitz, P.A. approximately \$270,000 in fees and expenses for legal services.

Notwithstanding Mr. Thomas's failure to meet Nasdaq's current independence criteria, the Board of Directors has determined that it is in the best interests of Sinclair and its shareholders that Mr. Thomas serve on both the Board and the Audit Committee. This determination is based on the personal knowledge that the Board has with respect to Mr. Thomas's financial abilities, knowledge and integrity, based in large part on his past services as a Director of Sinclair since 1993 and a member of the Audit Committee since 1996. Mr. Thomas served on the Audit Committee during the previous year pursuant to the Board's determination that it was in the best interest of Sinclair and its shareholders. As a result, Mr. Thomas will be able to serve on the Audit Committee under Nasdaq's exceptional and limited circumstances exception until the Annual Meeting of Sinclair shareholders in 2006.

Joint Compensation and Stock Option Committee. Nasdaq listing requirements require that compensation of executive officers be determined, or recommended to the Board of Directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors. As a controlled company, however, we are not subject to this listing requirement and, as a result, the Board of Directors has determined that notwithstanding Mr. Thomas's failure to meet Nasdaq's current independence criteria, it is in the best interest of Sinclair and its shareholders that Mr. Thomas serve on the Joint Compensation and Stock Option Committee. The other members of the Joint Compensation and Stock Option Committee are Messrs. McCanna, Keith, and Leader, all of whom meet the independence criteria established by Nasdaq listing requirements and the SEC. This Committee is charged with the responsibility for setting executive compensation, reviewing certain

compensation programs and making recommendations to the Board of Directors. The Joint Compensation and Stock Option Committee formally met 11 times during the year ended December 31, 2004.

Nominating Committee. The Board does not have a standing nominating committee and there is no formal nominating committee charter, although the Board has adopted a resolution addressing the director nominations process. Instead, the directors who are determined to be independent under the Nasdaq rules perform the functions of a nominating committee. The Board believes it is appropriate not to maintain a standing nominating committee primarily because the relatively small number of independent directors on the Board makes it unnecessary to separate the nominating function into a committee structure.

Our independent directors are responsible for identifying and recommending nominees to the Board of Directors for membership on the Board. The independent directors' primary responsibilities in recommending nominees are to: (1) establish criteria for the selection of new directors to become members of the Board, which criteria shall be approved by the Board; (2) lead the search for and identify individuals qualified to become members of the Board and conduct the necessary and appropriate inquiries into the backgrounds and qualifications of possible nominees; (3) consider questions of independence and possible conflicts of interest of members of the Board and executive officers, and whether a

candidate has special interests or a specific agenda that would impair his or her ability to effectively represent the interest of all shareholders; (4) consider recommendations for director nominees from current directors and executive officers, shareholders and other parties they deem appropriate; (5) have the authority to retain and terminate a search firm to identify director candidates at our expense, (6) determine each proposed nominee's qualifications for service on the Board; (7) consult with the CEO and Chairman of the Board during the process of identifying director nominees; (8) identify and recommend annually, or as vacancies or newly created positions occur, director nominees for approval by the Board of Directors; and (9) review the composition and size of the Board in order to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as one of our directors.

The independent directors will consider nominees proposed by shareholders. Although there is no formal policy regarding shareholder nominees, the Board of Directors believes that shareholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on an assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the Board at that time. To recommend a prospective nominee for consideration, shareholders should submit the candidate's name, contact information, biographical material and qualifications in writing to Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030.

Shareholder Communication with the Board. Shareholders and other parties interested in communicating directly with the Board, any Board committee or any Director, may do so by writing to Sinclair Board of Directors, c/o Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030. Under the process adopted by the Board, letters we receive that are addressed to members of the Board are reviewed by our Corporate Secretary who will regularly forward a summary and copies of all such correspondence to the Board.

Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

However, shareholder communications that constitute advertising or promotion of a product or service or relate to improper or irrelevant topics will not be forwarded to the Board, any board committee or any director.

