**Item 1.01. Entry Into a Material Definitive Agreement.**

*Indenture*

On December 4, 2012, Legacy Reserves LP, a Delaware limited partnership (the *Partnership*), and Legacy Reserves Finance Corporation, a Delaware corporation ( *Finance Corp* and together with the Partnership, the *Issuers* ), entered into an Indenture (the *Indenture* ), by and among the Issuers, certain subsidiaries of the Partnership, as guarantors (the *Guarantors* ) and Wells Fargo Bank, National Association, as trustee (the *Trustee* ), in connection with the private placement of \$300 million in aggregate principal amount of the Issuers' 8% Senior Notes due 2020 (the *Notes* ).

*Interest and Maturity*

On December 4, 2012, the Issuers issued the Notes pursuant to the Indenture in a transaction exempt from the registration requirements under the Securities Act of 1933, as amended (the *Securities Act* ). The Notes will mature on December 1, 2020. The interest payment dates are June 1 and December 1 of each year, beginning on June 1, 2013.

*Optional Redemption*

Prior to December 1, 2015, the Issuers may, at any time or from time to time, redeem up to 35% of the aggregate principal amount of the Notes with the net proceeds of a public or private equity offering at a redemption price of 108.0% of the principal amount of the Notes, plus any accrued and unpaid interest to the date of redemption, if at least 65% of the aggregate principal amount of the Notes originally issued under the Indenture remains outstanding after such redemption and the redemption occurs within 180 days of the date of the closing of such equity offering. Prior to December 1, 2016, the Issuers may redeem all or a part of the Notes at a redemption price equal to the sum of (i) the principal amount thereof, plus (ii) a make whole premium at the redemption date, plus accrued and unpaid interest, if any, to the redemption date. On or after December 1, 2016, the Issuers may redeem all or a part of the Notes at redemption prices (expressed as percentages of principal amount) equal to 104.0% for the twelve-month period beginning on December 1, 2016, 102.0% for the twelve-month period beginning December 1, 2017, and 100.0% for the twelve-month period beginning on December 1, 2018 and at any time thereafter, plus accrued and unpaid interest, if any, to the applicable redemption date on the Notes.

*Special Mandatory Redemption*

The Partnership expects to use the net proceeds from the sale of the Notes to fund a portion of the \$520 million purchase price of its pending acquisition of oil and natural gas properties in the Permian Basin from Concho Resources Inc. Prior to funding the pending acquisition, all of the net proceeds of the Notes offering have been placed in an escrow account (the *Escrow* ). If the acquisition is not closed by January 31, 2013 or the acquisition agreement is terminated prior to the consummation of the acquisition, the Notes will be redeemed at 97.848% of the principal amount, plus accrued and unpaid interest to the redemption date (the *Special Mandatory Redemption* ).

*Certain Covenants*

The Indenture contains customary covenants that restrict the Partnership's ability and the ability of certain of its subsidiaries to, among other things: (i) sell assets including equity interests in its subsidiaries; (ii) pay distributions on, redeem or repurchase its units or redeem or repurchase its subordinated debt; (iii) make investments; (iv) incur or guarantee additional indebtedness or issue preferred units; (v) create or incur certain liens; (vi) enter into agreements that restrict distributions or other payments from the Partnership's restricted subsidiaries to the Partnership; (vii) consolidate, merge or transfer all or substantially all of the Partnership's assets; (viii) engage in transactions with affiliates; (ix) create unrestricted subsidiaries; or (x) engage in certain business activities. These covenants are subject to a number of important exceptions and qualifications. If the Notes achieve an investment grade rating from each of Moody's Investors Service, Inc. and Standard & Poor's Ratings Services and no Default (as defined in the Indenture) has occurred and is continuing, many of these covenants will terminate.

*Events of Default*

The Indenture also contains customary Events of Defaults. Each of the following is an Event of Default: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in payment when due of the principal of, or premium, if any, on the Notes; (iii) failure by the Partnership to comply with certain covenants relating to merger, consolidation, sale of assets, change of control, the Escrow or the Special Mandatory Redemption; (iv) failure by the Partnership for 180 days after notice to comply with its reporting obligations under the Securities Exchange Act of 1934, as amended; (v) failure by the Partnership for 60 days after notice to comply with any of the other agreements in the Indenture; (vi) default under any mortgage, indenture or instrument governing any indebtedness for money borrowed or guaranteed by the Partnership or any of its restricted subsidiaries, whether such indebtedness or guarantee now

exists or is created after the date of the Indenture, if such default: (a) is caused by a payment default; or (b) results in the acceleration of such indebtedness prior to its stated maturity, and, in each case, the principal amount of the indebtedness, together with the principal amount of any other such indebtedness under which there has been a payment default or acceleration of maturity, aggregates \$15.0 million or more, subject to a cure provision; (vii) failure by the Partnership or any of its restricted subsidiaries to pay final judgments aggregating in excess of \$15.0 million, which judgments are not paid, discharged or stayed for a period of 60 days; (viii) except as permitted by the Indenture, any subsidiary guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force or effect, or any Guarantor, or any person acting on behalf of any Guarantor, denies or disaffirms its obligations under its subsidiary guarantee; and (ix) certain events of bankruptcy, insolvency or reorganization described in the Indenture with respect to the Issuers or any of the Partnership's restricted subsidiaries that is a significant subsidiary or any group of restricted subsidiaries that, taken together, would constitute a significant subsidiary of the Partnership. Upon a continuing Event of Default, the Trustee, by notice to the Issuers, or the holders of at least 25% in principal amount of the then outstanding Notes, by notice to the Issuers and the Trustee, may declare the Notes immediately due and payable, except that an Event of Default resulting from certain events of bankruptcy, insolvency or reorganization with respect to the Issuers, any restricted subsidiary of the Partnership that is a significant subsidiary or any group of its restricted subsidiaries that, taken together, would constitute a significant subsidiary of the Partnership, will automatically cause the Notes to become immediately due and payable.

### ***Registration Rights Agreement***

On December 4, 2012, the Issuers entered into a Registration Rights Agreement (the ***Registration Rights Agreement***), with the Guarantors and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the Initial Purchasers in connection with the private placement of the Notes.

Under the Registration Rights Agreement, the Issuers and the Guarantors shall cause to be filed with the Securities and Exchange Commission a registration statement with respect to an offer to exchange the Notes for substantially identical notes that are registered under the Securities Act. The Issuers and the Guarantors will use their commercially reasonable efforts to cause such exchange offer registration statement to become effective under the Securities Act. In addition, the Issuers and the Guarantors will use their commercially reasonable efforts to cause the exchange offer to be consummated not later than 400 days after the issuance of the notes. Under some circumstances, in lieu of, or in addition to, a registered exchange offer, the Issuers and the Guarantors have agreed to file a shelf registration statement with respect to the Notes. The Issuers and the Guarantors are required to pay additional interest if they fail to comply with their obligations to register the Notes within the specified time periods.

### ***Miscellaneous***

The descriptions set forth above are qualified in their entirety by reference to the Indenture and the Registration Rights Agreement, which are filed with this Current Report on Form 8-K (this ***Report***) as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.
