PROXY STATEMENT FOR 2005 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 19, 2005

This Proxy Statement is furnished in connection with the solicitation of Proxies by the Board of Directors of The Macerich Company, a Maryland corporation (the Company), for use at its 2005 Annual Meeting of Stockholders to be held on Thursday, May 19, 2005 at 10:00 a.m. local time at The Fairmont Miramar Hotel, 101 Wilshire Boulevard, Santa Monica, California, and at any adjournment or postponement thereof (the Annual Meeting). This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and Proxy are first being sent to stockholders on or about April 21, 2005. The Company's 2004 Annual Report, including financial statements for the fiscal year ended December 31, 2004, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will consider and vote on the following matters:

- (1) the election of three directors; and
- (2) the ratification of the Company's independent accountants.

In addition, our stockholders will transact any other business that properly comes before the meeting. Management of the Company will also respond to any questions from our stockholders.

Who is entitled to vote?

Only holders of record at the close of business on the record date, March 7, 2005 (the Record Date), of the Company's common stock, \$.01 par value per share (the Common Stock), are entitled to notice of and to vote at the Annual Meeting. Holders of Common Stock are entitled to cast one vote for each share held by them on each matter to be voted upon. The Common Stock is the only class of securities of the Company authorized to vote. Under the Company's Charter and applicable law, a stockholder is not entitled to cumulative voting rights in the election of directors.

Who can attend the Annual Meeting?

All stockholders of the Company as of the Record Date, or their duly appointed Proxy holders, may attend the Annual Meeting.

What constitutes a quorum?

The presence, in person or by proxy, of holders entitled to cast at least a majority of all the votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. As of the Record Date, 59,369,947 shares of Common Stock were outstanding and entitled to vote. Abstentions will count toward the presence of a quorum.

How do I vote?

If you hold your shares as a stockholder of record and you complete and properly sign the accompanying Proxy and return it in the enclosed postage prepaid envelope, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed Proxy or vote in person. If you hold your shares indirectly in the name of a bank, broker or other nominee, you will receive instructions from your bank, broker or other nominee describing how to vote your shares.

If no instructions are given on your returned Proxy, the shares will be voted FOR the election of each of the three nominees for director and FOR the ratification of the Company's independent accountants. The holders of the Proxy will also have discretionary authority to vote on other matters that may be properly brought before the Annual Meeting or that may be incidental to the conduct of the meeting. It is not anticipated that any matter, other than those set forth in this Proxy Statement, will be presented at the Annual Meeting. If other matters are presented, Proxies will be voted by the Proxy holders in accordance with the recommendation of the Board of Directors or, if no recommendation is given, in their discretion. Stockholder votes will be tabulated by the persons appointed to act as inspectors of election for the Annual Meeting.

Can I change my vote after I return my Proxy card?

Yes. Even after you have submitted your Proxy, you may change your vote at any time before the Proxy is exercised by delivering a duly executed Proxy bearing a later date or a written revocation to the Secretary of the Company at the address of the Company set forth above or by attending the Annual Meeting and voting in person. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person, whether or not a Proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given Proxy.

What are the Board of Directors' recommendations?

Unless you give other instructions on your Proxy, the persons named as Proxy holders on the Proxy will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendations are set forth together with the description of each matter in this Proxy Statement. In summary, the Board unanimously recommends a vote:

- **FOR** election of each of the three nominated directors; and
- **FOR** ratification of the appointment of Deloitte & Touche LLP as the Company's independent accountants for the year ending December 31, 2005.

With respect to any other matter that properly comes before the meeting, the Proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their discretion.

What vote is required to approve each matter?

Assuming the presence of a quorum, the affirmative vote of a majority of all of the votes cast on the matter at the Annual Meeting in person or by Proxy will be required for the election of each director nominee and the ratification of the appointment of Deloitte & Touche LLP to serve as the Company's independent accountants. Abstentions are not counted as votes cast and will have no effect on the vote for the election of the directors or the ratification of the appointment of Deloitte & Touche LLP.

PROPOSAL 1: ELECTION OF DIRECTORS

The Bylaws provide that the Board of Directors consists of nine directors. The Board is divided into three classes with each class constituting one-third of the total number of directors. Each class serves a three-year term and each director holds such office until his or her successor is duly elected and qualifies. The present term for the Class Two directors expires at the Annual Meeting, and the present terms for the Class Three and Class One directors expire at the annual meetings of stockholders to be held in 2006 and 2007, respectively.

The three Class Two directors, if elected at the Annual Meeting, will hold office until the annual meeting of stockholders in 2008 and until their respective successors are duly elected and qualify. The Board of Directors, based on the recommendations of the Nominating and Corporate Governance Committee, has nominated Dana K. Anderson, Diana M. Laing and Stanley A. Moore to continue to serve as Class Two directors of the Company (the Nominees).

Each of the Nominees is currently serving as a director of the Company and has consented to be named and to serve if elected. However, if any Nominee is unavailable for election or unable to serve, the Proxy holders may vote for another person nominated by the Board of Directors or the Board may amend the Bylaws to reduce the number of directors to be elected at the Annual Meeting.

The Board of Directors will consider a nominee for election to the Board of Directors recommended by a stockholder of record if the stockholder submits the nomination to the Nominating and Corporate Governance Committee c/o the Company s Secretary in compliance with the advance notice and information requirements of the Company s Bylaws. See Other Matters-Stockholder Proposals and Director Nominees for a summary of these requirements.

Election of each director requires the affirmative vote of a majority of all of the votes cast on the matter at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES. PROXIES RECEIVED WILL BE VOTED FOR EACH OF THE NOMINEES UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.

The Board of Directors and its Committees

Board of Directors. The Company is managed under the direction of a Board of Directors composed of nine members. A majority of the Board members are independent directors under the requirements set forth in the Company's Director Independence Standards (each, an Independent Director) which comply with the Corporate Governance Standards of the New York Stock Exchange (NYSE Rules). These Director Independence Standards are outlined in the Company's Guidelines on Corporate Governance which are available at www.macerich.com under Investing-Corporate Governance and are also available in print to any stockholder who requests a copy from the Company's Secretary. In addition, the Director Independence Standards are attached as Appendix I. The Board of Directors met seven times in 2004. Each of the directors attended at least 75% of the total number of meetings of the Board of Directors and of each committee on which he or she served during 2004.

Director Independence. For a director to be considered independent, the Board must affirmatively determine that the director does not have any direct or indirect material relationship with the Company or its executive officers. The Board has established Director Independence Standards to assist it in determining director independence. The Director Independence Standards establish exclusionary standards which conform to the independence requirements of the NYSE Rules (Exclusionary Standards) and categorical standards which identify permissible immaterial relationships between the directors and the Company and its executive officers (Categorical Standards). In addition to applying these standards, the Board will consider all relevant facts and circumstances in making an independence determination. Applying the Director Independence Standards, the Board has determined that the following five directors do not have any direct or indirect material relationship with the Company or its executive officers and, therefore, each is an Independent Director: Messrs. Cownie, Hubbell and Moore, Ms. Laing and Dr. Sexton. The Board specifically determined that none of these directors has any relationship with the Company or its executive officers which falls within the Exclusionary Standards or falls outside the Categorical Standards.

