PRESS RELEASE

**ABLEAUCTIONS - SECOND QUARTER 2007 REVENUES EXPECTED TO INCREASE OVER 75%
FROM FIRST QUARTER**

Ojai, California July 17, 2007 Ableauctions.com (AMEX:AAC) announced today that it expects to release second quarter 2007 results of operations during the week of August 13, 2007.

Revenues for the second quarter of 2007 are expected to increase over 75% from the first quarter of 2007. The Company also expects its live auction divisions iCollector and NAALive to set a record for the number of auction sessions facilitated in a single quarter for the quarter ending June 30, 2007. The iCollector and NAALive operations are expected to report over 400 auction sessions for the second quarter of 2007, surpassing all previous quarterly numbers.

Abdul Ladha, President and CEO of Ableauctions, reiterated that revenues from our liquidation operations have fluctuated widely over the course of the year, and will continue to fluctuate based upon seasonality, the inventory available and the timing of orders. Fundamentally, we expect that revenues for the next two quarters from our liquidation operations will surpass those from the respective periods in the previous year.

Our live auction operations, he added, are strong and are on course with our growth expectations for the year. We will continue to expand and re-invest into our core business units.
