We are the registered bank holding company for EagleBank, Bethesda, Maryland, a Maryland chartered commercial bank which is a member of the Federal Reserve System. We are a growth oriented institution, providing general commercial and consumer banking services through EagleBank, and subordinated financing for real estate projects through a direct subsidiary, where the primary financing would be provided by EagleBank. EagleBank was organized as an independent, community oriented, and full-service alternative to the super regional financial institutions, which dominate its primary market area. EagleBank's philosophy is to provide superior, personalized service to our customers. EagleBank focuses on relationship banking, providing each customer with a number of services, becoming familiar with and addressing customer needs in a proactive, personalized fashion. We were organized in October 1997 to be the holding company for EagleBank.

On December 5, 2008, we entered into a Letter Agreement, including a related Securities Purchase Agreement Standard Terms, with the Treasury, pursuant to which we agreed to issue and sell, and the Treasury agreed to purchase, (i) 38,235 shares of our Fixed Rate Cumulative Perpetual Preferred Stock, Series A, having a liquidation preference of \$1,000 per share, referred to as our Series A Preferred Stock and (ii) a ten-year warrant to purchase up to 770,867 shares of our common stock, \$0.01, at an initial exercise price of \$7.44 per share. The warrant was immediately exercisable upon its issuance and will expire on December 5, 2018.

The Securities That May Be Offered

The selling securityholders may use this prospectus to offer for resale the warrant or the shares of common stock issuable upon the exercise of the warrant in one or more offerings. At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public. In that case, the prospectus supplement may describe risks associated with an investment in the securities in addition to those described in the Risk Factors section of this prospectus. Terms used in this prospectus will have the meanings described in this prospectus unless otherwise specified.

The selling securityholders, as well as any agents acting on their behalf, reserve the sole right to accept or to reject in whole or in part any proposed purchase of our securities.

Warrant. The selling securityholders may sell all or a portion of the warrant to purchase 770,867 shares of our common stock. The warrant has an initial exercise price of \$7.44 per share. If required, a prospectus supplement will describe the price at which the selling securityholder is offering the warrant or interest in the warrant and the number of shares of common stock underlying the warrant offered.

Table of Contents

Common Stock. Upon the exercise of all or a portion of the warrant, the selling securityholders may sell the shares of our common stock issued upon such exercise. If required, a prospectus supplement will describe the aggregate number of shares offered and the offering price or prices of the shares.

CAUTION ABOUT FORWARD LOOKING STATEMENTS

We make forward-looking statements in this prospectus and in other documents incorporated by reference in this prospectus, within the meaning of and pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. A forward-looking statement encompasses any estimate, prediction, opinion or statement of belief in this joint proxy statement/prospectus and the underlying management assumptions. These forward-looking statements can be identified by words such as believes, expects, anticipates, intends and similar expressions. These statements are based upon our current reasonable expectations and assessments and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond our control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change.

In addition to factors that we have previously disclosed in our reports filed with the SEC and those that we discuss elsewhere in this prospectus, the following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements:

- the businesses of the Company and Fidelity & Trust Financial Corporation (Fidelity), acquired by the Company in August 2008, may not be combined successfully, or such combination, including the conversion of Fidelity s systems, controls and procedures, may take longer, be more difficult, time-consuming or costly to accomplish than expected;
- the expected cost savings from the acquisition may not be fully realized or may take longer to realize than expected;
- customer relationship losses, increases in operating costs and business disruption following the merger may be greater than expected;
- adverse effects on relationships with employees may be greater than expected;
- adverse governmental or regulatory policies may be enacted;
- the interest rate environment may compress margins and adversely affect net interest income;
- adverse effects may be caused by continued diversification of assets and adverse changes to credit quality;
- competition from other financial services companies in our markets could adversely affect operations;
- our concentrations of loans in commercial, commercial real estate and construction loans, and loans to borrowers in the Washington, D.C. metropolitan area, may adversely affect our earnings and results of operations;

- the effect and costs of Fidelity's legacy mortgage brokerage operations may be greater than anticipated;
- an economic slowdown could adversely affect credit quality and loan originations; and
- social and political conditions such as war, political unrest and terrorism or natural disasters could have unpredictable negative effects on our businesses and the economy.