Director Compensation

Non-employee directors are entitled to receive the following compensation and stock options:

Base Compensation. Our directors who are also our employees serve without additional compensation. Non-employee directors receive \$27,000 annually. The Audit Committee chairman receives an additional \$4,500 annually and the Joint Compensation and Stock Option Committee chairman receives an additional \$3,000 annually. Non-employee directors also receive \$1,250 for each meeting of the Board of Directors attended, \$1,000 for each Audit Committee meeting attended and \$800 for each Joint Compensation and Stock Option Committee meeting attended.

Stock Options. Generally, on the date of our annual meeting, each non-employee director receives a grant of non-qualified stock options to purchase 5,000 shares of Class A Common Stock pursuant to our non-qualified stock option long-term incentive plan. Each stock option grant is immediately vested with respect to 25% of the shares with the remaining shares vesting in equal installments over a three-year period. The exercise price of each option grant is equal to the closing price of our Class A Common Stock on the date of our annual shareholders meeting. We are currently reviewing alternatives under our various stock option compensation plans in light of recent accounting pronouncements that become effective on July 1, 2005. If we decide to change the form of compensation granted under these plans prior to the 2005 Annual Meeting, we may also change the form of equity compensation for our directors. We will disclose any changes to the form of compensation granted under our stock option compensation plans in a Current Report on Form 8-K.

Joint Compensation and Stock Option Committee Report on Executive Compensation

The Joint Compensation and Stock Option Committee of the Board of Directors consists entirely of non-employee directors: Daniel C. Keith, Martin R. Leader, Lawrence E. McCanna and Basil A. Thomas. The Committee determines all compensation paid or awarded to our executive officers. Basil A. Thomas abstained from voting on the compensation for the Chief Executive Officer.

Compensation Decisions in 2004. In making its compensation decisions for 2004, the Committee considered our operating performance, cash flow, pursuit of growth opportunities and achievement of business and operating objectives, all in light of economic conditions. In addition, the Committee considered management's recommendations for individual compensation awards.

Executive officers' compensation is comprised of three components:

base salary

cash bonus

stock options

Base Salary. The Committee establishes base salaries for executive officers (including the Chief Executive Officer) after considering a variety of factors that measure value and usefulness to Sinclair, including the individual's knowledge, experience, accomplishments, level of responsibility, and typical compensation levels for individuals with similar credentials. With the exception of four executive officers that have a direct influence on our revenue performance, each executive officer's 2005 base salary was increased by the amount of the executive officer's 2004 cash bonus so that each executive officer's 2005 base salary reflects the total of the base salary and cash bonus earned by the executive officer in 2004. The Committee does not expect to award cash bonuses to such executive officers for performance in 2005. The four executive officers who did not receive such an increase in their base salaries will continue to be eligible to be paid a quarterly bonus and an annual bonus based on achieving specific company revenue targets and, for the Chief Operating Officer/Television Group, specific company revenue and broadcast cash flow targets. The four executive officers are the Chief Operating Officer/Television Group, the Vice President/Sales, the Vice President/Marketing and the Vice President/National Sales.

Cash Bonus. The Committee may determine to award cash bonuses on a discretionary or contractual basis. The Committee's review of cash bonuses for 2004 was based on its knowledge of Sinclair, communication with executives throughout the year and review of each executive officer's individual performance. No relative ranking of these various factors was applied. The Committee does not expect to award bonuses to executive officers for 2005 performance except for the four executive officers who will continue to be eligible for bonuses as discussed in the Base Salary section of this report.

Stock Options. The Committee believes achievement of Sinclair's business goals may be fostered by a stock option program that is tailored to employees who significantly enhance the value of the company. Options are awarded on recommendations from management based on performance. For senior executives, the Committee takes into consideration recommendations of management, where appropriate, and such other factors which, in the judgment of the Committee, are important including Company and individual performance. During the year ended December 31, 2004, the Committee granted employees options to purchase 475,250 shares of Class A Common Stock based on 2003

performance. Named executive officers received options totaling 240,000 shares of Class A Common Stock based on 2003 performance. The Committee determined that the overall 2004 performance of the Company did not warrant the grant of stock options to the executive officers for 2004 performance. Management agreed.

We are currently reviewing alternatives under our various stock option compensation plans in light of recent accounting pronouncements that become effective on July 1, 2005. If we decide to change the form of compensation granted under these plans prior to the 2005 Annual Meeting, we may also change the form of equity compensation for our executive officers in 2005 or future years. We will disclose any changes to the form of compensation granted under our stock option compensation plans in a Current Report on Form 8-K.

