Item 2.06 Material Impairments.

On March 26, 2009, The Manitowoc Company, Inc. (the Company) concluded that a material charge for impairment was required to reduce the carrying value of businesses required to be divested in conjunction with the acquisition of Enodis plc completed on October 27, 2008, as an agreement had been reached and signed on that date for the sale of the businesses required to be divested. This charge will be reflected in the Company's 2009 first quarter financial results.

The adjustments include a reduction in the book value of the company's Enodis Ice Group line of business, operating under the Scotsman, Ice-O-Matic, Simag, Barline, Icematic, and Oref brand names. Manitowoc is required to divest the Enodis Ice Group as a condition of the U.S. Department of Justice and the European Commission's clearance of the Enodis acquisition that was completed on October 27, 2008.

The final sales price for these assets is significantly below the value previously recorded on the company's balance sheet at December 31, 2008. Under these circumstances, accounting rules require that the carrying value of these assets be adjusted to reflect current estimated market value. As a result, the company will recognize a non-cash goodwill impairment charge of approximately \$30 million, which is in addition to the \$175 million non-cash goodwill impairment charge previously disclosed relating to the Enodis Ice Group. Operating earnings are not impacted, as the Enodis Ice Group is reported as a discontinued operation.

We do not currently believe additional non-cash impairment charges related to the Enodis Ice Group will be recognized in future periods. However, if such an additional charge were required, it could have a material effect on our consolidated financial statements.

Item 7.01 Regulation FD Disclosure.

On March 30, 2009, the Company issued a press release which, among other matters, previews the earnings per share from continuing operations for the first quarter of 2009 and the expected results for the full-year 2009, describes the agreement to sell the Enodis Ice Group, and addresses future compliance with debt covenants. A copy of the Company's press release is furnished as Exhibit 99.1 attached to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
