Cautionary Language Concerning Forward-Looking Statements

Information set forth in this document contains financial estimates and other forward-looking statements that are subject to risks and uncertainties, and actual results might differ materially Such statements include, but are not limited to, statements about the benefits of the business combination transaction involving SBC and AT&T Corporation, including future financial and operating results, the new company s plans, objectives, expectations and intentions and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations of SBC s and AT&T s management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements.

The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: the ability to obtain governmental approvals of the transaction on the proposed terms and schedule; the failure of AT&T shareholders to approve the transaction; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers; competition and its effect on pricing, spending, third-party relationships and revenues. Additional factors that may affect future results are contained in SBC s filings with the Securities and Exchange Commission (SEC), which are available at the SEC s Web site http://www.sec.gov. SBC disclaims any obligation to update and revise statements contained in this presentation based on new information or otherwise.

This document may contain certain non-GAAP financial measures. Reconciliations between the non-GAAP financial measures and the GAAP financial measures are available on SBC s Web site at www.sbc.com/investor relations.

Wireless/Wireline Integration

[GRAPHIC]

By integrating wireless and wireline services, customers have the ability access to seamless communications virtually anywhere, anytime, on any device.

With AT&T Wireless acquisition, Cingular Wireless has strongest spectrum position in the U.S. and presence in nation s top 100 markets.

Spectrum enables companies to create powerful new services in particular data services for customers.

SBC FreedomLink Wi-Fi and high-speed EDGE technology for data available now. Cingular deploying even faster UMTS 3G technology this year.

EnterpriseBusiness Market [GRAPHIC]

Through the merger with AT&T, SBC will evolve into a global data and enterprise provider.

The merger brings together two companies with complementary strengths, product sets and customer bases.

The combined company will set the standard for transitioning from legacy technologies to next-generation IP networks and services.