The forward-looking statements are made as of the date of the applicable document and, except as required by applicable law, we assume no obligation to update these forward-looking statements or to update the reasons why actual results could differ from those projected in the forward-looking statements. You should consider these risks and uncertainties in evaluating forward-looking statements and you should not place undue reliance on these statements.

RISK FACTORS

An investment in our securities involves various risks. You should carefully consider the risks and uncertainties and the risk factors set forth in the documents and reports filed with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange

Act, that are incorporated by reference into this prospectus, as well as any risks described in any applicable prospectus supplement, before you make an investment decision. These risk factors may cause our future earnings to be lower or our financial condition to be less favorable than we expect. In addition, other risks of which we are not aware, or which we do not believe are material, may cause our earnings to be lower, or hurt our future financial condition.

USE OF PROCEEDS

We will not receive any proceeds from the sale by the selling securityholders of the warrant or the shares of common stock issuable upon exercise of the warrant.

DESCRIPTION OF THE WARRANT TO PURCHASE COMMON STOCK

The following is a brief description of the terms of the warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the warrant, a copy of which has been filed with the SEC and is also available upon request from us.

Shares of Common Stock Subject to the Warrant. The warrant is initially exercisable for 770,867 shares of our common stock. If we complete one or more qualified equity offerings, as described below, on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$38,235,000, which is equal to 100% of the aggregate fixed liquidation amount of \$1,000 per share of our Series A Preferred Stock, plus any accrued and unpaid dividends, the number of shares of common stock underlying the warrant then held by the selling securityholders will be reduced by 50%, to approximately 385,433 shares. The number of shares subject to the warrant are subject to the further adjustments described below under the heading - Adjustments to the Warrant. A qualified equity offering is a sale or issuance for cash by us, to persons other than Eagle or its subsidiaries after December 5, 2008, of shares of preferred stock, common stock or a combination thereof, that in each case qualify as tier 1 capital of at the time of issuance under the applicable risk-based capital guidelines of the Board of Governors of the Federal Reserve System. Qualified equity offerings do not include sales or issuances made pursuant to agreements or arrangements entered into, or pursuant to financing plans that were publicly announced, on or prior to October 13, 2008.

Exercise of the Warrant. The initial exercise price applicable to the warrant is \$7.44 for each share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before December 5, 2018 by surrender of the warrant and a completed notice of exercise and the payment of the exercise price for the shares of common stock for which the warrant is being exercised. The exercise price may be paid either by the withholding of such number of shares of common stock issuable upon exercise of the warrant equal to the value of the aggregate exercise price of the warrant, determined by reference to the market price of our common stock on the trading day on which the warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash, certified or cashier's check, or wire transfer, in an amount equal to the aggregate exercise price. The exercise price applicable to

the warrant is subject to the further adjustments described below under the heading - Adjustments to the Warrant.

Upon exercise of the warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrantholder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrantholder will be entitled to a cash payment equal to the market price of our common stock on the last trading day preceding the exercise of the warrant, less the pro-rated exercise price of the warrant, for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised. We have listed the shares of common stock issuable upon exercise of the warrant with the Nasdaq Capital Market.

Rights as a Shareholder. The warrantholder shall have no rights or privileges of the holders of our common stock, including any voting rights, until (and then only to the extent) the warrant has been exercised.

Table of Contents

Transferability; Restrictions on Exercise of Warrant. The initial selling securityholder may not transfer a portion of the warrant, and/or exercise the warrant, with respect to more than one half of the shares of common stock subject to the warrant until the earlier of the date on which we have received aggregate gross proceeds from a qualified equity offering of at least \$38,235,000 and December 31, 2009. The warrant, and all rights under the warrant, are otherwise transferable and exercisable.

