Item 4 Summary of Material Change

On September 16, 2005, Cameco closed its offering of 4.70% senior unsecured debentures due September 16, 2015 (the Debentures) for aggregate gross proceeds of \$300 million. Cameco plans to use the net proceeds of approximately \$297 million principally for retiring outstanding commercial paper, planned capital expenditures and general corporate purposes.

Item 5 Full Description of Material Change

On September 16, 2005, Cameco closed its offering of 4.70% Debentures for aggregate gross proceeds of \$300 million. The offering was underwritten by RBC Capital Markets and Scotia Capital Inc. Cameco plans to use the net proceeds of approximately \$297 million principally for retiring outstanding commercial paper, planned capital expenditures and general corporate purposes. The company s planned capital expenditures include developmental and sustaining capital at its uranium and conversion facilities. The company s commercial paper program is used for capital expenditures and general corporate purposes which may include the funding of acquisitions. The Debentures have been rated A (low) by Dominion Bond Rating Service Limited and BBB+ by Standard & Poor s Rating Service. Each Debenture has a minimum denomination of \$1,000 and will bear interest at an interest rate of 4.70%, per annum payable semi-annually in arrears on March 16 and September 16 in each year commencing March 16, 2006 and will mature on September 16, 2015.

The Debentures have not been and will not be registered under the United States Securities Act of 1933, as amended (US Securities Act) and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
