On July 2, 2007, Chester P. Schwartz, a member of the Board of Directors of Whitney Information Network, Inc. (the Company) resigned from its Board of Directors. Mr. Schwartz was Chairman of the Audit Committee.

Item 8.01. Other Events

Developments in the United States Securities and Exchange Commission and Department of Justice investigations

On June 29, 2007, the Company received notice from our Chairman and Chief Executive Officer, Russell A. Whitney, that Mr. Whitney is intending to interview with Wilmer Cutler Pickering Hale and Dorr LLP (WilmerHale), consistent with the Company's continued cooperation with the investigations of the United States Securities and Exchange Commission (SEC) and the Department of Justice.

On June 22, 2007, our Co-President and Chief Operating Officer, Ronald S. Simon, interviewed with WilmerHale.

Litigation

On June 15, 2007, the Company was served with a complaint which was filed on May 31, 2007, in Superior Court in San Diego County, California, Central Division, by Gary N. Rogers against Whitney Education Group, Inc., and Wealth Intelligence Academy, Inc., both wholly owned subsidiaries of the Company. Mr. Rogers is seeking to have the action certified as a class action on behalf of all persons who paid to attend the defendants' educational and training courses in California. The complaint alleges that the defendants violated California's Education Code, specifically the Private Postsecondary and Vocational Education Reform Act of 1989 and the Maxine Waters School Reform and Student Protection Act of 1989. Plaintiff seeks, among other things, the refund of all tuition received by the defendants in the past three years for the defendants' educational and training courses in California.

The Company believes that the complaint is without merit and intends to vigorously defend the action.

Postponement of Annual Meeting of Shareholders

The Company also has determined that, due to the pending investigations by the SEC, the Department of Justice and the Special Committee of the Company's Board of Directors, the Annual Meeting of Shareholders will be postponed from its anticipated date of July 11, 2007. It is anticipated that the meeting will be called and held as soon as practicable after the Special Committee's investigation is concluded.
