INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY, AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.

GENERAL

This Information Statement is being furnished to the stockholders of AuctionAnything.com, Inc., a Delaware corporation (the "Company"), in connection with the proposed adoption of a Certificate of Amendment to the Company's Certificate of Incorporation (the "Amendment") by the written consent of the holders of a majority in interest of the Company's Voting Capital Stock ("Voting Capital Stock") consisting of the Company's outstanding Common Stock ("Common Stock"). The Company's Board of Directors on June 25, 2001, approved and recommended by written consent that the Certificate of Incorporation be amended in order to effectuate a name change from "AuctionAnything.com, Inc." to "Disease Sciences, Inc." The proposed Amendment to the Certificate of

Incorporation will become effective upon the filing of the Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware. The Company anticipates that the filing of the Amendment will occur on or about July 16, 2001. If the proposed Amendment was not adopted by written consent, it would have been required to be considered by the Company's stockholders at a special stockholders' meeting convened for the specific purpose of approving the Amendment.

The elimination of the need for a special meeting of stockholders to approve the Amendment is made possible by Section 228 of the Delaware General Corporation Law (the "Delaware Law") which provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a special meeting. Pursuant to Section 242 of the Delaware Law, a majority of the outstanding shares of voting capital stock entitled to vote thereon is required in order to amend the Company's Certificate of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company as hereafter described, the Board of Directors of the Company voted to utilize the written consent of the holders of a majority in interest of the Voting Capital Stock of the Company. As discussed hereafter, the Board of Directors has recommended the name change amendment in order to more accurately reflect the current business activities of the Company which, after the recent acquisition of a developmental stage biopharmaceutical/clinical diagnostics company, Disease S.I., Inc., include pharmaceutical research, drug development and clinical investigations.

The written consent of such persons to the amendment to our Certificate of Incorporation will become effective upon the filing of their written consents with our Secretary.
