MARKET ANNOUNCEMENT

Cemig and Light: Business Plans for joint electricity generation projects

Cemig (Companhia Energética de Minas Gerais), a listed company holding public service concessions, with securities traded on the stock exchanges of São Paulo, New York and Madrid, in accordance with its commitment to best corporate governance practices and Article 12 of CVM Instruction 358 of 3 January 3, 2002, hereby informs the public that **it has signed a Memorandum of Agreement (the Memorandum) with Light S.A. (Light)**, under which, among other provisions, the parties will aim to produce **joint business plans for development and implementation of electricity generation projects**. Among other provisions, under the Memorandum the parties will sign specific agreements for each of the generation projects that they implement. Cemig will hold 49%, directly or through its subsidiaries, in each of these consortia, and Light, directly or through its subsidiaries, will hold 51%. The Memorandum does not create any exclusive obligation between the parties.

Through its wholly-owned subsidiary Cemig Geração e Transmissão S.A., Cemig has formalized three Consortium Contracts with Light through Light's subsidiaries **Lightger** Ltda., **Itaocara Energia** Ltda. and **Light Energia** S.A. to operate hydroelectric projects in the regions of **Paracambi**, **Itaocara** and **Lajes**, respectively.

All the above-mentioned private contracts have suspensive conditions under which they take effect only when all the required authorizations and permissions have been obtained from the Brazilian electricity regulator, Aneel.

Cemig has advised Light of its intention to participate, jointly, in future generation opportunities with total potential installed capacity of up to 300MW.
