Item 1.01 Entry into a Material Definitive Agreement.

On March 20, 2011, TGC Industries, Inc., a Texas corporation (the Company), Dawson Geophysical Company, a Texas corporation (Dawson), and 6446 Acquisition Corp., a Texas corporation and a wholly-owned subsidiary of Dawson (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement) pursuant to which Merger Sub will merge with and into the Company, with the Company continuing after the merger as the surviving entity and a wholly-owned subsidiary of Dawson (the Merger).

Under the terms of the Merger Agreement, so long as two business days prior to the earlier of (1) a meeting of the Company's shareholders or (2) a special meeting of Dawson's shareholders, the Average Price (as described below) of Dawson's common stock (the Dawson Common Stock) is equal to or greater than \$32.54 but less than or equal to \$52.54, at the effective time of the Merger (the Effective Time), each issued and outstanding share of common stock of the Company (the Company Common Stock) (other than shares of the Company Common Stock owned by the Company, any wholly-owned subsidiary of the Company, Dawson, or Merger Sub) will be automatically converted into the right to receive 0.188 shares of Dawson Common Stock (the Exchange Ratio). If the Average Price is not within the parameters outlined above, the Company and Dawson will seek, in good faith to negotiate a new Exchange Ratio that is acceptable to both parties, but subject to each party's right to terminate the Merger Agreement if the Company and Dawson are not able to agree on a new Exchange Ratio within two business days after the second business day prior to the earlier of (1) a meeting of the Company's shareholders or (2) a special meeting of Dawson's shareholders. The Average Price means the average of the volume weighted average of the trading price of Dawson Common Stock for the 10 consecutive trading days ending on the trading day that is two business days prior to the earlier of (1) a meeting of the Company's shareholders or (2) a special meeting of Dawson's shareholders.

Except as otherwise set forth in the Merger Agreement, stock options for the Company Common Stock will, if not exercised prior to the Effective Time, be converted into stock options for Dawson Common Stock on terms substantially identical to those in effect immediately prior to the Effective Time, with the number of shares of Dawson Common Stock issuable and the exercise price being adjusted by the Exchange Ratio.

The respective Boards of Directors of the Company, Dawson, and Merger Sub have approved the Merger Agreement. The Board of Directors of the Company has recommended that the Company's shareholders approve the Merger Agreement, subject to Section 7.3 of the Merger Agreement. The Board of Directors of Dawson has recommended that Dawson's shareholders approve the issuance of shares of Dawson Common Stock to the shareholders of the Company in accordance with the Merger Agreement.

It is expected that the Merger will qualify as a tax-free reorganization for U.S. federal income tax purposes, so that, in general, none of the shareholders of the Company, Dawson or Merger Sub will recognize any gain or loss in the transaction, except that the Company's shareholders will generally recognize gain or loss with respect to cash received in lieu of fractional shares of Dawson Common Stock.

Completion of the Merger is subject to certain customary conditions, including, among other things:

Edgar Filing: DAWSON GEOPHYSICAL CO - Form 425

- approval of the Merger Agreement by the holders of at least 80% of the outstanding shares of the Company Common Stock;
- approval of the issuance of shares of Dawson Common Stock in the Merger by the holders of at least a majority of the shares of Dawson Common Stock present and voting at a special meeting of Dawson's shareholders called to approve the share issuance;
- the effectiveness of a registration statement on Form S-4 that will be filed by Dawson with the Securities and Exchange Commission (the SEC) for the issuance of shares of Dawson Common Stock in the Merger and the authorization of the listing of those shares on the Nasdaq Stock Market;
- expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976;
- certain officers of the Company, including Wayne Whitener, the President and CEO of the Company, having entered into employment agreements with the Company, as the surviving entity in the Merger, effective as of the Effective Time;
- the receipt by the Company of certain consents;
- receipt by the Company, as of the closing date, of a reconfirmation from its financial advisor that the consideration to be received by the Company's shareholders in the Merger is fair; and
- the absence of a Material Adverse Effect (as defined in the Merger Agreement) with respect to either the Company's or Dawson's respective businesses.