Executive Committee. The Executive Committee of the Board of Directors consists of Messrs. Moore, Siegel and A. Coppola and has such authority as is delegated by the Board and as permitted under applicable law, including authority to negotiate and implement acquisitions and to execute certain contracts and agreements with unaffiliated third parties. The primary purpose of the Executive Committee is to exercise the powers and duties of the Board between Board meetings and to implement the policy decisions of the Board on matters not delegated to other committees. Mr. A. Coppola is the chairperson. The Executive Committee did not meet during 2004.

Audit Committee. The Board's Audit Committee consists of Mr. Cownie, Ms. Laing and Dr. Sexton, each of whom is an Independent Director and meets the independence requirements for audit committee members under the NYSE Rules and the Securities Exchange Act of 1934, as amended (Exchange Act). Ms. Laing is the chairperson of the Committee and has been designated by the Board as an Audit Committee financial expert. The Audit Committee met six times during 2004, with all members attending each meeting.

Under the terms of the Audit Committee Charter, the purpose of this Committee is to assist the Board in overseeing the accounting and financial reporting processes and the audits of the financial statements of the Company, including the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent public accountants' qualifications and independence, and the performance of the Company's independent public accountants and internal audit function. This Committee's duties include:

- (1) selecting, evaluating and, where appropriate, replacing the independent public accountants,
- (2) reviewing the Company's financial statements with management and the independent public accountants,
- (3) reviewing and approving with the independent public accountants the scope and results of the audit engagement,

Compensation Committee. The members of the Compensation Committee are Messrs. Cownie and Moore and Dr. Sexton, each of whom is an Independent Director. Dr. Sexton is the chairperson of this Committee. The Compensation Committee met four times during 2004, with all members attending each meeting. As outlined in its Charter, the Compensation Committee has overall responsibility for approving and evaluating the director and executive officer compensation plans, policies and programs of the Company as well as reviewing annually the Company's overall compensation structure and philosophy. The Compensation Committee specifically reviews and recommends to the Board of Directors compensation for the Company's executive officers, in addition to administering certain of the Company's employee benefit and stock plans.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Cownie, Hubbell and Moore, each of whom is an Independent Director. Mr. Moore serves as chairperson. The Nominating and Corporate Governance Committee met four times in 2004 and all members attended each meeting, except that Mr. Hubbell missed one meeting. The Nominating and Corporate Governance Committee operates under a Charter which provides that the Committee will:

- (1) assist the Board by identifying individuals qualified to become Board members and to recommend to the Board nominees for election as director by the stockholders or by the Board to fill a vacancy occurring between stockholder meetings,
- (2) recommend to the Board adoption of and changes to the Company's Guidelines on Corporate Governance,
- (3) lead the Board in its annual review of the performance of the Board and its committees,
- (4) recommend to the Board director nominees for each Board committee, and

(5) perform such other duties and responsibilities as are set forth in its Charter or delegated by the Board, including developing a succession plan to ensure continuity in the Company's management.

Committee Charters. The Charters for the Executive Committee, Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee are available at www.macerich.com under Investing-Corporate Governance. In addition, the Audit Committee Charter which was amended and restated on February 3, 2005 is included as Appendix II. Each Charter is also available in print to any stockholder who requests a copy from the Company's Secretary.

Director Selection Process. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee periodically assesses the appropriate size of the Board of Directors, and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, officers, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any point during the year. The Nominating and Corporate Governance Committee also will review any materials provided by professional search firms or other parties in connection with a nominee. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board. This Committee will make the final recommendations of candidates to the Board for nomination.

The Board of Directors has a policy that stockholders may propose nominees for consideration by the Nominating and Corporate Governance Committee for election at an annual meeting of stockholders by submitting the names and qualifications of such persons to the Nominating and Corporate Governance Committee c/o the Company's Secretary. The submissions must be made in accordance with the advance notice and information requirements set forth in the Company's Bylaws, a copy of which will be made available upon request. The Nominating and Corporate Governance Committee does not apply any specific, minimum qualifications in determining a director candidate and does not impose additional qualifications on stockholder-recommended potential nominees. Instead, the Committee reviews the candidates taking into account the current Board membership and considers a variety of factors, including the specific needs of the Company and the Board, the experience, skills, areas of expertise, independence, productivity and length of service of the candidates, as applicable. This process is described in the Company's Guidelines on Corporate Governance which are available at www.macerich.com under Investing-Corporate Governance.

Presiding Director. The Independent Directors of the Company designated Mr. Moore to act as Presiding Director for the non-management directors of the Company. The role of the Presiding Director is to prepare with the Chief Executive Officer the board agendas, chair the executive sessions of the non-management directors, call meetings of the Independent Directors and perform such other functions as the Board or non-management directors may direct. The non-management directors meet in separate executive sessions after each regularly-scheduled quarterly Board meeting. The non-management directors met four times in 2004. Each non-management director is an Independent Director.

Attendance at Stockholders Meetings. The Board encourages directors in the Santa Monica area at the time of the Stockholders Meeting to attend the meeting. The Board does not require attendance because the Company's stock is predominately held by institutional stockholders and attendance is traditionally light. At the 2004 Annual Stockholders Meeting, four directors and two executive officers of the Company attended.

Codes of Ethics. The Company expects that all of its directors, officers and employees will maintain a high level of integrity in their dealings with and on behalf of the Company and will act in the best interests of the Company. The Company has adopted a Code of Business Conduct and Ethics which provides principles of conduct and ethics for the Company's directors, officers and employees. This Code complies with the requirements of the Sarbanes-Oxley Act of 2002 and the NYSE Rules. In addition, the Company has adopted a Code of Ethics for the CEO and Senior Financial Officers which supplements the Code of Business Conduct and Ethics applicable to all employees. Each of these Codes of Conduct is available on the Company's website at www.macerich.com under "Investing-Corporate Governance" and is also available in print to any stockholder who requests a copy from the Company's Secretary.