Adjustments to the Warrant - Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the warrant may be exercised and the exercise price applicable to the warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of December 5, 2011 and the date the initial selling securityholder no longer holds the warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:

- as consideration for or to fund the acquisition of businesses and/or related assets;
- in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;
- in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act, or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions; and
- in connection with the exercise of preemptive rights on terms existing as of December 5, 2008.

Other Distributions. If we declare any dividends or distributions greater than our most recent quarterly dividend, or dividends payable in common stock, the exercise price of the warrant will be adjusted to reflect such distribution.

Certain Repurchases. If we effect a pro rata repurchase of common stock, both the number of shares issuable upon exercise of the warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving Eagle and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to exercise the warrant for the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the warrant may be exercised, as if the warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF OUR CAPITAL STOCK

Our authorized capital stock consists of 50,000,000 shares of common stock, \$.01 par value, and 1,000,000 shares of undesignated preferred stock, \$.01 par value. As of December 31, 2008, there were 12,686,128 shares of common stock outstanding and 38,235 shares of our Series A Preferred Stock outstanding.

Common Stock. Holders of common stock are entitled to cast one vote for each share held of record, to receive such dividends as may be declared by the Board of Directors out of legally available funds, and, subject to the rights of any class of stock having preference to the common stock, to share ratably in any distribution of our assets after payment of all debts and other liabilities upon liquidation, dissolution or winding up. Shareholders do not have cumulative voting rights or preemptive rights or other rights to subscribe for additional shares, and the common stock is not subject to conversion or redemption.

Pursuant to the terms of the Letter Agreement and related Securities Purchase Agreement Standard Terms, and the Articles Supplementary designating the terms of the Series A Preferred Stock, our ability to declare

Table of Contents

or pay dividends or distributions on, or purchase, redeem or otherwise acquire for consideration, shares of Junior Stock (as defined below) and Parity Stock (as defined below) is subject to restrictions, including a restriction against paying any dividends on the common stock. These restrictions will terminate on the earlier of (a) the third anniversary of the date of issuance of the Series A Preferred Stock and (b) the date on which all of the Series A Preferred Stock has been redeemed or Treasury has transferred all of the Series A Preferred Stock to third parties.

In addition, our ability to declare or pay dividends or distributions on, or repurchase, redeem or otherwise acquire for consideration, shares of Junior Stock and Parity Stock is subject to restrictions in the event that we fail to declare and pay full dividends (or declare and set aside a sum sufficient for payment thereof) on the Series A Preferred Stock.

Junior Stock means our common stock and any other class or series of the Company's stock the terms of which expressly provide that it ranks junior to the Series A Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company. Parity Stock means any class or series of the Company's stock the terms of which do not expressly provide that such class or series will rank senior or junior to the Series A Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company.

Our common stock is listed on the Nasdaq Capital Market under the symbol EGBN. The shares of common stock issuable upon exercise of the warrant in accordance with its terms, will be fully paid, validly issued and nonassessable.

The Transfer Agent for the common stock is Computershare Shareholder Services, 250 Royall Street, Canton, Massachusetts 02021.

Preferred Stock. The Board of Directors may, from time to time, by action of a majority, issue shares of the authorized, undesignated preferred stock, in one or more classes or series. In connection with any such issuance, the Board may by resolution determine the designation, voting rights, preferences as to dividends, in liquidation or otherwise, participation, redemption, sinking fund, conversion, dividend or other special rights or powers, and the limitations, qualifications and restrictions of such shares of preferred stock.

As of the date hereof, the Board of Directors has created one series of preferred stock, the Series A Preferred Stock, which was issued to the Treasury. The Series A Preferred Stock consists of 38,235 shares having a liquidation amount per share equal to \$1,000. The Series A Preferred Stock pays cumulative dividends at a rate of 5% per year for the first five years and thereafter at a rate of 9% per year, prior to the payment of dividends on any shares of Junior Stock. The Company may not redeem the Series A Preferred Stock during the first three years except with the proceeds from a qualified equity offering (as defined above). After three years, the Company may, at its option, redeem the Series A Preferred Stock at the liquidation amount plus accrued and unpaid dividends.