Chief Executive Officer's Compensation. As one of our largest shareholders, David D. Smith's financial well-being is directly tied to our performance. Under his leadership, we restructured our debt and expanded both the direct mail initiative and the News Central format to the benefit of our shareholders. For his services as our President, Chief Executive Officer, and Chairman of the Board, David D. Smith's base salary for 2004 was \$1,000,000. During 2004, Mr. Smith was granted options to purchase 200,000 shares of Class A Common Stock under the Company's Long-Term Incentive Plan based on performance for 2003. Section 16(a) Beneficial Ownership Reporting Compliance

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires our officers (as defined in the SEC regulations), directors and persons who beneficially own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to us, or written representations that no forms were necessary, we believe that during the past fiscal year our officers, directors and greater than ten percent beneficial owners complied with all applicable filing requirements.

Comparative Stock Performance

The following line graph compares the yearly percentage change in the cumulative total shareholder return on our Class A Common Stock with the cumulative total return of the Nasdaq Stock Market Index and the cumulative total return of the Nasdaq Telecommunications Stock Market Index (an index containing performance data of radio, telephone, telegraph, television and cable television companies) from December 31, 1999 through December 31, 2004. The performance graph assumes that an investment of \$100 was made in the Class A Common Stock and in each Index on December 31, 1999 and that all dividends were reinvested. Total shareholder return is measured by dividing total dividends (assuming dividend reinvestment) plus share price change for a period by the share price at the beginning of the measurement period.

Certain Relationships and Related Transactions

David, Frederick, J. Duncan and Robert Smith (collectively, the controlling shareholders) are brothers and hold substantially all of our Class B Common Stock. During the year ended December 31, 2004, we engaged in the following transactions with them and/or the following persons:

directors, nominees for election as directors or executive officers;

beneficial owners of 5% or more of our common stock;

immediate family members of any of the above; and

entities in which the above persons have substantial interests.

Gerstell Development LP, an entity wholly owned by the controlling shareholders, was formed in April 1993 to acquire certain of our personal and real property interests in Pennsylvania. In a transaction that was completed in September 1993, Gerstell Development LP acquired the WPGH office/studio, transmitter and tower site for an aggregate purchase price of \$2.2 million. The purchase price was financed in part by a \$2.1 million note from us to Gerstell Development LP bearing interest at 6.18% with principal payments beginning on November 1, 1994 and a final maturity date of October 1, 2013. As of December 31, 2003, the balance outstanding was approximately \$1.4 million and the note was paid in full in February 2004.

On September 30, 1990, we issued certain notes (the founders' notes) maturing on May 31, 2005, payable to the late Julian S. Smith and Carolyn C. Smith, our former majority owners and the parents of our controlling shareholders. The founders' notes, which were issued in consideration for stock redemptions equal to 72.65% of our then outstanding stock, have original principal amounts of \$7.5 million and \$6.7 million, respectively. The founders' notes include stated interest rates of 8.75%, which were payable annually from October 1990 until October 1992, then payable monthly commencing April 1993 to December 1996 and then semi-annually thereafter until maturity. The effective interest rate approximates 9.4%. The founders' notes are secured by security interests in substantially all of our assets and subsidiaries and are personally guaranteed by the controlling shareholders.

Principal and interest payments on the founders' notes are payable, in various amounts, each April and October, beginning October 1991 until October 2005, with a balloon payment due at maturity in the amount of \$1.5 million. Additionally, monthly interest payments commenced April 1993 and continued until December 1996. The Carolyn C. Smith note was fully paid as of December 31, 2002. Principal and interest paid on the Julian S. Smith note was \$1.4 million for the year ended December 31, 2004. At December 31, 2004, \$2.0 million of the Julian S. Smith note remained outstanding.

Cunningham Broadcasting Corporation (Cunningham, formerly Glencairn, Inc.) is a corporation owned by Carolyn C. Smith, the mother of the controlling shareholders (10%), and certain trusts established by Carolyn C. Smith for the benefit of her grandchildren, the children of the

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

controlling shareholders (the Cunningham Trusts) (90%). The 90% equity interest in Cunningham owned by the Cunningham Trusts is held through non-voting common stock. The 10% equity interest in Cunningham owned by Carolyn C. Smith is held through the ownership of all the issued and outstanding voting stock of Cunningham. Mrs. Smith is Vice President of Cunningham.

