A stock option will be eligible for exchange and referred to herein as an *eligible option* if it has an exercise price per share equal to or greater than \$28.00, which approximates the 52-week intraday high trading price of our common stock as reported by the NYSE (measured from the commencement date of the Exchange Offer), and was granted prior to October 1, 2008. Eligible employees surrendering eligible options will receive in exchange new stock options.

The exchange program is open to all employees based in the U.S. who hold eligible options, except as described below. The Exchange Offer will not be open to members of our board, our executive officers (including our named executive officers), other senior officers designated by our compensation committee, and employees based outside of the U.S.

The actual number of shares of common stock subject to the stock options to be exchanged in the Exchange Offer will depend on the number of shares of common stock subject to eligible options surrendered by the eligible employees and accepted for exchange. The Company is making the offer upon the terms and subject to the conditions set forth in the Offer to Exchange document and in the related accompanying election form, attached hereto as Exhibit (a)(1)(B).