The Series A Preferred Stock is non-voting, except in limited circumstances. Prior to the third anniversary of issuance, unless the Company has redeemed all of the Series A Preferred Stock or the Treasury has transferred all of the Series A Preferred Stock to a third party, the consent of the Treasury will be required for the Company to increase its common stock dividend or repurchase its common stock or other equity or capital securities, other than in connection with benefit plans consistent with past practice and certain other circumstances specified in the Purchase Agreement. In the event that we do not pay dividends on the Series A Preferred Stock for six dividend periods, whether or not consecutive, the size of our board of directors will automatically be increased by two and the holders of the Series A Preferred Stock shall have the right to elect

Edgar Filing: EAGLE BANCORP INC - Form S-3

two directors to fill such newly created directorships at the next annual meeting and at each subsequent annual meeting until all accrued and unpaid dividends for all past dividend periods, including the latest completed dividend period, on all outstanding shares of Series A Preferred Stock have been declared and paid in full. The foregoing description of the Series A Preferred Stock is qualified in its entirety by reference to the Articles Supplementary to the Articles of Incorporation designating such series.

Selected Provisions of Our Articles of Incorporation and Maryland Law

Consideration of Business Combinations. Our Articles of Incorporation provide that where the board of directors evaluates any actual or proposed business combination, it shall consider the following factors: the effect of the business combination on the corporation and its subsidiaries, and their respective shareholders, employees, customers and the communities which they serve; the timing of the proposed business combination; the risk that the proposed business combination will not be consummated; the reputation, management capability and performance history of the person proposing the business combination; the current market price of the corporation's capital stock; the relation of the price offered to the current value of the corporation in a freely negotiated transaction and in relation to the directors' estimate of the future value of the corporation and its subsidiaries as an independent entity or entities; tax consequences of the business combination to the corporation and its shareholders; and such other factors deemed by the directors to be relevant. In such considerations, the board of directors may consider all or some of such factors as a whole and may or may not assign relative weights to any of them. The foregoing is not intended as a definitive list of factors to be considered by the board of directors in the discharge of their fiduciary responsibility to the corporation and its shareholders, but rather to guide such consideration and to provide specific authority for the consideration by the board of directors of factors which are not purely economic in nature in light of the circumstances of the corporation and its subsidiaries at the time of such proposed business combination.

Amendment of the Articles of Incorporation. In general, the Articles of Incorporation may be amended upon the vote of two-thirds of the outstanding shares of capital stock entitled to vote, the standard vote required under Maryland law. Unless the proposed amendment adversely affects the rights of the Series A Preferred Stock, the holders of Series A Preferred Stock will not have the right to vote on any amendment to the Articles of Incorporation.

Restrictions on Business Combinations with Interested Shareholders. Section 3-602 of the Maryland General Corporation Law (MGCL), as in effect on the date hereof, imposes conditions and restrictions on certain business combinations (including, among other transactions, a merger, consolidation, share exchange, or, in certain circumstances, an asset transfer or issuance of equity securities) between a Maryland corporation and any person who beneficially owns at least 10% of the corporation's stock (an interested shareholder). Unless approved in advance by the board of directors, or otherwise exempted by the statute, such a business combination is prohibited for a period of five years after the most recent date on which the interested shareholder became an interested shareholder. After such five-year period, a business combination with an interested shareholder must be: (a) recommended by the corporation's board of directors, and (b) approved by the affirmative vote of at least (i) 80% of the corporation's outstanding shares entitled to vote and (ii) two-thirds of the outstanding shares entitled to vote which are not held by the interested shareholder with whom the business combination is to be effected, unless, among other things, the corporation's common shareholders receive a fair price (as defined by the statute) for their shares and the consideration is received in cash or in the same form as previously paid by the interested shareholder for his or her shares. The Articles of Incorporation and our bylaws do not include any provisions imposing any special approval requirements for a transaction with a major shareholder, and they do not opt out from the operation of Section 3-602.