Compensation of Directors

Non-employee directors are compensated for their services according to a standard arrangement authorized by resolution of the Board of Directors. Effective January 1, 2004, the compensation for Board members changed based on the results of a directors' compensation study prepared by FPL Associates, L.P., the Company's outside compensation consultant. Subject to elections under the Director Phantom Stock Plan, each non-employee director is entitled to an annual retainer fee of \$40,000, payable in equal quarterly installments, plus a fee of \$1,000 for each Board meeting attended and \$500 for every telephonic meeting attended. Non-employee directors attending any committee meeting are also entitled to an additional fee of \$1,000 for each committee meeting attended and \$500 for every telephonic meeting attended, unless the committee meeting is held on the day of a meeting of the Board of Directors. The Chairman of each committee also receives twice the amount of any meeting fees paid to the committee members, except that the chairs of the Audit and Compensation Committees instead receive \$10,000 a year. A Board member who is also an employee of the Company or a subsidiary does not receive compensation for service as a director. Messrs. Siegel, A. Coppola, Anderson and E. Coppola are the only directors who are also employees of the Company or a subsidiary. The reasonable expenses incurred by each director in connection with the performance of the director's duties are also reimbursed by the Company.

Commencing December 30, 2003, the Board established a policy providing that each director of the Company who is not otherwise an employee of the Company or any of its subsidiaries or affiliates on each March 31 automatically will receive an annual aggregate grant of 500 shares of restricted stock which will vest over three years. Each non-employee director, upon joining the Board of Directors, will also receive an initial grant of 500 shares of restricted stock which will vest over three years. These restricted stock grants will be made pursuant to the 2003 Incentive Plan.

The Director Phantom Stock Plan offers non-management directors the opportunity to defer cash compensation for up to three years and to receive that compensation (to the extent that it is actually earned by service during that period) in shares of Common Stock rather than in cash after termination of service or a predetermined period. Such compensation includes the annual retainer, regular meeting fees and special meeting fees payable by the Company to a non-management director. Every non-management director during his or her term of service has elected to receive such compensation in Common Stock. Deferred amounts are credited as stock units at the beginning of the applicable deferral period based on the then current market price of the Common Stock. Stock unit balances are credited with dividend equivalents (priced at market) and are ultimately paid out in shares on a 1:1 basis. A maximum of 250,000 shares of Common Stock may be issued in total under the Director Phantom Stock Plan, subject to certain customary adjustments. In 2004, Messrs. Cownie, Hubbell and Moore, Ms. Laing and Dr. Sexton were credited with approximately 1,047, 967, 1,011, 223 and 1,047 stock units (including stock units for director compensation for 2004 special meetings and dividend equivalents for 2004) under the Director Phantom Stock Plan, respectively. The vesting of the stock units is accelerated in case of the death or disability of a director or, after a change in control event, the termination of his or her services as a director.

(1) The base salary for Mr. E. Coppola increased to \$420,000 effective August 2, 2004. The base salary for Mr. A. Coppola in 2002 reflected a salary increase from \$500,000 to \$650,000 retroactive to November 8, 2001. Salary earned but deferred under the Company's deferred compensation plans at the election of those officers is included in such amounts. Under split dollar life insurance arrangements with Messrs. Siegel, A. Coppola, Anderson and E. Coppola in 2002, the Company used some portion of the amounts deferred to pay the component of the premium attributable to the whole life element of a life insurance policy for each executive. The Company has not included the amount of premiums attributable to the whole life elements of the policies in the column for All Other Compensation, where such premium payments are normally reported, because to do so would result in a double reporting of those amounts. The component of the premium attributable to the term element of the policy was not paid by the Company. Since July 30, 2002, the effective date of the Sarbanes-Oxley Act of 2002, the Company has not paid any premium payments on the policies. Messrs. Siegel and Anderson terminated their split dollar life insurance arrangements in 2003 and 2004, respectively.

(2) Amounts shown for Messrs. Siegel and A. Coppola reflect the incremental cost to the Company of their personal use of a private aircraft in which the Company owns a fractional interest. The value of all perquisites and personal benefits, securities or property provided by the Company to each of the above executives based on the incremental cost to the Company did not exceed the lesser of \$50,000 or 10% of the annual salary and bonus of the executive in any year, except for Messrs. Siegel and A. Coppola in 2004 and Mr. A. Coppola in 2003. Any executive officer who may receive perquisites or other personal benefits in an amount greater than \$5,000 (calculated based on the imputed compensation value used by the Internal Revenue Service and not the incremental cost to the Company) must pay the amount in excess thereof.

(3) The Company has established a cash bonus/restricted stock program (the Restricted Stock Bonus Program) under the 1994 Incentive Plan, the 2000 Incentive Plan and the 2003 Incentive Plan for executives and senior officers. In 2002, 2003 and 2004, eligible participants were offered the opportunity to elect to receive all or a portion of what would otherwise have been a cash bonus in restricted stock. Subject to certain conditions, if a participant timely elected to receive restricted stock instead of cash, he received a number of restricted shares of Common Stock that had a market value (not considering the effect of vesting restrictions) as of the date of the award at 1.5 times the amount he would otherwise then receive in cash. The dollar value of these bonus awards, to the extent paid in restricted shares, is included under the column Restricted Stock Awards at this higher amount and represents in that respect value for services to be rendered prior to the vesting of the award.

For the bonus earned in 2004, Messrs. A. Coppola, E. Coppola, Contis, O. Hern and Bayer elected to participate in the Restricted Stock Bonus Program. The notional cash amount of the executive's bonus received in restricted stock, the number of shares of restricted stock received under the Restricted Stock Bonus Program and the dollar value of such shares as of the grant date based on the closing price of the Common Stock on March 31, 2005 of \$53.28 were: Arthur Coppola-\$1,300,000; 36,599 (\$1,950,000); Edward Coppola-\$600,000; 16,892 shares (\$900,000); David Contis-\$480,000; 13,514 shares (\$720,000); Thomas O. Hern-\$420,000; 11,824 shares (\$630,000) and Richard Bayer-\$360,000; 10,135 shares (\$540,000). See also Note (4) below.

For the bonus earned in 2003, Messrs. A. Coppola, E. Coppola, Contis, O. Hern and Bayer elected to participate in the Restricted Stock Bonus Program and received grants on two different dates. The notional cash amount of the executive's bonus received in restricted stock, the number of shares of restricted stock received under the Restricted Stock Bonus Program and the dollar value of such shares as of the first grant date based on the closing price of the Common Stock on March 31, 2003 of \$31.68 were: Arthur Coppola-\$216,667; 10,259 shares (\$325,000); Edward Coppola-\$100,000; 4,735 shares (\$150,000); David Contis-\$80,000; 3,788 shares (\$120,000); Thomas O. Hern-\$70,000; 3,314 shares (\$105,000); and Richard Bayer-\$60,000; 2,841 shares (\$90,000). The notional cash amount of the executive's bonus received in restricted stock, the number of shares of restricted stock received under the Restricted Stock Bonus Program and the dollar value of such shares as of the second grant date based on the closing price of the Common Stock on March 31, 2004 of \$53.90 were: Arthur Coppola-\$650,000; 18,089 shares (\$975,000); Edward Coppola-\$240,000; 6,679 shares (\$360,000); David Contis-\$240,000; 6,679 shares (\$360,000); Thomas O. Hern-\$210,000; 5,844 shares (\$315,000); and Richard Bayer-\$180,000; 5,009 shares (\$270,000). See also Note (4) below.

