**EXPLANATORY NOTE**

Pursuant to General Instruction E to Form S-8 under the 1933 Act, this Registration Statement is filed by Boingo Wireless, Inc. (the Registrant) for the purpose of registering additional shares of common stock, par value \$0.0001 per share, of the Company (the Common Stock) under the 2011 Plan. The number of shares of Common Stock available for issuance under the 2011 Plan is subject to an automatic annual increase on the first day of each fiscal year of the Company during the term of the 2011 Plan equal to the lowest of (a) 4.5% of the total number of shares of Common Stock then outstanding, (b) 3,000,000 shares (subject to proportionate adjustment in the event of a stock split, reverse stock split, stock dividend, etc.), or (c) a number of shares of Common Stock determined by the Registrant's Board of Directors (the Evergreen Provision). Accordingly, the number of shares of Common Stock available for issuance under the 2011 Plan was increased by 1,631,737 shares effective January 1, 2015. This Registration Statement registers the 1,631,737 additional shares of Common Stock available for issuance under the 2011 Plan as of January 1, 2015 as a result of the Evergreen Provision.

The shares of Common Stock registered pursuant to this Registration Statement are of the same class of securities as the 4,000,000 shares of Common Stock registered for issuance under the 2011 Plan pursuant to the currently effective Registration Statement on Form S-8 (Registration No. 333-174157) filed on May 12, 2011 (the Original Registration Statement), the 1,511,288 shares of Common Stock registered for issuance under the 2011 Plan pursuant to the currently effective Registration Statement on Form S-8 (Registration Number 333-181180) filed on May 4, 2012 (the 2012 Registration Statement), the 1,596,725 shares of Common Stock registered for issuance under the 2011 Plan pursuant to the currently effective Registration Statement on Form S-8 (Registration Number 333-187471) filed on March 22, 2013 (the 2013 Registration Statement) and the 1,585,149 shares of Common Stock registered for issuance under the 2011 Plan pursuant to the currently effective Registration Statement on Form S-8 (Registration Number 333-195248) filed on April 14, 2014 (the 2014 Registration Statement). The contents of the Original Registration Statement, the 2012 Registration Statement, the 2013 Registration Statement and the 2014 Registration Statement, including any amendments thereto or filings incorporated therein, are incorporated herein by this reference. Any items in the Original Registration Statement, the 2012 Registration Statement, the 2013 Registration Statement and the 2014 Registration Statement not expressly changed hereby shall be as set forth in the Original Registration Statement.

(b) The description of the Registrant's Common Stock contained in the Registrant's Registration Statement No. 001-35155 on Form 8-A filed with the SEC on April 27, 2011, pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "1934 Act"), including any amendment or report filed for the purpose of updating such description.

**Item 6. Indemnification of Directors and Officers**

Section 145 of the Delaware General Corporation Law authorizes a corporation's board of directors to grant, and authorizes a court to award, indemnity to officers, directors and other corporate agents.

As permitted by Section 102(b)(7) of the Delaware General Corporation Law, Registrant's amended and restated certificate of incorporation includes provisions that eliminate the personal liability of its directors and officers for monetary damages for a breach of their fiduciary duty as directors and officers.

In addition, as permitted by Section 145 of the Delaware General Corporation Law, Registrant's amended and restated bylaws provide that:

- The Registrant shall indemnify its directors and officers for serving the registrant in those capacities or for serving other business enterprises at the registrant's request, to the fullest extent permitted by Delaware law. Delaware law provides that a corporation may indemnify such person if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the registrant and, with respect to any criminal proceeding, had no reasonable cause to believe such person's conduct was unlawful.
- The Registrant may, in its discretion, indemnify employees and agents in those circumstances in which indemnification is not required by law.
- The Registrant will be required to advance expenses, as incurred, to its directors and officers in connection with defending a proceeding, except that such director or officer shall undertake to repay such advances if it is ultimately determined that such person is not entitled to indemnification.
- The Registrant will not be obligated pursuant to the bylaws to indemnify a person with respect to proceedings initiated by that person, except with respect to proceedings authorized by the registrant's board of directors. The rights conferred in the bylaws are not exclusive, and the registrant is authorized to enter into indemnification agreements with its directors, officers, employees and agents and to obtain insurance to indemnify such persons.
- The Registrant may not retroactively amend the bylaw provisions to reduce its indemnification obligations to directors, officers, employees and agents.

The Registrant has entered into separate indemnification agreements with each of its directors and executive officers that will provide the maximum indemnity allowed to directors and executive officers by Section 145 of the Delaware General Corporation Law and provide for certain additional procedural protections. The Registrant also maintains insurance to insure directors and officers against certain liabilities.

These indemnification provisions and the indemnification agreements to be entered into between the registrant and its officers and directors may be sufficiently broad to permit indemnification of the registrant's officers and directors for liabilities (including reimbursement of expenses incurred) arising under the Securities Act.

**Item 8. Exhibits**

See the accompanying Exhibit Index for a list of Exhibits to this Registration Statement, which is incorporated by reference herein.

**Item 9. Undertakings**

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total

dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference in this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the 1933 Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the 1933 Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Los Angeles, State of California on this 17th day of April, 2015.