Control Share Acquisition Statute. Under the MGCL's control share acquisition law, as in effect on the date hereof, voting rights of shares of stock of a Maryland corporation acquired by an acquiring person at ownership levels of 10%, 33-1/3% and 50% of the outstanding shares are denied unless conferred by a special shareholder vote of two-thirds of the outstanding shares held by persons other than the acquiring person and officers and directors of the corporation or, among other exceptions, such acquisition of shares is made pursuant to a merger agreement with the corporation or the corporation's charter or bylaws permit the acquisition of such shares prior to the acquiring person's acquisition thereof. Unless a corporation's charter or bylaws provide otherwise, the statute permits such corporation to redeem the acquired shares at fair value if the voting rights are not approved or if the acquiring person does not deliver a control share acquisition statement to the corporation on or before the tenth day after the control share acquisition. The acquiring person may call a shareholder's meeting to consider authorizing voting rights for control shares subject to meeting disclosure obligations and payment of costs set out in the statute. If voting rights are approved for more than fifty percent of the outstanding stock, objecting shareholders may have their shares appraised and repurchased by the corporation for cash. The Articles of Incorporation and Bylaws of Eagle do not include any provisions restricting the voting ability of major shareholders, and do not opt out from the operation of the control share acquisition law.

PLAN OF DISTRIBUTION

The selling securityholders and their successors, including their transferees, may sell the securities directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or the purchasers of the securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be affected in transactions, which may involve crosses or block transactions:

- on any national securities exchange or quotation service on which the preferred stock or the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the Nasdaq Capital Market in the case of the common stock;
- in the over-the-counter market;
- in transactions otherwise than on these exchanges or services or in the over-the-counter market; or
- through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock issuable upon exercise of the warrant in the course of hedging the positions they assume. The selling securityholders may also sell short the common stock issuable upon exercise of the warrant and deliver common stock to close out short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities.

The aggregate proceeds to the selling securityholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

Edgar Filing: EAGLE BANCORP INC - Form S-3

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq Capital Market pursuant to Rule 153 under the Securities Act.

Table of Contents

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

Unless requested by the initial selling securityholder and required under the Letter Agreement and related Securities Purchase Agreement Standard Terms, we do not intend to list the warrant on any exchange. No assurance can be given as to the liquidity of the trading market, if any, for the warrant.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

SELLING SECURITYHOLDERS

On December 5, 2008, we issued the securities covered by this prospectus to the United States Department of the Treasury, which is the initial selling securityholder under this prospectus, in a transaction exempt from the registration requirements of the Securities Act. The initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the securities they own. The securities to be offered under this prospectus for the account of the selling securityholders are:

- a warrant to purchase 770,867 shares of our common stock, representing beneficial ownership of approximately 5.73% of our common stock as of December 31, 2008; and
- 770,867 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 5.73% of our common stock as of December 31, 2008.

For purposes of this prospectus, we have assumed that, after completion of the offering covered by this prospectus, none of the securities covered by this prospectus will be held by the selling securityholders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities.

We do not know when or in what amounts the selling securityholders may offer the securities for sale. The selling securityholders might not sell any or all of the securities offered by this prospectus. Because the selling securityholders may offer all or some of the securities pursuant to this offering, and because currently no sale of any of the securities is subject to any agreements, arrangements or understandings, we cannot estimate

Edgar Filing: EAGLE BANCORP INC - Form S-3

the number of the securities that will be held by the selling securityholders after completion of the offering.

Other than with respect to the acquisition of the securities, the initial selling securityholder has not had a material relationship with us.

