Item 8.01 - Other Events

As a result of the Company's previously disclosed termination of two shipyard construction contracts for the final two vessels in the Company's fifth OSV newbuild program, on October 2, 2018, Gulf Island Shipyards, LLC ("GIS") filed a lawsuit against Hornbeck Offshore Services, LLC in the 22nd Judicial District Court for the Parish of St. Tammany, in the State of Louisiana. The lawsuit is styled Gulf Island Shipyards, LLC v. Hornbeck Offshore Services, LLC.

During the first quarter of 2018, the Company terminated the two contracts because of GIS's performance issues. In the lawsuit, GIS alleges claims for delay, hindrance, disruption and wrongful termination of the construction contracts and seeks various remedies. The Company intends to vigorously defend GIS's claims, considers them to be without merit, and will respond to GIS's lawsuit in due course.

As previously reported, the Company remains in discussions with the surety of the shipyard contracts to facilitate the completion of the construction of the vessels at a completion yard under the surety's performance bonds.