For the bonus earned in 2002, Messrs. A. Coppola, E. Coppola, Contis, O. Hern and Bayer elected to participate in the Restricted Stock Bonus Program. The notional cash amount of the executive's bonus received in restricted stock, the number of shares of restricted stock received under the Restricted Stock Bonus Program and the dollar value of such shares as of the measurement date based on the closing price of the Common Stock on March 31, 2003 of \$31.68 were: Arthur Coppola-\$1,083,333; 51,294 shares (\$1,625,000); Edward Coppola-\$500,000; 23,674 shares (\$750,000); David Contis-\$400,000; 18,939 shares (\$600,000); Thomas O. Hern-\$350,000; 16,572 shares (\$525,000); and Richard Bayer-\$300,000; 14,205 shares (\$450,000). See also Note (4) below.

(4) Dollar amount shown equals the number of shares of restricted stock earned in the applicable year (including those grants under the Restricted Stock Bonus Program) multiplied by the stock price on the grant date. This valuation does not take into account the diminution in value attributable to the restrictions applicable to the shares. Certain of the restricted stock grants in 2003 were granted subject to the achievement of certain performance-related goals concerning the acquisition of Westcor Realty Limited Partnership, LP and its affiliates (Westcor). The Compensation Committee determined those goals were achieved on November 3, 2003. The number of shares of restricted stock released on November 3, 2003 and the dollar value of such shares based on the closing stock price on November 3, 2003 of \$41.00 were: Arthur Coppola 17,098 shares (\$701,018); Edward

Dividends are paid in cash on all shares of restricted stock at the same rate as on unrestricted shares. The vesting of restricted stock held also will be accelerated if the Company terminates the executive without cause. For Messrs. E. Coppola, Contis, O Hern and Bayer, the vesting of restricted stock held by these executive officers will be accelerated upon a change of control pursuant to the terms of the agreements discussed below. Vesting can also be accelerated in the discretion of the Committee administering the applicable plans.

Employment and Termination Benefit Agreements

The Company or an affiliate has employment agreements with Messrs. Siegel, A. Coppola, Anderson, E. Coppola, O Hern, Bayer and Sidwell which provide for various benefits, including minimum annual base salaries. Actual salaries paid to each of these executives are set forth in the Summary Compensation Table above and exceed the minimum base salaries. All of the agreements are in extension periods and provide for automatic one-year extensions when one year of the term, as extended, remains unless notice to the contrary is delivered by either party within 30 days of the expiration date.

The employment agreements provide for various payments to the executive officer or his beneficiaries in the event of his death, disability or termination of employment. In the event of death or disability, during the remainder of the term of the agreement, the Company will continue to pay the executive or his beneficiaries, as applicable, the executive's annual base salary at the same time and in the same manner as if he had continued to perform services under the agreement. In addition, the executive or his surviving spouse is entitled to receive the same level of health insurance provided to other executives of the Company. If the executive's employment is terminated by the Company for cause or because the executive violated any non-competition, anti-solicitation or confidentiality provisions of the agreement, the agreement terminates without further obligation to the executive except for payment of accrued amounts (including any deferred compensation). If the Company terminates the executive's employment other than for cause, the Company is required to pay to the executive a lump sum equal to three times the executive's base salary for one year at the rate in effect immediately prior to the executive's termination, any accrued

vacation pay and any compensation previously deferred by the executive in accordance with the terms of any deferred compensation plan or agreement.

These employment agreements further provide various benefits to the executives if, within two years following a change of control, the executive officer's employment is terminated other than for cause or he terminates his employment for good reason. In 2002, the Company entered into Management Continuity Agreements (the Continuity Agreements) with Messrs. E. Coppola, Contis, O'Hern, Bayer and Sidwell which amend the change of control benefits provided under the employment agreements for each such executive (as applicable) and provide benefits consistent with current industry practice. The Continuity Agreements provide that if within two years following a change of control (the Protected Period) the executive officer's employment is terminated for any reason other than cause, death or disability or by the executive for good reason, such executive officer will be entitled to receive an amount equal to two times the sum of (1) the executive's base salary and (2) the average of the cash and stock portion of the executive's annual incentive bonus payable in each of the three preceding years (including any cash portion of an incentive bonus which the executive has elected to convert into shares of restricted stock or stock units under the Restricted Stock Bonus Program or other comparable, optional stock-in-lieu of cash benefit programs). Good reason generally includes an adverse and significant change in position, duties or responsibilities, reduction in base salary, change of location, adverse modification of bonus, benefit plans or fringe benefits or material breach of the employment agreement or Continuity Agreement by the Company. Change of control generally requires a corporate transaction involving a 40% or greater change in ownership, certain majority changes in the Board of Directors or with limited exceptions the acquisition of more than 20% of the Company's outstanding shares of Common Stock or voting securities by any person.

The Continuity Agreements further provide that if any payment by the Company to or for the benefit of the executive (whether pursuant to the terms of the Continuity Agreement or otherwise) would be subject to an excise tax imposed under certain provisions of the Internal Revenue Code of 1986, as amended (the Code) or any interest or penalties with respect thereto (the Excise Tax), then the executive shall be entitled to receive a gross-up payment in an amount so that the executive is in the same after-tax position as if there were no Excise Tax. The executive will not receive this gross-up payment if the parachute value of all such payments does not exceed 110% of an amount equal to 2.99 times the executive's base amount (the Safe Harbor Amount). In such event, the amounts payable under the Continuity Agreement shall be reduced so that the parachute value of all payments to the executive, in the aggregate, equals the Safe Harbor Amount.

Upon a change of control, the Continuity Agreements provide that any shares of restricted stock or stock units held by the executive that remain unvested shall immediately vest and any unvested stock options held by the executive shall vest and be exercisable. Any such stock options shall remain exercisable not less than one year after the date of the change of control.

Messrs. Siegel, A. Coppola and Anderson will receive the change of control benefits provided under their employment agreements. These agreements generally provide various benefits to the executives if, within two years following a change of control, the executive officer's employment is terminated other than for cause or he terminates his employment for good reason which includes payment of an amount equal to the sum of the highest annual salary in effect during the three years preceding the change of control and the highest bonus award received for any calendar year prior to the change of control. Any unvested restricted stock also will generally be accelerated if the executive terminates for good reason after a change of control.

In addition, the vesting of restricted stock held by executive officers generally will be accelerated if the Company terminates the executive without cause. The Compensation Committee also has discretionary authority to accelerate the exercisability of any or all options and the vesting of other awards under the Incentive Plans in a change in control or other context.