Information about the selling securityholders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

LEGAL MATTERS

The validity of the warrant and the common stock offered hereby have been passed upon for us by the law firm of Kennedy & Baris, L.L.P., Bethesda, Maryland. Attorneys at Kennedy & Baris, L.L.P. own an aggregate of approximately 8,250 shares of common stock.

Item 15. Indemnification of Directors and Officers

Article VI of the Company's Articles of Incorporation provides that the Company shall, to the full extent permitted and in the manner prescribed by the Maryland General Corporation Law and any other applicable law, indemnify a director or officer of the Company who is or was a party to any proceeding by reason of the fact that he is or was a director or officer, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

The Maryland General Corporation Law provides, in pertinent part, as follows:

2-418 INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS. (a) In this section the following words have the meanings indicated.

(1) **Director** means any person who is or was a director of a corporation and any person who, while a director of a corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, other enterprise, or employee benefit plan.

(2) **Corporation** includes any domestic or foreign predecessor entity of a corporation in a merger, consolidation, or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(3) **Expenses** include attorney's fees.

(4) **Official capacity** means the following:

(i) When used with respect to a director, the office of director in the corporation; and

(ii) When used with respect to a person other than a director as contemplated in sub-section (j), the elective or appointive office in the corporation held by the officer, or the employment or agency relationship undertaken by the employee or agent in behalf of the corporation.

(iii) **Official capacity** does not include service for any other foreign or domestic corporation or any partnership, joint venture, trust, other enterprise, or employee benefit plan.

(5) **Party** includes a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(6) Proceeding means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative.

(b)(1) A corporation may indemnify any director made a party to any proceeding by reason of service in that capacity unless it is *established* that:

(i) The act or omission of the director was material to the *matter giving rise to* the proceeding; and

1. Was committed in bad faith; or

2. Was the result of active and deliberate dishonesty; or

(ii) The director actually received an improper personal benefit in money, property, or services; or

(iii) In the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful.

(2)(i) Indemnification may be against judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director in connection with the proceeding.

(ii) However, if the proceeding was one by or in the right of the corporation, indemnification may not be made in respect of any proceeding in which the director shall have been adjudged to be liable to the corporation.

Table of Contents

- (3)(i) The termination of any proceeding by judgment, order, or settlement does not create a presumption that the director did not meet the requisite standard of conduct set forth in this subsection.
- (ii) The termination of any proceeding by conviction, or a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttal presumption that the director did not meet that standard of conduct.
- (c) A director may not be indemnified under subsection (B) of this section in respect of any proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged to be liable on the basis that personal benefit was improperly received.
- (d) Unless limited by the Articles of Incorporation:
- (1) A director who has been successful, on the merits or otherwise, in the defense of any proceeding referred to in subsection (B) of this section shall be indemnified against reasonable expenses incurred by the director in connection with the proceeding.
- (2) A court of appropriate jurisdiction upon application of a director and such notice as the court shall require, may order indemnification in the following circumstances:
- (i) If it determines a director is entitled to reimbursement under paragraph (1) of this subsection, the court shall order indemnification, in which case the director shall be entitled to recover the expenses of securing such reimbursement; or
- (ii) If it determines that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director has met the standards of conduct set forth in subsection (b) of this section or has been adjudged liable under the circumstances described in subsection (c) of this section, the court may order such indemnification as the court shall deem proper. However, indemnification with respect to any proceeding by or in the right of the corporation or in which liability shall have been adjudged in the circumstances described in subsection (c) shall be limited to expenses.