The parties have made customary representations and warranties and agreed to customary covenants in the Merger Agreement. In addition, the Company and Dawson have each agreed to certain pre-closing covenants in the Merger Agreement, including, among other things, covenants that each of the Company and Dawson will, and the Company will cause its subsidiaries to, during the period between the date of the Merger Agreement and the Effective Time, conduct its business only in the ordinary course of business consistent with past practice and that each of the Company and Dawson will not engage in certain types of transactions without the consent of the other during such period.

Except as set forth in the Merger Agreement, the Company and Dawson have also agreed not to solicit, initiate, approve, endorse, recommend, or encourage, or take any other action designed to, or which would reasonably be expected to, facilitate, any inquiry or the making or announcement of any proposal or offer that constitutes, or that would reasonably be expected to lead to, an Acquisition Proposal (as defined in the Merger Agreement). The Company and Dawson are permitted to: (i) furnish information and access in response to a written request for information or access to any person making an Acquisition Proposal which was not solicited, initiated, knowingly encouraged, or knowingly facilitated by the Company or Dawson and (ii) participate in discussions and negotiate with such person concerning any such unsolicited Acquisition Proposal if the following conditions are met: (A) the Company or Dawson, as applicable, has not breached its non-solicitation

covenant contained in the Merger Agreement in

any material respect; (B) the Board of Directors of the Company or Dawson, as applicable, determines in good faith, after receipt of advice from outside counsel and its financial advisor, that such Acquisition Proposal constitutes or is reasonably likely to lead to a Superior Proposal (as defined in the Merger Agreement); and (C) the Company or Dawson, as applicable, enters into a customary confidentiality agreement with the person making such Acquisition Proposal, and all such information provided to such person has previously been provided to or is provided to the other parties to the Merger Agreement concurrently with its provision to such person.

The Merger Agreement provides for certain termination rights for both the Company and Dawson and further provides that upon any termination of the Merger Agreement under certain circumstances relating to any third party Acquisition Proposal, the party negotiating such Acquisition Proposal will be obligated to pay the other party to the Merger Agreement, depending on the circumstances, a termination fee of either \$2.35 million or, in the case of failure of the Company to receive a reconfirmation from its financial advisor that the consideration to be received by the Company's shareholders in the Merger is fair, \$3.125 million, and may also, under certain circumstances, be required to reimburse the other party to the Merger Agreement for its third party costs and expenses in connection with the proposed Merger, up to a maximum of \$1.5 million.

Pursuant to the Merger Agreement, Dawson has agreed to take all necessary actions to cause, as of the Effective Time, its Board of Directors to include as Dawson directors Wayne A. Whitener and Allen T. McInnes, each of whom is currently a director of the Company.

In connection with the Merger Agreement, shares of the Company Common Stock beneficially owned by the named executive officers and directors of the Company representing, in the aggregate, 28.73% of the currently outstanding shares of the Company Common Stock are subject to, or will as soon as practicable after the date of the Merger Agreement be subject to, voting agreements with Dawson (the Company Shareholder Voting Agreements) in the form attached as Exhibit 99.1 to this Current Report on Form 8-K. Under the Company Shareholder Voting Agreements, those officers and directors and other persons directing the voting of such shares of the Company Common Stock have agreed, or will agree, among other things: (1) to vote their shares of the Company Common Stock in favor of adoption of the Merger Agreement at the meeting of the Company shareholders to be held to vote on the Merger Agreement; and (2) not to sell, transfer, or gift any of their shares of the Company Common Stock prior to the consummation of the Merger, except under limited circumstances, including the Company's Board of Directors making a Company Adverse Recommendation Change (as defined in the Merger Agreement).

and covenants contained in the Merger Agreement were made solely for purposes of the agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders.
