Item 1.01. Entry into a Material Definitive Agreement.

On March 14, 2019, Envestnet, Inc. ("Envestnet") entered into an agreement and plan of merger (the "Merger Agreement") with PIEtech, Inc., a Virginia corporation ("PIEtech"), the persons listed on Appendix A thereto, as the sellers (the "Sellers"), Robert D. Curtis, as the Sellers representative (the "Sellers Representative"), and Pecan Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of Envestnet ("Merger Sub"). Pursuant to the Merger Agreement, PIEtech will merge with and into Merger Sub, with Merger Sub continuing as the surviving corporation (the "Merger") and a wholly owned direct subsidiary of Envestnet. Envestnet's Board of Directors (the "Board") has, by unanimous vote, approved the Merger Agreement and the transactions contemplated by the Merger Agreement.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the "Effective Time"), the outstanding shares of common stock of PIEtech (the "PIEtech Common Stock") (other than certain excepted shares as described in the Merger Agreement) will be converted into the right to receive an aggregate of (i) \$295,000,000 in cash (the "Cash Consideration"), subject to the working capital adjustments set forth in the Merger Agreement, and (ii) 3,184,713 shares of common stock, par value \$0.005 per share, of Envestnet (the "Envestnet Common Stock") (such number of shares, the "Stock Consideration") (the consideration described in clauses (i) and (ii), the "Merger Consideration"). Based upon the closing price of the Envestnet Common Stock on March 13, 2019, the value of the stock consideration is approximately \$205 million and the total value of the Merger Consideration is approximately \$500 million. The shares of Envestnet Common Stock to be issued in the Merger represent approximately 6.8% of Envestnet's shares of common stock outstanding before the issuance.

Envestnet has also agreed to establish a retention bonus pool consisting of \$30,000,000 of cash and restricted stock units to be granted to employees and management of PIEtech as inducement grants. The allocation of cash and restricted stock units will be made before the closing of the Merger and is subject to a maximum of \$12,000,000 of cash.

Completion of the Merger is subject to certain closing conditions, including (i) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act"), (ii) the Envestnet Common Stock to be issued in connection with the Merger being approved for listing on the New York Stock Exchange, (iii) the absence of any material adverse effects with respect to PIEtech having occurred since the date of the Merger Agreement, (iv) employment agreements having been entered into with certain executive officers of PIEtech, (v) a consulting agreement having been entered into with Robert D. Curtis, the current chief executive officer of PIEtech, and (vi) other customary closing conditions. The Merger Agreement has already been approved by PIEtech's stockholders.

Envestnet intends to fund the Cash Consideration with available balance sheet cash and funds to be borrowed under Envestnet's existing credit facilities.

The Merger Agreement contains customary representations, warranties and covenants, including, among others, covenants providing for both parties to use their respective reasonable best efforts to obtain required regulatory approvals and for PIEtech (i) not to, subject to certain exceptions, initiate, solicit or engage in negotiations with third parties relating to an alternative business combination transaction and (ii) to conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the Effective Time. The Merger Agreement requires the Sellers to indemnify Envestnet for certain losses that Envestnet incurs, including as a result of a breach by PIEtech or the Sellers of their representations, warranties or covenants under the Merger Agreement. Envestnet obtained a buyer-side representations and warranties insurance policy in connection with the Merger Agreement. The sole recourse for Envestnet for breaches of representations and warranties, subject to certain limited exceptions, will be limited to recovery from certain escrowed funds and under the representations and warranties insurance policy.

Edgar Filing: ENVESTNET, INC. - Form 8-K

The Merger Agreement contains certain termination rights, including, among others, the right of either party to terminate the Merger Agreement if the Merger does not occur by July 14, 2019, subject to an automatic extension of 90 days in the event of a second request for additional information under the HSR Act. If the Merger Agreement is terminated by Envestnet or the Sellers in certain circumstances described in the Merger Agreement, a termination fee equal to \$25 million will be payable to the party electing to terminate the Merger Agreement.

The representations, warranties and covenants of each of Envestnet, Merger Sub, PIEtech and the Sellers contained in the Merger Agreement have been made solely for the benefit of the parties to the Merger Agreement. In addition, such representations, warranties and covenants (i) have been made only for purposes of the Merger Agreement, (ii) have been qualified by confidential disclosures made by the parties in connection with the Merger Agreement, (iii) are subject to materiality qualifications contained in the Merger Agreement that may differ from what may be viewed as material by investors, (iv) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (v) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included as an exhibit to this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the public disclosures by the parties. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information that Envestnet files with the SEC.

As a condition to the closing of the Merger, Envestnet will enter into an orderly marketing agreement (the Orderly Marketing Agreement) with certain of the Sellers who will receive, in the aggregate, approximately 3,000,000 million shares of Envestnet Common Stock in the Merger. Pursuant to the terms of the Orderly Marketing Agreement, each of the Sellers party thereto will agree (i) to certain standstill provisions for a period ending on the earlier of (a) one year from the closing date of the Merger and (b) the date on which such Seller beneficially owns less than 2% of Envestnet s outstanding common stock, (ii) subject to certain exceptions, not to transfer any shares of Envestnet Common Stock received in the Merger to any person or group which, after consummation of such transfer, would beneficially own shares of Envestnet Common Stock representing in the aggregate 5.0% or more of the total number of shares of Envestnet Common Stock outstanding and (iii) for a period of three years from the closing date of the Merger, to reasonably consult with Envestnet on the method of sale of any shares of Envestnet Common Stock in excess of an aggregate of 25,000 shares during any three-month period with the goals of achieving the sale on a best price and execution basis and with a view to maintaining an orderly market in the Envestnet Common Stock. Robert Curtis, who will receive approximately 2,000,000 million shares of Envestnet Common Stock in the Merger, will also agree not to sell one-third of such shares for a period of one year and an additional one-third of such shares for a period of two years, in each case subject to certain exceptions.

The foregoing descriptions of the Merger Agreement and the Orderly Marketing Agreement are not complete and are qualified in their entirety by reference to the full text of the Merger Agreement and the form of Orderly Marketing Agreement, which are filed as Exhibits 2.1 and 99.1, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