- (3) A court of appropriate jurisdiction may be the same court in which the proceeding involving the director's liability took place.
- (e)(1) Indemnification under subsection (b) of this section may not be made by the corporation unless authorized for a specific proceeding after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in subsection (b) of this section.
- (2) Such determination shall be made:
- (i) By the board of directors by a majority vote of a quorum consisting of directors not, at the time, parties to the proceeding, or, if such a quorum cannot be obtained, then by a majority vote of a committee of the board consisting solely of two or more directors not, at the time, parties to such proceeding and who were duly designated to act in the matter by a majority vote of the full board in which the designated directors who are parties may participate;
 - (ii) By special legal counsel selected by the board of directors or a committee of the board by vote as set forth in subparagraph (I) of this paragraph, or, if the requisite quorum of the full board cannot be obtained therefor and the committee cannot be established, by a majority vote of the full board in which directors who are parties may participate; or
 - (iii) By the stockholders.
- (3) Authorization of indemnification and determination as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible. However, if the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination as to reasonableness of expenses shall be made in the manner specified in subparagraph (ii) of paragraph (2) of this subsection for selection of such counsel.
- (4) Shares held by directors who are parties to the proceeding may not be voted on the subject matter under this subsection.
- (f)(1) Reasonable expenses incurred by a director who is a party to a proceeding may be paid or reimbursed by the corporation in advance of the final disposition of the proceeding upon receipt by the corporation of:
- (i) A written affirmation by the director of the director's good faith belief that the standard of conduct necessary

for indemnification by the corporation as authorized in this section has been met; and

- (ii) A written undertaking by or on behalf of the director to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

Table of Contents

(2) The undertaking required by subparagraph (ii) of paragraph (1) of this subsection shall be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make the repayment.

(3) Payments under this subsection shall be made as provided by the Articles of Incorporation, bylaws or contract or as specified in subsection (e) of this section.

(g) The indemnification and advancement of expenses provided or authorized by this section may not be deemed exclusive of any other rights, by indemnification or otherwise, to which a director may be entitled under the Articles of Incorporation, the bylaws, a resolution of stockholders of directors, an agreement or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office.

(h) This section does not limit the corporation's power to pay or reimburse expenses incurred by a director in connection with an appearance as a witness in a proceeding at a time when the director has not been made a named defendant or respondent in the proceeding.

(i) For purposes of this section:

(1) The corporation shall be deemed to have requested a director to serve an employee benefit plan where the performance of the director's duties to the corporation also imposes duties on, or otherwise involves services by, the director to the plan or participants or beneficiaries of the plan:

(2) Excise taxes assessed on a director with respect to an employee benefit plan pursuant to applicable law shall be deemed fined; and

(3) Action taken or omitted by the director with respect to an employee benefit plan in the performance of the director's duties for a purpose reasonably believed by the director to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the corporation.

(j) Unless limited by the Articles of Incorporation:

(1) An officer of the corporation shall be indemnified as and to the extent provided in subsection (d) of this section for a director and shall be entitled, to the same extent as a director, to seek indemnification pursuant to the provisions of subsection (d);

(2) A corporation may indemnify and advance expenses to an officer, employee, or agent of the corporation to the same extent that it may indemnify directors under this section; and

(3) A corporation, in addition, may indemnify and advance expenses to an officer, employee, or agent who is not a director to such further extent, consistent with law, as may be provided by its charter, bylaws, general or specific action of its board of directors or contract.

(k)(1) A corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the corporation, or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, other enterprise, or employee benefit plan against any liability asserted against and incurred by such person in any such capacity or arising out of such person's position, whether or not the corporation would have the power to indemnify against liability under the provisions of this section.

(2) A corporation may provide similar protection, including a trust fund, letter of credit, or surety bond, not inconsistent with this section.

(3) The insurance or similar protection may be provided by a subsidiary or an affiliate of the corporation.

(l) Any indemnification of, or advance of expenses to, a director in accordance with this section, if arising out of a proceeding by or in the right of the corporation, shall be reported in writing to the stockholders with the notice of the next stockholders' meeting or prior to the meeting.

Item 17. Undertakings

Rule 415 Offering

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a final prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) [Intentionally omitted.]

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

Edgar Filing: EAGLE BANCORP INC - Form S-3

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used

after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to the purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

Filings Incorporating Subsequent Exchange Act Documents By Reference

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Request for Acceleration of Effective Date or Filing of Registration Statement on Form S-8

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
