**Item 8.01 Other Events**

As previously disclosed, on February 1, 2011, KEMET Corporation (the Company) received a notice from a securityholder, K Equity, LLC (K Equity), that it was exercising a demand right to require that the Company register shares of the Company's common stock, par value \$0.01 per share. K Equity has informed the Company that it intends to reduce the number of shares to be registered to 7,000,000, rather than 15,954,876 shares as originally requested. The shares to be registered are subject to issuance upon the partial exercise of a currently outstanding and exercisable warrant (the Warrant) held by K Equity. In connection with the issuance of the Warrant, the Company entered into an Investor Rights Agreement (the Investor Rights Agreement) with K Financing, LLC, which subsequently transferred its rights thereunder to K Equity. The Company has notified K Equity that it will not treat this registration as one of the two remaining demand registrations under the Investor Rights Agreement. K Equity has notified the Company that it intends to sell the shares to be registered from time to time based on market conditions.