Furthermore, the Company has established an executive officer salary deferral plan for Messrs. Siegel, A. Coppola, Anderson and E. Coppola pursuant to which participants are entitled to defer compensation until the earlier of a specified date established by the participant or his death. This plan provides that participants become 100% vested upon a change in control in all amounts credited to their accounts.

Option Grants and Exercises

Option Grants in Fiscal Year 2004. None of the executives listed under the Summary Compensation Table received any option grants in 2004. The Company has not granted any stock appreciation rights.

Option Exercises and Year-End Holdings. The following table sets forth information regarding the number and value of options held at the end of 2004 by the Company's Chairman of the Board, Chief Executive Officer, Vice Chairman and the four other most highly compensated executive officers.

No assumptions or representations regarding the value of such options are made or intended.

(2) An individual, upon exercise of an option, does not receive cash equal to the amount contained in the Value Realized column of this table. Instead, the amounts contained in the Value Realized column reflect the increase in the price of Common Stock from the option grant date to the option exercise date. No cash is realized until the shares received upon exercise of an option are sold.

Compensation Committee Interlocks and Inside Participation

The Compensation Committee members are James Cownie, Stanley Moore and Dr. William Sexton. No member of the Compensation Committee is a past or present officer or employee of the Company. Although Mr. Moore's son-in-law was employed by one of the Company's affiliates as a Senior Vice President of Business Development during 2004, his employment with the Company ended as of December 31, 2004. His 2004 salary, bonus and severance did not exceed \$275,000. The compensation and benefits provided to him were consistent with those provided to other employees with comparable qualifications, responsibilities and experience. Mr. Moore did not participate in any decision-making regarding his son-in-law's performance or compensation. No compensation committee interlocks existed during 2004.

Certain Transactions

The following provides a description of certain relationships and related transactions between various directors and executive officers of the Company and the Company or its subsidiaries and affiliates.

Macerich Management Company. Prior to June 30, 2004, all of the common stock of Macerich Management Company was owned by the Principals, which enabled the Principals to control the election of the board of directors. The Operating Partnership owned all of the non-voting preferred stock of Macerich Management Company, which was generally entitled to dividends equal to 95% of the net cash flow of the company. On June 30, 2004, the Operating Partnership became the sole owner of all of the outstanding preferred and common stock of Macerich Management Company by acquiring the common stock from the Principals for nominal consideration. Macerich Management Company provides property management services to Centers owned by certain of the Company's joint venture entities and other third parties.

Macerich Management Company provides property management, leasing and other related services to eight community shopping centers and other businesses in which Mr. Siegel has interests. Under the terms of the applicable management agreements, Macerich Management Company pays compensation to on-site employees, leasing agents and redevelopment and construction staff, and other administrative expenses. In addition, Macerich Management Company earns a management fee equal to approximately two percent of gross rental revenue. Management fees earned from services provided to these community shopping centers and other businesses during the year ended December 31, 2004 were \$71,424.

Pursuant to certain management agreements, the Operating Partnership and certain Property Partnerships engage Macerich Management Company to provide property management, leasing and other related services to the Centers. Under the terms of the management agreements, Macerich Management Company is reimbursed for compensation paid to on-site mall employees, leasing agents and redevelopment and construction staff, and other administrative expenses. In addition, Macerich Management Company earns a management fee typically equal to three and one-half to five percent of gross rental revenue. Management fees paid to Macerich Management Company for services provided to the Centers during the year ended December 31, 2004 were \$10,615,126.

Macerich Management Company employs Mr. A. Coppola's daughter and son-in-law and Mr. Anderson's son as a Senior Manager of Business Development, a Senior Manager of Property Management and an Assistant Vice President of Leasing, respectively. Although Mr. Moore's son-in-law was employed as a Senior Vice President of Business Development during 2004, his employment with the Company ended as of December 31, 2004. None of these individuals are considered officers under Section 16 of the Exchange Act. The compensation and benefits provided to these individuals are consistent with those provided to other employees with comparable qualifications, responsibilities and experience. The 2004 salary and bonus paid to each of Mr. Coppola's daughter and son-in-law and Mr. Anderson's son did not exceed \$155,000. Mr. Moore's son-in-law's 2004 salary, bonus and severance did not exceed \$275,000.

Guarantees. The Principals have guaranteed a mortgage loan encumbering one Center. The aggregate principal amount of the loan is approximately \$21,750,000, of which approximately \$13,676,400 is guaranteed by the Principals as follows: Mr. Siegel \$6,525,000; Mr. A. Coppola \$1,631,250; Mr. Anderson \$3,480,000 and Mr. E. Coppola \$2,040,150.

Website Services. During 1999, the Company chose Red 5 Interactive, Inc. (Red 5), after evaluating other potential service providers, to develop websites for many of the Company's Centers. During 2004 Red 5 was paid \$614,990 for the website design, development, applications, maintenance, hosting and support services it provided under certain agreements with the Company. Red 5 will continue to provide these services to an increasing number of the Company's websites as well as additional specialty services to the Company during 2005 at an estimated cost of \$700,000. The Company believes the terms of these agreements with Red 5 are fair and reasonable to the Company and are no less favorable than those available through unrelated third parties providing comparable services. The E.C. Coppola Family Limited Partnership (an entity controlled by Mr. E. Coppola) owned a 25.5% interest in Red 5 which was sold in June of 2004. Mr. Coppola's brother-in-law is the President and CEO, a director and, with his wife and children, owns 100% of Red 5.

The following Report of the Compensation Committee and the Stock Performance Graph included in this Proxy Statement shall not be deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report or the Stock Performance Graph by reference into a filing under either of such Acts. Neither the Report nor the Stock Performance Graph shall be deemed to be soliciting material, or subject to Regulation 14A or 14C or the liabilities of Section 18 of the Securities Exchange Act.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee. The Compensation Committee (the Committee) reviews and recommends to the Board of Directors compensation for the Company's executive officers, reviews the Company's overall compensation structure and philosophy and administers certain of the Company's employee benefit and stock plans, with authority to authorize awards under the Company's incentive plans. The current members of the Committee are Messrs. Moore and Cownie and Dr. Sexton.

Objectives of the Company's Executive Compensation Program. The Company's executive compensation program is intended to attract, retain and reward experienced, highly motivated executives who are capable of leading the Company effectively and continuing its growth. The Company's objective has been to utilize a combination of cash and equity-based compensation to provide appropriate incentives for executives to achieve the business objectives of the Company which include encouraging stock ownership. The Committee intends to target aggregate compensation levels at rates that are reflective of current practices of comparable companies in the real estate investment trust (REIT) industry, particularly companies that own retail malls.

