Our common stock has no preemptive rights, conversion rights, or other subscription rights or redemption or sinking fund provisions. The shares of our common stock to be issued upon completion of this offering will be fully paid and non-assessable.

Series F Convertible 5% Preferred Stock

On September 30, 2003, the Company issued 5,291 shares of Series F Preferred Stock (the Series F Preferred Shares) with a stated value of \$1,000 per share in consideration of the cancellation of \$5,291,000 of its debt owed to Spescom Ltd. and its subsidiary. The Series F Preferred Shares are convertible into the Company's common stock, at a stated conversion price of \$0.45 per share, representing a total of 11,757,778 shares of the Company's common stock, subject to certain adjustments to prevent dilution. In a change of control, merger or sale, the holders of Series F Preferred Shares would preserve their conversion rights and would be entitled to the same number of shares immediately prior to such transaction.

Series H Convertible Preferred Stock

Edgar Filing: SPESCOM SOFTWARE INC - Form S-8

On October 25, 2005, the Company entered into a definitive agreement relating to a private placement with Monarch Pointe Fund, Ltd. (Monarch) and M.A.G. Capital, LLC (MAG). As further described below, the terms of the financing provide, subject to certain conditions, for the issuance by the Company at two closings of an aggregate of 2,450 shares of Series H Convertible Preferred Stock (Series H Preferred Stock) and warrants to purchase an aggregate of 1,851,852 shares of common stock at \$0.27 per share, at an aggregate purchase price of \$1,000,000.

The first closing of the transaction took place on October 25, 2005. At the first closing, the Company issued 1,950 shares of Series H Preferred Stock, and warrants, expiring October 25, 2008, to purchase 925,926 shares of common stock at \$0.27 per share. The preferred stock issued at the first closing is convertible into up to 26,896,552 shares of common stock. In connection with the first closing, Monarch transferred 1,450 shares of the Company's Series G Convertible Preferred Stock to the Company for cancellation. The aggregate consideration paid by the investors for the preferred stock and warrants issued at the first closing was \$500,000, in addition to the

Edgar Filing: SPESCOM SOFTWARE INC - Form S-8

1,450 shares of Series G Convertible Preferred Stock transferred by Monarch. In accordance with certain registration rights granted to Monarch and MAG, on January 6, 2006, the Company filed a Registration Statement on Form S-1 registering the common shares issuable under the Series H Preferred Stock and related warrants.

Under the terms of the financing, the second closing will occur no later than January 20, 2006, provided that the investors are not obligated to consummate the second closing unless certain conditions are satisfied. The financing terms provide for the issuance by the Company at the second closing of 500 shares of Series H Preferred Stock and warrants, expiring on the third anniversary of the second closing, to purchase 925,926 shares of common stock at \$0.27 per share. The preferred stock subject to issuance at the second closing is convertible into up to 6,896,552 shares of common stock. The financing terms provide that the investors participating in the second closing will be MAG and one or more of Monarch, Mercator Momentum Fund, L.P., or Momentum Fund III, L.P., as designated by MAG. The aggregate purchase price of the preferred stock and warrants subject to issuance at the second closing is \$500,000.

If the Company has not entered into a binding agreement to consummate a consolidation, merger, reclassification of the stock of the Company (subject to certain exceptions), or disposition of all or substantially all of the assets of the Company, on or before April 30, 2006, the holders of Series H Preferred Stock may, by the vote not later than June 30, 2006 of at least two-thirds of the then-outstanding shares, elect to have all of the outstanding shares of Series H Preferred Stock redeemed by the Company. Upon such election, the Company would be obligated to redeem the Series H Preferred Stock at an amount equal to \$1000 per share plus all declared but unpaid dividends. In the event that the holders of Series H Preferred Stock exercise their redemption right but the Company does not have sufficient funds available to redeem the Series H Preferred Stock in accordance with applicable law, the holders of Series H Preferred Stock as a class will be entitled to elect the smallest number of directors of the Company constituting a majority of the authorized number of directors.

The Series H Preferred Stock shares issued at the first closing and those subject to issuance at the second closing are convertible into common stock at the conversion rate in effect at the time of conversion. The conversion price per share of the Series H Preferred Stock is equal to 85% of the market price (the volume weighted average price of the Company's common stock during the 5 immediately preceding trading days, subject to adjustment), provided that in no event shall the conversion price exceed a ceiling price of \$0.40 per share, or be less than a floor price which varies with the aggregate gross revenues of the Company during the last four fiscal quarters for which revenues have been reported by the Company prior to such time, but which will not be lower than \$0.0725 per share and not higher than \$0.16 per share. The conversion price is subject to adjustment in the case of any stock split, combination, capital reorganization, reclassification, consolidation or merger, and certain dividends. Subject to certain exceptions, the conversion price is also subject to weighted average anti-dilution adjustment in the case of an issuance of shares of common stock or securities exercisable for or convertible into common stock, at a per share price, exercise price or conversion price less than the conversion price then in effect.

Each holder of Series H Preferred Stock is entitled to a liquidation preference equal to the greater of 1) \$1,000 per share, plus declared but unpaid dividends per share and 2) the amount such holder would be entitled to receive had such holder's shares of Series H Preferred Stock been converted into common stock immediately prior to the distribution of assets of the Company on liquidation. Until a registration statement for the shares of common stock issuable upon conversion of the Series H Preferred Stock is deemed effective by the Securities and Exchange Commission, the Company is obligated to pay on each outstanding share of Series H Preferred Stock a monthly dividend at an annual rate equal to the product of multiplying \$1,000 per share by 6.75%. All dividends payable on the Series H Preferred Stock are payable in cash, to the extent permitted by California law, and otherwise are payable in shares of the Company's common stock.

The agreement provides for a term of six months and for continuation of the engagement thereafter on a month-to-month basis under identical monthly compensation until termination in accordance with the provisions of the agreement. The Company anticipates that, at a minimum, warrants to purchase up to an aggregate of 300,000 shares of the Company's stock will be issued to Liolios pursuant to the monthly compensation terms described in this paragraph. In addition to the warrants issuable to Liolios on a monthly basis, the agreement provides that the Company will issue to Liolios, as part of the compensation due to it, a one-time performance warrant to purchase 500,000 shares of the Company's common stock at \$0.25 per share. In connection with the Series G private placement in November 2004, the Company entered into an agreement with Cappello Capital Corp. Item 9. Undertakings

A. The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that clauses (A)(1)(i) and (A)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference into this Registration Statement;

Edgar Filing: SPESCOM SOFTWARE INC - Form S-8

(2) that for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold upon the termination of the offering under the Plan;

(4) that, for the purpose of determining liability under the Securities Act to any purchaser: each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and

(5) that, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities: the Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser: (i) any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424; (ii) any free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant; (iii) the portion of any other free writing prospectus relating to the offering containing material information about the Registrant or its securities provided by or on behalf of the Registrant; and (iv) any other communication that is an offer in the offering made by the Registrant to the purchaser.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnity provisions described in Item 6 of the Prior Registration Statement, which is incorporated herein by reference pursuant to Item 3(a) of this Registration Statement, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8, and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Diego, State of California, on this 9th day of January, 2006.
