Item 8.01. Other Events.

In connection with the commencement of an equity offering program under which CMS Energy Corporation (CMS Energy) may sell shares of CMS common stock (the Shares) having an aggregate sales price of up to \$250,000,000 from time to time (the Offering), CMS Energy filed today with the Securities and Exchange Commission (the SEC) a prospectus supplement dated August 1, 2018 (the Prospectus Supplement). CMS Energy may sell the Shares in amounts and at times to be determined by CMS Energy from time to time, but has no obligation to sell any of the Shares in the Offering. Actual sales will depend on a variety of factors to be determined by CMS Energy from time to time, including (among others) market conditions, the trading price of CMS Energy s common stock and determinations by CMS Energy of the appropriate sources of funding for CMS Energy.

The Offering will occur pursuant to an equity distribution agreement (Agreement) entered into among A) CMS Energy, B) Bank of America, N.A., Deutsche Bank AG, London Branch and Morgan Stanley & Co. LLC (or their affiliates), each in its capacity as purchaser (each, a Forward Purchaser and, together, the Forward Purchasers) in a forward sale transaction pursuant to a master forward confirmation as supplemented by a supplemental confirmation, and C) Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc. and Morgan Stanley & Co. LLC, each in its capacity as agent for CMS Energy and/or principal in connection with the offering and sale of any Shares (each, an Agent and, together, the Agents), and each in its capacity as agent for any Forward Purchaser in connection with the offering and sale of any Shares pursuant to a forward sale transaction (each, a Forward Seller and, together, the Forward Sellers). The Agreement provides that CMS Energy may offer and sell from time to time pursuant to the Agreement, Shares having an aggregate sales price of up to \$250,000,000 (i) through the Agents, acting as CMS Energy s sales agents and/or acting as principal for its own account, and/or (ii) pursuant to forward sale transactions. The applicable Agent and Forward Sellers will be entitled to compensation as provided under the terms of the Agreement.

In connection with each particular forward sale transaction, the relevant Forward Purchaser or its affiliate will, at CMS Energy s request, borrow from third parties and, through the relevant Forward Seller, sell a number of the Shares equal to the number of Shares underlying the particular forward sale transaction.

CMS Energy will not initially receive any proceeds from the sale of borrowed shares by a Forward Seller. CMS Energy expects to physically settle each particular forward sale transaction with the relevant Forward Purchaser on one or more dates specified by CMS Energy on or prior to the maturity date of that particular forward sale agreement, in which case CMS Energy would expect to receive per share cash proceeds at settlement equal to the forward sale price under the relevant forward sale agreement. However, CMS Energy may also elect to cash settle or net share settle a particular forward sale transaction, in which case CMS Energy may not receive any proceeds (in the case of cash settlement) or will not receive any proceeds (in the case of net share settlement), and CMS Energy may owe cash (in the case of cash settlement) or shares (in the case of net share settlement) to the relevant Forward Purchaser.

Sales of the Shares, if any, under the Agreement may be made in privately negotiated transactions or transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including by ordinary brokers transactions through the facilities of the New York Stock Exchange, to or through a market maker or directly on or through an electronic communications network, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices, in block transactions, through forward purchases/sales or as otherwise agreed with the Agents and described in the Prospectus Supplement. CMS Energy has no obligation to sell any of the Shares in the Offering, and may at any time suspend solicitation and offers under the Agreement or terminate the Agreement.

The Shares will be issued pursuant to the Prospectus Supplement and CMS Energy's automatic shelf registration statement on Form S-3 (File No. 333-216355) filed on March 1, 2017, with the SEC (the Registration Statement). This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the provisions of the Agreement which is attached hereto as Exhibit 1.1 and incorporated by reference herein.

This Current Report on Form 8-K is being filed to file certain documents in connection with the Offering as exhibits to the Registration Statement.