Elements of the Program. The Company's executive compensation program includes three principal elements, each of which is intended to serve the overall compensation philosophy of the Company. *First*, the executive's base salary is intended to create a minimum level of compensation that is reasonably competitive with other retail mall REITs. *Second*, the Company generally uses restricted stock and may use other stock awards, including stock options, under its incentive plans as a long-term incentive. The Company believes that these types of awards are an important means to link the interests of management and stockholders and to encourage management to adopt a longer term perspective. *Finally*, the Company has established an annual incentive compensation plan for executive officers and other senior officers and key employees under which bonuses, which may be paid in cash and/or in the form of restricted stock, are awarded based upon the achievement of individual and corporate performance goals. The objective of this incentive compensation plan is to motivate and reward executives for performance that benefited the Company and to recognize the contribution of its key employees. In addition, the Restricted Stock Bonus Program established under the Company's stock incentive plans offers greater flexibility regarding cash bonuses and provides a convenient method for participants to elect to increase their stock ownership in the Company. Eligible participants are offered the opportunity to receive all or a portion of what would otherwise have been a cash bonus in restricted stock, valued as of the date of the award at 1.5 times the amount otherwise payable in cash to reflect the substantial risks associated with the deferral of payment and vesting restrictions of the award. See Note 3 on page 17 of this Proxy Statement.

Executive officers of the Company further participate in certain deferred compensation plans, and two executive officers also participate in a split dollar life insurance arrangement (subject to compliance with the Sarbanes-Oxley Act of 2002), to assist them in their tax and estate planning. In addition, the executive officers are eligible to receive other benefits such as medical and retirement benefits.

Competitive Compensation Comparisons. The Company has commissioned an outside compensation consultant, FPL Associates, L.P. (FPL), to assist the Committee in the development and review of the Company's compensation programs for its executive and senior officers and certain key employees. Among other things, FPL has reviewed the compensation programs of similar companies in the REIT industry, including retail mall owners, and compared them to the Company's compensation programs. Since the

Company's initial public offering, FPL has performed these reviews typically on a bi-annual basis focusing on the development of a competitive total compensation program. The last complete compensation study was conducted in 2003 with a more limited study conducted in 2004.

CEO Compensation. Mr. Arthur Coppola's base salary is reviewed by the Committee on an annual basis and is subject to discretionary increases that generally are based on, in the subjective judgment of the Committee, individual and corporate performance (including changes in total funds from operations, funds from operations per share, the Company's stock price and the successful completion of acquisitions, financings, redevelopments and other business initiatives) and competitive, economic and other factors deemed relevant by the Committee. The Committee believed that Mr. Coppola's 2003 base salary of \$650,000 should remain the same for 2004.

Mr. Coppola's annual long-term incentive compensation awards were based upon the Committee's evaluation of his individual and the Company's performance as described above. The Committee primarily based its performance assessment on a funds from operations per share matrix which has three levels of performance established in the preceding year: threshold, target and high performance. The Company's continued growth in funds from operations per share in 2004 met the high performance range of this matrix. In determining the amount of Mr. Coppola's grant, the Committee also subjectively appraised his leadership as CEO of the Company, including reviewing the operating goals Mr. Coppola had previously established for 2004. The Committee made a highly favorable assessment of Mr. Coppola's performance as CEO and believed that the Company's progress in 2004, including its strong financial performance, was in many ways a result of Mr. Coppola's leadership and direction. The Committee also focused on the Company's achievements for 2004 including the Company's 47.8% total stockholder return which was one of the highest returns of all mall REITs in 2004. In addition, the Committee noted the successful signing of the \$2.333 billion agreement to acquire Wilmorite Holdings, L.P. and its affiliates and the successful completion of redevelopment projects, especially the \$275 million Queens Center expansion. Based on this review, the Committee determined that Mr. Coppola met the high performance level of the Company's performance matrix with respect to both the Company's financial performance and his individual performance.

Mr. Coppola elected in advance to participate in the Restricted Stock Bonus Program for his 2004 bonus and in accordance with the terms of this Program received 36,599 shares of restricted stock in lieu of a \$1,950,000 cash bonus. As an additional long-term incentive, the Committee granted to Mr. Coppola 24,399 additional shares of restricted stock for his performance in 2004. These grants of restricted stock vest over a three-year period.

Other Executive Officers. The Committee believed that the salary structure in place for the Executive Vice Presidents, Messrs. E. Coppola, Contis, O'Hern, Bayer and Sidwell, and the other executive officers, Messrs. Siegel and Anderson, remained appropriate for 2004, except for Mr. E. Coppola. The Committee, based on FPL's recommendations after conducting a limited survey, increased Mr. E. Coppola's salary from \$350,000 to \$420,000 and changed his title to Senior Executive Vice President and Chief Investment Officer effective August 2, 2004 to reflect his additional responsibilities with respect to acquisitions, financings, and department store relationships. The five Executive Vice Presidents also received bonus awards under the Company's incentive compensation plan and equity-based incentive compensation in the form of restricted stock awards for their 2004 performance. The 2004 restricted stock awards and bonuses were granted to the Executive Vice Presidents based on the Committee's subjective evaluation of individual and corporate performance, including the factors described above regarding Mr. A. Coppola's compensation. In determining the amount of their restricted stock grants the Committee also reviewed the operating goals submitted by each Executive Vice President for their position. The Committee believed that the performance of the Executive Vice Presidents, individually and as a group, was exemplary and met the high performance level. Messrs. E. Coppola, Contis, O'Hern, Bayer and Sidwell each participated in the Restricted Stock Bonus Program and elected to convert all of what would otherwise have been a cash

bonus to restricted stock. All of the executives are entitled to receive minimum specified annual base salaries as set forth in their respective employment agreements with the Company, except Mr. Contis who does not have an employment agreement. The Committee contemplates that any annual salary increases will generally be based on substantially the same criteria that will be used for Mr. A. Coppola.

For details of the grants to the executive officers, see the table captioned "Summary Compensation Table" and the discussion at page 17 of this Proxy Statement. All of these restricted stock grants as well as the continuation of the Restricted Stock Bonus Program were made on a basis that is consistent with the Company's philosophy of granting long-term incentive awards to provide executives with a promise of longer-term rewards directly linked to increased share values. Mr. Moore did not participate in any decisions regarding the restricted stock awards.

Section 162(m) Issues. The Committee's policy with respect to Section 162(m) of the Internal Revenue Code has been to make reasonable efforts to provide that compensation, in the ordinary course, is deductible while preserving the ability to pay bonus and long-term compensation that may not be deductible if such compensation in its view is appropriate to incentivize and reward Company executives relative to their performance. As the Committee in recent years has increased the use of restricted stock (rather than options) as a form of annual and long-term compensation, an increasing proportion of the compensation paid to six of the Company's executive officers has exceeded the \$1,000,000 limitation imposed by Section 162(m) with respect to deductible, non-performance-based compensation per executive officer. The Company's restricted stock grants have not been performance-based for these purposes; consequently the regular and cumulative vesting, or any accelerated vesting, of one or more awards can result in non-deductible compensation. However, as long as the Company continues to qualify as a REIT under the Code, the payment of non-deductible compensation should not have material adverse consequences for the Company so long as the Company continues to distribute at least 90% of its taxable income.