Concurrently with our initial public offering, we acquired options from the Cunningham Trusts that grant us the right to acquire, subject to applicable FCC rules and regulations, 100% of the capital stock of Cunningham. The Cunningham option exercise price is based on a formula that provides a 10% annual return to Cunningham. Cunningham is the owner-operator and FCC licensee of WNUV-TV, Baltimore, Maryland; WRGT-TV, Dayton, Ohio; WVAH-TV, Charleston, West Virginia; WTAT-TV, Charleston, South Carolina; WBSC-TV, Andersen, South Carolina; and WTTE-TV, Columbus, Ohio. We have entered into five-year Local Marketing Agreements (LMAs), with five-year renewal terms at our option, with Cunningham pursuant to which we provide programming to Cunningham for airing on WNUV-TV, WRGT-TV, WVAH-TV, WTAT-TV, WBSC-TV and WTTE-TV. During the year ended December 31, 2004, we made payments of \$5.9 million to Cunningham under these LMAs.

In January 1999, we entered into a LMA with Bay Television, Inc. (Bay TV), which owns the television station WTTA-TV in Tampa, Florida. Our controlling shareholders own a substantial portion of the equity of Bay TV. The LMA provides that we deliver television programming to Bay TV, which broadcasts the programming in return for a monthly fee to Bay TV of \$143,500. We must also make an annual payment equal to 50% of the annual broadcast cash flow, as defined in the LMA, of the station, which is in excess of \$1.7 million. The additional payment is reduced by 50% of the broadcast cash flow of the station, as defined in the LMA that was below zero in prior calendar years. During

2004, we made payments of approximately \$1.7 million related to the LMA. An additional payment of \$32,000 was made in 2004 related to the broadcast cash flow that exceeded \$1.7 million for the year ended December 31, 2003.

From time to time, we enter into charter arrangements to lease aircraft owned by controlling shareholders, David D. Smith and Frederick G. Smith. During the year ended December 31, 2004, we incurred expenses of approximately \$0.1 million related to these arrangements.

In 1997, we entered into a lease transaction with Cunningham Communications, Inc. (CCI), a corporation wholly owned by the controlling shareholders, to lease space on broadcast towers from CCI. We are currently in discussions with the controlling shareholders regarding a new lease that would include additional tower space. In January 1991, we entered into a ten-year capital lease with Keyser Investment Group, Inc. (KIG), a corporation wholly owned by the controlling shareholders, pursuant to which we lease an administrative facility and studios for station WBFF-TV. Additionally, in June 1991, we entered into a one-year renewable lease with KIG pursuant to which we lease parking facilities at the administrative facility. In June 1999, we entered into a ten-year capital lease with Beaver Dam, LLC, a limited liability company wholly owned by three of the controlling shareholders, pursuant to which we lease office space for our corporate headquarters. We are currently in discussions with these controlling shareholders regarding a new lease that would include additional grounds space for various satellite dishes. Lease payments made to these entities were \$4.3 million for the year ended December 31, 2004.

On December 30, 2002, we invested \$20.0 million in Atlantic Automotive Corporation (Atlantic, formerly known as Summa Holdings, Ltd.), resulting in a 17.5% equity interest. Atlantic is a holding company which owns automobile dealerships and a leasing company. David D. Smith, our President and Chief Executive Officer, has a controlling interest in Atlantic and is a member of its Board of Directors. We sold advertising time to Atlantic on WBFF-TV and WNUV-TV, both in Baltimore, Maryland and received payments totaling \$0.5 million during the year ended December 31, 2004. We purchased a total of \$1.1 million in vehicles and related vehicle services from Atlantic during the year ended December 31, 2004. Atlantic leases certain dealership properties from a partnership in which David D. Smith has a 50% ownership interest. Atlantic made lease payments to this partnership of \$4.5 million for the year ended December 31, 2004. Aggregate future minimum lease payments due to the partnership are \$24.9 million through 2013.

