The following paragraphs provide a summary of certain terms of the 2014 Plan. The 2014 Plan is set forth in its entirety in Annex A of the Definitive Proxy Statement filed April 1, 2014, which is incorporated herein by reference.

The purposes of the 2014 Plan are to attract and retain the best available talent and to encourage the highest level of performance by affording eligible employees and independent contractors of the Company the opportunity to acquire a proprietary interest in the Company. The Compensation Committee of the Board of Directors administers the 2014 Plan and will designate the eligible award recipients under the 2014 Plan.

Under the 2014 Plan, the Company may grant: (i) incentive stock options (within the meaning of Section 422 of the Internal Revenue Code); (ii) nonqualified stock options; (iii) restricted stock and restricted stock units (Stock Awards); and (iv) stock appreciation rights (SARs). To the extent the Company grants a stock option or an SAR under the 2014 Plan, the number of shares of common stock that remain available for future grants will be reduced by an amount equal to the number of shares subject to such stock option or SAR. To the extent the Company grants a Stock Award under the 2014 Plan, the number of shares of common stock that remain available for future grants will be reduced by an amount equal to two times the number of shares subject to such award.