STOCK PERFORMANCE GRAPH

The following graph provides a comparison, from December 31, 1999 through December 31, 2004, of the yearly percentage change in the cumulative total stockholder return (assuming reinvestment of dividends) of the Company, the Standard & Poor's (S&P) 500 Index and the NAREIT All Equity REIT Index (the NAREIT Index), an industry index of 175 REITs (including the Company). AUDIT COMMITTEE MATTERS

In 2004, the Audit Committee met six times. The Audit Committee and the Board of Directors amended and restated its Charter for the Audit Committee in 2005 which complies with the requirements of the Sarbanes-Oxley Act of 2002 and the NYSE Rules. This Charter is included as Appendix II to this Proxy Statement. The Committee reviews and reassesses the adequacy of its Charter annually. The Company's securities are listed on the New York Stock Exchange and are governed by its listing standards. All members of the Audit Committee are Independent Directors and meet the independence requirements for audit committees under the NYSE Rules and the Exchange Act. (See The Board of Directors and its Committees Director Independence, Committee Charters and Audit Committee.)

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report by reference into a filing under either of such Acts. The Report shall not be deemed soliciting material, or subject to Regulation 14A or 14C or the liabilities of Section 18 of the Securities Exchange Act.

The Audit Committee of the Board of Directors assists the Board in performing its oversight responsibilities for the Company's financial reporting process, audit process and internal controls as more fully described in the Audit Committee's Charter. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent accountants are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

In the performance of its oversight function, the Audit Committee reviewed and discussed the Company's audited financial statements for the year ended December 31, 2004 with the Company's management and with the Company's independent accountants. In addition, the Committee discussed with the Company's independent accountants the matters required to be discussed by Statement of Auditing Standards No. 61 (Codification of Statements on Auditing Standards) which includes, among other items, matters related to the conduct of the audit of the Company's financial statements. The Committee has also received and reviewed the written disclosures and the letter from the Company's independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the accountants their independence from the Company.

Based on the review and discussions with management and the independent accountants described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

Change in Principal Accountants

On August 10, 2004, the Audit Committee of the Board of Directors of the Company dismissed PricewaterhouseCoopers LLP as its independent registered public accounting firm and approved Deloitte & Touche LLP as its independent accountants for the fiscal year ending December 31, 2004.

The reports of PricewaterhouseCoopers LLP on the Company's consolidated financial statements for each of the fiscal years 2003 and 2002 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principle.

During the fiscal years 2003 and 2002 and the subsequent interim period through August 10, 2004, there were no disagreements with PricewaterhouseCoopers LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused PricewaterhouseCoopers LLP to make reference to the matter in their reports on the financial statements for such years.

During the fiscal years 2003 and 2002 and the subsequent interim period through August 10, 2004, there were no reportable events (as the term is defined in Item 304(a)(1)(v) of Regulation S-K of the Exchange Act (Regulation S-K)).

During the fiscal years 2003 and 2002 and the subsequent interim period through August 10, 2004, the Company did not consult with Deloitte & Touche LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements; or (iii) any matter that was either the subject of disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

PricewaterhouseCoopers LLP furnished a letter addressed to the SEC stating it agreed with the above statements and a copy of such letter dated August 16, 2004 was filed with the Company's Current Event on Form 8-K event date August 10, 2004.

Principal Accountants Fees and Services

a. Deloitte & Touche LLP

For the year ended December 31, 2004, the Company was billed by Deloitte & Touche LLP for services in the following categories:

Audit Fees

Fees for audit services totaled \$420,000 in 2004, including fees associated with the annual audit of the Company and its subsidiaries or affiliates and the reviews of the Company's registration statements and periodic reports.

Audit-Related Fees

Fees for audit-related services totaled \$668,896 in 2004. Audit-related services principally include fees for internal control reviews and assistance with internal control reporting requirements, including under the Sarbanes-Oxley Act of 2002.

Tax Fees

No fees for tax services, including tax return preparation, tax compliance, tax advice and tax planning, were provided by Deloitte & Touche LLP.

All Other Fees

There were no fees paid for all other services not described above in 2004.

The Company has been advised by Deloitte & Touche LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

b. PricewaterhouseCoopers LLP

For the years ended December 31, 2004 and 2003, the Company was billed by PricewaterhouseCoopers LLP for services in the following categories:

Audit Fees

Fees for audit services totaled \$88,054 in 2004 and \$850,533 in 2003, including fees associated with the 2003 annual audit of the Company and its subsidiaries or affiliates and the reviews of the Company's registration statements and periodic reports.

Audit-Related Fees

Fees for audit-related services totaled \$0 in 2004 and \$306,917 in 2003. Audit-related services in 2003 principally included the incremental fees associated with stand-alone reports on consolidated subsidiaries and unconsolidated joint ventures.

Tax Fees

Fees for tax services, including tax return preparation, tax compliance, tax advice (including regarding the acquisition of various centers and entities), tax planning, cost segregation studies (primarily in 2003) and earnings and profits projections, totaled \$2,583,050 in 2004 and \$2,695,603 in 2003. Of this total amount of tax services fees, \$1,541,833 in 2004 and \$1,749,716 in 2003 represented tax return preparation and compliance fees.

All Other Fees

There were no fees paid for all other services not described above in 2004 and 2003.

The Audit Committee determined that the provision of the non-audit services noted above was compatible with maintaining the independence of PricewaterhouseCoopers LLP during the relevant periods. The Company had been advised by PricewaterhouseCoopers LLP that during the relevant periods neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

Audit Committee Pre-Approval Policy

Consistent with SEC policies regarding independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent accountants. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent accountants. The Audit Committee approves a list of services and related fees expected to be rendered during any year period within each of four categories of service:

- (1) *Audit Services* include audit work performed on the financial statements, as well as work that generally only the independent accountants can reasonably be expected to provide, including work associated with registration statements under the Securities Act of 1933, as amended, periodic reports and other SEC documents, statutory or other financial audit work for subsidiaries and consultations surrounding the proper application of financial accounting and/or reporting standards.
- (2) *Audit-Related Services* include assurance and related services that are reasonably related to performance of an audit or traditionally performed by the independent accountants, including due diligence or agreed-upon procedures related to mergers, acquisitions, dispositions or refinancings, internal control reviews and assistance with internal control reporting requirements, special procedures required to meet certain financial, accounting or regulatory requirements and accounting, regulatory or disclosure consultations.