In August 1999, we established Allegiance Capital Limited Partnership (Allegiance) as a small business investment company. Our controlling shareholders and our Executive Vice President and Chief Financial Officer are also limited partners. C. Wayne Davis and Steven A. Thomas have ownership interests in Allegiance Capital Management Corporation (ACMC), the general partner of Allegiance, and are members of the law firm of Thomas and Libowitz, P.A., our outside counsel. ACMC, as the general partner, controls all decision making, investing and management of operations in exchange for a monthly management fee based on actual expenses incurred which currently averages approximately \$40,800 paid by the limited partners. We have invested \$9.2 million as of December 31, 2004 and we are, together with the other limited partners, committed to investing up to a combined total of \$15.0 million.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors, officers (including our chief executive officer, chief financial officer, chief accounting officer and corporate controller and any person performing similar functions) and employees. We have made the Code of Business Conduct and Ethics available on our website at www.sbgi.net. Any waiver or amendment of the Code for our executive officers or directors must be promptly disclosed as required by law, SEC regulations or Nasdaq listing requirements.

AUDIT COMMITTEE, AUDIT FEES AND AUDITOR INDEPENDENCE

Report of the Audit Committee

The Audit Committee assists the Board of Directors in its oversight of financial reporting practices and the quality and integrity of the financial reports of Sinclair, including compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of Sinclair's internal audit function. The Audit Committee is also responsible for the appointment of Sinclair's independent auditors, which appointment may be ratified by the shareholders. The Audit Committee is also responsible for reviewing compliance with Sinclair's ethics policy and has established procedures for the receipt, retention and treatment of complaints received by Sinclair regarding accounting controls or auditing matters and the confidential, anonymous submission by Sinclair's employees of concerns regarding questionable accounting or auditing matters. The Audit Committee operates under a formal written charter that has been adopted by the Board of Directors and is reviewed by the Audit Committee on an annual basis.

The Audit Committee has received from Sinclair's independent registered public accounting firm, Ernst & Young LLP (E&Y), written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, regarding E&Y's independence, including a detailed statement of the relationship between E&Y and us that might bear on E&Y's independence, and has discussed with E&Y its independence. The Audit Committee has discussed whether the provision of non-audit services by E&Y is compatible with maintaining E&Y's independence. E&Y has stated that it believes that it is in full compliance with all of the independence standards established under generally accepted auditing standards and the rules of the SEC. The Audit Committee concurs, and has approved all non-audit services provided by E&Y in 2004. The Audit Committee also has discussed with E&Y the matters required to be discussed by Statements on Auditing Standards No. 61, *Communication with Audit Committees* and No. 90, *Audit Committee Communications* including the selection of and changes in Sinclair's significant accounting policies, the basis for management's accounting estimates, E&Y's conclusions regarding the reasonableness of those estimates and the disclosures included in the financial statements.

The Audit Committee met with management and representatives of E&Y in connection with its review of Sinclair's audited financial statements for the year ended December 31, 2004. Based on such review and discussion with management, and based on the Audit Committee's reviews and discussions with E&Y regarding its independence and the matters required to be discussed under statement on Auditing Standards No. 61 and No. 90, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Sinclair's Annual Report on Form 10-K and the Board has approved that recommendation.

The Audit Committee has reviewed and discussed the fees paid to E&Y during the last year for audit and non-audit services, which are set forth in the proxy statement under *Disclosure of Fees Charged by Independent Registered Public Accounting Firm*, and has determined that the provision of the non-audit services are compatible with E&Y's independence.

Pre-Approval Policy for Services of Independent Registered Public Accounting Firm

In May 2003, the Audit Committee adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other permissible non-audit services that may be provided by the independent registered public accounting firm (the independent auditors) in order to ensure that the provision of such services does not impair the auditor's independence. Under the policy, the Audit Committee annually pre-approves the audit fee and terms of the engagement, as set forth in the engagement letter, along with a specified list of audit-related and tax services. If any service to be provided by the independent auditors has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee and the independent auditor may not begin work on any engagement without confirmation of the Audit Committee pre-approval from the Chief Accounting Officer or his or her delegate. In accordance with this policy, the Chair of the Audit Committee has been authorized by the Committee to pre-approve any audit-related, tax or other permissible non-audit service engagements of the independent auditors.
