**GLOBAL PARTNERS ANNOUNCES FILING OF  
PRELIMINARY PROXY STATEMENT REGARDING PROPOSED AMENDMENT TO PARTNERSHIP AGREEMENT**

**Waltham, Mass., October 26, 2009** Global Partners LP (NYSE: GLP) (the Partnership), a leading wholesale supplier of refined petroleum products in the Northeast, on October 23, 2009 filed a preliminary proxy statement with the Securities and Exchange Commission. The Partnership plans to file with the SEC and mail to unitholders a definitive proxy statement in connection with the proposal described in the preliminary proxy statement.

The Partnership expects to solicit proxies from its unitholders pursuant to the definitive proxy statement with respect to the proposal. Before making any voting decision with respect to the proposals, unitholders are advised to read the definitive proxy statement because it will contain important information.

**Description of Proposed Amendments to Partnership Agreement**

The Partnership is proposing to replace the terms operating surplus and adjusted operating surplus in its partnership agreement with a new term, distributable cash flow, as the metric to measure its ability to fund distributions from earnings (as opposed to capital) and to test whether the subordinated units are entitled to convert into common units.

The proposal would:

- Replace the terms operating surplus and adjusted operating surplus with the term distributable cash flow and thereby eliminate the term working capital borrowings in the partnership agreement and permit the Partnership to eliminate the requirement in its credit facility to

significantly reduce borrowings annually;

- Increase the minimum quarterly distribution from \$0.4125 to \$0.4625 per unit per quarter; and

- Remove the provisions that currently permit early conversion of a portion of the subordinated units and restate the provisions governing conversion of the subordinated units using distributable cash flow to test whether the minimum quarterly distribution has been earned.

The proposal would not result in any change in the current per unit amount of the Partnership's quarterly distribution (\$0.4875 per unit).

We believe that the proposal in our preliminary proxy statement maintains important safeguards for our common unitholders, said the Partnership's Chief Operating Officer and Chief Financial Officer Thomas Hollister. We believe distributable cash flow is a widely accepted metric for master limited partnerships. We have historically presented distributable cash flow, and its components, in our quarterly and annual reports as an important non-GAAP financial measure for our unitholders.

**Important Additional Information will be filed with the SEC**

The Partnership plans to file with the Securities Exchange Commission (SEC) and mail to unitholders a definitive proxy statement in connection with the proposal described in the Partnership's Preliminary Proxy Statement on Schedule 14A, which was filed with the SEC on October 23, 2009. BEFORE MAKING ANY VOTING DECISION WITH RESPECT TO SUCH PROPOSAL, UNITHOLDERS ARE ADVISED TO READ THE PROXY STATEMENT WHEN IT IS FINALIZED AND DISTRIBUTED TO UNITHOLDERS BECAUSE IT WILL CONTAIN IMPORTANT INFORMATION. Unitholders will be able to obtain a free-of-charge copy of the proxy statement (when available) and other relevant documents filed with the SEC from the SEC's web site at [www.sec.gov](http://www.sec.gov).

**Participants in the Solicitation**

The Partnership and its general partner and certain directors, executive officers and affiliates of its general partner may, under the rules of the SEC, be deemed to be participants in the solicitation (as defined in Instruction 3 to Item 4 of Schedule 14A) of proxies from its unitholders. Information concerning the interests of the persons who may be considered participants in the solicitation is set forth in the Partnership's preliminary proxy statement described above under the heading Interests of Certain Persons.
