*Amendment to 2007 Incentive Compensation Plan*

On December 15, 2015, the compensation committee of the board of directors of Eagle Pharmaceuticals, Inc., or the Company, approved an administrative amendment, or the Amendment, to the Company's 2007 Incentive Compensation Plan, or the 2007 Plan, to clarify that provisions in any award agreement under the 2007 Plan may provide for vesting acceleration of equity awards granted under the 2007 Plan in the event of a change in control of the Company.

*Letter Agreement Regarding Equity Awards*

Additionally, on December 15, 2015, the compensation committee approved a form of letter agreement, or the Letter Agreement, regarding the eligibility for equity award vesting acceleration for certain Company executives and members of management, including the Company's principal executive officer, principal financial officer and each of the named executive officers. Each of the applicable executive officers and members of management entered into the Letter Agreement on December 21, 2015.

The Letter Agreement provides that, if in connection with a Change in Control (as defined in the applicable equity plan), an equity award is substituted for a similar award of the successor or acquiror entity and the award holder experiences a Qualifying Termination (as defined in the Letter Agreement) within 90 days prior to or 12 months following such Change in Control, any unvested portion of any applicable equity award will become fully vested. In addition, if in connection with a Change in Control an equity award shall terminate and not be assumed or continued by, or substituted for a similar award of, the successor or acquiror entity, then, any unvested portion of any applicable equity award will become fully vested, subject to the consummation of such Change in Control.

*Revised Form of Stock Option Agreement*

Additionally, on December 15, 2015, the compensation committee approved a revised form of stock option agreement, which may be used by the Company in subsequent stock option grant awards, including, in the compensation committee's discretion, awards to the Company's principal executive officer, principal financial officer and/or named executive officers. The revised form of stock option agreement incorporates substantially the same accelerated vesting provisions set forth in the Letter Agreement, as described above.

The foregoing summaries of the Amendment, the Letter Agreement and the form of stock option agreement do not purport to be complete and are subject to and qualified in their entirety by reference to the terms and conditions of the Amendment, the Letter Agreement and revised form of stock option agreement, each of which is attached hereto as Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, and incorporated herein by reference.