(3) *Tax Services* include tax return preparation, tax planning and related tax services, tax advice, tax compliance, tax reporting, year-end estimated taxable income and distribution projections and tax due diligence for REIT compliance and other tax issues.

(4) *Other Services* include those permissible non-audit services that do not fall within the above categories and are routine and recurring services that would not impair the independence of the accountants.

The Audit Committee pre-approves the independent accountants services within each category. In 2004, the Audit Committee pre-approved the retention of PricewaterhouseCoopers LLP through August 10, 2004 and thereafter, Deloitte & Touche LLP, to perform various audit and permitted non-audit services for the Company within each of the four categories. For each proposed service, the independent accountant is required to provide detailed back-up documentation at the time of approval to permit the Audit Committee to make a determination whether the provision of such services would impair the independent accountants' independence. The fees are budgeted and the Audit Committee requires the independent accountants and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent accountants for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent accountants. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. None of the non-audit services described above were approved by the Audit Committee pursuant to the de minimis exceptions provided in the Exchange Act.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS

Independent Accountants

The Audit Committee has appointed Deloitte & Touche LLP as the Company's independent accountants to audit its financial statements for the year ending December 31, 2005.

Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request approval of this appointment by the stockholders. If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP, and may decide to retain them notwithstanding the vote. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. In addition, if Deloitte & Touche LLP should decline to act or otherwise become incapable of acting, or if the employment should be discontinued, the Audit Committee will appoint substitute independent public accountants. A representative of Deloitte & Touche LLP will be present at the Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Ratification of the appointment of Deloitte & Touche LLP as the Company's independent accountants requires the affirmative vote of a majority of all the votes cast on the matter at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2005. PROXIES RECEIVED WILL BE VOTED FOR RATIFICATION UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.

Officers, directors and greater than 10% stockholders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on its review of the copies of such reports furnished to the Company, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were satisfied, except that Mr. Siegel did not timely report his open-market purchase of 9,900 shares and his daughter's open-market purchase of 5,000 shares by one day.

Other Matters

In making this determination the Board shall apply the standards set forth below. (For purposes of this standard, principal loaned or repaid on any outstanding indebtedness is excluded but the amount of any interest payments or other fees paid by Macerich in association with any such loans is included.)

II. *Categorical Standards*

III. *Other Transactions*

Relationships not specifically covered by the above categorical standards may, in the Board's judgment, be deemed not to be material and the Director will be deemed independent, if, after taking into account all relevant facts and circumstances, the Board determines that the existence of such relationship or transaction would not impair the Director's exercise of independent judgment. The Nominating and Corporate Governance Committee will review the independence of each non-management Director and make its recommendation to the full Board for their consideration.

In making a determination regarding a Director's independence, the Board shall consider all relevant facts and circumstances, including the Director's commercial, industrial, banking, consulting, legal, accounting, charitable, and familial relationships and such other criteria as the Board may determine from time to time.

**CHARTER OF THE AUDIT COMMITTEE
of the
BOARD OF DIRECTORS
of
THE MACERICH COMPANY**

(As Amended and Restated February 3, 2005)

1. Purpose. The purpose of the Committee is to assist the Board of Directors (the Board) of The Macerich Company (the Company) in overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company, including (a) the integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the independent public accountants' qualifications and independence, and (d) the performance of the Company's internal audit function and independent public accountants.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles (GAAP) and applicable rules and regulations. These are the responsibilities of management and the independent public accountants.

2. Membership. The Committee will be comprised of three or more directors of the Company's Board. All members of the Committee will be directors who meet the knowledge requirements and the independence requirements of the New York Stock Exchange, Section 10A(m)(3) of the Securities Exchange Act of 1934 (the Act) and the rules and regulations of the Commission no later than the date on which such requirements become effective. In addition, the members of the Audit Committee shall meet the Director Independence Standards established by the Board. The members of the Committee will be appointed by and serve at the discretion of the Board on the recommendation of the Nominating and Corporate Governance Committee. The Chairperson of the Committee will be appointed by the Committee members. At least one member of the Committee will qualify as a financial expert as defined in Item 401(h) of Regulation S-K of the Securities and Exchange Commission within the applicable time periods, and the Company will disclose in the periodic reports required by Section 13(a) of the Act whether or not it has at least one member who is a financial expert. Audit Committee members shall not simultaneously serve on the audit committees of more than two other public companies.

3. Specific Responsibilities and Duties. The Board delegates to the Committee the express authority to do the following:

3.1 Independent Public Accountants

(a) **Selection; Fees.** Be directly responsible for the appointment (subject, if applicable, to stockholder ratification), compensation, retention and oversight of the work of the independent public accountants (including resolution of disagreements between management and the independent public accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services. Such independent public accountants shall report directly to and be ultimately accountable to the Committee.

(b) **Audit Engagement.** Review, evaluate and approve the annual engagement proposal of the independent public accountants. Approve all audit engagement fees and terms.

- (c) **Pre-Approval of Audit and Non-Audit Services.** Pre-approve all auditing services and all permitted non-auditing services to be performed by the independent public accountants, as more fully described in the Committee's Pre-Approval Policy.
- (d) **Lead Audit Partner Review, Evaluation and Rotation.** Review and evaluate the lead partner of the independent public accountants. Ensure that the lead audit partner having primary responsibility for the audit and the concurring audit partner of the independent public accountants are rotated as required by law. Consider whether, in order to assure continuing accountant independence, it is appropriate to adopt a policy of rotating the independent public accounting firm itself.
- (e) **Report from Independent Public Accountants.** Obtain and review from the independent public accountants at least annually a written report regarding:
- (i) the independent public accountants' internal quality-control procedures;
 - (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent public accountants, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent public accountants, and any steps taken to deal with any such issues; and
 - (iii) all relationships between the independent public accountants and the Company (to assess the accountants' independence).

Evaluate the qualifications, performance and independence of the independent public accountants, including considering the report from the independent public accountants described above and whether the provision of permitted non-audit services is compatible with maintaining the accountants' independence. In making its evaluation, the Committee shall take into account the opinions of management and the Company's internal auditors. The Audit Committee shall present its conclusions with respect to the independent public accountants to the Board.

- (f) **Hiring Policies.** Set clear hiring policies for employees and former employees of the independent public accountants.
- (g) **Review Problems.** Review with the independent public accountants any audit problems or difficulties the independent public accountants may have encountered and management's responses, including: (i) any restrictions on the scope of activities or access to requested information; (ii) any recommendations made by the independent public accountants as a result of the audit; and (iii) any significant disagreements with management.
- (h) **Material Communications.** Discuss with the independent public accountants any material communications between the audit team and the independent public accountants' national office regarding auditing or accounting issues that the engagement presented.
- (i) **Accounting Adjustments.** Discuss with the independent public accountants any accounting adjustments that were noted or proposed by the independent public accountants but were passed on.
