The Partnership's Chapter 11 Case is being administered under the caption *In re Azure Midstream Partners, LP, et al.* (Case No. 17-30461). No trustee has been appointed, and the Debtors will continue to operate their businesses as debtors in possession under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court. The Partnership expects to continue its operations without interruption during the pendency of the Chapter 11 Cases. To assure ordinary course operations, the Partnership is seeking approval from the Court for a variety of first day motions seeking various relief and authorizing the Debtors to maintain their operations in the ordinary course. Court filings and other information related to the Chapter 11 Cases are available at a website administered by the Partnership's claims agent, Kurtzman Carson Consultants, at <http://kccllc.net/azuremlp>.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The commencement of the Chapter 11 Cases constitutes an event of default that accelerated the Debtors' obligations under the following debt instruments (the Debt Instruments).

- Credit Agreement, dated as of February 27, 2015, as amended, by and among the Partnership, as borrower, the lenders party thereto and Wells Fargo Bank, National Association, as administrative agent.

The Debt Instruments provide that as a result of the commencement of the Chapter 11 Cases, the principal and accrued interest due thereunder shall be immediately due and payable. Any efforts to enforce such payment obligations under the Debt Instruments are automatically stayed as a result of the filing of the Bankruptcy Petitions, and the holders' rights of enforcement in respect of the Debt Instruments are subject to the applicable provisions of the Bankruptcy Code.
